## **A Brief History of the Brides of the Most Blessed Trinity**

by Claire Rose Champagne

The Blessed Mother has been appearing and speaking to me for many years. I believed that most of my spiritual experiences would remain hidden until after my death, except for our public mission to pray for priests. I was told by Our Lady that the messages I was receiving for priests would be published. I thought they would be published without my name.

October 15, 1987 I received this message: "You will begin a new order. Your house will become a holy dwelling place where many priests, even bishops will come and be healed. Be at peace. All will come to pass as I have spoken." She asked me on Dec. 8, 1987 in a message to my pastor & spiritual director at the time, to "Consecrate our parish to Her Immaculate Heart." The same night She asked that "a roadside shrine be built."

Fr. Ken Roberts was giving a Mission at my parish church, St. Eloi's here in Theriot this same week. I shared with him that we had been seeing the "Miracle of the Sun" here in Theriot since the last week-end of this past July (1987). He believed me. I showed him some photos we took that were unusual. I asked Fr. Roberts if people were seeing the miracle of the sun everywhere and he said no.

My Pastor was my Spiritual Director at this time, Fr. Roch Naquin. On Dec. 8, 1988, our new Pastor, Fr. Scott Dugas, honored Our Mother's request and Consecrated our parish to Our Mother's Immaculate Heart. I notified my Bishop by letter.

Early 1989 I offer my body to God as a living sacrifice for priests. I begin to fast for a priest. Several times in the following months a priest becomes Jesus during Holy Mass and in the Confessional. The priest totally disappears & all I see is Jesus, then I see both, I see the priest through Jesus.

July 1989 I give my free will to God after Confession, out loud to a priest. I watched in awe as his hands and arms turn to gold.

September 13, 1989 As I walk today, I feel the wounds of Jesus in my feet. "PREPARE A ROOM FOR ME--GET A ROOM READY FOR ME-- YOUR HOUSE WILL BECOME A HOLY DWELLING PLACE WHERE MANY PRIESTS, EVEN BISHOPS WILL COME AND BE HEALED--THEY WILL BE HEALED AND SAVED BY YOUR PRAYERS AND YOUR SUFFERING--THEY WILL COME TO PRAY WITH YOU--LOVE THEM ALL WITH MY LOVE AND THE LOVE OF MY MOTHER--LISTEN TO THEM--THEY WILL COME TO FIND PEACE--MY PEACE--ANOINT EACH ONE WITH A SMALL CROSS ON THE FOREHEAD AND PRAY WITH THEM. I LOVE YOU. From JESUS...DIVINE LOVE"

On the Last Saturday of Oct. 1989, although my own life was becoming a prayer for priests, Our Mother asked that the Last Saturday of the

month be set aside as a Day of Prayer for priests. She said there were some who would understand the meaning of the first and the last, the Alpha and the Omega. Last Saturday of December 1989, the first Priests' Saturday. Two present, spent the day in prayer for priests.

In 1990, Our Mother asks that we build an outdoor fifteen decade Rosary.

December 8, 1990, following the example of St. Therese the Little Flower, I gave my body to God through Our Mother's Immaculate Hands and Heart as a victim soul for priests.

In 1992, three of us were brought together by Our Blessed Mother, Lin from California, Shirley Ruedinger from South Carolina and myself from Theriot, Louisiana. We were blessed by Fr. Scott Dugas on Ascension Thursday, 1992, to begin this little mission for priests, Brides of the Most Blessed Trinity. We were given this name by Our Mother. Each year God has allowed us to be together to celebrate our Anniversary with one or more Masses and a renewal of our consecration with one or more priests.

In Spring of 1992, Our Mother asked me to build the Stations of the Cross and She said that a well of healing waters would be found here near my house at the sixth station.

On April 23, 1994 at 3:19 PM. I went outside to throw some old rice to the birds. Our Lady said "Build a big cross right here, near the swing." "Do You want a laying down cross?" I asked. "No, an upright one, like the cross in Medjugorje." "How Blessed Mother, out of wood?" "No, build it out of cement, similar to the cross in Medjugorje. I love you, I love you, I love you. I will show you." I told this to Buddy, my husband, as soon as I went into the house. He looked very tired. I said, "Daddy, She doesn't mean today, and you won't have to do it by yourself. She will send some help."

In July of 1997, Our Mother began to prepare me that She would appear here and give public messages. She said She would be known as Our Lady of the Bayou, Our Lady of Theriot.

On February 8, 1998, She gave me the following message within a message to a priest at 12:03 A.M. I heard birds singing outside and I heard the call of the dove, then Our Mother appeared in my room over my bed as Queen of Divine Love. She was all in white with small touches of gold, on Her Head was a taller gold crown than the one I've seen before. She began to speak to me a message of Love for Father. "My Precious and Most Beloved Son, I love you with all My Heart. Open your heart fully to Love, to Me and to one another. Let Me Love through your heart. Your heart is almost fully open now, to My Love. I thank you for ALL you do for Me. Continue to open your heart to Me, to Love, to My Son, DIVINE LOVE. When you are fully open to My LOVE, I LOVE through your open heart. You are seeing this take place within your own heart. Your heart is becoming My Heart. You will teach others about

My Love and the Love of My Son, Jesus. Thank you for coming here to bless this house, this home, this holy ground for Me, My priest, with your presence. I love you. I thank you for coming on the first Saturday. My Mission here is for priests. This began in My Heart long ago as a tiny seed. I know you felt My Presence, My Peace, My Love, My Joy, for I am present here at all times and where I am My Son is also.”

“My Mission here is a lifetime mission. Many will offer themselves as victim souls for priests through LOVE, by your example. Many priests and many of My children will be healed. My Mission will be known throughout the world. The last Saturday of every month is to be set aside as a Day of Prayer for My Beloved Sons, My priests. Those little seeds at the heart of My Mission of Love have made a life offering. Their very life is a constant prayer before Our Father, an offering of Love, for priests. I have called you from long ago to be at the very heart of this Mission of Love. I love you. Be open to Me, Your Mother, be open to Love, to DIVINE LOVE, My Son and be open to one another. Let Me Love through your open heart. When your heart is open, when you love one another, I LOVE through your hearts. Where I am, My Son is also. Love one another.”

“ENCOURAGE and SUPPORT and DEFEND one another, always in LOVE. I call you to a new level of PEACE. A deeper level of Love. Your eyes will be opened to the brokenness of souls. Just as you see the poverty of My precious children in Mexico, you will see the poverty of souls all around you. Do not be saddened or overwhelmed when you begin to see this, you will see this in your brother priests. I am guiding you, My son. I love you. I am filling your heart with DIVINE LOVE. I love you.”

“Yes, you will teach others about the healing power of My Love by your own experience. How can one teach another unless he has been given My Love and felt the healing Power of My Love? I take you by the hand to deepest union with My Son, Jesus; with Our Father and with My Spouse, The Holy Spirit.”

“THE HOLY CROSS FOR PRIESTS MUST BE BUILT. THE ROSARY MUST BE BUILT AND A WAY OF MY SON'S CROSS. A WELL WILL BE FOUND AT THE SIXTH STATION, THE WATERS WILL HEAL MANY. SOME OF MY HOLIEST PRIESTS WILL COME HERE TO HELP BUILD THIS, FOR ME. I WILL APPEAR HERE ON THE 9 LAST SATURDAYS OF THE LAST 9 MONTHS OF 1999. HELP ME, MY SON. I LOVE YOU WITH ALL MY HEART. THE TIME HAS COME. I LOVE YOU. YOUR MOTHER, MOTHER OF DIVINE LOVE.”

As She spoke, She also "Spoke with Her Hands." By this I mean at times Her Hands were clasped as in prayer, at times She moved Her Hands as some people do when speaking, other times, She turned Her Hands toward me and my husband, who was sound asleep. I had been in a state of intense

Grace and gratefulness to God and to Our Mother for days and especially in the last few hours because Her Words to me were being fulfilled and I was in awe of the miracle which had taken place before my eyes through a visit from a priest.

Our Mother had told me nine years ago (In early 1989) that one day this holy priest would come here. On my birthday, August 27, 1998, Our Mother showed me the statue for the roadside shrine that She asked for on Dec. 8, 1987. She revealed to me that it was to go in front of my house. I had misunderstood Her message and thought it was supposed to be built in front of our church because it came at the same time as Her request that our parish be consecrated to Her Immaculate Heart, in a message to my pastor. She is so kind and loving. I was told by Our Mother that the nine public visits would be a nine-month novena. Blessed Mother asked me not to reveal this publicly until the last Saturday of February 1999.

She has given me many years to prepare for this, but I didn't really understand until She said the word public. Blessed Mother knew I needed a year & a half to prepare my family and myself. She always told me She would take care of us and all the details and She has. The closer it came to the time for Her public visits, the more I realized that one can never be prepared for this. She told me that once we invite Her into our hearts & homes, She comes to us as we are. She purifies us and makes our hearts & homes holy by Her Presence because Jesus comes with Her.

On the Feast of The Annunciation, March 25, 1999 the Bayouside Shrine and Way of The Cross, now a reality, was blessed by a holy priest. He also blessed our entire home and grounds. That same evening at her home in Texas, another Bride, a sister at the heart of this mission received that the 9 visits represent the 9 months that Jesus was in Our Mother's womb. Little did we know that the 9th Visit would be on Christmas Day 1999. For several years three of us have received messages from Jesus & Mary.

While on retreat at a holy Monastery, on April 1, 1999, Holy Thursday night after Holy Mass, I received a special blessing for our mission from the Holy Abbot. Soon after that, Our Lady appeared in my room. She told me that in addition to the nine visits for this year this century, She would appear and give a message on the last Saturday of each of the first thirty-three months of the Jubilee Year and new century, one visit for each year of Jesus' Life on earth. In prayer, Blessed Mother revealed to me that we should begin to pray just before 2 P.M. in our chapel on the last Saturday of April. She told me that another Bride, Lin & Shirley Ruedinger would also receive a message at the same time. Neither one of them planned to be here when I received this message. I told no one.

On Wednesday, April 21, 1999, at 10 A.M., a holy priest came with a bucket of Holy Water and blessed us, our home, all our grounds, the shrines

outside to St. Joseph, St. Francis, Blessed Mother, The Stations of The Cross and the Bayou side Shrine of Our Lady of The Bayou. Very unexpectedly, Blessed Mother brought both Lin & Shirley here from Texas and South Carolina for Her Visit.

### **Introduction**

The following chapters are taken from the journals of words received during the first forty-two Public Visitations of Our Lady on the Last Saturdays from April 1999-December 2003. She was seen and heard by three visionaries, Claire Rose Champagne, Leslie Therese Champagne, and Lin ????. These Visitations took place principally at the Shrine for Priests of Our Lady of Divine Love in Theriot, Louisiana, although Lin, who lives in California, was only present in Theriot occasionally, receiving her visitations and words in California.

Each chapter contains the words received by the visionary noted, along with certain descriptions of what was seen or experienced by the visionary.

# April 1999

*Claire Rose received during the Rosary:*

"My beloved sons, I love you with all My Heart. I am with you. I have come to earth to tell you of God's love for you. You are My favorite sons. I come to you in love. I am Your Mother, Your Patroness, Mother of Divine Love. I call you in love, I call you to repentance, I call you to forgiveness. I am with you. Consecrate yourselves and your parishes to my Immaculate Heart. As a loving Mother I will take each of you by the hand and I will return you to holiness and wholeness. I love you. I love you."

"I call you My beloved sons. I love you. Listen for My Voice, I will speak to your hearts. Many souls have been entrusted to you. Many souls are being led astray because you have let yourselves be led astray. Come back to your Mother. Come back to Me. Come home My sons, I love you. I cry over you. Come Home. You will find in My Heart a safe refuge, a safe haven."

"Please be assured of My constant prayer for you, for your return to Holiness. The evil one has scattered and misled My shepherds. Come back to your Mother. I love you. I come here in obedience to My Son Jesus, to Our Father and to My Spouse, The Holy Spirit—I am your Mother. Mother of Divine Love"

At the Finding in The Temple I saw Our Mother all in white holding the Child Jesus out to us—He held out His Arms to us, He was two or three years old.

"My precious, precious children, I come to visit you to tell you of My love for you. I love you all. All, those who love Me and know Me and those who don't. I love you all. I ask you to consecrate yourselves, your families, and your homes to My Immaculate Heart. In My Heart you will find a safe and secure refuge, a safe dwelling place. I call you to repentance and conversion. Be converted, be converted. My dear and precious children, you are My little ones. I call you to holiness. Do not worry or be afraid for I am with you. I ask you to give all your worries and cares and all your illnesses to Me. I love the broken hearted. My precious little ones, I love you. Please thank My Son Jesus for all He has done for you."

"I speak to many of you. I will appear in every home if I must to bring My precious children home to the Heart of My Son Jesus. Give thanks to Him with a grateful heart. I have called each one of you here today by name. I am blessing you. I will answer your cry for help. I ask you to help Me through your conversion of heart and through your prayers."

"I love you all—Prepare yourselves for Consecration to My Immaculate Heart. Prepare your homes and your hearts that they may become holy dwelling places. Pray the Rosary. Visit My Son as often as you can in The Holy Blessed Sacrament. Use holy water. Let your homes and your bodies be fit dwelling places for My Son. I ask you to forgive everyone who has ever hurt you. Seek peace with one another. Also forgive yourselves for the wrong you have done. Make a good confession. My beloved priest sons stand there in place of My Son, Jesus. Receive your forgiveness. I love you. I love you. I am blessing you."

"I am the Immaculate Conception. Entrust yourselves to My Immaculate Heart and The Sacred Heart of My Son Jesus. I enfold you in My Mantle of Protection and Love. I love you, Your Mother, Mother of Divine Love. Love one another with My Love." Many angels surrounded Our Mother. She was all in white with a crown of stars.

*A sister bride received during the Rosary, in Theriot, Louisiana.*

I see Our Lady coming on a pillar of clouds she is dressed in blue and white saying "I am with you My children. I am placing My blessing on all present and they will take those blessings out to all they meet. I am pleased with all who came in My Honor and My Son's Honor, and the Honor of the most Holy Blessed Trinity."

Oh! My Mother thank you for coming to us. "My daughters thank you for being obedient and answering My call. We are in a dangerous time, a time where only prayer and sacrifice can change the direction the world is going. I need prayer warriors willing to pray, fast and sacrifice for holy priests. If We have holy priests We will have holy flocks. Families will unite under My Son to give glory and honor to the Most Blessed Trinity. Let yourselves be born again through My Son."

I saw Our Lady blessing each person here. "Pray for yourselves to be obedient to My Son through My Immaculate Heart." I see angels hovering over the top of us, more than I could count.

I see Jesus coming now. He is saying how pleased He is to all who came to Honor His Mother. He is with us. "My children, My Mother comes to plead with you to pray, to beg you to pray for holy priests. My Mother always comes to bring you closer to Me. Open your hearts to Her Immaculate Heart. When you are open to Her Heart you are open to My Sacred Heart, My Most Compassionate Heart. In these times your prayers are needed more than ever. This is a spiritual battle, a battle between good and evil. Which do you choose? It is up to you. Only each and every one of you can make this choice. This day I challenge you to make this choice and to pray for perseverance until the end. Don't wait any longer. I wait for you to come to Me, to open your hearts to Me. To invite Me in and to persevere in prayer."

I see many blessings flowing to each soul here, of the gift of tears and healing. I see actual flowing of grace as in rays going to each soul here and the souls not present, but who are here in spirit, from Our Lord and Our Lady. It is very powerful and awesome. A river of grace, a river of love flowing to all.

Jesus spoke: "My Eucharist will flourish and Adoration chapels will be increased. You will know My Love without a doubt. Ask and you shall receive, seek and you shall find, knock and it shall be opened unto you, that is what your prayers will accomplish. Do not be afraid of what others will think. Re-dedicate yourselves to My Sacred Heart through My Mothers' Immaculate Heart as you have never done before. Pray, Pray, Pray for Holy Priests. Die to self My children, and let Me increase in you and let Me accomplish in your souls what I desire."

I now see Our Lady, Mother of Divine Love all dressed in a cream color with gold all around the edges of Her Mantle. It is light fabric that flows in the wind softly as if it has no weight. Love pours from Her Hands out to all. Yes, out to the whole world. She wishes to bless us in only a way that She, as our Mother can bless us. She again thanks us all for being here and tells us of Her love for us, Her children. I cannot begin to tell you how great is this love for Her children. It is beyond all understanding.

She again asks us to persevere in prayer to Her most Beloved Son for holy priests for the world. I see flames of love, the flames of the Holy Spirit coming on each and every soul here bringing with Him great grace of Faith, Hope and Love. Seeds of love to carry out to all the world, the message of love that prayers bring to the world, and even more the grace received by priests to tend and lead their flock to be holy and pleasing to God. "Rest now little one."

Fourth Glorious Mystery, The Assumption, I see our prayers lifting up to Heaven as incense before the Throne of God, most pleasing to Him. I see Heaven opening and closing and angels and saints going to and from Heaven in jubilation for our prayers for priests.

Fifth Glorious Mystery, The Crowning of Mary, Jesus spoke: "Many children will recommit themselves to Me today for My greater Honor and Glory." I received an understanding that Mary is the most perfect adorer of the Most Holy Blessed Trinity. She adores God the Father as Her Father, Jesus as Her Most perfect Son and God the Holy Spirit as Her Spouse.

Jesus spoke, "My children, follow My Mother's example in love and adoration of Me, in The Most Holy Blessed Trinity. Pray for yourselves to be holy as She is holy. This will be most pleasing to Me, then you shall wear a crown in Heaven."

*Shirley received during the Rosary:*

Blessed Mother spoke: "Write, My child. I love you, all of you. Please My children, do as I ask and pray for My priests. I love them so... so much. You do not know My children how I suffer for them. They are My Hands here on earth. I do speak to you at this time My child, so that My children will know the need for prayers for My sons, who bring My Son to you through the Eucharist at Mass, always alive on the altar; My Son's altar of love for all mankind. Please pray my little ones, so that Heaven and earth can celebrate the love of My Son. My Son whom I gave to you as a gift from Me by My Father, through the Holy Spirit, My Spouse."

"My dear children, how much I love all of you--from the depths of My Being, I love you. All of you are My children. I care about you. Please care for My sons, My priests, by prayer and sacrifice. I truly will ask My Father to bless you and your households. They" (the people) "already are in My Arms and Heart."

"From the beginning of time My Son has waited for this time of love which is coming upon the world. It will be because of your prayers and your families' prayers. The new era is an era of love as My son, Pope John Paul II has said. Do not be faint of heart, My little ones, all will come to pass as Our Lord, Our God has spoken. We are entering a new era. Love. Love and love will be returned tenfold, a hundred fold to you, and our priests will shine with love and holiness. That is all for this time, My little one. I will return as I have promised. I love you all. Pray, pray, pray for My sons, My priests. Thank you for writing, My little one. Your Mother of Divine Love, Your Mother of Mercy. The two are one. I go now in voice, I am still with you, all of you. Resume prayer now My child."

At the First Sorrowful Mystery, Jesus spoke to me: "My Blood pours forth for you." (I could see thick blood) "Please My children, answer My pleas for help. I fill the earth with My Healing Blood as you fill the earth with your sisters' and brothers' blood. Do you not smell the blood shed over the earth? See the darkness of these days. Pray My little ones, My brothers and sisters for priests—for with holy, holy priests will come the end of bloodshed and the return of light and love to this world. An end of abortions, the slaughter of innocents, the end of My old" (aged) "being mistreated and the return of love for parents and the elderly. I, your Jesus, love you. I need holy priests for love of you. Please hear My plea, My Mother's pleas for all the world to come full circle," (I thought of the Garden of Eden, before the fall) "to return to My love, My Father's love, The Holy Spirit's love. We share Ourselves with you and pour graces out upon you and this world. My little ones reach up and snatch them. They are here for all mankind to use and behold." (I could see all kinds of graces being poured down all over the world and people were reaching up for them and clutching them to their breast.)

"I love you, My little ones, I will spread your prayers throughout the world. By this, I mean others will pick up your prayers and do the same my children." (I saw people kneeling and praying in church and in open fields, others would see them and stop and join them in prayer.) "My children, My children go and have peace and pray. I thank you all for coming. My Heart is filled with love for you and I place each of you within the deepest recesses of My Divine Heart, My Divine Heart of Love for all of you My children. Go from this place in the peace and love of My Heart. Thank you again for coming. This is a house of Love for all of you, My children and My priests. Come here to be healed, to return to Me as you were meant to be, whole, complete in My love and light. Peace descend upon you now."

"I love you all, all of My people. Race nor creed are excluded from this My love. You are all My brothers and sisters, so how cannot you be each other's? I love you. Go in love and peace and love all you meet with My love and My light. Say I love you to all My priests and you will soon love all My priests as I do. Your Jesus of Divine Love and Mercy."

#### *Claire Rose visions*

About 3:30p.m. we went out on the swing to pray a Chaplet for priests. As usual, I invited the Blessed Mother, Mother of Divine Love and the holy angels and saints and the holy souls in Purgatory to pray with us and for us for holy priests. Almost immediately I began to experience visions. I thought I would be able to remember them, but they became so numerous I asked Shirley to get paper and pencil. I saw:

Our Mother, all in white coming toward us with open Arms, then enfolding us in Her Arms, on Her Head was a Crown of Stars. Then, Jesus came and enfolded us in His Arms in the same way. He was all in white with a gold crown on His Head. Then Jesus' cloak became red with blood and His Crown became the Crown of Thorns.

Our Mother placed a long bright white veil on both our heads with a crown of stars like shining diamonds. These veils completely covered us. Next, I saw a church steeple with a white cross on top surrounded by gold. It was the church steeple of the old St. Eloi Church, built by our ancestors. Then I saw Our Mother on top of the steeple surrounded by the same gold light. Then I saw Jesus' precious Blood washing over us and our bridal veils and dresses became pink with His Blood.

I then saw Heaven opening up, clouds rolled away to make an opening. All was golden light and Heaven was coming down to be here with us. I know this is a poor explanation, but it's the best I can do. Many, many angels (hundreds of thousands) poured out of Heaven on to and all around us. They formed like a channel or river between us and Heaven. I saw God, Our Father, seated on a Throne, all sparkling white. Jesus coming down, all

white, then a huge white bird, like a white eagle. I saw St. Michael, the Archangel and he was killing the devil with his spear.

I saw many, many saints. I saw several Popes praying, one at a time at the Feet of Mary, Pope John XXIII, Pope Pius X and others. Heaven is coming down to earth. I saw many rosaries floating in the air. I saw Our Blessed Mother with Her Arms extended over us. She is dressed in a blue mantle and veil and Her dress is white. I saw a beautiful gold Chalice, there was a pure white Host floating above the Chalice. I saw two gold wedding rings intertwined, I saw an open Bible and the open hands of a priest. I saw the vestments of a priest. I saw Jesus again with a gold Crown on His Head, wearing a red robe, soaked in blood, suffering Jesus. Then I see Our Blessed Mother suffering, swords piercing Her Heart. I saw Our Blessed Mother under many titles, many I don't know. I saw the Crown of Thorns being put on Jesus' Head. He said,

"I AM BEING CRUCIFIED BY UNHOLY PRIESTS."

I saw Jesus being Crucified and pierced by a lance. Now it's like I am above His Head, looking down upon Him from the top of The Cross. This is so vivid, yet so hard to explain. Everything is gold, yet Jesus is being Crucified, He is dying, I still see Him, His hair is matted with blood. Jesus and Mary speak with One Voice,

"THE SINS OF OUR PRIESTS ARE CAUSING OUR GRIEF and PAIN, SO MUCH SUFFERING. OUR PRIESTS SPEND SO MUCH TIME DOING UNIMPORTANT THINGS, WHILE THE SHEEP SINK DEEPER and DEEPER INTO SIN."

I still see Jesus on The Cross, I'm still at the top of The Cross, looking down on My Beloved Jesus. I begin to see green grass growing and white light all around the base of The Cross, where the dirt and Blood of Jesus was. I see more fresh new growth, light yellow and green and it is spreading, spreading like little rivers as far as I can see in all directions. The Cross is right here, near the swing where we are sitting. The Wind is blowing, blowing stronger and stronger and Jesus Garments that were red with His Precious Blood are now blowing in the Wind and are becoming dazzling white, but there is Blood going in all directions.

The Cross where Jesus is suffering becomes a Monstrance, with a Sacred Host, pure white at the center. The base of the Monstrance becomes a sword. The colors coming from The Monstrance were colors I have never seen on earth before, spinning and going out in all directions. I then saw either God, Our Father or Abraham with a long white beard moving in the Wind. He is reaching down from Heaven. Heaven has opened up.

I see so much movement, clouds, gold, gold, it's Our Lady of Prompt Succor, Our Lady under many different nationalities, Turkish, Polish, Arabian, Mexican, Oriental, Indian, light skin with light hair, fair skin with

dark hair, African, Russian, too numerous to write. She is wearing the most beautiful clothes and Crowns, changing from one to the other. She is pouring out all over the world abundant colors coming from Her, abundant Graces passing through Her in all directions. Colors I have never before seen. Light and Graces pouring all over the world. Then I saw Her as Rosa Mystica, the Black Madonna, Our Lady of Perpetual Help and other Icons. I keep seeing Jesus on The Cross, then I see many little children, all in white receiving Jesus in Holy Communion.

I then saw Padre Pio on The Cross, I saw his holy face very close and very clear. Jesus and Mary are kissing him. Jesus is kissing Padre Pio on the lips and I realize the symbolism, that Padre Pio gave himself totally, abandoned himself totally to God and his life was lived totally in union with The Holy Blessed Trinity and Our Mother. Could be the greatest saint who ever lived. The first priest with Jesus' visible Wounds. I understood this so deeply. I love Padre Pio so much and often ask for his help. I then see Padre Pio as a little baby, so clear, like he is really right here in front of me.

Jesus and Mary are kissing the baby Pio's face. He has black hair and black twinkling eyes, so vivid. Then I see Jesus' Eyes, into His Eyes, how can I see all this and still live? There is so much gold color, I am seeing everything in gold, Padre Pio is all gold, his face, his eyes, his mouth. Then I saw Our Lady of Guadalupe. I begin to see Our Lady as Icons again, but in each one She shows me that She is alive and moving.

I wonder about the meaning of the Icons, I wondered if it meant the Church would become One. Shirley then asked out loud what I was thinking, "Does it mean that the Church will become One?" Blessed Mother spoke softly and sweetly through Shirley, "Division is gone, will be gone, when Heaven opens Its doors for Love, because of prayers being offered up in sweet fragrances of Love. My Dwelling Place will be your Dwelling Place, for all who enter into My Son's House of Love."

# May 1999

*Received by Claire Rose*

At the beginning of the First Joyful Mystery, The Annunciation, Our Blessed Mother asked me to announce Her Presence to those present.

I began to see Her during the second Mystery, The Visitation. She was so beautiful, mere human words can never describe Her Beauty nor Her Presence. She was dressed all in white with a bridal veil and a circle of small roses around Her Head. Her dress was different than the one She was wearing earlier, it was more simple. Her dress and veil were blowing in the wind. She was accompanied by many angels and saints.

Our Lady walked around the room and physically touched each person present. I received the understanding that She was also touching those who were with us in spirit and that many healings were taking place and petitions were being answered.

Just before the Third Joyful Mystery, The Nativity, She began Her Message for priests. As She spoke Her Immaculate Heart beat from gold to pink, over and over. There was tremendous light coming from Her, especially from Her Heart and Her Hands.

"My Beloved and Most Precious Sons, I love you. I am calling you. I love you. Do you not hear My Call? Have you lost your hearing? There is so much noise around you, you can no longer hear My Voice. I love you."

"I have given birth to your vocation. I have called you to be a priest...a holy priest. Many of you remember this call, but so many do not. I assure you of My Motherly Love. No longer can you hear Me and this causes My Immaculate Heart to grieve. I love you. I ask you to ask My help. I will bring you back to holiness. I am waiting for your call. Your heart is Mine. Your heart belongs to Me and to My Son. It has been purchased at a great price."

"Do not be troubled, just return to me. I love you. Pray for one another. Encourage one another to return to Your Mother. To return to Your Mother will assure your return to holiness and your return to My Son. I love you ALL. I am a loving Mother. I am your loving Mother. Do not be afraid. I am with you. I have never left you, although some of you have left Me and I am often in tears over you. I come to bring you peace of heart and of soul. I love you. Your Mother, Mother of Divine Love."

As we began the First Sorrowful Mystery, The Agony in the Garden, Our Mother began to speak again: "My Beloved and Precious Children, Thank you for coming here to pray with Me and My Son, Jesus. Your prayers bring

joy and comfort to Our grieving Hearts. Our Hearts are pierced many, many times each hour. My beloved children, I cannot plead with you enough to pray, pray, pray for holy shepherds to lead you. I love you all so much. I am blessing you in a special way today.”

“Do not be afraid of what others will say about you. I ask you to persevere in this prayer and I invite you to return. I hear all the prayers in your hearts. You will be so surprised at how your prayers will all be answered. Pray for My sons, the priests who are all called to shepherd you all. I will pray for all your intentions. This is a holy promise. You will see an increase in holiness in your priests. I am present here at all times. I love you.”

“Many, many healings will occur here through your faithfulness. Open your hearts to Me and to one another. Love one another with My Love. Be at Peace. I will return here each month as I have promised. I love you all. Always thank My Son, Jesus, Our Father and My Spouse, The Holy Spirit for these visits and messages.”

“Each one of you is special to Me and has a special place in my Heart. Be patient with one another, My dear little children, as I am with you. I have called each one of you here today, called you by name. I come to call you to a deeper union with The Holy Blessed Trinity, Our Father, My Son, Jesus and My Spouse, The Holy Spirit. Renew your commitment to Them. I will help you if you only ask. I will take you by the hand and bring you one day to Heaven, but you must do your part. You must ask for help to be converted to holiness. For some of you, this means to turn around for you are heading in the wrong direction.”

“Your prayers of today comforted My Son and Me at Calvary. We could hear the sound of your voices in prayer, even though you were not conceived yet at that time, for My children, with God, there is no time. One day in Heaven you will understand this. I love you all so much. I am asking you to do all you can in your life, in your vocation to be holy and pure.”

“Turn away from sin and turn to Jesus, My Son. He is waiting. His Arms and His Sacred Heart are always open, waiting to receive you. I love you. Go to My priest sons, go to Confession, ask for prayers and help. I am waiting to help you. Many will ridicule you as they did to Noah. Do not worry or be afraid for I am with you always. Be a comfort to My Immaculate Heart for all your sisters and brothers who appear to be lost.”

As we began to pray the second Glorious Mystery, The Ascension, Our Mother appeared as Our Lady of The Americas, Our Lady of Guadalupe. These are Her Words: “My children of America, Your country is in serious trouble, My beloved children. Pray, pray, pray for holy priests to lead the flocks to holiness. I will never abandon this land, this earth, it was created by God as a gift to mankind. I promise you that it is always darkest just before the dawn. Do not be afraid, trust and hope in My Son, Jesus.”

"He will return to you just as He left. Keep in mind that He is ALWAYS PRESENT in The Blessed Sacrament. Always present awaiting your visit, awaiting your glance, awaiting your love. Where My Son is, the whole Holy Blessed Trinity is and there I am also. I am leaving you, but I remain with you."

I could no longer see Her, but She continued with these words: "Open your hearts fully to Me. I love you. Pray the Rosary, it is the most powerful weapon against satan. I love you, your Mother. Remember that your bodies are living tabernacles where The Holy Spirit dwells. Keep yourselves pure and holy in honor of the One who gave you life, for where The Holy Spirit dwells, The Whole Holy Blessed Trinity dwells and where They are, I am. Your Mother, Mother of Divine Love."

*Received by a bride from another area*

In obedience to my spiritual director, instead of staying at Claire Rose's house during the visit from Our Lady on the last Saturday of May, I went to a church nearby with two other people to say the Rosary for priests. Our Lady spoke to me, "Do not be discouraged My daughter. This is part of My plan."

I see Our Lady in a vision as Mother of Divine Love, all dressed in a cream colored dress and veil with gold around the edges of Her veil, and it flows in the breeze softly. She stands in front of the tabernacle with Her hands outstretched to all Her children. She then moves across to the altar. She seems to float. She now moves up to the same level as the top of the altar. Her feet seem to be level with the altar, but not standing on the altar, but hovering at that same level just behind the altar.

Our Lady then speaks again, "Thank you My daughters for praying for priests. Thank you little one for being obedient to your spiritual director. I have removed the roof of the church and the roof of Claire's house. You are now joined together. Shirley is with you also."

"I come My children to plead with you to pray, to pray for holy priests. In spite of all the distractions all around you, you will be able to pray for holy priests. I am asking you to pray for priests, for holy priests, to bring all My people back to My Son, to open their hearts to truly know My Son, their Redeemer and Creator. Pray for their daily conversion. Pray for My special sons to re-dedicate themselves to Me daily. This is a daily battle that can only be won by your diligent prayers. Do not be afraid what others think. Totally dedicate yourselves to prayer. Let your daily duties be dedicated to Our Father through My Son's Most Sacred Heart, through My Immaculate Heart. Rest now little one."

During the fifth Sorrowful Mystery Our Lady spoke again, "My child, My priests must be holy to bring and attract My children to My Son's Heart.

Oh! How I love them! Oh! How I love you My children. I plead with you to listen to My plea. Pray! Pray! Pray for My holy priests. It is now the hour of mercy. Immerse the priesthood, My special sons in My Son's passion. This is a very holy time. Much can be accomplished at this holy time. Continue to pray My children."

The first Glorious Mystery, (Our Lady) "I love you, I love, I love you. Oh! My children, how I love you. Only in heaven will you know and understand how much I love you. My Son loves you, and has laid down His Life for you. When you are discouraged always turn to Him. Our priests need to be holy, so My children will be attracted to them and return to My Son, the whole purpose for which they were created. All is for Love. My Son is Love, the Father is Love, the Holy Spirit is Love. Pure Love, unlimited Love. Submit yourself to Pure Love, the Most Holy Blessed Trinity. I love you My children, the Most Holy Blessed Trinity loves you. Pray! Pray! Pray for priests, for holy priests."

Our Lady then went quiet after saying, "I go quiet now my children, but always remember I am with you." We continued to say the fifteen decade Rosary and Our Lady started speaking again, "I am so pleased for the meditation prayers used to say the Rosary, the fifteen decade Rosary for holy priests. Share this with the whole world."

At the fourteenth decade, the Assumption, Our Lady spoke again, "We are in battle. It is a spiritual battle. The evil one is trying to destroy the priesthood. He will not succeed. My Son has already won. Have courage, My little ones, have courage. Continue to pray for holy priests." Our Mother says how pleased She is with Her children who came today to pray for Her beloved priest sons. She also thanks the two people who came with me to pray the Rosary in another area in obedience to my spiritual director.

"Oh! My children, how I love you. How much I thank you for praying for My special sons, for holy priests."

Our Mother came, all in white with Her Arms and Hands extended over us. Over Her Heart was The Holy Spirit in the form of a pure white Dove. Our Mother spoke Her Message for priests: "My Precious and Most Beloved Sons, I love you. I love you all. I come to you in love. I come to you in obedience to My Son, Jesus; to My Spouse, The Holy Spirit and to Our Father. I love you."

"You have been called to a precious vocation, chosen from among all men. You are in My Heart, My Immaculate Heart. I love you. You are My Hands and My Heart in this world. You represent My Son, Jesus, in a way that no one else can. I ask you to remember this always, at all times."

"I know that many times you grow weary and become disheartened. I am always with you. I am always there, waiting to help you. So many of you have forgotten me, but I have not forgotten you. I will never, ever abandon you. I am never too busy for you."

"I await your return. Come home to Your Mother. I will guide you to a deeper union with My Son, Jesus. I will take you by the hand. I will take you home. Your Mother, Mother of Divine Love."

At The Agony in The Garden, I felt a burning heat over all my body, then I felt like I was bleeding from every pore. At The Scourging, I heard, "You are evil, you are so evil." I grabbed the holy water and sprinkled it all around me. I knew that was not from God. Our Mother then said, "Thank you for sprinkling the holy water."

At The Crowning with Thorns, a child was leading the decade, at the third Hail Mary, I felt a sudden and painful piercing into my heart.

Our Mother spoke: "My Precious and Beloved Children, I love you. Thank you for coming. You bring joy to My Immaculate and Wounded Heart. Your prayers, My dear little children, are like sweet music in My Ears and in My Heart."

"Thank you for praying for holy priests. This pleases Me. I thank you. So many of My dear children and priest sons have been led astray. Your prayers bring comfort to My Heart. Your prayers are heard. If you will pray for holy priests, I will pray for all your needs. Bring to My Immaculate Heart all your fears, all your cares and worries. This comforts Me. Bring to me your joys as well. I am a loving Mother and I care about every detail, every moment in your life."

During The Crucifixion Mystery and into The Resurrection Mystery: "This is My third Visit, my third Message to you. These nine visits, at the end of this Century, represent the nine months that My Son and Our Savior, Jesus, spent in My Womb. My dear children, how many babies do not live the whole first three months because they are unwanted by their mothers and fathers. They are killed in their own mother's blood."

"My precious children, PRAY, PRAY, PRAY that more and more of My priest sons will speak out against this evil which plagues the whole earth, especially in countries like this one who profess to be Christian. Your country and the whole world is deep in the blood of the innocent."

"I love you, My children. I am blessing you and all your families today. PRAY, PRAY, PRAY, My children, PRAY WITHOUT CEASING. I cover this house with My Mantle of Love, My Mantle of Protection. I love you all. Thank My Son, Jesus, for these visits. We call you to a deeper union with Our Hearts. Our Hearts beat with One Love, with One Voice."

During The Third Glorious Mystery, The Descent of The Holy Spirit: "I fill you with love and peace. I love you. I leave you, but I remain with you always. Let My Immaculate Heart be your Home and your Refuge. Seek forgiveness one from the other, forgive one another in love, as Jesus forgives you. Your loving Mother, Mother of Divine Love."

The following was received by another Bride while saying the Rosary in another area on the last Saturday of June. During the Annunciation Our Lady began speaking to me. "My daughter, I have come to you today to speak to you about My Son. His Heart is heavy with those who do not listen to what I am asking of you. Again I shall ask. It is of utmost importance my children that you turn your hearts to My Son. I am asking you to pray for holy priests, as they will guide you to My Son."

"Again I tell you not to be afraid of what others think of you. Be more concerned with what My Son thinks of you, and what you think of Him. Look into your hearts my children. What can you do to correct your hearts my precious children? (I understood this to mean each heart on an individual basis. Very personally between each soul and Jesus.) Each soul must look into its heart in a very deep way and search out what is not of My Son and stop doing it. My Son gives you the means to help yourselves. This means is prayer and the Sacraments."

"Consider the last time you went to Confession and Mass and Communion for My Son's greater honor and glory? When is the last time you said a Rosary or even part of a Rosary? Seriously consider these things my children."

"I come to three specific brides of the Most Holy Trinity because I have given them a job to do for Jesus and me. We, Jesus and I have given them an apostolate to spread, which is to pray daily for our priest sons and to

encourage others to do the same. I am challenging you all today to pray daily for holy priests. No matter how small or how simple the prayer is, it is heard by the Most Blessed Trinity in heaven. Holy priests are needed to cure the ills of your era of time on earth. You will not have them (priests) unless you pray for them my children. I come to you publicly through these specific brides to give you these messages and for you to carry them home with you to your families and friends. Hold them deeply in your hearts and share them with each other. The whole purpose of the messages is to bring each of you closer to My Son."

At the first Joyful Mystery, The Annunciation, Our Mother asked that Her Presence be announced. She came accompanied by a multitude of holy angels and Saints. She was dressed in a gray veil, a medium blue mantle and a white dress. There were tears in Her Eyes. Her Eyes continued to fill with tears and they just spilled over, just silent tears.

I told Her that I was sorry for all the times in my life when I have hurt Her and Jesus and that I felt so unworthy, inadequate and unprepared to be here in Her Presence and that it was my desire to try to comfort Her. I was sure that I am the cause of many of Her tears. She looked at me with so much love in Her Eyes, yet the tears continued to fall in silence through the first two mysteries. At the third Joyful Mystery, The Nativity, Our Mother asked: "Will you write for Me?" "Yes, My Mother, I will."

Our Mother's Message for Priests: "My Precious and Most Beloved Sons, I love you. I love you. I gave birth to your vocation. My Immaculate Heart is wounded over you. I love you."

Her silent tears continued and somehow I could feel Her Pain and sadness. Tears...Tears...Tears... "I cannot bear to see your sins, My sons, your hands are consecrated to be holy. I come to call you to holiness, to call you to your Mother's Heart, to call you to My Son, while there is still time...REPENT. I grieve over you. Pray. Pray. Pray."

At the fifth Joyful Mystery, The Finding in The Temple, "My sons, just as a mother hen calls her chicks and protects them from an approaching storm in the shelter of her wings, so I call you to take refuge in My Immaculate Heart and in The Sacred Heart of My Son, Jesus."

At the first Sorrowful Mystery, "Meditate, My sons, on what He has done for you and see how precious you are to Him and to Me, your Immaculate Mother."

The Crucifix and the Pieta statue in front of me seemed to "come alive" and bleed. I cannot explain this for I know it is not the statue, but a holy Presence near it. I could hear the sounds of The Crucifixion of Our Lord, Jesus. I heard the sound of the soldiers and others jeering, talking and laughing. I heard the sound of the whipping. I felt pressure of the crown of thorns being pressed on my head and felt the bleeding, the blood running down my face and head.

"To those of you who are faithful and holy, I am with you always. I know you undergo much suffering and persecution for loving Me, even from

your brother Bishops and priests, let Me comfort you as you comfort Me. Speak to your brother priests who are in error. Do not be afraid, you speak for Me."

"I LOVE YOU ALL. I will never abandon you. Your Mother, Mother of Divine Love."

At the fourth Sorrowful Mystery, Our Mother spoke to me, "You have been given a very heavy cross, do you continue to accept it?" "Yes, my Mother, if You will always help me and stay with me, for I cannot do it."

At once the weight on me increased and became so heavy I had to hold on to the kneeler with all my strength to keep from falling over. I became very weak and suffered through feelings of abandonment and desolation so deep, such as I have never experienced. These feelings were greater than my own human feelings could ever be. I know I do not explain this very well.

At the fifth Sorrowful Mystery, The Crucifixion, Our Mother spoke these words: "A darkness is quickly spreading over the whole earth that threatens to block out all the light. I am Appearing in every corner of the world. Your presence and your prayers will help to ban the darkness and push it back so Light and Truth will reign again."

I felt like I died and was gone for some time. When I returned, I felt very refreshed, like I was washed in a cool shower. I could hear the others around me praying the first Glorious Mystery, The Resurrection. Our Mother spoke: "My Precious and Most Beloved Children, Pray, Pray, Pray without ceasing for holy priests to lead you. I need your help. Embrace your little crosses and sufferings and offer them to Jesus, My Son, for the salvation and healing of priests. I thank you with all My Heart for coming here today to pray with Me. I am blessing you all today in a special way. Please thank My Son, Jesus, for these visits and messages. Live your life in a simple way. Rid yourselves of all that keeps you from being holy."

"I love you and come to teach you about God's Love and to bring Peace to your hearts and to your homes. I love you."

At the Mystery of The Ascension, I asked Our Mother to "please send us many holy priests." I meant both here at our house and also meant it as a tremendous increase in vocations to the holy priesthood all over the world. I ask this to be given with many, many healings as a sign that this little mission is from Her and Jesus, as a sign to others that She is speaking to us. For several years I have prayed for a Eucharistic Miracle in association with Her Mission here as a special sign for priests and for Holy Mother Church. I ask Her for this again.

"Love My priest sons with all your hearts. Be kind to them. Love one another and forgive one another while there is still time. Your prayers and voices in song bring much joy and comfort to My Immaculate Heart. I love you so much, My little children. Your Mother, Mother of Divine Love."

After I read Our Mother's words to those present, She asked me to speak these words for Her: "Thank you again for coming here, My children. I ask your help to live and spread these messages."

*Received by another Bride in another area*

At the Visitation, I feel Our Lady's presence. "My child, I wish to speak to you. I wish to tell all my children that I love them and I thank them for coming today to pray for my beloved sons, our priests. Ask each and every one of them to take this message home with them and to spread my wish for them to pray for priests. If you do not pray for priests, you will not have them."

"I ask for you to pray for holy priests, priests who are not afraid of hardship and sacrifice in order to care for their flocks, to care for their flocks and not to count the cost. The example of holy priests like this will increase the flocks a thousand fold. The flocks will go back to the correct order in life, having My Son first and the rest in life second." I feel Our Lady's presence so strongly.

At the fourth Joyful mystery The Presentation of the Lord, "My Son is cleaning house. No longer will He stand for unholy priests, priests who are not good examples to their flocks. The damage they do leaves deep scars on the flocks. An unholy example pushes the flocks away from my son. Pray for our priests to have daily conversion of heart, pure hearts, not afraid to live for the greater honor and glory of God. Loving their flocks with My Son's Love, a pure love that does not count the cost, a rendering of self for My Son, for the Word."

The second Sorrowful Mystery, The Scourging at the Pillar, "Pray for our priests to persevere in spite of hardships that come their way because they are priests, especially hardship caused by their flocks. Pray for our priests to endure when they are persecuted justly or unjustly. My son obtained the graces for them for this purpose at His Crucifixion."

The third Sorrowful mystery, The Crowning with Thorns, "Pray that the flocks will appreciate holy priests and let them know that they are appreciated. Pray that more and more people will pray for priests and participate in the helping and encouraging of them. Pray that our priests will be humble enough to accept their help. Pray for our priests to be humble, as humility is irresistible to My Son and also to their flocks. Pray for our priests to have moral courage and not to be afraid to stand up for what is right."

The fourth Sorrowful Mystery, The Carrying of the Cross, "Pray for our priests to carry their crosses and go forward, and that they will take time to be with My Son in Adoration often. This is where they will find the graces to go forward in spite of their crosses. My dearest children in order to have holy priests you must pray for them to be holy. Please bring my requests home with you today and read them frequently and pray them frequently."

The fifth Sorrowful Mystery, The Crucifixion and Death of Jesus, "I love you, your Mother, Mother of Divine Love. Thank you for coming today to pray for priests. My daughter, thank you for being obedient and writing, you were joined with your sister brides today in prayer. Thank you my daughter, I love you, Mary Immaculate. Go now in peace."

Our Mother Appeared just as The Annunciation Mystery began, She asked me to Announce Her Presence. I did. She Appeared in silence, just in front of the big picture of Our Mother, surrounded by moving white, white clouds. Her Face changed from one color to another and I saw Her as many different nationalities.

At the Mystery of The Birth of Jesus, Our Mother began Her Message for priests: "My Precious and Most Beloved Sons, I love you. I Appear in black and white today in honor of you and of your priestly clothes. I ask you to wear your special clothing, this is an honor given to few men on earth and sets you apart for you are chosen from among all men."

"Today is the Feast Day of the great Saint, Augustine, your brother priest. He was snatched from the door of hell by the prayers of his holy mother. I Appear here for you, My sons, in a way I have not appeared anywhere else. I call you here for healing and for peace."

At The Presentation Mystery: "I understand your humanity. I ask you to turn to Me, to turn to Your Mother. I call you to holiness. I ask you to rid yourselves of all in your life that keeps you from being pure and holy. You have been chosen and purchased at a great price."

As Our Mother said this, I saw Her holding Jesus after He was taken down from The Cross. I felt Her Pain and understood in a deeper way, as I never have before, how Her Suffering at Calvary also helped in our Salvation. She bore His Holy Wounds in a hidden way, in a way that no other human being ever will, for They were truly of ONE FLESH. She suffered His Suffering and also Her own grief and loss.

"I Appear here to ask for a return to holiness. I Appear here to ask for repentance and reparation for sin. Many of you, My Beloved Sons, have been led astray by satan himself. Many of you are on the road to hell. Many of you are lukewarm and teach untruths. I ask you to return to holiness and to truth."

"Be obedient to My Beloved and Chosen Son, Holy Father John Paul II. Those of you who have been disobedient, be reconciled to him and to Truth. He represents My Son, Jesus in a special way. There is much desecration of My Son's Body, Blood, Soul and Divinity on the altars all over the world. This must stop."

“My sons, you have been given an awesome responsibility, the souls of those placed in your charge. You will be held accountable in a way that none other will. I plead with you to return to holiness and truth while there is still time.

Many of you are holy and do your best each day, I ask more. I ask that you pray for and do reparation for your brother priests. I am with you all in a special way. If you listen for My Voice, I will speak to your heart. I love you. You are Mine, My special sons.”

“It is My Heart’s desire that a new order of priests spring from this mission of love. You will be called Divine Love Missionaries and your special mission will be to your brother priests. Holy shepherds will lead holy flocks.”

At The Agony in The Garden, "I love you ALL. Come home to Your Mother, I will return you to My Son, Jesus. He desires a deeper union with all of you."

At The Scourging at The Pillar, I felt a tremendous heat come over and through me, it felt like my whole being was on fire and bleeding. "My Beloved Sons, I love you. I come to bring you My Comfort. I come to bring you My Love and to encourage you ALL. My Immaculate Heart is open for you, a safe refuge for you and for your flocks. The hour grows near, My Sons, the hour is late, this is a critical time, do not wait... Come home to Your Mother."

At The Crowning with Thorns, "I ask you to be bold with a holy boldness. Speak out against the evils you see around you. Do not look the other way and pretend you do not see. Speak out and do not be afraid, for you speak for Me. My children have lost their way, many, many millions have lost all sense of sin. My Sons, your sins and your falls grieve Me and pierce My Heart... but those of you who know the Truth and remain silent grieve Me more. I love you."

At The Carrying of The Cross, "I ask for Masses for holy priests, for the healing of priests. I ask you, My Sons to do this for Me. The Offering of one Holy Mass can do much to atone for the sins of your brother priests. This is the finest offering to make reparation for and to restore My Priests to holiness. Thank you, My sons, I love you. Your Mother, Mother of Divine Love."

Just before The Resurrection Mystery, I saw Jesus' Holy Face, just like on The Shroud of Turin, except His Face was Gold, surrounded by white light. Our Mother spoke: "My Precious and Most Beloved Children, I love you. Thank you for coming to pray with Me. I will bless you in a special way for your sacrifice. I ask you to pray, pray, pray and do reparation for your sins and for the sins of priests. I need your help. Offer up to My Son Jesus many small acts of love, sacrifices and sufferings in reparation for all sin and desecration which occurs every day."

"I ask you to repent of all your sins and to live a simple and holy life. Seek forgiveness in Confession for many receive My Son in grievous sin. Turn away from sin and turn to Me, My children. Consecrate yourselves, your families and your homes to My Immaculate Heart. Persevere in prayer even under extreme duress. Offer your daily works in reparation for sins. I love you. Love My Priests, all of them, through your daily offerings and little deeds."

"I love you ALL. I bless you and all those who are with you today in prayer. I am blessing the wedding rings of those who are married. I touch each heart present here today and those who pray with you in other places. Thank My Son, Jesus for these Visits and Messages. PRAY. PRAY. PRAY. I need an Army of Love to pray to turn back the darkness that threatens to swallow the whole earth. Pray in Faith. My Immaculate Heart will Triumph. I promise you that I will pray for all your needs if you will pray for holy priests."

"Rise up, My holy ones and do not be afraid, the days of evil are numbered. PRAY WITHOUT CEASING. Use Holy Water often. Bless your homes, your families and yourselves often. I love you. I remain at all times near you.

Your Mother, Mother of Divine Love."

*Received by another Bride in another area*

At the fourth joyful mystery I received a vision of the Annunciation, the angel Gabriel asking Our Lady to be the Mother of God. I was very aware of her humility and her yes! I was also very aware that at that moment in time she became pregnant, and at that moment Jesus became subject to time as all humans are. At this mystery Our Lady began speaking to me. "Thank you my children for being obedient and coming today and praying for our priests. I come to you today in love. I give you My love and I ask you to give that love to others. Continue to pray little one."

The fifth Joyful Mystery, The Finding of the Child Jesus in the Temple, "My Son is with Me today. He brings you His love and He gives you His love and wishes you to give the love He gives you to others. Continue to pray little one. He asks you to pray for our priests. The time is critical to pray for priests, for holy priests, for vocations. I ask you to spread this devotion to others, to encourage others to spread this devotion also. A world of my children praying for priests. Prayer is what will make it all happen. Continue to pray little one."

The first Sorrowful Mystery, I received another vision of Our Lady standing in a blue mantle and a white dress with her hands outstretched to all her children. "Many people will receive deliverances today." (I understood this to mean freedom from long standing bondage of sin.) The vision of Our

Lady of Divine Grace was still present. Again Our Lady spoke, "Many of my children will receive healing today." A tremendous peace came over me and Our Lady said, "I bring you My Son's peace."

The second Sorrowful Mystery, The Scourging at the Pillar, "This great grace of peace comes to each of you and fills your being. Those who don't feel it today will feel it later on when desperately needed. This peace you will bring home with you today. It will go out to those you meet and are present with."

The fifth Sorrowful Mystery, The Crucifixion and Death of Jesus, "The bride you are with today will receive a healing. Many brides will receive a healing. Many people will receive healings because of your prayers. Many priests will be healed because of your prayers. You will see some of the fruit of your prayers in your lifetime. Persevere in prayer my children. It is the only thing that will change the state of the world at this time. Continue to pray my child."

The first Glorious Mystery, The Resurrection, I received a vision of the crowning of the Blessed Virgin Mary by God the Father, God the Son and God the Holy Spirit. It was awesome. I then saw a shower of Blessings, like a shower of grace, flow on all of mankind because of our prayers. I began to understand in a very deep way the power of prayer. It is awesome. It is invisible to the naked eye, but in the eye of faith it is unlimited.

The fourth Glorious Mystery, The Assumption of the Blessed Mother into Heaven, I received a vision of the crowning of Mary again with the understanding that she is the most perfect human adorer of the Most Holy Blessed Trinity. "The Trinity is with me sending many blessings on all of you that came here today to pray for our beloved priests and thanks you for your prayers. The love and grace of the Blessed Trinity is present here today to all of you in a special way. A special, special grace for praying for our beloved priests." I understood this to mean wherever brides gathered together today to pray for priests, they would receive this blessing also.

The fifth Glorious Mystery, The Coronation of Our Lady in Heaven, I now received a vision of the Trinity and grace flowing out to all from it. "The peace and love of the Most Holy Blessed Trinity will go home with all of you today. Thank you for coming today and thank you for praying for priests. I love you. The Most Holy Blessed Trinity loves you. Go in peace my children." Again I received the understanding that wherever brides gathered together today to pray for priests, they would receive this blessing.

*Received by Claire Rose*

At the first Joyful Mystery, The Annunciation, Our Mother asked me to announce Her Presence. I did. Our Mother was dressed all in white. She said, "You are seeing Me in My Fullness."

During the fourth Joyful Mystery, The Presentation of the Child Jesus in The Temple, She for the very first time, gave me what She called "A Secret." I am sure that She will tell me later what to do with this. Next Our Mother asked me, "Are you ready to accept My Wounds?" I said, "Yes, My Mother, but only if You promise to always help me and be with me." She smiled at me, She knows how hesitant I am at times. "My beloved child, I love you. Surrender ALL to Me. You must trust Me more fully." For so long She was totally silent and I was just absorbed in loving Her, Jesus and St. Joseph.

As The Sorrowful Mysteries began, Jesus on the Crucifix seemed to come alive. I do not know how to describe this. He moved, His Eyes were open and there was so much love in His Eyes, I cannot describe, only I could feel this Love envelop my whole being. There was blood flowing from a cut in His Neck and from His Mouth. He has many more Wounds than we know of.

At the third Sorrowful Mystery, The Crowning with Thorns, Our Mother spoke Her Message for Priests: "My Precious and Most Beloved Sons, I love you. I love you with all My Heart. Each one of you is precious to My Immaculate Heart. Many of you are close to Me, but so many of you have gone astray. You grieve and pierce your Mother's Heart. I plead with you to come back to your Mother...Come back to My Son, Jesus."

Fourth Sorrowful Mystery, The Carrying of The Cross "Many of you are obedient to the wrong voices, even many of My Bishops teach error."

(A Message for Bishops) "You have let yourselves be led astray, you lead My young shepherds astray and so many of My children are living in error, in grievous sin which offends the Heart of My Son, because you fail to admonish and correct them. You no longer teach about sin and its grievous consequences."

(To all Priests) "My beloved sons, I love you. Speak to your Bishops, speak to your brothers who are in error. I caution you in love. Many who are blind to Truth are leading my little ones astray. Open your eyes and your ears and your heart to Truth. You are not asked to be blindly obedient to that which is false, error, wrong or sinful."

At the fifth Sorrowful Mystery, The Crucifixion, I saw Jesus alive on The Cross, I saw blood coming from His Mouth. He said, "Ponder My

Mother's grief." Our Mother then said, "Ponder My Son's Passion, His Suffering and His Death on a Cross because of His Love for all. You are asked to love in the same way. I love you, My sons, you are ALL in My Heart. Your Mother, Mother of Divine Love."

First Glorious Mystery, The Resurrection, "Live in Purity." Again I saw St. Joseph, all in white with Our Mother, all in white. I can see Her Heart. Baby Jesus is in St. Joseph's Arms. I somehow feel that this visit is especially to emphasize how important it is for all, priests, religious and laity to live a pure and holy life with The Holy Family as our example.

Second Glorious Mystery, The Ascension, Our Mother spoke: "My Precious and most Beloved Children, This is My sixth visit to you, a visit in honor of the 6th month that My Son, Jesus spent within the Tabernacle of My Womb. O My dear children, the blood of the innocents cries out... in silence... silent screams all over the earth as so many are murdered in their own mother's blood. This must not continue. My precious children, all life is precious."

"Pray. Pray. Pray. My children, pray without ceasing for holy priests to lead you. You are in a battle that has spread to the ends of the earth, has become the great war. The battle is between good and evil. The blood of the innocent covers the whole earth. Man's inhumanity to man pierces the core of My Immaculate Heart and the Sacred Heart of My Son. Man is blinded by his own sins. Be strong, My children, I am with you. I will NEVER abandon you." (I seemed to hear Our Mother say this through the ages.)

At The fourth Glorious Mystery, The Assumption, "The evil one has spread his error all over the world, both within and without My Church. I am your Mother. Pray without ceasing, mountains of prayer are needed to stem the tide of evil, of innocence lost, of innocent blood, which covers all the earth and threatens to cover over all. Be an example of purity and of God's Love and Peace to all."

"Do not be afraid for your prayers are heard. Prayer can turn and stop this evil which is all around you. Let your souls and your lives be a refuge of love where My Son and I come and find comfort and love."

It overwhelmed me to think that Jesus or Our Mother would consider my soul or my life a refuge of love, where She and Jesus would come to find comfort and love. I never before thought of this and Our Mother understood what I was thinking. "You will be rejected, ridiculed and persecuted My precious children, your reward will be in Heaven. Thank My Son, Jesus, for this Visit. Come to My Immaculate Heart and to the Sacred Heart of My Son, therein is your only protection. I love you. Look into one another's heart as you look into the heart of a rose, for it is deep in the heart that the fragrance of love is found. Love one another with My Love. I love you. Your Mother, Mother of Divine Love."

*Received by a Bride from another area*

At the first Joyful Mystery I am having a vision of Our Lady all dressed in a cream colored gown and veil. The fabric is light and moves softly and gently in the breeze. She is quietly sitting next to me saying the Rosary with me. She then began to speak, "My child your pain is grief, unresolved grief. It will not go away little one unless you acknowledge it and give it to My Son and let it all go. You must first recognize it little one. Then you can deal with it in the proper way and relieve the great pain you are in. By surrendering it all to My Dearest Son and allowing it to be absorbed into His Heart. You will then be free and the pain will dissolve, as His Love is all encompassing and can heal all things, physical, emotional and spiritual." (When I first received this I felt it was a personal message only and then Our Lady asked me to share it with Her priest sons.)

"Share this with My priest sons little one. Open yourself to My Son's healing Love. Let it permeate your being. Let it flow into every part of your being, physical, emotional and spiritual. Let His Healing Love 'IN' totally and completely. Allow Him to heal you. Let His Blood flow over every part of you and heal you as only His Most Precious Blood can do. Trust in His tender mercy and healing, purifying Love, as only His Love can do."

"Share this lesson with your brothers and sisters who have come today to pray for My priest sons. Encourage them to continue praying after they leave today and to encourage others to do the same every chance they get. Ask them to follow the promptings of the Holy Spirit, My Spouse. To take time to listen to Him, to His still small whispers in their hearts. I know all who came today have good hearts because they came. They answered My call to come. They have a special place in My Heart and in My Son's Heart."

*Received by Leslie, another bride, a young mother*

I saw St. Joseph and he told me, "Something good will happen today." Blessed Mother spoke: "Keep your eyes open. See the beauty in all. Do not be blinded by satan and his works. Someone will join you soon and help prove to the world that I am here. Pray with all of your heart for that day." I asked Our Mother, Mary, to let many people see Her. She answered, "Many will see miracles and believe and many believe already, but they are blinded by worldly goods and worry what the world thinks instead of what God the Father thinks."

I saw many golden crosses, all over this room. I was given the Crown and Mantle of Our Mother to paint on the painting She inspired me to paint in May, after I saw Her. Then I was surprised to hear the Voice of God, The Father: "I have heard your prayers and have seen your petitions. My children, I will not abandon you. Continue to PRAY and persevere in My Name. Pray

for the world to be renewed in My Name. The darkness is near, but have no fear for I am with you holding you in my arms. Pray for those who do not believe in Me, that they should be saved before it is too late. Give comfort to those who are afraid. Pray that My priests may be stronger in My Love and take comfort in their True Mother."

Our Mother spoke: "Pray for the children of the world before it's too late. Have them dedicated by their parents to God. Teach your children to pray and to follow God's Laws." I saw Our Mother in very pale green, almost white. "Make a joyful noise unto The Lord for He is listening. Praise Him in all things and you will be rewarded with a love beyond anything you can imagine." I saw many blue flowers.

Our Mother spoke again, a Message for Priests: "My children, My love for you is beyond the stars it is so great. Please accept Me as Your True Mother. Consecrate yourself to Me, also your parishes. The time is now. Teach all to pray My Name and in your need, I will come to you." I then saw Our Mother all in white with a flowing veil.

# October 1999

*Received by Claire Rose*

Our Mother came as we began the First Joyful Mystery, The Annunciation. She asked me to please Announce Her Presence. I did. Blessed Mother is wearing a light blue dress with a white veil and mantle. I see Her as many nationalities. Our Mother is accompanied by many multitudes of holy angels and saints. Our Mother has joined us to those who are praying with us at this time in other towns, states and countries. She said She has brought us together in this room.

Second Joyful Mystery, The Visitation, Our Mother Spoke: "My Precious and Most Beloved Sons, I love you—I come to visit you today but you are not here. Where are you My Sons? I love you." I felt bad at this time because I have been so slow and afraid to tell priests. I silently ask for forgiveness. "For those of you who are praying with Me at this time—I thank you. I invite you, I call you to come here to pray with Me Your Mother, your Patroness. Pray with Me for your brother priests. I love you. Come home My sons—Come home to Your Mother's Immaculate Heart while there is still time. I call you, do you not hear? Please be still, I desire to speak to your hearts. Consecrate yourselves and your parishes to My Immaculate Heart. This will assure My Protection through the darkness that lies ahead. Speak to My children of My Love for them and of My desire that they all be safely enclosed in MY IMMACULATE HEART, a safe refuge."

"Do not be afraid for you speak for Me. I have been sent by My Son, Jesus. I come in obedience to Him, to Our Father and to My Spouse, The Holy Spirit. Speak to My children about their immortal souls, My sons, teach them what is right and what is wrong. Teach them how they pierce My Heart and the Heart of My Son when they sin and go astray."

Third Joyful Mystery, The Nativity, "I am asking you, I am pleading with you to reform your lives, each of you, I ask you to grow in holiness. You are a living example of My Son Jesus. You must imitate Him in all you say and do. I love you, I love you. Remember My sons, holy shepherds will lead holy flocks. I love you. Repent, Pray and Fast in restitution for your sins and the sins of all My children. I love you."

Fifth Joyful Mystery, The Finding of The Child Jesus in The Temple, "Embrace your little crosses, sufferings, and persecutions and thank My Son that you are called to share in His Suffering. Pray especially in the coming days for your leader on earth, Holy Father John Paul II. I ask that many Holy

Masses be offered for his protection. These are evil times My dear sons, I need your help, I need your help."

(Our Mother was crying, tears flowed from Her Eyes as She Spoke.)  
I said "My Mother how may I comfort you?"

"Pray. Pray. Pray for holy priests My child, love them with all your heart. Love them enough to speak to them, enough to give them My messages, enough to die for them if God wills this."

First Sorrowful Mystery, The Agony in the Garden, I felt a tremendous heat all over and the pain I was already feeling increased. Our Mother continued Her Message for Priests: "Pray My sons, go to confession often. This pleases My Son, Jesus. Be available to My children, they need you to guide them to holiness. You are called to pastor the sheep." (Again Our Mother cries, silent tears just welling up in Her Eyes and spilling out on to Her Cheeks.) "Apart from Holy Mass and bringing The Sacraments to My children, this is to be your first call."

Second Sorrowful Mystery, The Scourging, "Speak to My children of all the evil that is all around them. Do not hesitate or be afraid. Speak to them of God's Love and of the abundant graces being poured out upon all at this time."

My pain was increasing and I was afraid I was going to pass out. I'm always thinking I will fail Our Mother. "I speak to you today under the title Mother of Divine Love, Your Patroness."

Third Sorrowful Mystery, The Crowning with Thorns, I felt blood flowing all around my head, on my face and soaking my hair. "Rid yourselves of all that keeps you from being pure and holy."

Fourth Sorrowful Mystery, The Carrying of the Cross, (My Heart was pierced - deep, deep pain) Our Mother continued: "All missions will come together here. I love you all. Mother of Divine Love."

First Glorious Mystery, The Resurrection, "My Precious and Most Beloved Children, I love you, I love you. I thank you for coming here today to pray with Me for your priests. I speak to your hearts, I call you to pray more. I speak to you today, My children of the Bayous as Your Mother of Divine Love and as Our Lady of The Bayou. Thank you for remaining faithful to My Son."

Second Glorious Mystery, The Ascension, "From this little unknown place, I speak to all My priest sons and all My children all over the world."

Third Glorious Mystery, The Nativity, My grandchildren were leading this Mystery together, Our Mother said: "Let all My little children come, let ALL My little children come. You are living in a special time of Grace, My little ones. Come to Me as innocent children. I love you all so much, so much. I will multiply and increase your numbers all over the world, My own little flock. Do not worry or be afraid of anything or anyone My little

ones, remain faithful and you remain safe in My Immaculate Heart. I am Your Mother. I am a Loving Mother, there is enough room in My Heart for all. Invite them all to come, let Me do the rest. I speak to your hearts, give to Me your Heart."

"Pray, Pray, Pray without ceasing for holy priests. I have heard the petitions of your hearts. Trust Me. Thank My Son Jesus for these visits."

"You please My broken Heart by your love. I am blessing you today in a special way, this includes your pastors and your families. I love you all. Love one another with My Love and love your priests and thank them for answering the call to be holy priests. I am yours. I love you, Mother of All Hearts, Mother of The Bayous, Mother of Divine Love."

*Received by another bride from another area*

This particular last Saturday I was present for the Rosary in Theriot, Louisiana. Shortly after we started the Rosary I saw Our Lady in a vision as Our Lady of Divine Grace and then I saw her as Our Lady of The Assumption. Our Lady spoke, "Are you with Me, My children? Are your hearts with Me? I am asking you to be with Me with your hearts as you pray for holy priests. I have come to you today to ask you to pray more fervently for holy priests. They need your prayers now more than ever, especially in this time we are living in. Thank you for coming here today My children to pray for Our beloved priests. It is your prayers that will help them to be holy and have daily conversions of heart. Prayer is the only thing that can help them at this time. Do not be afraid or hesitate to tell others to pray for Our priests. They need your prayers now more than ever. Rest now little one."

In a vision I saw the roof disappear and I saw the blue sky. A bunch of angels were hovering over the top of us and they were joining us in prayer. Now I see the Saints joining them and a multitude of the Heavenly Host, all praying with us.

Fifth Joyful Mystery. The Finding in the Temple, Our Lady speaks again, "Please My children find Jesus in your hearts and recognize Him as your Savior and Redeemer. He waits for you to come to Him. To call to Him in love."

I see a vision of the evil one cringing in horror as we pray together for our beloved priests. What power our simple prayers have coming from our hearts as they go Heavenward to Our Lord. If we only knew how powerful our prayers were, especially when they come from our hearts. Prayer is the key. Prayers from our hearts for our beloved priests.

Our Lady speaks again, "My children if you do not pray for priests you will not have them." During the Sorrowful Mysteries I see a vision of Our Lady going to each person here present and kissing them on the cheek. She shows so much love to each and everyone here. She is thanking each and

every person who came here today to pray for our priests in a very special way. She is telling us that the blessing will go home with each person to bless their families and all they come in contact with.

Our Lady spoke again, "Kneel again now little one. Thank you little one for being obedient and writing My child. Thank you for taking the last place and serving your brothers and sisters in Christ. My children have courage to speak up for My Son. Do not be afraid of what others think. Be more concerned with what place your soul is in, in regard to My Son. If it is not right then get it right with My Son. This is first and foremost. Do not worry if you are ridiculed."

"My Son is closer to you at this time than at any other time. Whenever you are not sure about what to do, go to Him immediately and ask for His guidance. Oh! My children, My precious children how We love you." (I understood the We was Jesus and Mary.) "Earthly words cannot explain how great is Our love for you. We are counting on you to pray for holy priests. Rest now My child. My child thank you again for taking the last place realizing your nothingness. Remember all things are possible with My Son when you are close to Him, you do not need to be afraid of anything. Continue little one."

I see a vision of rays coming down from Heaven. They are rays of grace going to each and every one of us here present. I have never heard Our Lady so clear and feel her so present as at this moment. The love that is coming from Her is awesome. It emanates from Her Son through Her to all of us. Our Lady then says, "Rest now little one."

At the Second Glorious Mystery, The Ascension, several small children lead this mystery. Our Lady speaks again, "Oh! My children how it pleases Me to hear the little children praying to My Son and Me. Their prayer is so sweet to My ears and it pleases My Son so very much. Prayer will keep them close to Me and My Son. It is music to Our ears," (The Trinity, Our Lady, and the angels and saints and souls in Purgatory.) At this point Our Lady spoke the Scripture, "Bring the little children to me."

At the Third Glorious Mystery, Descent of the Holy Spirit, Our Lady spoke again, "My little ones go to My Son and plead with Him to send you holy priests. Priests who are not afraid to stand up for My Son and His teachings and who will lead my children on the correct path without any hesitation. Pray for those priests to have humility and true charity. Pray for their faith to increase beyond all understanding so that their flock's faith will increase by their example. Their example will save more souls than their words."

"My children immerse them in My Son's Passion. Pray that they will not be afraid to pick up their crosses and go forward for their Redeemer and

Savior. Pray that they will not be afraid to pray in front of their flocks and to be holy in front of their flocks. Pray for their daily conversion."

"My children as you leave today remember I am still with you, and I go with you out into your workplaces and your homes. Come to Me often during your day and bring your troubles to Me and I will lay them before My Son to intercede for you to the Father by the Merit of His Passion. Remember My Son and I are always with you. Thank you My precious children for coming today and praying for Our priests at My request. Encourage others to come also. Pray often, especially when I remind you to pray for Our priests. When you are busy doing your daily duties a simple 'My Jesus Mercy,' is all that I ask. I love My little ones. Go in peace. Your loving Mother of Divine Love, Mary Immaculate."

*Received Leslie Therese, another bride*

"I am Mother of all, Mother of All on the Earth." I see Mary in a white veil and soft pink dress. Jesus speaks: "I look at you all and I am filled with love for you. You shall walk with me in Calvary. Don't be afraid I will guide you. You will feel My Wounds and I will comfort you. My Love is so great for you that I would do it all again for you. Continue to pray and persevere in My Name. Do everything you can, give each little daily task for Me no matter how small. Pray, Pray, Pray..."

I see Mary, Our Mother in a navy blue veil and dress with gold around edge of Her veil and gold stars all over veil. She's beautiful. I see two veils. One black and one white. Our Mother speaks: "By My coming in many colors I celebrate every nationality, so that they may come together here and know that they are made welcome. I love and care for all of My children, in their sorrow and pain, I take them to My Heart. In their happiness, I am complete. In their prayers, I am present. I look out over everyone here and send a special blessing to each one. Pray with a joy in your heart and My Son in your Minds." Jesus speaks "You need never be afraid of being alone, I am the Alpha and Omega, the Beginning and the End." The Holy Spirit is above us all refreshing our faith.

From Our Mother Mary for Priests: "My sons, do not hesitate to believe I am here. For I Love You, so much, I have sent this mission to save you." Mary is in glorious yellow and white she is smiling and she shines with love for all.

From Our Father for Priests: "Be strong, DO NOT BEND to the World, only to Me, without you My Church will perish and so would its people. Evil is easily accepted, so be strong against it. Bless everything you have, consecrate it to Jesus, My Son and to your Mother Mary's Immaculate Heart. Do not let this filth hide, bring it out and deal with it, the sooner it is cleansed from My Church the sooner it will be gone. Pray, Pray for your

brothers to come forth for My help. Do not let them hide. Pray, Pray, Pray. The time is now."

From Jesus: "I am the Light of the World, do not fall into the world's darkness. Call only on Me. I am everywhere waiting for you to call upon Me to be renewed. Look for Me and I will show myself to you in everything you do and everyone you meet, and I will make you complete."

*Received by Claire Rose*

First Joyful Mystery, The Annunciation, Our Mother asked me to Announce Her Presence. I did. Our Mother was all in white. Her dress and mantle were moving and flowing in the breeze. Many holy angels and Saints accompanied Her. I saw Our Mother's Face and Hands change from one race to another as I have seen Her before.

Second Joyful Mystery, The Visitation, Our Mother Spoke Her Message to Priests: "My Precious and Most Beloved Sons, I love you with all My Heart. I come to visit you here in this small and unknown place. I call you from here. I love you. I ask you to open the door of your heart to Me, your loving and Immaculate Mother. I love you. I call you to be converted. Be converted. My precious sons, I give to you My Immaculate and Most Sorrowful Heart. Give to Me your hearts and your souls. I desire to be within you. I love you."

Third Joyful Mystery, The Nativity, "I ask you to remember always that you represent My Son, Jesus and Me on this earth to others. Be converted My Sons, the world and all it offers is pulling you away from Truth. You are My Hands and My Heart in this world. I am here for you, turn to Me, My Precious Sons, turn to Me. I am here always awaiting your turning to Me with all your hearts. Open the doors of your heart to My Love. I love you with all My Heart. Come to Me as a little child. Change your hearts."

Fourth Joyful Mystery, The Presentation of Jesus in the Temple, "Open the doors to My children. Open the doors of your churches, let My children come to adore My Son Jesus in The Most Holy Blessed Sacrament. He is truly Present in Body, Blood, Soul and Divinity. He awaits. He awaits you at all the hours of the day and night; most often He is alone. Where He is, I am always in Adoration with many holy angels and Saints. I love you."

"Open the doors, open the doors to your confessionals, many more hours are needed. I ask for more hours of Adoration of My Son. Your cooperation is needed My Sons. Many of My beloved children will come if you will open the doors for them. I have prepared many hearts for this. Some of you, My sons are very holy, some of you are very tired and many of you who are close to Me are persecuted. I ask you to offer this suffering for your brother priests who are in error."

Fifth Joyful Mystery, The Finding in the Temple, "I am touching many hearts with love at this time. I promise many healings will occur here. I have chosen this place for you My sons, My beloved priest sons, I love

you. Many of you are in grievous sin and error. I call you to repent, pray My sons while there is still time. I love you. Each conversion brings so much joy to My Immaculate and Sorrowful Heart. I love you. Remember My sons, a holy shepherd will lead a holy flock. I love you. I am your loving Mother, Mother of all Hearts, and yours especially, Mother of Divine Love, Patroness of Priests."

"Pray for your Holy Father John Paul II. At this time he needs your prayers more than ever before. My Immaculate Heart will Triumph!"

The First Sorrowful Mystery, The Agony in the Garden, I was taken into a prison cell in China where a priest was beaten and lying on the floor. Jesus and Mother Mary and several angels were there. I was carrying a lighted candle. We prayed a Rosary. Our Mother said, "Pray. Pray. Pray. My children you do not know how many priests will be helped by your prayers and little sacrifices."

I then saw through the bars of the cell a Chinese Guard outside the cell being converted, before my eyes.

The Second Sorrowful Mystery, The Scourging at the Pillar, The Chinese Guard fell on his knees outside the cell in tears of sorrow for what he had done, mixed with tears of joy, hope and peace. I understand that Our Mother is showing us the fruit of our prayers for priests and how it will affect other souls.

The Third Sorrowful Mystery, The Crowning with Thorns, "Please begin to write... for My children: My Precious and Most Beloved Children I am truly Present among you today. I love you all. Many will feel My Presence today in Peace and in Love and in healing. This is My eighth visit to you here. I want to thank you for coming. Those of you who have desired to come and could not I am bringing you here in spirit and I am with you wherever you are. I love you. As the final month approaches when we celebrate the Birth of My Son Jesus, I ask you to prepare your hearts and your homes to welcome My Son. I love you so much."

The Fourth Sorrowful Mystery, The Carrying of the Cross, "My Heart is grieved that the sacred holy place of a Mother's womb has been so desecrated. So many babies are killed in their own mother's blood. My children pray for holy priests to speak out against this evil."

The Fifth Sorrowful Mystery, The Crucifixion, "Pray that they," our priests," will have the courage to go against the evil tide. Pray daily My little ones for holy priests. I plead with you as never before. Only prayers, sacrifice and fasting will save the holy priesthood. My Church is in danger of shipwreck. I will never abandon you My own little ones. I will always be with you. Just as I was sent to prepare hearts for My Sons Coming the first time, I am sent to prepare hearts for He will come again. No one knows the day or the hour, but the signs are all around you. Be awake, be alert, change your

hearts, ask for My Help. I am always here for you. I hear your prayers. I am here near you. I love you."

The First Glorious Mystery, The Resurrection, "Remind all My priests and all My children how much I love them. I am here for you. Call on Me. Pray. Pray. Pray. Pray for My priest sons and I will pray for all your needs. This is My Promise to you. I am Blessing each one of you today in a special way. I walk among you My little ones." I saw Our Mother walk among us and touch each person here. "I love you. I ask you to fast on Thursdays for My priest sons. Visit My Son, Jesus, often in The Blessed Sacrament. Prepare. Prepare. Prepare your hearts and souls to receive My Son, Jesus. He awaits you as you await Him. I love you. Thank My Son, Jesus for these visits. I have many titles, I am one Mother. I love you. Mother of Divine Love, Lady of The Bayou."

The Second Glorious Mystery, The Ascension, Several small children were present and Our Mother spoke these words to them: "Let all the little children come. I love all My precious little children. Come to Me as little children. I fill you with Peace and with holy Love." Before She left Our Mother put Her Hand to Her Heart and Her Heart became visible. She said, "This is My Heart of Love." Her Heart became like a bright light and I had to close my eyes, and She was gone. But somehow She remains at all times.

#### *Received by a bride in another area*

Around 2:00 p.m. I went into my room to be quiet and pray the fifteen decade Rosary for priests when Our Lady began to speak, "My child you will not be able to finish the fifteen decades of the Rosary, as I will be speaking to you. You will have quiet as long as it is necessary." I started saying the Rosary.

At the first Joyful Mystery, The Annunciation, Our Lady spoke, "My child I wish you to use 2:00 p.m. to start your Rosary in whatever location you are in. You will understand why later on." (I understood this to mean if I was in Louisiana to start the Rosary at 2:00 p.m. or if I was in another area use 2:00 p.m. to start the Rosary there. That in Heaven there is no time difference and it would all be the same time. This was difficult for me to totally understand.)

At the second Joyful Mystery, The Visitation, Our Lady spoke again, "My children I love you. I come to you again today to ask you to pray for My sons, My priest sons. I will continue to ask you to pray for My priests sons until We have an army of warriors praying for priests. It is part of what is needed for the Triumph of My Immaculate Heart, and My Immaculate Heart will Triumph. Continue to pray little one."

As I continue to pray I see a vision of Our Lady of Divine Grace, then I see a vision of Our Lady of Fatima, then Our Lady of Guadalupe, then Our

Lady of Lourdes and then Our Lady of Divine Love. I then feel tremendous pain in my left knee. I'm not sure why! "My child continue to pray."

Fourth Joyful Mystery, Finding of the Child Jesus in the Temple, a great peace came over me. I could feel Our Lady's presence very, very strongly. Our Lady now asks us "to pray to be on fire for Her Son. To ask for the fire of the Holy Spirit, the Flame of Love to permeate our beings and to spur us on to be on fire with prayer for Her beloved priests sons, and to ask in Her Son Jesus' name. Continue to pray little one."

First Sorrowful Mystery, The Agony in the Garden, I then see an army bigger than the sea. All warriors in prayer, praying for priests. Again I hear Our Lady say, "My Immaculate Heart will Triumph!" At this moment I understood that prayer warriors were needed to help bring about the Triumph of Her Immaculate Heart, and that all of us here on earth were Her prayer warriors, also with the angels and saints in Heaven and also the souls in Purgatory. I then understood in a very deep way Her Motherhood to all mankind. "Continue to pray little one."

Fourth Sorrowful Mystery, The Carrying of the Cross, Our Lady spoke again, "My child pray for Bishops to be holy and good leaders. That they are good examples to their priests in each diocese, and that they are not afraid to lead their priests on the correct path in accordance with the Holy Father, Pope John Paul II. Continue to pray little one."

"My children ask your families to pray together. This will bring about peace in families. Teach your children to pray from their hearts. Teach them the value of the Sacrament of Reconciliation and repentance of heart. Teach them the value of the Sacrament of the Holy Eucharist and the value of the Holy Mass, and the precious gift it is for all who receive Jesus, free from mortal sin."

Fifth Sorrowful Mystery, The Crucifixion and Death of Jesus, "My children teach your children the value of prayer. How to bring their hearts to My Son and place their hearts in His Heart. He has given Himself for them, for all. Teach them about His Love. Pray for the Holy Spirit to guide you as you teach them. If you do not know how to teach your children then go to a priest and ask for help. Be persistent and do not give up."

Second Glorious Mystery, The Ascension of Our Lord, "My children thank you for taking the time today and praying for My priests as I have asked you to do on the last Saturday of the month. I am with you and the Trinity is with you. Go in Peace. Our Peace goes home with you today." (I understood this to mean this peace was for all who prayed for priests at Our Lady's request on the last Saturday of the month.)

Blessed Mother Appeared all in white and gold. "I have waited for you, My children. I come to you with much sorrow in My Heart. Some of My priest sons are not following the teachings of Our Father. Pray with all your hearts, pray with all your might that they return to Him."

I see Our Mother holding Baby Jesus. She was dressed in dark blue dress and mantle trimmed with gold stars. She said: "My Son's Birthday is coming. Many will be saved on this day. A Miracle of Love will happen and new doors will open for you to share what is happening here. Don't be afraid, I am always with you and will guard you against all evil if you believe in Me, and by coming here you have shown Me that you do. Thank you for coming here to pray for My sons, your brothers. By your devotion, hundreds upon hundreds will be saved by your praying, even if you only pray for one priest. By praying for one priest you help to save hundreds of souls. Today I give special blessings on those trying to conceive a baby."

Mother Mary was looking at everyone here, She is smiling. "Welcome, children. All are welcome."

Fifth Sorrowful Mystery, The Crucifixion, "I am giving a special blessing on the lady leading this Mystery. She wasn't sure that she should come today, but she came anyway. Thank you for coming."

Our Mother whispered, "Many are the seeds that will be planted in My garden today." She calls us Her little seeds of Love.

From God, The Father, "My sons, you are not listening to Me. Come to Me and I will wash away your sins. You can come here to be cleansed and reborn in My name. Your Mother is here awaiting your return."

I saw in a vision a red bird, a cardinal, and then a ring of gold light. I saw golden stars floating in the air above everyone's head. I saw Our Mother touching a baby and a baby in the kitchen began to cry.

Our Mother said in a mournful Voice, "My children, pray, pray, pray for the souls of My children. Teach the little ones to love one another. Many are the colors of the people of the world, they shall come together here and be made whole."

Again She whispered: "Pray. Pray. Pray. Listen...the beautiful voices." (The voices of people Praying). I, then saw Our Lady all in white with a pink fringe trim. Her Hair was flaxen gold, almost white, curly.

In Theriot, during the Rosary, a young man saw Our Mother all in white and he saw Her Skin change from light to the color of The Black Madonna. This happened several times and he was questioning if he really was seeing Our Mother. He then saw the statue of Our Lady move Her Head up and down. His doubt vanished.

An older man saw a Crucifix of gold light come over the Crucifix of his Rosary. Brilliant gold beams of light emanated from Jesus on this Cross.

A young woman saw a gold Chalice with a vine of roses on it. She saw three grapes hovering over the Chalice, then four grapes. They pulsated in light. This repeated several times. Then she saw a Cross of light with a Host at the center. The Host pulsated like a beating heart. She then saw a gold base form and the Cross became a Monstrance. She then saw a gold crown that looked like the Crown of Thorns and the Star of Bethlehem.

# December 1999

*Received by Claire Rose*

Today we celebrate Christmas Day, The Birthday of Our Lord and Savior, Jesus Christ, born to a Virgin named Mary, in a stable in a little unknown town called Bethlehem. Today is the Last Saturday of this month, December; of this year, 1999; of this Century, the 20th; also today is the First Saturday of The Jubilee Year as declared and opened by Our Holy Father John Paul II. Today is Priests' Saturday, a day set aside as a Day of Prayer for Priests in obedience to Our Blessed Mother. Today is also the tenth Anniversary of the First Priests' Saturday on the Last Saturday of December in 1989, here in Theriot, Louisiana, in this house.

Today is the ninth Public Visitation, Apparition of The Blessed Virgin Mary, Our Lady of the Bayou, Mother of Divine Love, Patroness of Priests, to this little unknown place. I am asked to tell you that the only other building ever built on the exact spot where this house is, was a stable, 150 years ago.

Our Mother revealed to me on February 8<sup>th</sup>, 1998, in a Message to a priest, "I will Appear here on the nine Last Saturdays of the last nine months of 1999. The Holy Cross for priests must be built. The Rosary must be built and A Way of My Son's Cross. A Well will be found at the sixth Station, the waters will heal many. Some of My holiest priests will come here to help build this, for Me."

Our Mother later revealed to another bride that the nine Visits represented the ninth months that Jesus spent in Her Womb. The First and The Last Saturday, what is the connection? Saturday is Our Lady's Day. Saturday is The Sabbath, still celebrated by those in the Jewish Faith. Our Lady was Jewish. Jesus was Jewish. We as Christians celebrate The Lord's Day on Sunday since and because of The Resurrection which took place on Sunday morning. Ten years ago, Our Mother Mary, Mother of Divine Love asked me to set aside the Last Saturday of each month as a Day of Prayer for priests. Through the years, Our Mother has told me several times that there would be those (I assume learned theologians), who would understand the true and deeper meaning of the First and the Last Saturdays.

We began by singing Christmas Carols. Just before 2p.m. I blessed myself, our chapel room and everyone present with Holy Water in obedience to Our Mother. I thought Her Message would be short today. I was wrong. We began The Rosary for Priests by inviting Our Mother to come and pray with us and for us as we offer this Rosary for holy priests.

First Joyful Mystery, The Annunciation, Our Mother Asked me to Announce Her Presence. I did. She then Asked, "Make public My Promises given to you in May 1993, to those who pray for priests."

Second Joyful Mystery, The Visitation, "I thank you, My beloved children, who have come from near and from far to pray with Me for holy priests. Today I am soaking you with the Love of My Divine Son, Jesus."

Third Joyful Mystery, The Nativity, Our Mother Appeared, all dressed in gold. It is not a gold like on earth. At times Her dress was lace, at other times it was smooth as spun-gold tissue. On Her Head was a gold Crown. She was holding Baby Jesus in Her Arms. Both were looking at me and at everyone. Jesus was dressed like a little King with a gold Crown. His little Feet were bare. I cannot describe this beauty.

Our Mother Spoke: "My Precious and Most Beloved Sons, My Priests, My Heart and My Hands on this earth, I love you. I love you with all My Heart. I come to you here. I call you from here. I call you to come here to hear My Voice, to receive My Abundant Blessing in your body and in your soul. I appear here for you, especially for you, My sons."

Our Mother Speaks, "Where are you? I am calling you as never before. Come, My sons, do not be afraid, for here I will fill you with Peace and an overabundant Love, a Love that this world cannot give you, for where I am My Son Jesus is. Today is a Day of Rejoicing and Celebration for My Son born in a lowly manger became flesh for you, My sons, in a special way. You have been called and chosen from the beginning"... (I saw the Little King Jesus holding a Host in His right Hand and a Chalice in His left Hand.) ..."to bring My Son each day, through your anointed hands to life, each and every day."

"He is alive just as He was at the moment of the Angel Gabriel's Announcement to Me, His humble Mother. Oh My dear sons, do you not understand the extent of His Love, the magnitude of His Love for you?" Her Eyes filled with tears, they fell from Her Eyes like diamonds. I understood it was the sins of the flesh of priests who grieve Her Immaculate Heart. "Their consecrated hands have become unholy, for the treasure they hold in their hands each day they Pierce My Heart because those same hands sin." O My Mother, how may I comfort You? "PRAY, PRAY, PRAY, PRAY and do more sacrifice for My priest sons."

First Sorrowful Mystery, The Agony in The Garden, "I love you all so much. My Son at His Birth was both God and Man. He did not leave His Divinity in Heaven as many wrongly teach."

May I pray with my life, my Mother? May I offer again to You my body as a living sacrifice, a victim soul for priests? I am so little and there is so much need, how can I make a difference, one little life? "My child, I love you. All life is very precious, very precious. You will understand one day for My Son has called you to this vocation as a victim soul. You will be shown the

many priests hearts who will be healed and touched and you will share in their joy and in their ministry. For when you love priests and offer yourselves for them you are with each one in spirit at the offering of each Holy Mass, at each moment as they minister to others in My Son's Name."

"My Beloved Sons, you represent My Son, come and seek Peace and Healing."

"You are to start The Holy Cross for Priests, My daughter. Send the Messages to as many priests as you can. Ask them for a small gift to put into The Holy Cross. This Cross will bring Healing and Peace to many, many of My priest sons and through them many, many souls will be saved. Pray, My daughter. All will come to pass as We have told you."

"My Son is The Word of God, The Word Made Flesh. He is Flesh of My Flesh, Bone of My Bone, Heart of My Heart, that is why I am Queen of Heaven, Queen of all hearts. I come to you as Queen today only because I am Mother of the Only Son of God, Jesus, the Christ Child become flesh today and every day. Go to Daily Mass, My little ones, as often as you can. A time will come when you will no longer be allowed to receive My Son each day. There will be empty Tabernacles over all the earth."

"Pray, My little ones. I need an Army of Love to pray for holy priests. I come to you today, this is to commemorate The First Christmas, The Birth of God's Divine Child, Divine Love."

Third Sorrowful Mystery, Crowning With Thorns, "Divine Love became flesh and Joseph and I laid Him in a manger."

Fourth Sorrowful Mystery, Carrying of The Cross, "A place where gentle animals ate. My Son is food for the world. God sent His Only Begotten Son out of Love for you all. Divine Love became flesh and Divine Love is still with you. Divine Love is Who you receive when you receive My Son, Jesus in Holy Communion, the same Jesus who was born in a stable. The world did not recognize Him then, so many still do not know Him or recognize Him in the Breaking of the bread, even after 2,000 years. Jesus has given you ALL HIS FLESH, HIS BODY and HIS BLOOD and HE HAS SPOKEN 'IF YOU DO NOT EAT OF MY FLESH AND DRINK OF MY BLOOD, YOU SHALL NOT HAVE LIFE WITHIN YOU.' DIVINE LOVE IS HERE with you. Know HIM, Love HIM and My Precious Sons and My Precious Children LOVE ONE ANOTHER WITH THIS SAME LOVE."

"Jesus desires to dwell in your hearts. Open your hearts. Open your homes. Begin this Jubilee Year with an open door. Be open and ready for My Son to dwell in fullness in your heart and in your homes. HE IS ALIVE. HE IS LOVE. HE IS PEACE. Open your arms to HIM. I love you all. I speak to you as a loving Mother speaks to Her children. Be children of Light and of Love, for Love and Love alone, Divine Love living in your hearts will heal all the world's ills."

First Glorious Mystery, The Resurrection, "My Beloved Children, I am blessing each one of you in a special way for making the sacrifice to come here on this special day. An abundant blessing awaits you and your families. Trust and pray. This is a time of hope, a day of joy. I ask you to thank My Son Jesus, thank Our Father and thank The Holy Spirit, My Spouse; The Holy Blessed Trinity for these visits and holy words. Words of Hope, of Love and of encouragement."

"Worship The Holy Blessed Trinity as I do, for They each have a special Love for you and for all humanity. Pray for holy priests and I promise you holy priests. Many conversions will take place by your prayers. Pray without ceasing. I fill you with Love and many Graces. Love one another, My children, as I love you. I place this same Love in your hearts for one another and especially for My priest sons. As I leave, I will touch each one of you and you will each experience an opening of your heart, your eyes and your ears as I fill you with The Love of My Son, Jesus on this very special birthday, a new birth for each of you."

"I love you and I thank you for being obedient to My Call. Come to the holy cross and bring your priests in person and in spirit. I hear all the prayers that are hidden in your hearts. I love you. I love you. I leave My Love for you here, even when I am not visible, I am here. You have all been called to come today and I thank you for your 'yes.' Peace, My children, I leave you Peace and Holy Divine Love. Your Mother, Mother of all on the Bayous, Mother, Queen of Divine Love, Patroness of Priests."

Fourth Glorious Mystery, The Assumption, "Please, My Mother, may I sit, I am so tired and in great pain, I am about to pass out and I don't want to embarrass You." She said, "One more Mystery on your knees and a priest will receive conversion." I asked Her help for I felt a heavy weight on my shoulders pushing me down. In the middle of the mystery Our Mother gave me the name of the priest I was suffering for.

Fifth Glorious Mystery, The Coronation, I told Our Mother I would kneel for this mystery too if another priest would receive conversion. She said, "Sit, My child, it is enough for today. I love you. Your Mother."

There were eighty people present. I felt led by Our Mother to tell others that the miracle of the sun would take place shortly. Many witnessed this. My family have seen this miracle here since July, 1987. Our Lady spoke to my husband during the Rosary. She said how pleased She was that so many would gather on Christmas Day to pray with Her a Rosary for priests.

*Received by another bride from another area*

At 2:00 p.m. I went to my room to pray. "Thank you for being obedient to my request to pray for priests in spite of all the other activities around you. You will have enough quiet to pray the Joyful Mysteries in honor

of the birth of My son. Start the Rosary little one. You can share all with your family and the world." I kept getting the fragrance of flowers as I started the Rosary. I see a vision of flames of love with beautiful red roses falling through them.

"They are falling to all the souls of the world on this special day. Open wide the doors of your hearts my children to My Beloved Son. Continue to pray my child."

First Joyful Mystery, The Annunciation, "My beloved priest sons, thank you for saying yes to My Son. Continue to pray my child."

Second Joyful Mystery, The Visitation, I see a vision of Our Lady helping Elizabeth her kinswoman, visiting with her, spending time with her and sharing with her as women do. "My beloved priest sons, bring Jesus My Son in the Eucharist to all the world. Visit the sick and the dying and those in need of My Son. Listen to them and spend time with them. Be Jesus to them in their time of need. Continue to pray little one."

Third Joyful Mystery, The Birth of the Lord, "Jesus' Most Precious Heart holds the whole world in it. His Heart is limitless and excludes no one. His pure love flows out to all the world as water flows to all the lower places. No lower place is missed. The world my children is the lower place created by My Son and joined to heaven by His coming to the earth and being born a man, a human infant, humble and lowly, to be a man in all things except sin, to give man an example on how to live. Continue to pray my child."

Fourth Joyful Mystery, The Presentation of the child Jesus in the Temple, "Continue to pray my child. Continue to trust my children as I did in the Lord when I heard the words of Simeon concerning My Son. My priest sons, continue to trust in My Son, especially when the going gets rough. That is when My Son wishes you to call upon Him for help. To open your hearts to Him and wait for His guidance. Continue to pray my child."

Fifth Joyful Mystery, The Finding of the child Jesus in the Temple, "My children look for My Son in your hearts. Seek Him out. Go to Him. Prayer is the key, PRAYER FROM THE HEART. My priest sons teach my children your brothers and sisters how to pray from the heart. To bring their hearts to My Son and open them to Him and invite Him into their Hearts by prayer, praying to Him. It is now the hour of mercy, a special time of grace, a special time of prayer. Pray for Our beloved priests. Pray for our shepherds. You will help them all by your prayers. At this place in time they need your prayers."

"It is very simple my children. Anyone can do it. Anyone can pray. Simply open your heart and speak to My Son, Jesus or speak to Our Father or speak to Our Holy Spirit. You must go to the Lord. He waits patiently for you to speak to Him, to open your heart and invite Him in. The Lord is a gentleman and does not impose where He is not invited in."

“Continue to pray my child. My children thank you for coming today to pray for our priests. Thank you for putting all aside and coming together to pray for our beloved priests. Special blessings go out to each and every one of you today for the sacrifice you made to pray for our priests. The blessings will go home with each of you to your families and all you meet. I love you. My Son loves you. The Most Holy Blessed Trinity loves you. Thank you for being obedient to My call. Your Loving Mother, Mother of Divine Love.”

First Joyful Mystery, The Annunciation, I have an overwhelming feeling of peace. I see Our Mother Mary in a white mantle with gold trim. She has dark hair and eyes and She is wearing a crown of gold. She placed Her Hands on my head, I am warm where She touches me.

Second Joyful Mystery, The Visitation, Our Mother Speaks: “I love you My child, thank you for not giving up. Today is the beginning of your new faith, a faith not to be broken.”

Holy Spirit Speaks, “My children listen to Me, PRAY, PRAY, PRAY for My sons, offer up all of your daily chores and joys for them. Many are coming home to Me with your help. Persevere in My Spouse’s Name. Rest again.”

I see a wreath of rosebuds, purple or pink. Our Mother Mary speaks, “My child tell all here I love them and place My Hands on them all. Thank them all for coming today, that they will all bring home special blessings.”

Our Mother Mary is standing above all and asked me to tell everyone. “I love you, I hear all of your petitions, I am bringing them to Heaven. Continue to pray and celebrate My Son’s birth as you never have before, share with everyone you meet ‘A Child was Born today for the release of souls and the forgiveness of all sin.’”

Mother Mary appears in white and gold and says, “Look at everyone again and tell them again of My Love for them. I have called you here to this place, Pray as a child would pray, with innocence and Love. Go to confession often.” Jesus says softly, “Receive My Body and Blood with a faithful heart.”

Mother Mary speaks a Message for priests: “My sons, I love you and want you to come back to Me, to be healed, refreshed and released from earthly entanglements. I await you all with My Arms wide and My Heart open. Come to Me here, My Love for you is never-ending and will only get stronger with time, there is nothing that cannot be forgiven. Come back to Me, like the rain washes away dust and debris, I will help wash away all of your sins. And you will be new again to spread My Love to the world. I will not give up, you are My sons. Pray for your brothers, speak to them. Pray that they will listen and come back to Me.” Angels are surrounding the house and praying

with us. Sparks of light are flying all around. I see golden crosses and pulsating hearts everywhere.

*Claire Rose shares:*

A month before the first Priests' Saturday on the Last Saturday of the month, November 25, 1989 I was awakened at 4:11 a.m. I saw two white doves flying in front of me. I can hear the sound of their wings. They are so close. I see this with my eyes open and closed. I see many faces, kind ones. Rainbow colors all around me. At 6 a.m. I was sitting near the window in my kitchen where Our Lady appeared to my daughter just after midnight on Easter, 1987 and to me on February 28, 1988, I am looking at the dawn sky. I was thanking God for the beauty and for the sliver of the moon, still visible.

All of a sudden I saw a beautiful face of a gentle woman, big, bigger than a tree, it is Our Mother! She is spreading Her Mantle and in front of Her almost as big as She is, are two white doves with their heads barely touching. I see a butterfly. I see again Our Mother's Face, with a Crown of stars around Her Head. I see angels, many, many multitudes of angels. There's an angel that looks like a dove. I see a white lamb. I see a man on a white horse. I see Jesus! He is smiling at me! How shall I continue to live? Now I see many faces. Hail, Holy Queen! I see a big man's Face, like God, The Father! In His beard, is The Infant Jesus with His Arms wide open, many angels with big wings! O God! The whole sky turns pink its 6:18 a.m. I went to walk outside barefoot, my whole world is flooded in pink. There are six pink roses on Blessed Mother's rosebush. The sky is filled with faces. I see Our Blessed Mother holding Baby Jesus! I see a hooded monk. His eyes are really looking at me. It's St. Francis! Just his head, his face, big, bigger than a big tree. I am in awe and I pray.

At The First Joyful Mystery, The Annunciation, Our Lady asked me to announce Her presence. I saw Her briefly all in white with little glimmers of gold. I saw in front of me a crown of thorns with blood on it. This was placed on my head. I felt no pain, but only felt blood flowing all around my head. I do not fully understand this.

Second Joyful Mystery, The Visitation, Our Mother spoke: "My precious and most beloved children, My Heart is filled with joy that you have come here to pray with Me. I thank you for responding to My call."

Third Joyful Mystery, The Nativity of Jesus, A lady was leading this mystery and began to get mixed up in the words of the Hail Mary. Almost everyone in the room began to pray the words with her. It was like a wave of love. This happened three times, so everyone prayed the rest of the Hail Mary's with her. Our Mother spoke: "Thank you, My precious children, for supporting and helping one another. I love you." I realize the profound lesson in this. Our Mother said, "This was allowed to happen."

Fourth Joyful Mystery, The Presentation of Jesus in The Temple, Our Mother came in a blue dress with white mantle. All through this mystery I could smell the fragrance of roses. Our Mother Spoke: "My precious children, you form a garland of roses as I join you to all those who are praying with you today. I love you. Today we celebrate the first year and birthday of My Son Jesus. This is the first Visitation of the thirty-three visits."

First Sorrowful Mystery, The Agony in the Garden, I began to experience Jesus' suffering. Our Mother began to cry. Tears flowed from her eyes. I felt a piercing in my heart. I could feel Our Mother's grief over the sins of priests. This continued throughout the Sorrowful Mysteries.

Second Sorrowful Mystery, The Scourging at the Pillar, Our Mother spoke, "Pray, Pray, Pray for HOLY priests. Do not be distracted by things of the world or by those who are in the world. I love you all."

Third Sorrowful Mystery, Crowning with Thorns, in front of me I saw a huge crown of thorns. Much bigger than the one I had seen earlier. I understood it was Jesus' crown. It was placed over my head, but it was so big it came down past my shoulders and encircled my body. Our Mother spoke, "I love each one of you with all My Heart."

Fourth and Fifth Sorrowful Mystery, Carrying of the Cross and Crucifixion and Death of Jesus, Our Mother spoke: "Carry your little crosses my little ones. Carry them with joy and I ask you to offer them to My Son

Jesus for holy priests and in atonement for the sins of unholy priests. I love you.”

Our Mother Spoke: “My children I love you. I welcome you all here. Come to Me all who are wounded and hurting. Today I touch each one of you in a very special way. I bring to you My Love, and the healing Love of My Son Jesus.”

First Glorious Mystery, The Resurrection, I saw our Holy Father, Pope John Paul II in deep prayer. Then Our Mother Spoke, “Today there will be no message for priests.” Except for Her tears and “Where are you my sons?” Does She mean “where are you spiritually?” Our Mother said: “No messages for priests to be read today.” I believe this was Our Mother’s way of telling me that She did give a message to our priests through the other three brides, but not to read these out to those present today.

Second Glorious Mystery, The Ascension, Our Mother Spoke: “Thank you My precious children for coming here to pray with Me for Our priests. I love you all and I bless you and all your families. I love you. I love you. I fill you with My peace. Do not ever doubt My love for you My children. I call you to come home to Your Mother. I give you courage and perseverance to live out your life in God’s Will. All is going according to Our plan My daughter. Sit down, rest now and pray.”

Fifth Glorious Mystery, The Coronation of Our Lady, Our Mother Spoke: “My Immaculate Heart will Triumph! Pray, Pray, Pray for Our priests and I promise to pray for all your needs. I love you My little ones. Forgive everyone who has ever hurt you. I love you. I love you. Love one another with My love and the love of My Son Jesus. I am here in obedience to Him and I ask you to thank Him for these Visitations of Love. I have chosen this little unknown place and I will make it known throughout the world as a place of healing, of peace, and of love for all My children, but especially for My priests sons. No other place on earth has been chosen in this way. I leave you, but I remain here always. I love you. I shower you with many graces today. I ask you to thank all priests who are holy and courageous and faithful. I love you. Lady of the Bayou, Mother of Divine Love.”

*Received by a bride from another area*

Second Joyful Mystery, The Visitation, Oh My Mother, I am very aware of us saying the Rosary and how important it is to pray for each other. Our Lady then spoke, “My children, My Son wishes you to visit each other in love. It is all about love My children. Praying for priests and loving each other.” Our Lady then asked me to kneel.

Third Joyful Mystery, The Birth of Our Lord, I see a vision of Our Lady holding Jesus in Her arms. Our Lady then speaks, “I am holding Love Divine in My arms. He came to earth because of His love for you all.”

Fourth Joyful Mystery, The Presentation of Our Lord in the Temple, "My children, present all Our priests to My Son for His saving grace to flow over them, to continue to sanctify them. Pray for their conversion of heart. Oh! My children I love you so. My Son loves you so! If you only realized how much! His love is beyond your understanding."

Fifth Joyful Mystery, The Finding of the Child Jesus in the Temple, "Oh! My children find Jesus My Son in your heart. He is there waiting, patiently waiting for you. Pray for HOLY priests My children and for parents to not be afraid to give their sons for the priesthood for My Son."

I now see a vision of Our Lady of Divine Grace, then Our Lady of Mt. Carmel, then Our Lady of Prompt Succor, then Our Lady Mother of Divine Love, and then Our Lady of Perpetual Help. She is saying she is with us always. I see a vision of angels all around the room, hovering above all of us. I see the devil cringing as we pray and fleeing.

First Sorrowful Mystery, The Agony in the Garden, "Pray for My priest sons so they will not give up. Pray that My priest sons will have perseverance." I see a vision of the Eucharist hovering above us all and drops of blood falling down over all of us.

Jesus speaks, "I am with you My children. Thank you for being obedient to My Mother's request to come and pray for My, Our, priests on the last Saturday of the month."

Second Sorrowful Mystery, The Scourging at the Pillar, I see a vision of Our Lady gently, sadly, touching the wounds of Jesus. I cannot describe this in words. It touched my heart deeply. Our Lady then spoke, "My children you don't realize or understand the price My Son paid for your souls. If you did you would never sin again. My priest sons think of this when you consider taking the wrong path. Search your souls and follow My Son with zeal and perseverance."

Third Sorrowful Mystery, Crowning with Thorns, "Pray for moral courage My priest sons. Pray for your bishops. Pray for them to be Holy. My children pray to have perseverance in moral courage, not afraid to stand up for the Faith. Pray for your brothers and sisters to have moral courage also."

Fourth Sorrowful Mystery, Carrying of the Cross, "My children pray for the grace of all mankind to have the courage to carry their crosses. It leads to the sanctity of all your souls. My priest sons pray for your flocks to have courage and not to give up. Give your flocks good example. Remember the fruit of perseverance. My children, Oh how I love you. Oh how My Son loves you."

Fifth Sorrowful Mystery, Crucifixion and Death of Jesus, "Much deliverance is happening here today because of your obedience to come here today on the last Saturday of the month and pray for our beloved priests, for

answering My call, many, many graces My children. Thank you for this sacrifice of love."

First Glorious Mystery, The Resurrection, "Oh! How beautiful is your AVE in song to Me My children. Keep close to My Son and one day you will enjoy Him first hand in Heaven, face to face. Oh! My children how I love you. My children many of you are in pain today. I send many graces for you to endure. Continue to pray for each other."

Second Glorious Mystery, The Ascension of Our Lord, I see a vision of Our Lady of Divine Grace and from her hands flow grace to all present and to all the world because of our prayers. I see incense floating toward Heaven. "My children it is because of your prayers. My dear little ones how pleasing it is to the Most Holy Blessed Trinity your prayers. They are being taken to Heaven. Be assured that they are being heard."

Third Glorious Mystery, The Decent of the Holy Spirit on the Apostles and Our Lady, "Where two or three are gathered in My Son's Name He is in your midst. If only you knew how pleasing your prayers are to the Most Holy Blessed Trinity. Pray for My priest sons to be HOLY as My Son wishes them to be."

Fourth Glorious Mystery, The Assumption of Our Lady, "My child sit. Oh! My children how pleasing it is to Me when you are obedient to My call to pray for priests. My child I have allowed you to kneel for penance for Our beloved priests."

Fifth Glorious Mystery, The Coronation of Our Lady in Heaven, "My children thank you for coming here today to pray for Our priests. Many graces are being released today because of your prayers. Many graces will go home with you today. You will bring grace to all you meet because of your prayers today. I love you My children. I love you. My Son loves you. The Most Holy Blessed Trinity loves you. You all have been given a special job to be seeds of love for all the world, for all the priesthood. You are My special children. You will experience My Son's great peace and love in a special way. It will go out to all you meet. I love you. Your Mother of Divine Love, Mary Immaculate."

*Received by Leslie Therese*

When I first walked into the room I saw an Angel, soon after I noticed we are surrounded by Angels praying with us and for us.

First Joyful Mystery, The Annunciation, Mother Mary appeared in a white mantle with gold and diamond trim and a crown of diamonds on Her head. (Words cannot explain Her beauty.)

Mother Mary spoke, "Thank you My children for coming here. You can be assured I am here always. PRAY with all your hearts, OPEN your heart to Me. Your brother priests need you to pray for them." I then saw a spinning heart, it was deep red. Mother Mary Spoke again: "Wedding rings will be

blessed today. Rosaries also and those trying to conceive, will soon. Everyone here has come to seek Me, their Mother. They will all be blessed for coming. Thank you again. Thank you to all of My Josephs for coming and praying with Me. I will bless you all for bringing your families here, as the head of your household. This will keep your families strong. Nothing and no-one will divide what GOD has put together." I am to touch everyone who welcomes it, Jesus will use my hands for healing.

Second Sorrowful Mystery, The Scourging at the Pilar, I saw Baby Jesus looking all around the room at everyone here and smiling.

Third Sorrowful Mystery, The Crowning with Thorns, I see golden crosses and rosaries above everyone in the room. I see Jesus crucified on a metal cross and Mother Mary crying at His feet. "Your petitions are heard by GOD at the moment of thought." Mother Mary Continues: "Pray also for all of the aborted children, and their mothers, PRAY that these mothers are forgiven their sins, and come back to GOD Our Father." (While receiving this message I smell roses.) "Pray to Saint Therese." "Let the children, be children, but do teach them to pray. Also teach them love and forgiveness. Teach them to speak well of others, softly. Pray for them."

"Thank you for the beautiful flowers." Mother Mary appeared in pink with a pearl crown, then in a ruby red mantle with a gold crown. Her mantle had gold stars all over it, she is all skin colors at once, all nationalities. She then says: "I can and will, heal many souls today because of your prayers and devotions. A miracle of love is happening here. Continue to pray, as you are with all your love. I will touch you all today with My love for you. Your Mother, Mother of Divine Love, Lady of the Bayou."

First Joyful Mystery, The Annunciation, Our Mother came in a white whirling wind, like a mist or cloud. It was gentle. I saw Her briefly in a white dress with a light blue mantle and white veil. Our Blessed Mother asks me, "Announce My Presence."

Third Joyful Mystery, The Birth of Our Lord, Our Blessed Mother speaks, "My Precious and Most Beloved Sons, I love you, I love you. I love you with all My Heart. I come here in obedience. I come here to call you, My sons, to call you to holiness. I love you. I come to you in love and in peace. I come here for the benefit of your souls My sons, and for the benefit of the souls placed in your charge. I love you."

"This is My eleventh Visitation here for you My sons. Where are you? Why are you afraid to come here My sons? I come to you in love and in peace. A day is coming, My beloved sons when you will no longer hear My call. Open your ears and your hearts to Me, Your Loving Mother. I love you with all My Heart."

"I call you My sons to repentance. I ask you to change your lives. I invite you to become more holy. I will help you. Turn to Your Immaculate Mother My precious Sons. I love you. I am a gentle caring Mother, Mother of your souls. I have asked My Son to give more time. More time for you to turn around. My dear sons, some of you have strayed so far away from My Son and from Truth. My Heart is broken and grieved over the loss of souls, your souls and the souls of those placed in your charge. Turn to My Son Jesus. Turn to Your Mother while there is still time."

First Sorrowful Mystery, The Agony in the Garden, Our Blessed Mother continues, "Do not abandon Us My sons, as you go in every direction but the right direction. Be still! Be still! Turn around. Abandon all that is evil in your life. Seek after Truth. Pray, ask pardon of your sins. Ask and it shall be given to you My precious sons. Abandon and walk away from all evil."

"I come to you in Love and in Peace. It is the desire of My Son that I call you to holiness. Remember that you represent My Son Jesus in all you say and do and in every part of your life, the life that is known and the life that is hidden. Nothing is hidden from God, My sons and nothing is hidden from Your Immaculate Mother's Eyes and Heart. Do you wonder why I cry?"

"I also speak to My sons who are holy, those closest to My Immaculate Heart, for some of you are being persecuted daily, even by your brother priests. Have courage My sons and persevere in holiness and in

faithfulness to My Son and to your Mother. All you do for Us is seen and is deeply appreciated. Your crown is in Heaven, not on earth. Walk in holiness and in Love and in Peace. Persevere under trial. I am with you. You are safe in the refuge of My Immaculate Heart."

"Be obedient to My Son in the sacred calling of the holy priesthood. Never compromise to please men. My Son sees and knows all things. I bless you My sons, especially those who desire to be here and cannot come. Abundant Grace is being poured out here on all."

Third Sorrowful Mystery, The Crowning With Thorns, Our Blessed Mother continues, "A door has opened between Heaven and Earth never to be closed again. Where are you My priests? Where are you? I call you. I am blessing you. Can you not hear Me calling you? There is no evil here. Why are you afraid? Prayers are being offered here for your holiness, for your ministry, for your healing, for your souls."

Fourth Sorrowful Mystery, The Carrying of the Cross, Our Blessed Mother speaks again, "Increase your prayers for Our chosen son, your leader, John Paul II."

Fifth Sorrowful Mystery, The Crucifixion and Death of Our Lord, Our Mother says: "Look to My Son on the Cross." I looked at The Crucifix and Jesus was alive. In my heart I said, "Jesus, I love you." I saw Blood come from Jesus' Mouth as with great effort Jesus said, "I love you." Then I saw in front of me, Jesus seated on a throne.

Jesus then spoke, "A darkness is coming upon the earth My beloved child, My bride. Become closer and closer to My Mother, to Her Immaculate and Sorrowful Heart and thus you become closer to My Sacred Heart of Compassion and Mercy, My Heart of Love. Stay faithful My sweet doves. I love you. Do not ever worry or be afraid. I am with you wherever you are. Do not be afraid for I hold you safely, safely. I love you. Jesus, Divine Love."

I can see the darkness rolling toward us like a big wave or clouds of darkness. I believe it is spiritual not physical, which is far more serious. I can also see beyond and through the darkness, to a time of Peace, Love and Light. This is the first time in these eleven public Visitations that Jesus gives me a public message.

Glorious Mysteries, Our Blessed Mother spoke again, "My precious and most beloved children. I thank you with All My Heart for coming here to pray with Me for holy priests. I love you all so much. Thank you. You bring much comfort and joy to My grieving Heart. One day you will understand all I am saying to you here. I love you. I thank you for all you do to bring others closer to Me and to My Son Jesus. I will always take you to My Son. I have no desire but the desire of His Sacred and Wounded Heart of Love."

"I am blessing you all. I am blessing your families and your communities. I am blessing your priests. I thank especially today those who

had a difficult week. I invite you to offer your little sufferings for My beloved priest sons.”

“I thank the holy religious who are here today. Because of their presence a flood of Grace has been released from Heaven upon you (the religious present) and upon this chosen place today. Thank you for your faithful lives of holiness and of service. I love you all, all of you My little children. I love you. I ask My Son to bless your religious articles and wedding rings today. Consecrate yourselves, your families and your homes to My Immaculate Heart. I thank you for praying for Our priests. I promise you holy priests.”

“I need you My little ones to be an army of Love. Only a great Army can help win this war against the holy priesthood. Pray! Pray! Pray! Pray without ceasing. Consecrate your priests and your parishes to My Immaculate Heart. My Immaculate Heart will Triumph! Be at Peace. Love one another with My Love and the Love of My Son.”

“Many healings will occur here. Healings of body, of mind and of soul as no other place on earth was chosen in this way for priests. Healings will be abundant, for My priest sons are the most skeptical of all My children. I promise this. Your prayers are sweet to My Son and bring Him much comfort. Be assured that I am present here in a special way. I love you. Peace and Love for your hearts today. Your Mother, Mother of Divine Love.”

As soon as Our Mother finished Speaking, I feel pain all over my body and I ask Her if I can sit down. She answered, "Stay on your knees for this last Mystery. A priest will repent of his sins and you will meet him." At the beginning of the Rosary Our Mother had told me that I would kneel for the whole Rosary today, but I had so much pain that I had forgotten. May God have mercy on me.

*Received by Lin, a bride from another area*

I saw a vision of Jesus and Mary just above us. Our Lady was in a blue robe with a white garment underneath it and Our Lord was in a red robe with a white garment underneath it. Our Lady began to speak. "I am with you My children. I am pleased to see two religious here for My visit. Thank you for coming to pray for our priests. I have great sadness in My Heart for the sins of Our priests. Pray for Our, My sons." I am very aware of all the people praying around me.

Our Lady continued to speak, "My children, My dear children, thank you for coming here today to pray for Our priests, My beloved sons. They need your prayers for good guidance from their Bishops. Pray for holy Bishops. Our priests need holy Bishops to guide them. Holy Bishops to guide them to be holy and good examples to their flocks.”

"I come today to ask you to spread this mission, to listen to the Holy Spirit's direction, to go where He sends you with this mission to pray for priests. Be obedient and continue to write My child."

"My children I love you. Your prayers are being taken to Heaven. Your prayers are heard in Heaven, the Blessed Trinity hears your prayers in Heaven. You do not realize the impact your prayers have, especially when they come from the heart. Stay kneeling My child. Many graces go out to all here today and go home with you today to all you meet. Many graces go to those who join you and cannot be present but are praying with you."

"Do not be afraid of what others think. Continue to pray for priests and encourage other to do the same. So many of My children ignore My Son. He waits for them to return to Him, to acknowledge Him as their Creator and Redeemer. Too many of My children seek THINGS to satisfy their longing for My Son. They simply need to turn to Him and that longing will be satisfied. Only He can give them the peace, love and joy they are longing for."

"My children you need holy priests to guide you! Pray for all parish priests to be holy so that their flocks will be holy. Your prayers must start in your homes for holy priests. They will then spread first, in your hearts, in your homes. Much grace is being released in Heaven at this time for this purpose. If this is done peace will return to homes. Families will unite in prayer as an army, a front, against the evil one and his companions." I see a vision of the evil one and his friends fleeing as our prayers waft toward Heaven.

Love is being released in grace to all mankind because of our prayers. I see a great peace coming upon the earth, coming from Heaven. I then see a vision that I have never seen before. A vision of hearts, thousands upon thousands of hearts united in an unlimited Heart, the Heart of Jesus. All the hearts were encompassed in Jesus' Heart. LOVE permeating all the earth.

Our Lady began to speak again, "My children open your hearts to My Son. Allow Him to live within you, to use you to love others through you. Only each and every one of you can say yes. It takes each individual to say yes!"

Our Lady spoke again, "My children say yes to My Son. Stand up for your faith. Pray for Our priests. I need an army of prayer warriors to pray for Our priests. Will you take this challenge I give you today My children? Stay sitting My child. Oh! My children I love you! Oh! How I love you. My Son loves you. The Most Holy Blessed Trinity loves you."

I see a vision of the Blood of Christ pouring over all of us. I see Our Lady in blue and white coming on a pillar of cloud. I see Her now over Claire Rose. I see a showering from Our Lady of many, many graces flowing down to all of us. They are flowing like rain over all of us as we pray, permeating each and every one of us.

Our Lady begins to speak again, "My children these graces come to you today because of your prayers and will go home with you today to all you meet. Spread this Mission to pray for priests My children. Please help to spread this Mission. Tell your friends and family to pray for priests and My Son and I will do the rest. I love you My children, My Son loves you, The Most Blessed Trinity loves you. Go now in peace, the peace and love of My Son. That is all for now My child. Continue to pray. Your Loving Mother, Mary Immaculate, Mother of Divine Love."

*Received by Leslie Therese*

I see Our Mother Mary in white and palest blue. Our Lady spoke, "My child thank you. Thank you all for not giving up. The time is now to pray, pray, pray. My sons and daughters need all of your prayers. Without My priest sons there would be no more Masses, no more Eucharist, no more Blood of My Son Christ Jesus. PRAY! PRAY! PRAY My children that this never happens. There are places that this is happening already. Pray for My Son's Church to be brought back to these poor people. Do not take for granted your churches. Keep them alive with your prayer and daily deeds."

"Thank you for coming My Josephs. Continue to bring your families here, and for keeping them strong and together. As the head of your households pray and care for your families as I have chosen for you. You are the strength, without you your homes would soon fall apart." I see Mother Mary all in white. She is so beautiful. She said, "Kiss your Rosary."

Our Lady spoke to priests: "My sons, I am calling you here to this place. Do not be afraid. I will protect you. I will refresh your Love for your Father God and bring you back to Him new and whole. Do not be afraid. I am here to help and I have been welcomed here for you. I am always present here. A golden light of love, forgiveness and understanding shines forth for you here. Come My children and be refreshed in My Love for you. I await you with the open arms of a Mother, Your Mother Mary."

God Our Father then spoke, "I love you My sons and await your return to Me. Come here to this place. I have chosen this place especially for you. I have made it a holy place. Come and pray. No one and nothing loves you more than I do. I chose you when you were in your mother's womb to be My special sons. Listen to the call of your Mother."

Again I am told, "Kiss your Rosary." Jesus then spoke, "I will bless this Rosary for you today. My Love will touch those who touch it." I put my hands out for Jesus and Mary to bless the Rosary I was praying with. The Holy Spirit also blessed this Rosary.

Jesus spoke again: "Thank you. Give all of your troubles to Me and I will renew your faith. Do not let the world take you away from Me. Be strong. Believe in My love and no one and nothing shall ever break that faith. I bless

all the beautiful voices. Praise God for the beautiful flowers and all the beauty of the earth."

I saw the host above us all and then the Holy Spirit. Angels are here again. Listening when we sing and pray, they join us. Mary walks about the rooms blessing each person here! She says, "Thank you all for coming here. I love you and hold you each in My Heart, within My arms, with all My Love."

I see rainbows, pulsing hearts and crosses above us all. I see Our Mother Mary in silver and white. Our Lady speaks, "I will touch the children here. Bring them to Me. Teach them to pray and devote special time to Me. Teach them to listen to Me. Children learn what they see and hear. God loves all of His children."

Fifth Glorious Mystery, The Coronation of Mary as Queen of Heaven and Earth, I see Jesus standing in white robes with a cross around His neck. He is still carrying His cross for us. Jesus speaks, "Send Me all your burdens and I will make them My own and you will be set free in My love for you."

Third Joyful Mystery, The Birth of Jesus, Today is very special because today for the first time, a priest came for Our Mother's Visitation and She began Her Message with words for him. "My Precious and Most Beloved Son, I thank you with ALL My Heart, ALL My Heart for coming here today. I love you, My beloved son, I love you with ALL MY HEART. My Immaculate Heart is filled with joy, deep joy that you have come. Be assured that I am here and I have called you from among all My sons. I have chosen you and set you like a seal on My Heart. You bring joy and comfort to My Immaculate Heart. Comfort for all the grief that pierces My Motherly Heart by some of My priest sons. I love you My beloved son I love you. Today is a very special day for Me. Today I am filled with joy, filled with happiness. A new vocation has been planted today. It is My desire today to thank all the priests who have encouraged you My daughter. I enclose this within My Message to My beloved sons."

"I thank all three who have come and blessed this place. I love you. You have each a special place in My Heart of Love and of Peace. I thank in advance all those of My beloved sons who are coming. I will bless you in abundance for answering My call to you. I will place you most tenderly in the Sacred Loving Heart of My Son Jesus. I have given birth to your vocation. You are surrounded today by a multitude of holy angels and saints. I love you all so much My little ones (Her Priests) though you are a shepherd, to Me you are My little lambs. I love you My precious sons. I love you. I assure you of My protection in these final hours."

"Speak to your brother priests who are in error. Do not be afraid for I go before you. I am with you at all times. I love you I love you. I call you to return to your first love. Return to your Mother. My sons how I call out to you from the very depths of My grieving Heart. My Heart is filled with Love, with compassion, and with Mercy for you My sons. I call you to holiness. You are to lead My children to holiness. I love you."

"Thank you for your 'yes' to My Son. I love you My precious ones who represent My Son Jesus each day. O My beloved sons do you not feel My Love for you? Seek Me. Ask My help. I will take your hand and lead you to holiness, to My Son, to Our Father and to My Beloved Spouse, The Holy Spirit."

Fifth Sorrowful Mystery, The Crucifixion, "This is My twelfth Visitation for you for you My sons. I love you. I love you. Your Mother, Mother

of Divine Love." I was taken to the place where Jesus was Crucified. During the First Glorious Mystery, The Resurrection, I was brought back to this room.

Second Glorious Mystery, The Ascension, "Write for My children. My Precious and Most Beloved Children I love you. You bring joy to My Heart today on this special day, the Feast Day of The Annunciation. I bring to you many blessings today from The Holy Blessed Trinity, Our God. I love you My little ones. I love you. You comfort Me by your 'yes', your response to My call. My call to you to pray for My priest sons. They need your prayers and little sacrifices. My little ones, I love you so much. So much."

"My beloved children, I call you to holiness. I call you to repentance and a deeper conversion. Leave all behind that keeps you from holiness, all that keeps you from responding totally to the Call of My Son Jesus. I come here in obedience to Him, My little ones. I love you, My children. Pray for Our Holy Father John Paul II. Pray for all My beloved sons. When the Angel Gabriel came to Me to announce the Good News I did not fully understand. I said 'Yes' in love. I ask the same of you, My children, say 'Yes' in love even though you do not understand. Do not be afraid."

"You are all called and chosen to be holy and to pray many times a day for holy priests. I will speak to your hearts. Many healings will occur here as with no other place for the healing of My beloved sons, and through them My beloved Church will be healed and holy once again. Thank you for answering My Call. I love you. Your Mother, Mother of Divine Love."

*Received by Leslie Therese*

Joyful Mysteries, Our Mother Mary Spoke, "To My priest sons, I love you and have asked you here to this place to save yourselves from sin. You must come back to Me, your Mother. I will welcome you here. You who may come here empty will be filled with an overabundant Love. I will wash you in My Love for you." I now see Our Mother Mary in a mantle of diamonds. Her Immaculate Heart is edged in, surrounded by black diamonds.

"I am bringing you back to the real Church. You will be strong again because of the prayers being said for you here and I am here for all who seek Me out. I love you, and no-one could love you more. Ask My help and you shall receive it. I want only to be your Mother. Come to Me. You will become new here."

I now see Our Mother Mary in a white linen mantle. Her Face turns from Black to White to Indian to Asian. Our Lady continues, "A miracle of love is here for all to seek. I bless each one here and all of their families at home and far-away. Let them all know I am here for them. My Love is so much it can never be depleted. It will never run out, no matter the sin, I will always be your Mother, Mother of Divine Love. Offer up all of your wedding rings they are being blessed. Offer all your daily deeds for priests. Without priests

you have no Church. Pray daily for Holy Priests in abundance. Our Father is listening to all of your prayers and petitions as We pray and write them."

For the first time, I am wearing the crown of thorns. Jesus continued, "I will bear all of your sins. Send them to Me. I will wash them away so you can start new. My brothers, I am with you all no matter what. Do not give in to the world, give in only to Me. The world has nothing to offer you. I have everything you will ever need. Come to Me here. Come back to Our Mother. Through Her you will find everlasting life and Love in Me." I then see Jesus in white robes. His Sacred Heart and all His Wounds are bleeding. And The Blood is falling on all of our heads, everyone here.

Our Mother Speaks, "For those who question whether I am here or not be assured that I am. You will leave knowing deep inside your heart that I am here and I love even the doubter. Tell everyone you know that I am here and where I am so is My Son also." The crown is getting tight.

Second Glorious Mystery, The Ascension, "Thank you again My children for coming today. I pray also with you for My sons need all of Our help. Pray. Pray. Pray daily. Pray endlessly. Pray without ceasing. Pray at every free moment. I will pray with you at all of these times. I hear the voices of My children with a full and happy heart. Go to confession." I asked Mary to bless everything that was brought here and she replied "I already have!" "Pray to St. Michael for protection also to St. Joseph. Your Mother, Mother of Divine Love."

*Received by Lin a bride from another area*

Our Lady spoke, "My child, you are being harassed by the evil one. Let everything go and put all in Jesus and My Hands. Continue to pray little one." I sprinkled holy water throughout the whole house, and continued to say the Joyful Mysteries. Our Lady was silent during the rest of the Joyful Mysteries.

At the first Sorrowful Mystery, The Agony in the Garden, Our Lady spoke, "My child indifference! My children feel indifference for My Son. They are more interested in entertaining themselves than learning about My Son." I see Our Mother in a vision and she is all sorrowful. She is wearing a white dress with a blue robe and a white veil that is transparent. She asks, "Continue to pray My child." Our Lady is very, very sad.

She continues to speak, "Thank you for coming today to pray for Our priests and the entire priesthood. Your prayers are being heard in Heaven. Much prayer is needed for all the priesthood and all the shepherds all over the world. This is a difficult time for priests and shepherds. They are trying desperately to lead their flocks in the right direction and are bombarded from all directions by the evil one. He uses all the tricks he knows to discourage them from the correct path. Prayer will stop him and much prayer is needed."

"I am counting on you My child to let My children know how much prayer is needed. People who are not afraid to be prayer warriors to pray for Our priests, Our shepherds. Continue to pray little one."

Third Sorrowful Mystery, The Crowning with Thorns, Our Lady spoke again, "I have many priest sons who are good and are fighting to stay that way. Pray for them to keep close to My Son. Pray for them not to be discouraged."

At the fourth Sorrowful Mystery, The Carrying of the Cross, I see a vision of Our Lady in a cream colored gown with her hands outstretched to us, to all mankind. She has a Rosary in one of Her hands, holding it out to all of us. She is bathed in light and has no veil over her head. She is very, very beautiful. I have never seen Her this way before. She begins to speak, "Teach others how to say the Rosary. Teach them to pray it from the heart. Continue to pray My child."

At the fifth Sorrowful Mystery, The Crucifixion, Our Lady begins to speak again, "Many souls go to hell because no one prays for them. My child you have been harassed by distractions all through this Rosary as the evil one does not want you to succeed. Continue to pray in spite of him. This was allowed to show you how much a priest is harassed by the evil one." It was very difficult to say this fifteen decade Rosary, but I also learned that as I said the Rosary the harassment only went so far and I was still able to concentrate, and I had the grace to discipline myself to go on saying the Rosary as Our Lady had told me to do.

At the third Glorious Mystery, The Descent of the Holy Spirit, I felt a great peace. The harassment had stopped. Our Lady began to speak again, "Thank you My children for coming today to pray for Our priests. Your prayers have been heard. Many blessings go home today with each one of you. To your families and all you meet. These blessings also go to all who gathered today to pray for priests in other areas." (I understood this to mean the entire Apostolate of Brides of the Most Blessed Trinity that had gathered together today all over the world to pray for priests.)

"I love you My children. The Most Blessed Trinity Loves you. Go in the peace and love of My Son's Most Sacred Heart and in My Immaculate Heart. We are with you." I felt the oneness of the entire Apostolate all praying for priests together. Our Lady did not speak any more. I realized in a very deep way that the priests and shepherds had to have great grace to combat the harassments they receive in daily life from the devil. I didn't realize how bad until I experienced it today. The most insidious part was I didn't realize I was being harassed and who was doing it until Our Lady told me. I then realized how important prayer was to release the grace necessary for them to survive as good and holy priests and shepherds. Thank you Blessed Mother for that understanding.

## Good Friday, April 21

*Claire Rose wrote:*

Last night, Holy Thursday after Holy Mass, I was wondering if I should have scheduled a Day of Prayer for Good Friday. I was doubting myself and questioning in thought if Our Lord really wanted this or was it just me? I thought, "Blessed Mother, if this Day of Prayer is not from you, then would You please not let one person come?"

For many years I am troubled on Good Friday because I believe it is a day to pray, be quiet and reflect on the Passion and Death of Our Savior and Lord, Jesus; yet so many of my people have lost the true meaning of this solemn day. Today and for many years now, many of my people gather and have big boiled seafood parties. I believe this is wrong. It is the gathering and party atmosphere with drinking that is wrong. I do not think my people really realize that what they are doing is wrong. I pray that soon our priests will speak to my people about their Good Friday parties. This is the reason I called this Day of Prayer.

I was awake most of the night. Then, overslept. I awoke to voices outside my window. It was almost 9A.M. and the first pilgrims had arrived. As I was dressing, Our Mother surprised me as She began to Speak: "My child, thank you for what you are doing for My Son and for Me, Your Mother. I want you to thank all those who come today for Me." I said, "O.K. my Mother." I thought She was finished.

Our Mother continued: "Thank you, My beloved children for gathering together on this Holy Day to pray. I will bless you and your families abundantly for your little sacrifices." I then asked Our Mother to please slow down as I ran for paper and pencil. She is filled with infinite love and kindness. She continued: "Pray. Pray. Pray. Pray My little ones, pray for holy priests to lead you. Pray for your families and your parishes. Please Consecrate yourselves, your families and homes and your parishes to My Immaculate Heart. In My Heart, you will be safe." Her next words blew my mind and I hesitated to write. I thought I was being deceived.

She repeated twice: "Today in the Holy Three Days, I ask that a Church be built. It is to be called 'The Church of the Visitations of Mary Immaculate, Mother of Divine Love, Patroness of Priests.' My Son Jesus in Holy Eucharist is Divine Love. My Son Jesus in Holy Confession is Divine Mercy. I ask that the Holy Mysteries of the Holy Rosary surround this Church.

I have not asked this anywhere else where I have appeared. Please do not hesitate to write what I ask or to make known My Request, My Promises or Messages. Go to your Bishop. I have chosen him and I have chosen well. I am helping you, do not be afraid for I am with you at all times."

"I am present here at all times and I will never leave you, My beloved children. I come to call you to come home to Your Mother. In Your Mother's Heart is safety and security. In My Immaculate Heart you will find a Love and a Peace that the world cannot give you. I enclose you within the confines of My Immaculate Heart and take you safely to My Son, Jesus. I take you to Him whole and healed in body and in soul. I love you forever and ever, My little ones. Thank you for coming. I love you. Your Mother, Lady of the Bayou, Mother of Divine Love. All Missions will come together here, My children, in the Heart of My Son Jesus, Divine Love."

I went to the phone and called my Spiritual Director. He said to obey Our Mother and not to feel that this must be done immediately, that it would be done in God's time. Fourteen pilgrims came and six family members. We began with opening prayer and the first day of the Divine Mercy Novena in our chapel. Then we went outside and prayed the fourteen Stations of the Cross for Priests. We came back inside and prayed a Chaplet of Divine Mercy for Priests. Someone read a meditation on the Passion of Jesus and we closed with a prayer of thanksgiving.

At the end of our Day of Prayer, Leslie Therese received: "Do not be afraid child for I am truly with you. I will be with you always and everywhere. I am touching all here today with the Grace of Peace, which will bring love and devotion to my priest sons. Thank you for coming, My children. You are precious to Our Lord and My Son. Thank you for not making today a celebration of death, but a coming together of life. Because My Son died for the sake of the world, today, when you die, just your body dies because of My Son, your soul will live forever in love. Pure unconditional love. The freshness of our souls will be in Heaven. I will be here holding you in the comfort of a Mother's Arms always. I love you, My children. Your Mother, Mother of Divine Love."

### **Last Saturday of April 2000**

*Received by Claire Rose*

First Joyful Mystery, The Annunciation, Our Lady asked me to announce that She was Present. I did. Our Lady came all in white with a lace mantle. She is surrounded by clouds. The clouds are filled with many holy angels and saints.

Second Joyful Mystery, The Visitation, Our Lady speaks, "My Precious and Most Beloved Sons, I love you. This is My thirteenth Visitation

to you here. I come here for you My Sons as I have not come in any other place. I chose this place because it is small. I love you My beloved sons."

Third Joyful Mystery, The Birth of Jesus, I saw a beautiful big golden door. The door became the shape of a triangle, the symbol of the Holy Blessed Trinity. It was also purest gold light. I was taken through the golden door-triangle. Next I saw a beautiful big gold heart. I was taken through the golden heart. Our Blessed Mother was on the inside of the heart. She was standing facing me, like She had been waiting for me. She was in creamy gold. She turned to the side and moved Her right hand and arm to show me something that was beyond the place where She was standing. Our Mother showed to me Eternity, Infinity, endless time and space. Our Mother Spoke: "I will be with you forever and ever! My precious ones."

"Now I will speak to the hearts of My priests who are unholy, those who have strayed far away from My Son, Jesus; from My Immaculate Heart and from all Truth. I call you to repentance My beloved sons. I call you to conversion. I call you to return to Your Immaculate Mother's Heart. I will take your hands and take you to My Son Jesus. I will return you to holiness, My beloved sons. I love you so much. I speak to your hearts. I call you to return to Infinite Love. I call you for the salvation of your souls My sons. Some of you are one with satan and you work for him instead of working for My Son Jesus. Please, My beloved sons, I beg you to go to confession. Some of you have not gone to confession in many years. My Son is waiting for you to return. Return. His Arms are open with Love for you."

First Sorrowful Mystery, The Agony in the Garden, "O My beloved sons how I love you. I love you. My Son longs to forgive you. There is no sin that is too great for His Love, His Mercy, His Forgiveness. Hurry My sons. Hurry to His Divine Heart. His Divine Mercy. His Divine Love is ever there for you. I come in love and in obedience to call you, to love you, to bless you. An overabundance of grace is being poured out from the Heart of My Son Jesus at this time for your repentance, your conversion and your return to holiness."

"I need you My sons. I need you. So many sheep, My little sheep have been led astray. I need your help to bring the flocks back to holiness, to My Son. I need you My sons. My beloved sons, you bring joy and comfort to My Immaculate Heart as you return to holiness. Ask My help My sons—I am here waiting your call, awaiting your return to Me. I love you."

Third Sorrowful Mystery, The Crowning with Thorns, "My beloved sons who are faithful I thank you. I come to encourage you to stay holy, stay close to the Heart of My Son in Holy Eucharist. Pray daily with Him. Spend time with Him, My beloved sons for where He is I am too, waiting for your visit. I love you. Go to confession often My sons; this will always help you to grow in holiness. I love you. I am with you each day, each moment. You carry

My Son's cross. I love you. Pray for your brother priests. Speak to them, to those who are in error. Speak to each one. Do not be afraid for you speak for Me and for My Divine Son. I love you."

Fourth Sorrowful Mystery, The Carrying of The Cross, I saw a globe of golden light. I asked, "Is this you My Mother?" The light became Our Mother. She was dressed in a light yellow gown and veil. She said: "I am The Mystical Rose. The Way of the Cross leads home. HOME! I love you My sons. I love you. Out of the depths of sorrow I call you. Help Me. You are My Hands in this world. My Hands, My priests are broken. Help Me to mend My Hands and My Heart one son at a time, one priest at a time."

First Glorious Mystery, The Resurrection, "My Hands and My Heart will be mended. My Immaculate Heart will Triumph! I love you. I love you." "Mother Mary, My Mother please forgive me all the times I have hurt you. I do love you. Help me. Help me, My Mother to be a better person, to be more like you in all I say and think and do. Help me, My beloved Mother." I saw a tear in Her Eye. My heart grieves over the times I have hurt Her and Jesus. "All is forgotten, My beloved child. Write for My children now."

"My precious and most beloved children thank you for coming here today to pray with Me. I hear all the petitions in your hearts. I am blessing you today My own little ones. I love you so much, so much. Thank you for praying for My priest sons as I have asked you. Your prayers are multiplied by the holy angels and saints. I am calling you to increase your prayers for My priest sons."

Third Glorious Mystery, The Descent of the Holy Spirit on Our Mother and the Apostles, "Increase your offerings for more priests. Pray for the return of My Son's priests who have gone astray. Pray for priests' souls in Purgatory. As a special act of Divine Mercy, tomorrow many, many souls will be converted and many souls will be released early from Purgatory. I love you My dear children and I am blessing you as I depart. I bless your families and your priests and your parishes. I love you. Your Mother, Lady of the Bayou, Mother of Divine Love. Thank you My little ones and thank My Son, Jesus for these Visitations of Love."

Our Blessed Mother Mary appears in a white mantle with stars around the edges.

Second Joyful Mystery, The Visitation, Our Mother Spoke, "My holy and blessed children, you are My sons. I am your Mother, come to Me. I am the beginning of your salvation, My sons. I Love You. You are most precious to Me and to Your Father. I am here always for you. I never leave. I have called you here to this place to renew your body and soul through My Love for you. My sons I am the only Mother who loves you beyond sin. I hold you in My

loving Arms. I surround you with My Love for you. Someday, My sons, I will bring you home to Me through a field of flowers to My weeping Heart." I understood that the field of flowers represented all the souls each priest would help to save.

"Pray without ceasing for your brothers, that they might open their hearts and minds and come to Me here in this place. I am appearing here for you and your brothers. Please pray, pray, pray, pray!"

We are surrounded in light and the angels are here again praying and singing with us. Our Mother speaks again, "My children welcome. I thank all who come here. I love you all. Your petitions have been heard and brought home in My thoughts. Do not doubt that I am here. I am here for My sons and for all of My children. Those who are still in doubt will know My Presence."

The Blessed Virgin Mary Appeared in a pure white lace mantle and gown. I have never seen such beauty. I can only think how undeserving I am of seeing Her beauty. Thank you Mary, thank you Jesus.

Our Lady speaks again, "Special blessings on those in dire want of My love and peace. Be glad of everything you have and you will find you already have them within yourselves."

"My children continue to pray daily and offer up all of your daily deeds for priests. God hears every prayer and offering. He holds you in His loving arms as I hold you in Mine. Consecrate yourselves and your families to My Immaculate Heart."

"My Josephs, I call you here to keep your families strong in prayer. Pray with your children, do not be afraid of what the world says to this. Thank you for coming here to pray for your brothers. They need the strength of your prayers. Special blessing on all trying to conceive."

"My daughters I thank you for the motherly love you show to your children. I know this special love because I have it for all of the world and all of Heaven. Even though the child is not of your womb, do you not still love and cherish this child? Thank you for your yes. Pray with your children. Pray like children with innocence and purity."

"To all of My children go to confession. Your Father awaits you there to cleanse and refresh your souls. Be truly sorry for your sins and you will be forgiven them. Special blessings to all getting married now or in the near future or thinking about it. Special blessings to those searching for their future (people who don't know what or who they want to be). Wedding rings are being blessed also the children of these. I am Your true and loving Mother, Mary, Mother of Divine Love. Lift the Rosary to Me and I will touch it, let all who want to touch it do so then give it to him who owns it." The Rosary belongs to my brother.

At the third Joyful Mystery, The Birth of Our Lord, Our Lady spoke, "I am with you little one as you pray for My priest sons and I am praying with you for them also."

At the fourth Joyful Mystery, The Presentation of the Lord, Jesus told me He was with me also. Our Lady spoke, "Pray for My priest sons to be obedient to the Holy Magisterium of the Church. Ask My priest sons to pray for their Bishops, that they will be holy as My Son wishes them to be holy. Encourage My special sons and let them know you care about them. Let them know you are praying for them. Thank them for praying for you. Ask them to pray for you."

At the fifth Joyful Mystery, The Finding of the Child Jesus in the Temple, Our Lady spoke again, "My child pray for all Seminarians to persevere and pray that their teachers at the Seminaries are holy and teach them to be holy and pleasing to My Son. My child tell all to pray that Bishops will realize the seriousness of their jobs for My Son, for the whole Trinity, for all of mankind." Our Lady then brought special bishops to my mind to pray for.

At the third Sorrowful Mystery, The Crowning With Thorns, Our Lady spoke again, "Pray for the Holy Father, John Paul II. He suffers greatly at this time. He needs your prayers my children. His example shows other Bishops how to treat others regardless of their state in life." (I understood this to mean that Bishops should be respectful to all they come in contact with.)

At the fourth Sorrowful Mystery, The Carrying of the Cross, I see a vision of Our Lady as Our Lady of LaSalette. She has Her Hands over Her Eyes and She is weeping for Her priest sons. She speaks, "Thank all who are praying for priests."

At the fifth Sorrowful Mystery, The Crucifixion and Death of Our Lord, I see a vision of Our Lady with a Catalpa flower crown over her veil. Only Her head is visible. She looks similar to a picture I have of Her. I then saw Her in a blue mantle with a blue veil and white gown. Her blue mantle and veil were spread out and covered a multitude of priests. The number more than I could count. Her mantle had light showing through it. It seemed to be Her Son's light shining through Her to the priesthood. Our Lady then spoke, "My child you will not get the whole Rosary said today. Do not worry about it. Continue to pray little one."

At the first Glorious Mystery, The Resurrection of Our Lord, Our Lady spoke again, "My child please thank all My children who came together today to pray for Our priests. Their prayers have been heard in heaven. No matter where they are praying for priests today at My request they have been heard. My Son and The Most Holy Blessed Trinity have heard their prayers."

“Many blessings go out to all My prayer warriors today who are praying for priests. These blessings will go with them to all they meet. This is a very special time. This Sunday is Mercy Sunday. My Son opens wide His Divine Heart of Mercy this day. Open your hearts to HIM and invite Him into them this special day of Mercy. I love you. My Son loves you. Thank you for coming together today and praying for Our priests. My love goes out to you all. My Son's love goes out to you all and so does the Blessed Trinity's. (Whenever Our Lady mentioned My Son and the Blessed Trinity together in this message I understood Her to mean Jesus and the rest of the Trinity, God the Father and God the Holy Spirit.) Your Mother, Mother of Divine Love.”

I saw Our Mother as Queen of Divine Love, all in creamy white. Her Mantle had an edging of gold. Her Crown was a simple shiny gold, medium height with seven points. On the front was a gold Chalice with a pure white Host suspended above it. Brilliant beams of gold light shone all around the Host and Chalice. It looked like a Monstrance. She was beautiful as She always is. She came with many angels and saints. Multitudes!

Second Joyful Mystery, The Visitation, I saw a globe of golden light encompass our Mother. I feel the bleeding the Crown of Thorns. I understand that this means false accusation.

Third Joyful Mystery, The Birth of the Lord, "For all My priest sons, You are so precious and beloved to Me. I call you to be holy as I am. I call you to conversion. I call you to truth, to My Son Jesus. I call you. I call you. Oh! My dear sons, how much do I love you? With all My Immaculate Heart. I will take you into My Heart with My very own Hands. Once there you will be safe. My Immaculate Heart is yours, a safe refuge."

"Return to holiness My sons while there is still time. I call you. I love you. I know that within each of you is a holy priest. You are My Hands, My beloved sons. My Hands are broken. Please help Me to mend My Hands. Pray for your brother priests. Love one another with My pure Love. Some of you are in serious error My sons and you pierce and grieve My Heart."

"Pray for your Bishops. Offer Holy Masses especially for them and for the protection of My Precious Son, your Holy Father, John Paul II. Obey him in all things. Do not stray from him or from truth, My Son Jesus."

(Our Mother Spoke these words in deep grief from the depths of Her Being) "Come home My sons. Come home to Your Mother's Heart. Come back home. You are going on the wrong path. My beloved sons I call out to you. Do you not hear Me call? Come home. I love you. I love you. I call you in love. I beseech you come home. You are My treasures. The jewels of My Crown, My beloved priest sons. I love you."

I am taken to China to a jail cell where a priest is imprisoned. Our Mother is there too. We are praying a Rosary with the priest. During the Sorrowful Mysteries, I experience Our Mother's Suffering as She followed Jesus through His whole Passion, Suffering and Death. Our Mother and Jesus meet. The Love in Their eyes I cannot describe. At that moment, I again offered every cell of my body as a sacrifice for priests.

Our Mother said, "All My Suffering this Day (the Day of Jesus' Death), was offered up for My priest sons, My beloved sons. My Immaculate Heart will Triumph through your return to holiness, My sons."

Fifth Sorrowful Mystery, The Crucifixion and Death of Our Lord, I see Jesus' Blood all over the wall in front of me. I see Jesus on the Cross, alive. Jesus Said, "My Love for you has put Me here." I asked, "O Jesus, please heal everyone here and all those we are praying for. Deliver all of us from all evil."

First Glorious Mystery, The Resurrection, "My precious and most beloved children, I gather you here from every nation. I Love you. Thank you for coming here to pray with Me Your Mother. Thank you for praying for My priest sons. I ask you all to pray more. To help Me, Your Mother to spread this message, this mission of My Heart. Help Your Mother My dear little children. My priests are My Hands. Help me to mend My Hands. My priests are broken."

"Pray for your brothers. Offer little sacrifices and all your sufferings for them. satan wants to destroy My precious sons. He knows if he destroys My priest sons, he destroys My Church. I need your help My little ones. I need an army of Love, an army of Prayer to cover the earth, an army of Prayer for priests."

Second Glorious Mystery, The Ascension of Our Lord, "I have founded this army of Love right here in this little place. A special day was chosen to bless this holy mission, the Day of My Son's Ascension into Heaven. The day He left Our Church in the hands of the first priests."

"Much prayer is needed to defeat the evil forces that are attacking My beloved sons both from within and from without My Church. I am leading you My beloved children. Turn to Me. I am a loving Mother. I will lead the army of Love. I am Your Mother. I am Mother of My Son's One, Holy, Catholic, and Apostolic Church. I will never abandon you. I will never abandon My Church. satan will be defeated. But you must help Me each day."

"The evil is being washed out of My Son's Church. He must be at the Center of every heart, of every family, of every church, of every community. Help Me My little ones. I call you. I bless you today in a very special way and I join you to those who are praying with you in all the world."

"Take courage and do not be afraid. I am with you always. I am here at all times. My Son Jesus is here at all times. Worship Our Father. Worship My Son Jesus. Worship My Beloved Spouse, The Holy Spirit. Many blessings, many graces will flood the earth in the coming days of celebration. Do not be afraid. Go forth from here filled with grace, with Peace and with My Love in your hearts. I love you. Love one another with My Love. I Love you. Please thank My Son, Jesus for these Visitations. Your Mother, Mother of Divine Love."

*Received by another bride, Lin*

I am in Theriot, Louisiana for Our Lady's visit. It is 2:00 p.m. I see Our Lady as Mother of Divine Love and then Our Lady of Divine Grace. She is so beautiful.

At the First Joyful Mystery, the Annunciation, Our Lady begins to speak, "Oh! My children your prayers are music to my ears. Oh! How My priest sons need your prayers. Thank you My children for coming here today to pray for Our priests. Oh! My children how I love you. How My Son Loves you. How the Father loves you. How the Holy Spirit loves you."

Second Joyful Mystery, The Visitation, I am very aware that the angels and the saints are with us. I am very aware the souls in Purgatory are with us, praying. Our Lady speaks again, "Yes My precious children, My prayer warriors, I am with you. Thank you Father Izral for coming today. Thank you dear Carmelite Sisters for coming here today. Thank you Sisters for wearing your habit. Thank you Fathers for wearing priest's clothes. Thank you Deacon for saying yes to My Son. Thank you for coming today."

Third Joyful Mystery, The Birth of Our Lord, Our Lady speaks again, "Thank you Father for hearing confessions. Pray My children. Prayer is the answer. It is the only thing that will cure the ills of Our times. Prayer is the only thing that will bring vocations about. Prayer is the only thing that will release the Grace necessary to make this come about. Prayer is the only thing that will change the world to be holy. Prayer will bring about holy priests."

Fourth Joyful Mystery, The Presentation of the Lord, Our Lady speaks, "Oh! My children we need holy priests to have holy flocks. Your prayers will make this possible."

I see a cloud with Our Lady as Mother of Divine Love. Her dress, mantle and veil is cream colored. The light shines through it and it moves in the breeze. Our Lady speaks, "Yes My child, that is Me, your Mother of Divine Love."

"Yes My child it is Me, Our Lady of Divine Grace. Much grace is being poured out to all here and all who are gathering today to pray for Our priests. You cannot understand how much grace is being poured out to you all. It comes with so much love. Grace that will go home with you and to all you meet. Do not be afraid of what others think. Keep focused on My Son. I am still with you all little one."

I see rays coming out of Our Lady's hands, out to all of us. Touching each of us with Her grace, the grace from Divine Love, Her Son. Our Lady speaks, "Yes My little one, grace from My Son through My Immaculate Heart." I see Her again in blue with a white dress. She opened Her arms wide and spread out Her blue mantle and veil. It covers the entire priesthood. Light is shining out through it. It covers more priests than I can count. She also

covers all the world. It seems it is unlimited. This is the second time (See April 2000 message) Our Lady shows me this vision of Her mantle covering the entire priesthood, but this time Our Lady extended the vision to include the whole world.

Our Lady speaks, "I love you My child." I love you my Mother. Our Lady speaks, "Thank you for being obedient and writing. Child of grace keep kneeling and offer it up for My intention. Dying to self is hard little one because of our humanness. Continue to strive to do so as an example to others, to teach them to sacrifice for others. You do not know how your example affects others. Pray to persevere. Ask others to pray to persevere. Pray for priests to persevere."

Fifth Sorrowful Mystery, The Crucifixion and Death of Our Lord, Our Lady speaks, "Dying to self little one, that is the key. Pray for the grace to die to self for My Son's greater Honor and Glory and for the rest of the Trinity." Oh! My Mother, I have so much of dying to self to do. Our Lady speaks, "My little one you have so much to die for." (I understood this to mean to die to self for the greater honor and glory of God.) "If only My little children knew how much their dying to self helps our priests and other souls."

Second Glorious Mystery, The Ascension, I am turned facing the people sitting on my kneeler, and I see Our Lady in blue on a cloud. She is ascending into Heaven. As She goes, grace and love flow out to all here. Our Lady speaks, "Oh! My child how I love all the different languages of My Hail Mary." In this vision Our Lady was showing Herself to me as the Lady of the Assumption.

During the rest of the Glorious Mysteries, Our Lady speaks, "Oh! How I Love you My children. Oh! How the Trinity Loves you My children. Your prayers are heard in Heaven, My children, please be assured of that. Thank you for your love My children. Oh! My children, My dear children, My dear clergy and religious, I again thank you for coming today to pray for our beloved priests. When you go home today spread this message of love for the priesthood. Encourage others to pray for Our beloved priests. Encourage all you meet to pray for priests. That is all for now My precious one. Your loving Mother, Mother of Divine Love. I leave you now, but know that I am still with you." (I don't know how to explain this. She left in the vision, but Her Spirit did not leave nor did Her Love.)

*Received by Leslie Therese*

At the beginning of the Rosary, Our Mother Mary appeared in a pale blue mantle. She had black hair and blue green eyes. She is surrounded in pure love for us. She wears a crown of mother of pearl, which reflects all the colors of the rainbow. Our Lady speaks, "Open your eyes My children, for I

stand before you. My sons I am here for you. All of these prayers are for you, to keep you strong in your faith. I know your sorrows. They have become mine."

And when She said that I see a Eucharist, a Host surrounded in darkness and the Host shines brighter than the sun. Our Lady continues, "Do not, My sons, be misled by satan and the world. Do not stray. I am holding you in My Heart. Surrounded in Your Mother's Love, you will not be harmed. Come to Me. I await you. I love you. I cherish you. I am your Mother. Come back to Me. Open your heart to Me, and you shall have My Son Jesus in Heaven. My Son Jesus awaits your presence here." (in this house) "We are calling you here to be healed, refreshed, renewed and forgiven. You are My most precious sons. Here on earth without you My sons, the earth and it's people could not receive My Son in the Sacrament of the Mass. I am here for your renewal like you are there to renew each person who receives My Son in Holy Eucharist. Anything can be forgiven, ANYTHING, you need but ask." This ended at the Third Joyful Mystery.

At the beginning of the Sorrowful Mysteries, forward Our Lady spoke for everyone, "My children thank you for your yes! In coming here you will receive special blessings in your life. By your prayers for My holy sons, you will receive Jesus. Pray, Pray, Pray, Pray without ceasing. For as you pray for My sons (priests) you are praying for yourselves. Thank you again for coming. I will bless each wedding ring and marriage here. I am here for all who come to Me. I LOVE ALL."

"Pray for My son Pope, John Paul II, that he remains strong and well. Pray, Pray, Pray with and for your children. Pray with their innocence and purity. I am touching everyone here today, especially My daughters (two nuns) with My peace. This is for My two daughters. I love you and like a rose that has beauty and fragrance, so I think of you in My Heart. Thank you to all of My Josephs. You are the strength of your home and family. Continue in a strong faith and you shall be rewarded for it. Children are being blessed with special graces. Let them be innocent, and teach them modesty. I place My Lips on each of you. Continue to pray for My sons."

I see Mary kissing everyone on the forehead. I see angels all around us. They surrounded us in prayer and song. We are never alone. Mary speaks again, "Never be afraid of what others say to or about you. Only think of what Our Lord thinks and says."

# June 2000

*Received by Claire Rose*

About 1:30 some of us were praying "Hail Mary's" in my bedroom with some of my children, my grandchildren and two of their friends. I asked my granddaughter Ashley to please go and invite all the little children to come into my room to pray with us. They came and knelt around my bed as we continued to pray over and over, "Hail Mary, full of Grace. The Lord is with Thee. Blessed are Thou among women and Blessed is the Fruit of Thy Womb, JESUS! Holy Mary, Mother of God! Pray for us, sinners, NOW and at the hour of our death. Amen."

Our Mother surprised me as She Spoke a Message for the children. I did not see Her. She said, "My precious little ones, I love you with all My Heart. Thank you for coming here today to pray with Me for Our priests. I ask you to pray for them every day. I ask you to offer little sacrifices every day for them. If you will pray for holy priests, I promise you will have holy priests to lead and guide you. I am wrapping you in My softest mantle of love and of protection. I am hugging each one of you. I love you My dear little children. I am Your Mother, Lady of the Bayou, Mother of Divine Grace and Love."

Our Lady had another surprise for us. A little boy, eleven years old saw Our Mother. He said that he saw Her life-size floating above my bed, next to my granddaughter, who was sitting on the bed. She was dressed all in blue with a veil. Her eyes were blue like the sky. Her hair was brown. He saw Our Mother hug my granddaughter, then She floated to him and hugged him and my grandson. He said that he saw Her do this as I was speaking Our Mother's Words. He was affected very deeply by this experience.

His mom, a friend of one of my daughters was also deeply touched and began to cry. This was the first time they came on the Last Saturday. I had not seen these children in several years. I asked the young mom to please go out and share with everyone what had happened to her little boy. She did. Then her little girl, nine, went to her and told her that she too had seen Our Lady. Both children came to me and all I could do was hug them. The little girl saw only Our Lady's clothing moving. This touched everyone very deeply, especially me. I have asked Our Mother to please let many others see Her here, most especially priests and bishops. I am in awe of Her and grateful to Her and to Almighty God for this beautiful extraordinary gift.

At the fourth Joyful Mystery, The Presentation of the Child Jesus in the Temple, Mary Our Mother speaks, "To My sons, My beloved and precious priest sons, I call out to you. This is My Fifteenth Visitation for you, My

beloved sons. WHERE ARE YOU? I call out to you from the depths of My Immaculate Heart. Why are you so afraid? I call you to repentance and conversion here in this place I have chosen from long ago. The Heart of My Son Jesus dwells here, for you, for you My sons and for all My children. I love you. I love you. I thank you for becoming holy priests. I love you."

I see tears in Our Mothers' Eyes. Our Mother, "Tears of joy My sons, tears of joy for My priest sons who have come and who will come to holiness because of the prayers of My children."

I see many, many priests falling on their knees, in tears and in supplication to God in Heaven, in repentance. I see many, many priests kneeling once more in front of their Tabernacles. I see many, many more Adoration Chapels. I see many, many priests spending hours in Adoration. I see many, many priests hearing the confession of their brother priests. I see many, many new priests being ordained in every nation. Many, many. I see many old priests coming back to Jesus, going to holy Confession after years of being away. I have never seen any of this before. The numbers were so great, more than thousands.

At the fifth Joyful Mystery, The Finding of the Child Jesus in the Temple, Mary Our Mother continues, "Yes, My daughter, this will happen. You will see some of this in your own lifetime. The message here is one of Hope, of Peace and of Love."

At the second Sorrowful Mystery, The Scourging at the Pillar, "My beloved sons, I am here for you in a special way. I call, I invite, I love you. Come to Me here. I have many gifts of healing for you."

At the third Sorrowful Mystery, The Crowning with Thorns, Our Lady continues, "My persecuted sons. I love you. I thank you for your faithfulness. I love you. I love you."

At the fifth Sorrowful Mystery, The Crucifixion, I see Jesus on the Cross still alive, bleeding. I see Our Mother holding the Foot of the Cross. I see Blood all over Her Dress and Mantle. She speaks, "I suffered for My sons on this day. I suffered with My Son. Though My wounds did not show except for My grief. All (was) suffered for My priest sons on this day of My suffering, My grief, My love in obedience, in gentle obedience. I ask you all My priest sons to be obedient to your chosen leader on this earth, Pope John Paul II."

At the first Glorious Mystery, The Resurrection, I hear the sound of the whipping of Jesus, the scourging. Jesus spoke, "Those who persecute My holy priests persecute Me. I will hold them accountable." (I understood this to have two meanings, first that Jesus would hold those who persecute priests accountable, but also that priests were to be held accountable to Jesus for their wrongful actions and sins.)

Our Mother, "I ask you, I beg you My beloved children, pray and offer your suffering for My priests. I have chosen them to lead you to holiness.

Each one will be accountable to My Son Jesus for the souls placed in their care."

Our Lady continues, "We speak with one Voice My Son and I. He has sent Me. He who persecutes you persecutes Me and My Son. My dear children, I speak to you in love. Love My priest sons with all your hearts. Love them, speak to them gently with love and with peace. Thank them for all they do for you and for My Son and Me, Your Mother. I love you."

At the third Glorious Mystery, The Descent of the Holy Spirit, Our Lady continues, "I thank each one of you for coming here today to pray with Me your Mother."

At the fourth Glorious Mystery, The Assumption of Our Lady, Blessed Mother continues, "My suffering while My Son was in the tomb was offered for those who hurt My priest sons in any way. I ask you to love them enough to pray daily, pray constantly, as you go about your daily work for them. Offer your suffering and little sacrifices for them, for their return to holiness, for their perseverance in holiness. I ask you to offer even your lives if necessary for My beloved priests sons. Your reward shall be in Heaven where I will bring you Myself. I am blessing all who are here and in other places praying for My priest sons. I am blessing all your families. I love you all. Your Mother, Mother of Divine Love."

*Received by Leslie Therese*

Our Mother Mary appeared in white with a golden band around Her Mantle. I smell roses. Our Mother Mary speaks, "I have chosen this place and all who dwell here and who come here."

At the second Joyful Mystery, the Visitation, Our Mother continues, "This is just the beginning. I will send many more of My children here. Continue to devote yourself to Me. You are wrapped in My loving arms. My devotion here is to My sons (priests). Go and pray in Claire's room. My children I love you with all of My Immaculate Sorrowful Heart. I love you more each day. Nothing can stop My Love from reaching you if you ask for it."

"Thank you for coming here today. I see and feel each of your thoughts and sorrows. I am here for you always. I am your strength and you are Mine. Continue to pray daily and offer up all of your daily deeds for My sons. Your prayers and devotions are heard and shared. Each time you pray I pray with you. I hear and especially love My small children as they pray for My sons. I can refuse them nothing."

I see Jesus in pure white. His halo is pure gold. Our Mother Mary speaks, "Do as I am asking you My little ones. Pray for My sons without ceasing. Every thought can be a prayer for My sons. Your Father is listening and He hears all words and thoughts as it is formed in your head. For My

Priests, My sons, your Father Loves you. I love you, and want to heal and renew every part of you in need. My Love and devotion to you is great. I have come here especially for this reason, to this place of hope. I ask you to come to Me. I am here for you My chosen sons. I await you in loneliness for your face, for your souls."

At the third Sorrowful Mystery, The Crowning with Thorns, I see Our Mother Mary in green. Green means hope, new life. She speaks, "I come here today in green to renew all here today to refresh your souls. You each are chosen by Me because of your love and devotion, because of your belief in Me. Many priests souls will be saved. Continue with all your heart to devote special time and prayer to My sons, because without them the Church as you know it will cease. PRAY. SPEAK SOFTLY AND YOU SHALL BE HEARD."

Jesus then speaks, "I am the Lamb that God the Father in His Infinite Wisdom and Undeniable Love sent down from Heaven to bless and forgive the world of its sin. Call Me My brothers. I also am here for you. I come here through My Mother's love and devotion. She has made this place. I have blessed it and all who come here are in prayer for you. My Angels and Saints of Heaven are praying here also." All were speaking together. "Come back to Us. We are calling you here to this place. Your Father, your Brother and Your Mother. WE ARE YOUR FAMILY. No one on earth can love you as we do. We know all your sin, all your weakness, all your torment, all your hearts. We are here for you. Come bathe in Our Love for you."

End of the second Glorious Mystery, The Ascension, Jesus says, "I place a sweet gentle kiss on all here." I can hear every one's voices soften. Beautiful. Thank you Jesus.

NOTE: An understanding received from Our Mother's Words above ("Do as I am asking you My little ones. Pray for My sons without ceasing. Every thought can be a prayer for My sons. Your Father is listening and He hears all words and thoughts as it is formed in your head.") The evil one tries to harass us in many ways to keep us from praying for priests. Offer up this harassment as a suffering for priests! This confounds the evil one. Prayer under harassment has more value than prayer without harassment!

I am in Theriot, Louisiana this last Saturday of June. We began to pray the Rosary around 2:00 p.m. Padre Pio is here. I get the fragrance of tobacco. I now see a vision of his face. Before the mysteries start and at the first Hail Mary Claire Rose announced Our Lady's presence.

At the first Joyful Mystery, The Annunciation, Our Lady speaks, "I am with you little one." Again I smell the fragrance of tobacco. A sweet smell. Our Lady continues, "Little one I love you. Thank all My precious children who have come today to pray for My beloved priest sons. I love them. If they

only knew how much I love them. Love My priest sons My children. Encourage them help them when you can. They need your help. They need your prayers My children."

At the second Joyful Mystery, The Visitation, Our Lady speaks, "Your prayers are what will help at this time My children. My child, I am here, your Mother of Divine Love."

"Oh! How I love the little children praying. It is music to My ears to hear them praying for My beloved priest sons. I love you My little children. Many priests will be the result of these prayers." (I understood Our Lady to mean the small children praying for priests.) I now see a vision of angels hovering above the top of us. I also see devils cringing as we pray.

Our Lady speaks, "Prayer My children, prayer is what is needed. Pray My children. Teach others to pray."

At the fifth Joyful Mystery, The Finding of the Child Jesus in the Temple, Our Lady continues, "Continue to write little one. Pray for the man in white little one." My Mother, who is the man in white? Our Lady, "It is the Holy Father little one. My child continue to write." I sense there is someone who is here who is not comfortable being here. Oh my Mother I pray for that person whoever it is.

At the first Sorrowful Mystery, The Agony in the Garden, Our Lady speaks, "Kneel now little one." Oh my Mother all I see are tears, Your tears. Our Lady, "Oh My children, I cry for My children and I cry for My priest sons. Some of My priest sons are leading My precious children astray. Oh My child, My children pray especially for these priest sons. Pray also for the priest sons who are holy. Pray for them to stay holy." Again I smell the fragrance of tobacco.

Oh my Mother it is so hot. Our Lady, "My little one offer up this sacrifice for priests. Write little one what you see." I see flames from hell. Our Lady, "We are in a dangerous time little one. Prayer is the answer." I see our prayers quieting the flames from coming near us. I see our prayers helping the souls in Purgatory.

Jesus then speaks, "Continue to write as My Mother directs you." I see devils being released from hell and they go to harass the good people. Our Lady, "That is correct little one." I now see Jesus on the Cross. His Blood is pouring over all His precious children, especially His children in dire need. His Precious Blood brings encouragement to His children who are close to Him, and conversion to sinners. Love beyond compare, to all His children. Love which pours from His Most Precious Blood. It pours over all of us without limit, covering all the earth. Our Lady, "Stay kneeling little one. Continue praying little one."

At the fourth Sorrowful Mystery, The Carrying of the Cross, I see Jesus carrying our crosses. Carrying us. Love pours out to all of us. Our Lady

then speaks Scripture "By His Stripes you are healed." And then "Greater love has no man than he should lay down his life for his friend. My Son laid down His Life for you all." I see Jesus fall with the Cross on top of Him. My heart is pierced and my body cannot imagine such pain. Again I see Love pouring out to all of us from Him. Jesus speaks, "Pray for My priests. Prayer will turn all around. My priests will come back to Me."

At the fifth Sorrowful Mystery, The Crucifixion, Jesus speaks again, "Did I die for nothing! Where are you My sons? PLEASURES!!! Did you forget to die to self? Thank you My sons who have remained faithful. You are what give Me consolation."

Our Lady, "Continue to pray little one. At the Glorious Mysteries sit little one. Do as I say little one. I know you are in pain. Sit little one. Tell who ever said the first Glorious Mystery that I love her. My child the man in white who is here today, tell him I love him. He will know who he is. My child, all the rosaries and sacramentals present today are blessed by Me today and also the Most Holy Blessed Trinity, all the sacramentals and rosaries in this house and throughout this house. Tell My children I am blessing them all in a very special way and so is the Trinity."

"Graces are being poured out on all of you. Graces for all who are gathered all over the world today to pray for My beloved priest sons. These graces go with you to your homes and all you meet bringing My Son's love to all, My love to all. Do not worry about what others think. Spread this beautiful mission of love to all. Help Me help My beloved sons. I love you. Thank you for coming My children. Thank you for praying for Our priests. Your Mother, Mother of Divine Love, Mother of the Bayou, Mother of all."

I see Our Lady as Mother of Divine Love all in a creme dress. Her mantle and veil are the same color and they flow softly in the breeze. She is so beautiful. Her hands are held together in prayer, then Her hands are extended out to us all in love. Our Lady, "Thank all the men who are present here today. I give them special blessings and call them My Joseph's."

At the fifth Glorious Mystery, the Coronation of Our Lady, the meditation was read. "Pray that Mary, Queen of the Clergy, will be their model of faith and joy, and constant guide until they reach Heaven where a crown, jeweled with the many souls entrusted to them on Ordination day, will be their reward for faithful and loving service." At this Our Lady spoke, "My holy priest sons are My jewels in My Crown." I saw Our Lady in a beautiful crown and it sparkled like diamonds with so many jewels in it. Our Lady, "Oh how I love My children, My precious holy children."

Our Mother surprised me as She came and spoke a Message for the children. Both Lin and I saw Her. She said, "My precious little ones, I love you with all My Heart. I thank you for coming here today to pray with Me for Our priests. Please pray for them every day. I am wrapping you in My softest Mantle of Love and of Protection. I am hugging each one of you. I am kissing you. You fill My Heart with joy. I love you dear little children. I am Your Mother, Lady of the Bayou, Mother of Divine Grace and Love."

As we began the Rosary for priests, Blessed Mother asked me to announce that She was already present. I saw Her as Queen of Divine Love, all in creamy white. Her Mantle had an edging of gold. Her Immaculate Heart beat from gold to flesh over and over. Her crown was a simple shiny gold, medium height with seven points. On the front was a gold Chalice with a pure white Host suspended above it. Brilliant beams of gold light shone all around the Host and Chalice.

At the Fourth Sorrowful Mystery, The Carrying of the Cross, Our Mother Speaks: "Thank you My daughter for remaining faithful to prayer."

At the Fifth Sorrowful Mystery, The Crucifixion and Death of Jesus, I experienced some of Jesus suffering on the Cross. My head is bleeding and I thirst. Our Lady says, "ask for water." I ask, "Water, water!" Lin and Shirley gave me holy water to drink. I wanted to remain kneeling but Our Mother told Lin to tell me to sit. I was obedient. A priest gave me water to drink. I was totally refreshed.

At the First Glorious Mystery, The Resurrection, I saw roses falling from Heaven, then drops of Heavenly dew, then more roses.

At the Third Glorious Mystery, The Descent of the Holy Spirit on the Apostles and Our Lady, Our Mother speaks, "My precious and most beloved children, I love you. I thank you for coming here today to pray with Me, your Heavenly Mother, to pray for Our priests. My children I love you, I love you. Each generation must hear the Truth. My priests are My Hands in this world and My Hands are broken. I ask you to please, pray, pray, pray, pray for them, for their repentance, conversion and return to holiness, for their return to Truth. I love you."

"I hear all the petitions of your hearts. I hear your heart's desire My little ones. I love you. I bring you to My Son. Today I give you an extraordinary blessing, three holy priests, three holy priests, three holy priests. I love you. I commission you to be My apostles of Divine Love. I invite you and ask you to

offer your prayers, joys, sufferings and sacrifices for My priest sons. Only in this way will My church be made holy again. I promise you holy priests. Remember My little ones, holy shepherds will lead holy flocks.”

“My precious son your leader on earth John Paul II has been especially chosen for this time when evil is rampant on the earth especially among My own children. A holy shepherd will lead a holy flock. I promise you a tremendous return to holiness among My priest sons and among all My children. All grace needed will be provided for this. Please be faithful to My Son and the true teachings of Our Church.”

“I love you all and I am blessing you all in a very special way. You My children of the bayou, My children of all races I love you. I am your loving Mother. I am Mother of all hearts. I am the Lady of the Bayou. I am the Lady of The Rosary. I am called Lady of Fatima. I have many titles. I am one Mother. Your Mother, Mother of Divine Love. Love one another with My Love. Open your hearts to Me and to one another. Let My Love flow into your heart and through your heart to others.”

*Received by a bride from another area, Lin*

We went into the Chapel with everyone present and started saying the fifteen decade Rosary for priests. Our Lady is already present. Padre Pio is here. The Infant Jesus is here. Our Lady speaks, "I am blessing all holy objects throughout this house and property. Ask your priests to bless your holy objects. I am pleased to see my holy priests sons hearing confession."

I see tongues of fire over each soul here. At the First Joyful Mystery, The Annunciation, Our Lady speaks, "Thank the dear sisters for being here. They are My special daughters. Tell them I love them." (Our Lady was thanking the two nuns who were present that were praying with us.) I am very aware of all the people around me praying.

Our Lady speaks, "Oh! My children, my precious children thank you for coming today to pray for my beloved priest sons." I see a vision of a bright blue cross on a solid black background. I have never seen this vision before. I'm not sure what it means.

At the Second Joyful Mystery, The Visitation, Our Lady speaks, "My child sit down, trust me." Our Lady continues, "Oh My Sons, My precious Sons you are My hands." It becomes very difficult for me to pray. Our Lady then tells me, "My child persevere you are being harassed." I continue to pray.

I then see the roof being taken off of the chapel and we are joined with all the people all over the world who are praying for priests at Our Lady's request. I have seen this vision before. Our Lady speaks, "My children, My precious children Oh! How I love you. Thank you for praying for My priest sons. The little children Oh! How I love to hear their precious prayers as they pray for My priest sons."

At the Third Joyful Mystery, The Birth of Our Lord, Our Lady speaks, "Oh! My sons, my priest sons thank you for coming here today. Thank you for responding to My call. These people are your people and they are coming here today to pray for you." I see Our Lady Mother of Divine Love all in cream. Her gown and veil are flowing in the breeze. She is so beautiful. She is pure love and her love flows out to all of us.

At the Fourth Joyful Mystery, The Presentation of the Child Jesus in the Temple, Our Lady then says, "Write child of grace." I see angels all around us. I see devils fleeing because of our prayers. This I have seen before. Our Lady speaks, "My children you don't know how powerful your prayers are. Continue to pray little one."

At the Fifth Joyful Mystery, The Finding of the Child Jesus in the Temple, I see Our Lady Mother of Divine Love standing above the priests present. Now I see Our Lady of the Bayou and then many other titles I don't know. Our Lady brings so much light with her. Her light is shining down on her priests very, very brightly. Out of her hands shines rays of grace that appear as light and it goes to each priest here and then it goes to all the people here.

At the First Sorrowful Mystery, The Agony in the Garden, Our Lady speaks, "Kneel now little one. Write what you see little one." I see Our Lady of Divine Grace all in white and blue. She has her hands outstretched to all of us. She has a Rosary on one hand holding it out to all of us. She is smiling. She is so pleased with our prayers. I see Our Mother with my eyes open and closed as Our Mother of Divine Love. She is in cream and her clothes are floating in the wind.

At the Second Sorrowful Mystery, The Scourging at the Pillar, I see Our Lady blessing everyone here. Our Lady speaks, "My priest sons, pray for your brother priests. Pray for them to be holy. Pray for yourselves to be holy and stay holy. Do not be led astray by the things of the world. They are only temporary, but eternity with My Son is forever. This life is passing, the best is yet to come."

At the Third Sorrowful Mystery, The Crowning with Thorns, Our Lady says, "Continue to pray little one." I have tremendous leg pain, yet as I pray I am still able to kneel. It is very, very warm in the room.

At the Fourth Sorrowful Mystery, The Carrying of the Cross, I see the seeds of this mission spreading all over the world. I get the fragrance of roses and then another flower fragrance I don't recognize ever smelling before. Our Lady speaks, "My child this mission is a mission of pure love. Love for you My children and love for My priests sons. Many healings will take place here today as a gift from My Son, from the Most Holy Blessed Trinity. It is a gift of love from the Father, Son and Holy Spirit. Pure, Pure Love. Oh! How I love you my children. Oh! How I love you."

At the Fifth Sorrowful Mystery, The Crucifixion and Death of Our Lord, it is so warm, so very warm. Our Lady speaks, "Stay kneeling little one and offer it up. You may sit at the Glorious Mysteries." My legs are in pain. I continue to kneel in obedience to Our Lady. Our Lady says, "Tell Claire to sit." Then She told me, "At the end of this mystery sit little one."

At the Second Glorious Mystery, The Ascension of Our Lord, Our Lady says, "Write My child." With my eyes closed I see angels all around us. Our Lady continues, "Continue to pray little one." I am very aware of all the people around me praying. Our Lady speaks again, "How pleasing are all the prayers coming to heaven. Be assured my children that your prayer are being heard by the Trinity and all of heaven."

At the Third Glorious Mystery, The Decent of the Holy Spirit on the Apostles and Our Lady, Our Lady speaks, "Thank you My sons for hearing confessions. It pleases Me and My Son. Thank all my children for coming here today to pray for My beloved priest sons. Many blessings go out to all today who have gathered together all over the world to pray for priests at My request. Blessings come from the Trinity, Father, Son, Holy Spirit, Blessings for all your families and all you meet. You bring many graces with you. They go out to all the world and all the priesthood. I love you all. The Most Holy Blessed Trinity loves you. You are all blessed in a very special way today. (I understood this meant many, many healings.) Thank My Son and the Trinity for these visits. It is because of His Love for you all that I am here."

At the Fifth Glorious Mystery, The Coronation of Our Lady in Heaven, Our Lady speaks, "That is all for now little one." Then Our Lady speaks one more time, "You will begin to see the fruits of your prayers."

*Received by Leslie Therese*

Our Mother speaks, "My children welcome. Thank you for hearing My Call to you. I Love you. I have called you here today as a sign to My sons (priests) that I am here today. Many miracles have been happening here and many more of you will be saved. Many healings will occur. Keep praying every day for My priest sons. No prayer is too small, every prayer is heard by the Father." (The whole house and yard is filled with a glow so bright I had to close my eyes. I could still see it. I saw a golden rose. I think I rested in the Spirit.)

Our Mother continues, "My special little children, by your prayers many, many souls will be saved. Continue to persevere in prayer. Pray, pray, pray. Thank you all for coming and praying for My priest sons. You are My Heart. Thank you for protecting those you love. I am giving you a special message so that you know how much I love you. Don't be afraid. Open your heart and mind to Me." (I smell roses so strong.) "I bless this Rosary with the power to heal spiritually and mentally anyone who touches it." (I still smell roses, very beautiful.)

"Go to confession My children, be honest with yourself and your priest, the time is now for renewal. PRAY for and with your children. Keep them innocent. Let them be children. Protect them from the snares of the world. Guide them, love them for they are the future. Teach them to pray for My sons. Teach them not to be afraid of or ashamed of their faith. Bring them to confession when they are old enough."

Jesus speaks, "I await all who come to Me with open hearts. I am here for all who come to seek My Mother's face. I Love all of My brothers and sisters and all are welcome here in this place. We have come here for you. Where My Mother is present so am I always with Her. I love you and will never forget you. I am blessing all with My Love and Compassion for the world's priests."

Our Mother Mary speaks, "Look to My Son and all of your life will become complete. My Son's love for you is never ending and blind to your sin if you ask His forgiveness and mercy. He has given His life so that yours can be saved. Pray to Him for the souls of your priests. Pray for St. Joseph's intercession. Your Mother Mary, Mother of Divine Love."

At 2P.M. Leslie Therese, Shirley and I came out to begin the Rosary. Today I am in tears as Our Mother Arrives. I am overwhelmed with sorrow at my own sins and mistakes. I'm certain that my failings, shortcomings and sins are the main reason more priests are not coming. I've so far to go in my conversion. I'm sure I will never be holy. I beg Our Mother for forgiveness and help. I know if priests truly believed that Our Mother is appearing here for them, they would come on their knees. I ask God's forgiveness for the many mistakes I have made. I have failed Our Mother so many times.

In tears and with a broken heart, I consecrated all the priests of this world and all priests souls in Purgatory to Our Mother's Immaculate Heart. I consecrated all future priests to Her Immaculate Heart. I consecrated all of us, all our families and friends, all those we had ever met and would ever meet to Our Mother's Immaculate Heart. I consecrated the whole world to Jesus' Sacred Heart through Our Mother's Immaculate Hands and Heart.

Fourth Joyful Mystery, The Presentation of Jesus in the Temple, Our Mother Speaks, "My precious and most beloved child, I have come to an earthen vessel. I love you. I love you. I looked for the most broken earthen vessel. I chose to come here to you My beloved child to show forth God's goodness and power. You worry about too many things, My beloved child and this makes you tired and makes you feel helpless. This is the way I want you, small and helpless, then you will turn to Me and to My Son Jesus more and more."

"I love you. I love you. Have I not always taken care of you and of everything needed for My Mission? Remember always it is My Mission of Love for My beloved sons, My priests, My Hands and My Heart in this world. An earthen vessel made of dust that is what you are and I treasure you, for I am molding you with My Immaculate Hands within the Sacred Heart of My Son Jesus. My beloved child it is My desire that you share your brokenness with others. I love you. I love you."

Second Sorrowful Mystery, The Scourging at the Pillar, Our Lady speaks, "My precious and most beloved sons, Where are you My sons, My shepherds? Where are you? Is it so hard for you to believe that I appear here for you? Why?"

Third Sorrowful Mystery, The Crowning with Thorns, Our Lady speaks, "No other place has been chosen just for you My sons. I hold you between My Immaculate Hands." (I saw Our Mother's Hands in prayer and

between Her Hands I saw a priest.) "I cry for you. I grieve over you. Why are you so far from My Son Jesus, who you hold each day? How can this be? I ask you. Ponder My Words. Ponder My Visitations. Ponder the state of your souls. Ponder the state of the flocks. O My beloved sons, only Mercy and Love from Our God would cause such visitations of grace...for you! A God who is not merciful would banish some of you and turn away from you. I love you My beloved sons. I come to you in Love, filled with Divine Love for you." (I understood and saw this Love come from Jesus through Our Mother to all priests.)

Fourth Sorrowful Mystery, The Carrying of the Cross, Our Mother continues, "I am your Mother. What loving Mother would not desire to snatch Her children from evil and untruth? I look into your hearts and I plead for Mercy for you. Mercy from the Heart of My Son Jesus floods out. All grace is being provided for your conversion and your repentance. Come back while there is still time. I love you. I love you. Where are you, the precious jewels of My most beautiful Crown?"

Fifth Sorrowful Mystery, The Crucifixion and Death of Our Lord Jesus, Our Lady speaks, "I need you My sons. I need you to be holy. I love you." I experienced and saw some of Jesus' suffering. Right before I saw Jesus die on the cross I heard, "One day soon My daughter, this room will be filled with priests."

First Glorious Mystery, The Resurrection of Our Lord Jesus, Our Lady appears all in glorious white as a Bride. Our Lady speaks, "My precious and most beloved children, I love you. I thank you for being here today to pray with Me for your brothers, My priests. I love you all. Thank you for your sacrifices and for offering your suffering for Our beloved shepherds. I come to you today as a Bride. And as a Bride I represent Our Church, the church My Son established on this earth. The state of My Son's Church is in a critical state." (I saw the huge skirt of Our Lady's bridal dress deteriorate. Before my eyes as holes formed in the beautiful fabric.) "For satan has entered within the ranks of My beloved Son's Church."

Second Glorious Mystery, The Ascension, "I love you and I will never abandon you. I am Your Mother. Mother of all priests and Mother of all My children. I am Mother of My Son's Church for I am His Mother. My Son, Jesus will never abandon His Church. I will never abandon you, My children, pray. Pray, pray, pray for holy priests and I promise you holy priests. My church will be restored to holiness. I promise you this. My word is faithful and filled with love."

"I come in love and in peace to call you all to holiness and to conversion. My priest sons will respond to your prayers and to your sacrifices. I am with you always. Cleanse yourselves of sin My beloved children. I am here to help you. A new time is coming. I bring you hope. I love you. A new

dawn will break upon the horizon. Grace from God's Throne will break upon you. Trust in My Son. Trust in My Son, My beloved Son Jesus. His Love for you like Mine is unending and without limit. Turn to Him. Give Him your hearts and all your sins, all your troubles and worries."

"Do not be like a people who have no hope. Look to My Son Jesus. He is there for you. Waiting. Waiting. Many times alone in longing to see you. Visit Him in the Blessed Sacrament exposed and in the golden tabernacle. Visit Him while you still can. Visit Him while it is still today. Have the courage I bring to you from Him." (I see Our Mother bring to us the gift of courage from Jesus with Her very own Immaculate Hands after passing through Her Immaculate Heart.)

"He loves you all so much. Be cleansed of your sins in Holy Confession and receive My Son in holiness and purity. I love you. It is through My Son Jesus, you receive salvation, Heaven at the end of your life. But remember My beloved ones, there is no Heaven without the cross. Embrace your crosses. Do not run away. Offer your crosses to My Son Jesus as a suffering for My Beloved Priest sons. Your efforts will be rewarded. Give your children to Me. Consecrate them all to My Immaculate Heart."

"My Immaculate Heart will triumph! Do not worry or be afraid. Lift your heads. I bring you hope, joy and love. I fill you with peace from My Son Jesus, from Our Father and the Holy Spirit. All Heaven joins you in this final great thrust of love. My Church is in My Immaculate Hands and Heart. I love you all. Your Mother Lady of the Bayou, Mother of Divine Love. Love one another with My love and the love of My Son."

*Received by Leslie Therese*

I see Our Mother, Mary in gold with a white mantle trimmed in gold thread. She is holding Baby Jesus. He is also dressed in gold and a crown of green leaves. I then see Baby Jesus at about two years old dressed in glowing white lace.

"My children I hear you and with every utterance of My Name I bless you with the grace of My Love for You. My Love grows more each day each moment for you all. Thank you for coming here for your brothers. PRAY, PRAY, PRAY for them each day. Your voices are being heard. God will forgive all who come to Him in confession."

(I see a rose, dark red, almost black, it is bleeding) "My heart bleeds for My children, they do not realize how close they are to having no priests. Pray with all your hearts for relief. Teach all of your children to pray. All prayers are heard, even a small one. I am blessing all here today with special graces, especially the gift of faith. Do not be afraid of your faith for God has chosen this for you. Tell all you know to pray for My sons. I am touching everyone and blessing wedding rings. For married couples, thank you for

loving one another above all on earth. Continue to make God part of your lives together and you will be blessed in abundance. Pray for My sons as a family. Pray that the world does not take them away from you. Pray for all who have fallen prey to the world and those who are trapped within it."

"Pray for My sons who have been falsely accused and those who are losing faith. Pray. Pray. Pray. Pray, My children with all of your hearts. Pray together. Share all things with each other. Be there for those who need you." (Our Mother Mary appeared in white and diamonds. There are no words to say how beautiful She is. If Heaven is as beautiful as Our Mother how lucky we will be to be with Her in Heaven one day.) "The walls of Jerico are falling again with the sound of your voices." (The angels are praying with us again, it's so loud. It is wonderful, it shakes the ground.)

Jesus speaks, "I bleed for You! My people I am here for you. PRAY! PRAY! PRAY! PRAY without ceasing. I hear you calling out My Name in fear. I will not abandon you."

*Received by a bride from another area, Lin*

Around 2:00 p.m. I went to the quiet of my room to pray the Rosary for priests as Our Lady requested.

At the First Joyful Mystery, the Annunciation Our Lady spoke, "I am here little one." I did not see her at this time. At the Second Joyful Mystery, the Visitation, Our Lady said, "My child thank you for being obedient to My request to pray for priests. Where are the others you invited to pray with you?" They were unable to come dearest Lady.

Our Lady continues, "Continue to pray little one. You will not be able to finish the whole Rosary because I will be speaking to you and I am asking you to write as I speak."

At the Third Joyful Mystery, the Birth of Our Lord, Jesus spoke, "I am with you My child. You are not alone. Thank you for being obedient to My Mother and praying for priests."

At the Fourth Joyful Mystery, the Presentation of Jesus in the Temple, a great peace came over me. I felt Jesus and Mary's presence with me very, very strongly. Our Lady spoke, "My child invite your children to join you in prayer again."

At the Fifth Joyful Mystery, the Finding of the child Jesus in the Temple, I see a vision of Our Lady, Mother of Divine Love with her beautiful crown on. It is gold and has seven points, and on the front is a gold chalice with a white Eucharist on top of it and gold rays coming out of the Eucharist. She is very, very beautiful. Her garments are very simple. They are creamy white with a white mantle and veil with a gold edge around it. Her hands are outstretched to us and she has a Rosary on her right hand and she is smiling and thanking us for praying for priests. Her garments are moving softly,

fluttering in the breeze. Her Son is standing next to Her with His arms outstretched to all of us and the whole world. He has a white garment with a red robe knotted at the waist. He isn't saying anything, simply reaching out to us, to the whole world. I cannot explain the peace I feel all around me. It is awesome.

At the Third Sorrowful Mystery, the Crowning with Thorns, Our Lady speaks, "My child I know how hard it is for you to be away from your sisters and brothers in prayer. Pray for My priest sons who are all alone and have no one to lift them up and encourage them. Pray for My priest sons in great poverty and who are on foreign soil and in missionary fields. Pray for them to have courage and perseverance in their trials. Pray for the grace to be released for them to walk through their trials."

Now I see Our Lady of Divine Grace, Our Lady of the Bayou, Our Lady of Perpetual Help, Our Lady of Mt Carmel. The second two titles were holding Baby Jesus. In the vision of Our Lady of Mt. Carmel Baby Jesus' foot is missing! Our Lady then speaks, "Where are My priest sons to take its place, to spread His word and administer the Sacraments? Pray My precious children, Pray for an increase in vocations and pray for all priests to be holy."

At the First Glorious Mystery, the Ascension, I see a beautiful vision of Our Lady all in cream color. Her garments flutter in the breeze. Our Lady speaks, "Oh My children, Oh how I love you, My precious prayer warriors. Thank you for coming together today all over the world to pray for My priest sons as I have requested, all who gathered today to pray for My priest sons all over the world. I have joined you all together, to multiply all your prayers into one huge prayer. It is most pleasing to My Son Jesus, to My Father and to My Spouse the Holy Spirit."

"My precious children, your prayers are heard in Heaven by all. Thank you My priest sons who are praying today for your brother priests as I have requested. Your generosity will not be forgotten. Many blessings flow to all who are praying today for My priests. You, My children and My priest sons, will bring all those blessings to all you meet. Thank you for your obedience. Thank you all for your answer to My call. I love you. Your Mother, Mary Immaculate, Mother of Divine Love. That is all now little one. I love you. Thank you for your obedience. I am always with you."

Our Mother came just before the first Joyful Mystery, The Annunciation. She asked me to announce that She was Present. Our Mother came all dressed in bright white. She was surrounded by multitudes of holy angels and Saints. I saw several Archangels. They were bigger than the other angels were. Our Mother opened Her arms and spread Her Mantle wide.

Fifth Joyful Mystery, The Finding of Jesus in the Temple, "My Precious and most beloved sons, to others you are a shepherd, to Me, Your Immaculate Mother, you are My little lambs. Each of you has been blessed, anointed, presented in the Temple of Our Father, of My Son Jesus and of My Holy Beloved Spouse, The Holy Spirit. Where are you? Where are you, My sons? I go looking for you in The Temple. I go looking for you and so many of you are not there. You have gone astray. In some places I can no longer recognize the Temples built by poor and working hands. Built by holy hands, faithful hands, and I no longer recognize the places where My Son is supposed to be in residence."

"I love you My beloved sons. I thank you with all My Heart to those who have remained faithful to Truth, to My Son Jesus. To those who have gone astray, I come to call you home. Come home to My Son Jesus. Come home to Truth. Come home to holiness and wholeness. Come home to your Mother. I love you ALL. I love you ALL."

First Sorrowful Mystery, The Agony in the Garden, "My beloved sons, in many places now on this earth your brother priests are being persecuted and killed for My Son Jesus. From the Blood of Martyrs come the renewal and restoration of My Son's Church. My priest martyrs are the most beautiful jewels in my most beautiful Crown. I love you. You surround My Son Jesus on this Crown of Divine Love. My beloved sons, you are My Hands and My Heart in this world. My Hands and My Heart are Immaculate. I hold you, each of you in My Immaculate Hands." (I saw a priest between Our Mother's praying Hands.)

"Would you stain your Mother's Hands and break Her Heart? I ask you in gentle Love to be holy My sons. I ask you to PRAY, PRAY, PRAY, PRAY for your brothers. I need you to be holy My sons. I need your help. If you will live a holy life close to My Son Jesus, close to My Immaculate Heart, your flocks will be holy. I love you. Your Mother, Mother of Divine Love."

Third Sorrowful Mystery, The Crowning with Thorns, I will try to explain to the best of my limited ability what happened next. I heard a priest

talking to Our Father, but this was so deep in my soul that it was me talking to Our Father, but even deeper, I heard and saw Jesus talking to Our Father. I cannot explain or understand this very well. "I'm tired, My Father. How can I carry that heavy Cross?" OUR FATHER ANSWERED: "Only by Grace, My Son. I AM WITH YOU. I AM IN YOU. I FEEL YOUR PAIN." "Your Will, My Father, let Your Will be done, not Mine."

Fourth Sorrowful Mystery, The Carrying of The Cross, "O My Father I can't go on." Next Jesus spoke these words to me and I could also feel everything that He was saying. "I feel a cool breeze. Someone blessed me with water. I feel water sprinkles. Someone washed My Face. Someone gave Me water to drink. Someone helped to carry My Cross. I could breathe and go on."

Fifth Sorrowful Mystery, The Crucifixion, Jesus Spoke: "My Blood was shed to give you life. I would do it again for you, My beloved ones. I love you. Through the shedding of My Blood I left to you My Body and My Blood in fullness in the Blessed Sacrament of the Altar."

I then saw Jesus Dying on the Cross. He is still moving. Then Jesus dies. A lance is thrust into His Side deep into His Sacred Heart. Precious Blood and Water come from His Wound and spread all over the earth in all directions. Coming from His Heart within the Precious Blood and Water are millions of pure white Hosts. DIVINE LOVE. Two of us have seen this several times in the last few years. Jesus Spoke: "I gave to you your Holy Priesthood. I LOVE YOU."

First Glorious Mystery, The Resurrection, "My precious and most beloved children, I love you. I thank you for your presence here today, in person and in spirit. I love you. I ask you to increase your prayers and your sacrifices for My priest sons. I ask you to love them all with a generous heart and soul. I ask you to fast for them on Thursdays. Much depends on your loving hearts, My children, My own children. The funeral bells are tolling for this country, My children. Only prayer, much prayer and sacrifice will save your Church, your country and the world."

"The two priests present here are two pearls to Me. If you will persevere, I will send you many, many holy priests. Thank you for your faithfulness in coming. I love you. I love you. I love you. I am with you. I will never leave you. I will never abandon you or My Church for My Son's Heart is on the Altar of Love. Where My Son Jesus is, I am. I love you. I am blessing you today and your families and all your religious articles. Thank you for coming today. My beloved ones, Love one another as My Son Jesus has asked. Love one another with Our Love. Go in Peace, in total surrender and trust in My Son's Love and Mercy."

"I love you. I am calling you here to refresh you and to restore you to holiness and to wholeness, One Body, One Church under My Son Jesus and

the One appointed to represent Him, Pope John Paul II. I love you. Please, My children thank My Son for these Visitations. Your Mother, Lady of the Bayou, Mother of Divine Love." When Our Mother left, I saw snow white clouds moving upward. Twice today Our Mother said, "I will take you to Ephesus where I lived and walked."

*Received by Leslie Therese*

Our Mother came in a bright white dress with a dark red mantle. She was very beautiful. I saw the Holy Spirit as a white Dove in flight above us all. His Light is shining down on us all. He Spoke: "I am the Power and the Life. Come to Me and always I will receive you into My Heart."

Third Joyful Mystery, The Nativity, Our Mother Spoke: "Kneel again, just kneel and pray." This was whispered, "EVERYONE, listen, listen for My Voice."

"My children, I am always here for you. You are My heart. Pray for My sons. They are in dire need of your prayerful devotions and love. When you see My sons in error, when you see My sons in need, when you see them in want or need of anything PRAY, PRAY, PRAY for them in all these things. Protect them for they are few and precious. Thank you for coming here and gathering together in the name of My sons. Continue to come and gather here in prayerful peace."

Fifth Joyful Mystery, The Finding of Jesus in the Temple, "I love you My children and yes, I do hear all of your prayers daily for My Son's priests. Please continue to pray in My Name for them. Dedicate yourselves to God's Plan for you, for us. Pray and ask Him to send more holy priests."

First Sorrowful Mystery, The Agony in the Garden, I see Our Mother Mary all in white. She has ruby hearts and diamonds all around the edge of Her Mantle. On Her Head I see the crown that Miss Mary, a lady from Texas brought Her today. "Thank you My children for coming. Thank you. Thank you. I love you. To My little precious children of My Heart, I love you My little ones. Listen to your parents, they love you as I do. You are their hearts."

Then I heard Our Mother singing, "I love you, I love you, I love you, I love you."

"I am watching over you always. I am Your Mother. Come to Me My children. I love you and I hear your sweet voices when you pray and sing. Continue to pray for My sons." "For all My children, be quiet and listen for My Voice. I pray with you always."

Fifth Sorrowful Mystery, The Crucifixion, I see Jesus dying on the Cross. I feel the stabbing pain in my right foot again. My head is heavy and my neck pulls. I think to myself that I know I am not worthy of the Pain that Jesus had to endure. I am so not worth it. I ask Jesus, "Why was I chosen?" I heard, "I chose you My child because you are not afraid to open your heart to

Me and your mouth for Me. If I ask your help you always answer yes to Me. You are My Heart and I love you more than you know."

Glorious Mysteries, "My priest sons, welcome to the new life I have chosen for you. Do not lose faith for I am with you always. I love you My sons. I am pouring upon you all My Love and My Son Jesus' healing power to prepare you for what is coming. These children of Mine are here for you praying for you and with you. Pray for your brothers who are overburdened in their parishes and churches. Encourage them to come and receive me here in this holy place. I bless all who are here and their religious articles."

"Your Father and My Son have called you here through My Name. Pray for relief and strength. My sons, My sons, where are you? I am here for you. I love you and have come here to this place for you. You are My sons and I am your Mother. Come to Me. There is nothing that cannot be forgiven. You know this yet you do not come to Me. I await you. I am always here for you My sons. Your Mother, Mother of Divine Love." Our Mother said, "You must always ask a priest to bless all your religious articles."

At the First Joyful mystery, The Annunciation, Our Lady said to announce that She is here. Our Lady spoke, "Oh how pleased I am for you persevering to gather and pray for My priest sons. I bring special blessings for your endeavor."

At the Second Joyful Mystery, The Visitation, Our Lady speaks, "My children pray for the young and old seminarians. Pray for the Seminaries to be holy. Pray for their teachers to be holy." I see Our Lady standing in the midst of us. She is quietly praying the Rosary. She has on a cream colored garment and veil with a gold edge on the mantle and veil and it is flowing softly in the breeze. She does not have a crown on, but She says, "I am your Mother of Divine Love."

At the Third Joyful Mystery, The Birth of Our Lord, Our Lady is still standing in the midst of us. Her gown and veil flowing softly. She is so very beautiful. I feel great peace all around me. She tells me, "Stay sitting child of grace. My little ones, My precious ones thank you for coming together today and praying for My priests at My request. I ask you to encourage others to do the same. If we have holy priests we will have holy flocks."

At the Fourth Joyful Mystery, The Presentation of the Child Jesus in the Temple, Our Lady continues, "I invite all to come and pray the Rosary for My beloved priest sons, for holy priests."

At the Fifth Joyful Mystery, The Finding of the Child Jesus in the Temple, Our Lady speaks, "If you don't pray for holy priests you will not have them."

At the First Sorrowful Mystery, The Agony in the Garden, Our Lady speaks, "It gives Me great joy to hear you praying for My priests, Our priests. Your prayers are heard in heaven. Many blessings come to you all for all your sacrifices you offer for My beloved priest sons. It releases the graces for them to be holy."

At the Second Sorrowful Mystery, The Scourging at the Pillar, I see Our Lady at the foot of the cross in great pain and agony. She speaks, "I grieve for some of My priest sons who are in sin and teach grave error. Oh! Pray for these priest sons." I feel a great peace and great love all around us as we pray.

At the Fourth Sorrowful Mystery, The Carrying of the Cross, I see the devil cringing and fleeing as we pray this mystery. I feel so much love from Our Lady. It is not just for me. It is for all mankind.

At the Fifth Sorrowful Mystery, The Crucifixion and Death of Our Lord, Our Lady speaks, "Oh! My children I join you to all the children who are praying for priests today at My request."

At the First Glorious Mystery, The Resurrection of Our Lord, Our Lady speaks, "Know that your prayers are most pleasing in heaven and are heard by all with great joy. My children thank you for helping each other in prayer. This pleases Me so. Continue to pray little one."

At the Second Glorious Mystery, The Ascension, Our Lady speaks, "My children, My prayer warriors, you will see some of the fruits of your prayers in your lifetime. Pray to persevere 'til the end. Oh My daughters, My children, Oh how I love you."

At the Third Glorious Mystery, The Decent of the Holy Spirit Upon the Apostles and Our Lady, I see St. John Vianney praying with us. He is praying in French. St. Philomena is beside him praying. St. John is still with us. I feel great heat in the room where we are praying.

At the Fourth Glorious Mystery, The Assumption of Mary, Our Lady speaks, "My children and My priest sons who are praying for priests at My request today, be assured that because of your prayers many blessings are coming from heaven and go out to all you meet. It gives Me great joy to see this request of mine to pray for priests spreading. Continue to take this request to others. I love you My children. My Son loves you, as does the rest of the Most Holy Blessed Trinity. Many saints are praying with you today."

At the Fifth Glorious Mystery, The Coronation of Our Lady in Heaven, Our Lady Speaks, "Take the loving graces with you today to all you meet. Love each other with My Son's Love. Use the grace that I send you. I love you. Your Mother, Mother of Divine Love."

At 1:30 P.M. I invited all the little children present to come outside by the swing to pray with Shirley, Leslie and I. Some of the parents and grandparents were with us. We prayed "Hail Mary's" over and over. There was a breeze, then Our Mother came. She was dressed in a long silvery-blue see-through veil and a white dress. She was smiling. She spread Her mantle over us with Her Hands. Her dress became cream, then yellow, then gold.

"My dear little ones, I love you. Thank you for coming. Thank you for praying for priests. Thank you for being good little children. I love you with all My Heart. Your Mother, Lady of the Bayou, Mother of Divine Love."

Our Mother came just before we all prayed the first Joyful Mystery, The Annunciation. She asked me to announce that She was present. Our Mother came all dressed in bright white. She was surrounded by multitudes of holy angels and Saints. Our Mother came as Mother of Divine Love with Her crown. Among the Saints I noticed many, many men Saints. I heard the words, "many St. Joseph's."

Our Mother said to me, "Kiss your Cross." She meant the St. Benedict's cross I wear around my neck. I did as She asked. She repeated this many times, maybe fifteen or twenty. She had never done this before and I was surprised, but She encouraged me to be obedient, to forget about myself and to do as She asks. I did.

Then She said, "Go get the Crucifix by the door." Our Mother had never done this before so I hesitated and blessed myself with Holy Water. I even drank a sip of Holy Water. I do not doubt Her, but I do doubt myself. She is teaching me that to doubt myself is to doubt Her and God's Power.

When She asked for the third time, I went to get the crucifix. I knew the one She meant. It is my favorite. It has been blessed by many priests. On it Jesus' Sacred Eyes are open and He looks alive. I held it in my arms and kept kissing Jesus on the Cross, as Our Mother told me to do over and over. "Kiss your Cross. Kiss your Cross." She is asking me, teaching me to be obedient. "Strip your house. Strip your house." Our Mother said several times.

Our Mother's Message for Priests was received at the end of the Joyful Mysteries and throughout the first four Sorrowful Mysteries. "My precious and most beloved sons, I love you. I love you. I ask you to store up treasures for Heaven. My beloved sons, I appear here especially for you. My

sons, where are you? Where are you? All priests who are in Heaven accompany Me today. Their garments are white, washed in the Blood of My Beloved Son Jesus. Many martyrs are among these who are with Me today.”

“To My sons who are holy I love you. I ask more of you, more prayer, more sacrifice, more reparation for your brother priests. Remember that to one who is given much, much will be required and requested. I love you. I love you. You are My Hands and My Heart among Our sheep. I love you. You bring joy to My Immaculate Heart. You repair the wounds inflicted by your brothers, by their grievous sins.”

“O My beloved sons I love you. I am with you. To My beloved sons who are unholy, I love you. I love you. I love you. I love you in abundance. Come here My sons. Come home to My Son Jesus while it is still today. I love you. I come to earth to warn you and to call you home. I need you all My beloved sons. Some of you mock and scorn My holy sons. Why do you do this? Do you not realize that you pierce My Heart? And the Heart of My Son Jesus?”

“I call you to be holy. I plead with you to be holy. Your example speaks louder than your words. Do not make a mockery of your priesthood. I implore you, return to holiness. Return to My Son, Jesus, return to My Immaculate Heart, return with all your heart. Be converted My sons, be converted and your flocks will follow you. You were chosen to lead the sheep to holiness, not to squander and scatter them.”

“Do not be afraid, I am with you. I love each and every one of you. I love you. All Grace that is needed for your return will be given you. Just say yes. Consecrate yourselves and your parishes to My Immaculate Heart. This will ensure My protection. My Heart bursts with Love for you.” I saw Her Immaculate Heart as It bursts with light. There was light and streams of clear water coming from Her Immaculate Heart, going in all directions.

“I have asked My Son and Our Father for more time, more time for the return of My priest sons. Strip yourselves of all sin, all pride, all fear. Give to Me your hands and your hearts. I love you, I love you. I seal this message with a special blessing, a kiss from Your Heavenly Mother. Lady of the Bayou Mother of Divine Love.”

First Glorious Mystery, The Resurrection of Our Lord Jesus Christ, “My precious and most beloved children, I am with you. I love you. I call you too, to store up treasures for Heaven. Earthly treasure you cannot bring with you. I have called each one of you here today. I love you. Many of your hearts will be healed today. Many bitter memories will fade away as so much dust.”

“I come to bring you hope, peace and joy. I thank you for your faithful prayers for your brothers. I love you. Remember always that the darkest hour is always followed by the dawn, by the Rising of My Son. Prayer can and does

avert wars My little ones. The greatest war is the spiritual war between good and evil. Pray. Pray. Pray. Pray more. I ask you to fast on Mondays and on Thursdays for your brother priests. There is some evil that can only be routed out by fasting.”

“I love you. I love you. Embrace your little crosses each day. I am with you. Consecrate your hearts, your homes, your families to My Immaculate Heart. There is room in My Heart for all of you.”

“I have chosen the Last Saturday, the first Sabbath. I ask that groups be founded and gathered all over the world on the Last Saturdays and offer this day as a Day of Prayer for Our Priests. For many years I have been forming you, My little ones.”

“My Son Jesus left to you His very Body and Blood in Holy Eucharist, through the hands of the priest. Jesus My Son meets you face to face in the confessional. Come to Him to seek forgiveness of your sins. Seek forgiveness of all those you have hurt and forgive those who have hurt you. Love one another My beloved children as I love you. I bless you as I depart. I love you. I bless you with a forgiving heart through Grace. I love you. Thank My Son, Jesus for these Visitations of Grace and Love. Your Mother, Lady of the Bayou, Mother of Divine Love.”

I received these words several times. "Vote for life, vote for life, My children of America. Your country is at a serious crossroads." Another bride received these Words from Our Mother: "Pray. Pray. Pray as never before. This President coming will be of your choice. Choose carefully, choose for life, My little ones."

*Received by Leslie Therese*

Message for Priests, "Look at Me, My children. I am your Mother. I have come here to this holy place for you My children. Where I am My Son Jesus is also. My sweet and gentle Son who was a babe in My Arms. Rest here, My sons, release all of your burdens here. I will relieve you. Leave Me all of your sorrows, fears, anxiety, anger. Leave all of these with Me and walk away renewed and refreshed to teach of My Son's Love for the world. Let His Suffering and Death not be forgotten. Remember Him in all things. Pray. Pray. Pray for your brothers, especially Pope John Paul II."

"I am here to welcome all of My sons. By His Wounds we are healed. My Son Jesus endured the pain of His Wounds, all the pain of the sins of the world, and its future. Come to Us, My sons, for healing, forgiveness and total and complete renewal of faith. You will know you are healed by Our Love for you. Do not My sons be worried about what the world thinks of you for following Me. I am always here for you in this place."

"Thank you My children for coming today. Your belief in Me has brought you here. Pray for your priests, many are being led away from their

churches. Pray. Pray. Pray. Pray for them. Pray for those struggling to keep their parishes holy. Pray for Pope John Paul II that He is able to remain strong, he needs all of Our prayers. Pray to My Son daily for relief. Pray for all the bishops and priests of the world to come together to renew My Son's Church. The wound is great, but it can be healed."

"To My small ones, I love you. You are most precious to Me. I hear you singing and praying. It tickles Me and fills Me with joy and hope for the future of My Son's Church. Listen. Listen for Me in everything you do."

"To all of My children who are parents, aunts, uncles, sisters and brothers teach your children to pray. Teach them the true Church. Teach them a love and devotion to Me, for where I am so is My Son Jesus. Let the children know the difference between right and wrong. Help them pray for priests. Show them how to dedicate each little daily deed. Children learn by what they see. Teach children to look for Me in everything they do, say, or see. I am blessing each one of you today, each wedding ring, each marriage and each devotion."

Our Mother Asks that we always have religious articles blessed by a priest, even the ones She has touched, kissed or blessed. She says that only in Heaven will we realize the magnitude of a Priests' Blessing. A Priests' Blessing is just below the importance of the seven Sacraments.

*Received by a bride from another area, Lin*

At the First Joyful Mystery, The Annunciation, Our Lady spoke, "My daughters I am here. Thank you for coming together to pray for My priests, Our priests. In this time it is urgent to pray for Our priests. I join you with all those who are praying for priests all over the world today at My request."

At the Second Joyful Mystery, The Visitation, Our Lady spoke, "Your group is small My daughters, but it will grow and grow. Know that your prayers are heard in heaven. It gives Me great joy to hear your prayers as you pray for My priest sons."

At the Third Joyful Mystery, The Birth of Our Lord, I see Our Lady as Our Lady of Fatima. Her dress is creamy white and also the rest of her garments. Her crown is changing from Our Lady of Fatima to the crown of Our Mother of Divine Love. She then speaks, "My little one I show you Myself under many Titles. It is music to My Ears to hear the Rosary in many languages. Continue to pray My child."

At the Fourth Joyful Mystery, The Presentation of Our Lord in the Temple, I see Our Lady of Divine Grace. She is in blue and white and She extends Her Hands out to all of us. Rays come from Her Hands, grace flowing to all of us. She then speaks, "My children encourage others to pray for My priest sons. Encourage My priest sons who are holy and pray for My priest

sons who need conversion. Pray for the priests who are teaching error. Pray for them to have conversion of heart, to return to My Son."

At the Fifth Joyful Mystery, The Finding of Our Lord in the Temple, I see the most beautiful vision of Our Lady of Divine Love. She is so beautiful. Her garments are all cream and her crown is so beautiful. It is gold with seven points and has a monstrance with the Eucharist in the front center. Now the crown disappears and only the Eucharist is present. Our Lady asks, "Continue to pray little one."

At the Second Sorrowful Mystery, The Scourging at the Pillar, Our Lady speaks "My children I ask you to take this message to pray for priests and share it with all you meet. Continue to pray little one."

At the Third Sorrowful Mystery, The Crowning with Thorns, I see the devil cringing and fleeing as we pray the Rosary. I have seen this a few times before. Our Lady speaks, "My children you do not realize the weapon I have given you with the Rosary. Praying the Rosary will change many things. It will change hearts. It will turn hearts back to My Son. Continue to pray little one."

At the Fourth Sorrowful Mystery, The Carrying of the Cross, Our Lady speaks very firmly, more firm than I have even heard her speak before, "My sons, My sons! Why have you forsaken Me? Where are you going? What do you think you are doing? My children are leaving! Where are your hearts? Come back! Come back to My Son! Do not lead My children astray! Come back! I love you My sons! Come back! Do you think your vocation is in vain? You are breaking My Heart! Come back!" Then Our Lady asked me, "Continue to pray little one."

At the Fifth Sorrowful Mystery, The Crucifixion, Our Lady continues, "My sons come back! Time is running short! Come back to My Son!"

At the First Glorious Mystery, The Resurrection, Our Lady says, "My children, thank you for coming here today to pray for My priest sons. Many graces are being given to each of you to take to all you meet."

At the Second Glorious Mystery, The Ascension, we were having many distractions of noise, and Our Lady said, "In spite of your many distractions my children you have persevered. Thank you My daughters."

At the Third Glorious Mystery, The Decent of the Holy Spirit on the Apostles and Our Lady, Blessed Mother said, "Thank you My child for speaking out to your sisters My encouragement. My children continue to persevere. You will not be sorry. I love you my dear daughters. Thank you for your love."

At the Fourth Glorious Mystery, The Assumption of Our Lady, Our Lady spoke, "So many graces are being released from Heaven as you pray. These graces go to all today who are praying for My priest sons all over the

world, at My request. These graces go out to all you meet. Much will be accomplished from these graces. Hearts of future priests will be kindled and nurtured. You will see the fruit of your prayers starting to happen in your lifetime. You will see an increase of vocations. You will see an increase in holy priests."

At the Fifth Glorious Mystery, The Coronation of Our Lady, Our Lady says, "I love you My children. Thank you for answering My call to pray for priests. Encourage others to pray for priests. Spread this little mission of love for the priesthood. I love you. My children I love you. Your Mother, Mother of Divine Love."

# November 2000

Our Mother came just before the first Joyful Mystery, The Annunciation. She asked me to announce that She was Present. Our Mother Came as the Black Madonna, Our Lady of Czestochowa. She was very beautiful. Her holy Face looked like burnished gold. She said that She came under this title in honor of Our Holy Father, John Paul II and for all of us.

Second Sorrowful Mystery, The Scourging at the Pillar, "Many of My priest sons are holy and they suffer much persecution from their own brothers. O My beloved sons, I love you. In this time of Grace I come to bring you hope. Do not be afraid, for I am with you. I am with you in a way never before known and here, My beloved sons, I appear especially for you. Come, My sons."

Third Sorrowful Mystery, The Crowning with Thorns, I saw a priest in prison in China. His whole being was light. The light from him lit up the cell where he was and went out from him in all directions to light the darkness. I understand that his suffering is somehow helping others throughout the world who are in the darkness of sin, especially his brother priests. Our Mother continued, "Come, do not be afraid. Your reward in Heaven will be great. Many of you are great Saints, My sons, some hidden, some known. I have never needed you more than I do now, My sons, sons of My Immaculate Heart. Always be obedient to your leader and My chosen son, His Holiness, John Paul II. Never stray from him, obey and teach what he teaches you. I am always with you. I am Your Mother, a Mother of Joy and of Hope."

Fourth Sorrowful Mystery, The Carrying of the Cross, All of a sudden I feel a very, very heavy weight crushing me down. This happened in an instant. I almost fell. From deep within my soul I heard Jesus say, "This Cross is too heavy. I can't do it." I heard from above me Our Father answer, "Take one step at a time. I am with you."

Our Mother then Came as Mother of Divine Love, in a creamy white Mantle and Dress with an edging of liquid living, moving gold. "This is My twentieth visitation here for you My sons. I come here to encourage you in this time of darkness. Stay faithful, do not go astray My sons. satan has deceived many of your brothers and has led them astray, down a path away from holiness." (I could see a long line of priests walking down a pathway like on the edge of a mountain into darkness.)

"I love you all My sons, please stay faithful, faithful to authentic Catholic teachings. I am here for you, return to Your Mother, My sons who have gone astray. Come home to Your Mother's Immaculate Heart. My Heart is a safe refuge for you. Offer Holy Masses for your brothers. Pray for and love one another with the love of My Son Jesus. I love you. Your Mother of Divine Love."

Second Glorious Mystery, The Ascension, "My Precious and most loved Children, I love you. I have called you here today. Thank you for coming My little ones. I love you. Rest in My Heart of Love. I am here for you. Thank you for being My faithful little children. My heart is filled with joy and with love for you. The tears you saw are tears of joy at your response to My call. Every space that is empty today is filled with an angel. It is the same every time there is an empty space in a church during Holy Mass; an angel is present in each space. It is the same in every Adoration Chapel throughout this world."

"I have chosen this place My children because it is little. I bless this house with My Love, with My Peace, with My Presence. I am here always. Come to Me. Do not worry or be afraid for I am with you. I bless each one of you and your families and I will bless each one of your parishes with vocations to the Holy Priesthood and Religious Life."

Fourth Glorious Mystery, The Assumption of Our Lady into Heaven, "Thank you for your sacrifices. Thank you for praying with Me for holy priests. Pray. Pray. Pray. Pray. My little ones LOVE ALL OUR PRIESTS. LOVE THEM ALL WITH A GENTLE HEART AND A HOLY LOVE. I fill you with healing Peace as I depart. I leave with you My Love, My Peace, My gentle Heart. Your prayers for your brothers and your country are heard in Heaven, My beloved ones. Persevere in holiness, My beloved ones. I will never leave you. I will never abandon My Church, the Church of My Son Jesus. The new springtime has begun with little seeds." (I saw a vision of spring bulbs in the frozen ground, under snow, but the bulbs were beginning to tremble as the tiny life that was dormant and hidden at the center of each was moving up toward the light.)

"In ten years more you will understand and see the fruit of your prayers, your sacrifices and sufferings. Persevere in holiness no matter what comes. Persevere through the darkest hour. I love you. I love you. I have many titles, I am one Mother, Your Mother, Lady of the Bayou, Mother of Divine Love. Love one another, especially your enemies."

*Received by Leslie Therese*

Our Mother Mary appeared to me in Claire Rose's room as She spoke to the little children. She was dressed in a white mantle with a pale blue dress. She was carrying a big bouquet of roses of all colors. "Tell My little children

thank you for kneeling to pray with Me. I love them. They are the future. Carefully teach them of My Son's Love for them and of His great sacrifice for the world. Teach them to look to My Son for guidance in everything they do. Also, My children, you do the same. Teach them to pray for My sons here on earth with gentle innocence and pure, joyful love."

Before coming here today, Our Mother asked me to bring two rosaries that I treasure very much with me. My mamma brought these two rosaries to my little boy from Medjugorje in June of 1990, when he was just two weeks old. "These rosaries are to pray for Our priests. They are to be sent home with someone every month."

Second Glorious Mystery, The Ascension, "To all of My children, I love you and thank you again for coming here to this place to pray with Me. I hear each of your voices. I carry you and your families in My heart. Pray for My sons. They need great healing that will only come through the prayers sent up to Heaven for them. Satan cannot, WILL NOT WIN with all the prayers of God's people. Ask everyone you know or meet to pray with us for priests. LET US SHAKE THE FLOORS OF HEAVEN WITH OUR PRAYERS! PRAY ALSO FOR LIFE TO BE THE CHOICE OF THE WORLD AGAIN. Pray for your country of freedom not to become a country of greed and selfishness like so many others have fallen to."

"I am saddened by the lack of My Son's Name being called upon to solve the problems in the world. Call to Him, My children, the hour of need is upon you. Anything can be healed through my Son's Love of this world. He can and will forgive any and all sin if you come to Him through confession. My Son so loves you, His people that He has given His Life for yours! You only need to ask to know this Love! Send Him your burdens. Your Mother, Lady of the Bayou, Mother of Divine Love."

*Received by a bride from another area, Lin*

At the First Joyful Mystery, the Annunciation, Our Lady said to announce She was here. I see Our Lady as Mother of Divine Love. At first without a crown and then with a crown. She is smiling. She says, "I love you. Thank you My children, thank you for coming together today to pray for priests at My request. I join you to all those who are praying for priests all over the world today at My request."

I see a vision of Our lady standing in the midst of us. She is dressed in creamy white. Her Hands are held together in prayer. She is praying with us.

At the Third Joyful Mystery, the Birth of Our Lord, in a vision I see Our Lady just above us. Her Hands are outstretched to us. One Hand has a Rosary in it. Rays come out from Her Hands to all of us and touch each one

of us. She says, "Great grace is being released, by your prayer, to all the world for holy priests; and out to all the world."

At the Fourth Joyful Mystery, the Presentation of the Child Jesus in the Temple, I am very aware of all of us praying. Our Lady speaks, "My priest sons, I come today to ask you to pray for your brother priests. Pray for your brother priests who are holy, to keep them holy. Pray for your brother priests who need conversion. Pray for them to hurry back to My Son's Heart."

At the Fifth Joyful Mystery, the Finding of the Child Jesus in the Temple, Our Lady continues, "My priest sons, your flocks are scattered. Please My sons; please pray for your flocks. My children please pray for your priest brothers to be holy. They need your prayers my children to release the grace necessary to make them holy. They need prayers for the grace to be good examples to their flocks. If you are holy My priest sons your flocks will grow and your flocks will be attracted to you because of your holiness and they will become holy because you are holy."

At the First Sorrowful Mystery, the Agony in the Garden, Our Lady speaks, "My daughters, thank you for putting all aside today and coming together and praying for priests. Your prayers are heard in heaven by all of heaven. It pleases the Trinity, the Most Holy Blessed Trinity. The Angels and Saints are praying with you. Your prayers are being multiplied by them in heaven. Your prayers are sweet incense raising to heaven before the Trinity and all of Heaven."

At the Second Sorrowful Mystery, the Scourging at the Pillar, I see a vision of angels above us. I see devils cringing, covering themselves with their arms and fleeing as we pray the Rosary for priests.

At the Third Sorrowful Mystery, the Crowning with Thorns, I see Our Lady as Mother of Divine Grace. She is all in blue and white. I feel great peace and great love. I see Jesus standing beside Her in white with a red robe knotted at the waist. He says, "This is My Mother. Listen to Her." Our Lady then speaks, "My children thank My Son for allowing Me to come to you with these messages of love for you and for the priesthood."

At the Fourth Sorrowful Mystery, the Carrying of the Cross, I am very aware of everyone praying. Our Lady then speaks, "I will come to every home if I need to, to bring souls back to My Son. I love you My children. My Son loves you. Pray! Pray! Pray! Prayer is needed now to make the changes necessary in each soul to return to My Son, your Savior and your Redeemer. Holy priests are needed to make this happen. Pray! Pray! Pray My children. Spread this mission, to pray for priest, to all you meet. The graces are being released for this to happen. Persevere in prayer My children."

At the Fifth Sorrowful Mystery, the Crucifixion and Death of Our Lord, Our Lady says, "My Son did not die in vain. Pray! Pray! Pray My children. This Mission to pray for priests will spread all over the world. Thank

you My daughter for being obedient and writing as I have asked you. I touch each one of you here today with My love and My Son's love. You are My special children, very close to My heart and My Son's Heart. I love you, My Son loves you. Thank you for helping each other with praying the Rosary. I love you. Continue to pray little one."

At the First Glorious Mystery, the Resurrection of Our Lord, I feel so much love and so much peace. My Mother thank you for touching each one of us with your grace and love. Our Lady speaks, "Great grace comes to each of you today. Take this grace with you out to all you meet and love others with My Son's love. Continue to pray little one."

At the Second Glorious Mystery, the Ascension of Our Lord into Heaven, Our Lady asked me the following; "My child give your Rosary to one of the prayer warriors who came here today and answered My call. The woman with black hair." (You must understand that this Rosary meant a great deal to me as it was given to me by a priest and I carried it with me at all times, yet I had no problem giving it. This indeed surprised me. A great grace.)

At the Third Glorious Mystery, the Decent of the Holy Spirit on the Apostles and Our Lady, Our Lady spoke, "My daughters you will not forget My visit. I have touched each of your hearts in a special way. You will know Me in a deeper way than ever before. I love you. You have no idea how much I love you. You have no idea how much My Son loves you. The love in your hearts you have received today you will take to all you meet. It will go to all you meet. You will understand more and more as time goes on."

At the Fourth Glorious Mystery, the Assumption of Our Lady into Heaven, Our Lady says, "My daughters, thank you for answering My call. The Most Blessed Trinity thanks you for answering My call. You will not be sorry."

At the Fifth Glorious Mystery, the Coronation of Our Lady in Heaven, Our Lady speaks, "Thank you for singing the 'AVE' My daughters." I see a vision of Our Lady as Mother of Divine Love with a beautiful gold crown. Her radiance fills the room. Her love permeates the air around us. She is so beautiful, and She brings great peace.

Our Lady speaks again, "I love you My children. Your Mother, Mary Immaculate, Your Mother of Divine Love." After we finished the Rosary, Our Lady had me give a pin of Her that I wear all the time, to one of the people present. Again it was something I cherished, yet I gave it freely without a second thought. She then had me give the St. Benedict Cross and medal of the Holy Face I was wearing to someone else and another small St. Benedict Cross and Holy Face medal I wear to another person. It truly amazed me, yet I felt such freedom. It was as though Our Lady was stripping me of everything and She gave me the great grace to do so without a second thought.

As we began the Rosary for Priests Our Mother asked me to announce that She was present. The first thing I saw was beautiful doors. I thought of the Jubilee Doors at St. Peters in Rome. Then I thought "it's the Doors of Heaven!" These Doors were encrusted with beautiful jewels, but not like any jewels from the earth, more like water drops reflecting colors and lights. The colors and light glistening were not of earth. I cannot describe. The doors opened outward, toward me and just in front of me suddenly was standing The Holy Family. Our Mother and St. Joseph with the Child Jesus between Them. Jesus was about twelve years old. No one spoke.

Then The Holy Blessed Trinity just floated downward and hovered above where the Holy Family were. Our Father and Jesus were seated on Thrones. Jesus was on Our Father's right. The Holy Spirit in the form of a White Dove hovered between Them. Surrounding Them all were multitudes of Holy Angels and Saints, like layers and layers as far as there was distance. I know that I do a poor job of describing this. I understood that a door has opened between Heaven and earth and that Heaven has come down to earth. I saw this with my eyes open and closed. I was enraptured, absorbed in total Love.

I thought of the priests and just gave them all to Jesus and Our Mother Mary. In the deepest core of my soul, I could see my own little heart just floating in the air and within it all the priests of the whole world. I was a little puzzled as how they could all fit in such a little space as my heart. I am so weak, how can this be? I want to love them all and hold them in my heart, but I am much too weak and small. Our Mother knew my heart and thoughts. She said, "Your weakness is My Strength. You must be an empty vessel before I can use you. I love you."

She has been speaking to me about stripping my 'house' and has said several times, "Your house will soon be empty." Somehow my house is my heart. She is teaching me more and more to empty my heart and soul of earthly things and I don't mean material things. Funny thing is I thought Our Mother had done that over ten years ago. I guess I'm real slow or She's going deeper into my spiritual closets. It's just another small step in my spiritual journey. Our Mother encourages me to share this so you will know how imperfect a vessel She has chosen for this little job. Any one of you reading this could have done much better than I have.

Third Joyful Mystery, the Nativity, "This is My twenty-first Visitation to you here My Sons, My Beloved Priest Sons. Where are you? Where are you? I call and call..."

"My Precious and Most Beloved Children, Today We celebrate the twelfth year in the Life of My Son Jesus, the year He was lost from Joseph and I and after three days we found Him in the Temple teaching the elders of the Church. He was filled with Wisdom and Grace. Found in the Temple after being hidden from Us for three days." I thought of how this must have hurt Our Mother and St. Joseph. Then I thought of the three days when Jesus had Died and the Pain of Our Mother. Then I thought of three days of darkness, of unknowing.

Our Mother spoke again, "He has given you His All. His Heart. His very Life. He is still to be found in the Golden Tabernacle, in the Temple. His Body. His Blood. His Soul. His Divinity. Fully Present, waiting, waiting ALWAYS for you ALL. My Son Jesus has left Himself TOTALLY to you all through the hands and heart of your priests. I call you here My children to pray for My priest sons. Today is a special day of much Grace. More Grace is being showered upon you than you can ever comprehend. Today is the eleventh anniversary of the first Last Saturday where only two were present and I came."

"I love you My beloved children. I hear all the petitions and prayers of your hearts and souls. I am closer to you today than I have ever been. I enclose each of you and your families in My Immaculate Heart."

First Sorrowful Mystery, The Agony in the Garden, "I hear your prayers for Our priests. I take your prayers and requests to Heaven with My own Hands. I love you. I love you. I love you. My Mission here will grow and multiply to the ends of the earth. Today I thank you in a special way for responding to My Call. My Son loves you so very much. He can deny you no good thing because He loves you."

"I thank you for embracing your little crosses out of love for My Son and Our Priests. Love Our Priests. Love Our Priests. Love Our Priests."

Third Sorrowful Mystery, The Crowning with Thorns, "You can never love them too much. Be kind to them. Love them enough to pray daily and constantly for them. They are under serious attacks every day. satan knows that to bring down the priesthood would bring down the Church of My Son and of My Immaculate Heart. I love you."

Our Mother then Spoke to my heart, "Your house will soon be empty. It means empty of self, My daughter. I can only work through empty vessels. I desire to fill you with My Peace and My Love. All you must do is be empty and open."

"Open your hearts, My beloved children and let My Son Jesus come to dwell in you. Invite Him to come and dwell in your heart and in your soul."

Trust Him. I love you, My little ones. I have come here for you, too, not just for My priests. You are responding to My Call to you. Do not worry or be afraid. All is going according to God's Plan. Did my Son not hear your prayers for your country? Pray for your President's protection. Continue to pray."

I see a frozen wasteland, almost total darkness. All is ice and snow. Coldness. I see no living thing. But then the sun comes out and touches the ice and snow. This produces more Light. The Light is multiplied and the ice melts. I see trees and plants that were bent over and seemed to be dead become upright again. It's a new Springtime coming upon the earth. Trees and plants that seemed to be dead are sprouting new green leaves. I see blossoms, flowers of every shape and color. I see fruit, good delicious fruit on all the trees and plants.

Our Mother Speaks again: "We are on the threshold of a great Event, the Greatest Event, an Event yet to be revealed to you... I am with you My children. As close to you as I was to My Son Jesus in the stable in Bethlehem on the First Christmas. I am touching each one of you deeply today and you will feel My Touch of Love. Go forth from here and share your healing with others especially with your priests. Do not be afraid for I am touching their hearts through your prayers and through your hearts of Faith. Many of My priest sons have become tired and discouraged. I will touch these in a deeper blessing, a renewal of their soul and spirit. I love you, My beloved children, all of you. Each one of you is a special gift to me."

"I will visit many places today. The hearts who wanted to be here will feel My presence. I bring Love and Peace wherever I go. Thank you for coming here to pray with Me. I promise you holy priests for I love you. Be faithful My little ones, a while longer. Many things will change. I bring hope for the future. Abortions will become less and less as more hearts are converted. Your country will be renewed. Vocations to the holy priesthood and religious life will increase and My One Holy Catholic Church will be renewed and made whole and One again. This is My holy Promise to you for your faithfulness. I love you. Your Mother, Lady of the Bayou, Mother of Divine Love."

Our Mother reminded me that today is the Last Saturday of this Century and of this Millennium. She said that next Saturday is the First Saturday of the Month, year, new Century and new Millennium, but it is also the Last Saturday of the Jubilee Year. Another meaning of the First and the Last Saturday.

*Received by Leslie Therese*

Our Lady first Appeared in a white mantle and dark blue dress. She was holding Baby Jesus. He was about a year old. Our Mother Speaks: "There will be great changes in your life coming in the New Year. Life should be celebrated. It is a gift to be cherished and shared."

I see Blessed Mother pregnant, with Jesus still in Her Womb. She is wearing a dark maroon colored mantle and a dark blue-green dress. She is showing me Her stomach, pointing to it saying, "This is My Lord, My Son, My God." "Life will become important again. Pray for your president."

A Message for priests: "My sons, I look for you at every visit. Still you do not come. My Heart and Arms ache for you to come here to Me. I come here for you. Our Lord has sent Me to make a place for you His special sons. Come here to Me and do not be afraid of reparation (of being restored) for your faithfulness. Even though you do not believe, you will know My Presence here. When you come to this place that God has chosen you will be rewarded with a renewal of body and spirit. But above all, a renewal of Faith. A Faith so strong that it will never be broken."

"My sons, your parishes, My people need you to come back to the one true church. My Son Jesus' Church has gotten lost in platitudes. It is well hidden. Please, My sons, seek out the true church and bring it back to My people. Live and teach the Commandments. Live and teach respect of God's Home and His people. I am counting on you, My sons. Your Mother."

"My People, My Children, You are most blessed today. I love you as you are. Continue to pray and dedicate your daily deeds for My sons (priests). Every prayer is heard. I have brought all of your petitions home with Me and I know your hearts. Pray. Pray. Pray for My sons to come to Me. Pray for their renewal and for the true Church to be brought back to its people. To My special little ones, listen to your parents for they love you as I do."

After I read the Message that I received I saw Our Blessed Mother again walking among us. She is dressed in gold with a bride's veil coming from Her Crown.

*Received by a bride from another area Lin*

At the first Joyful Mystery, The Annunciation, Our Lady speaks, "My children I am here. Thank you for coming My children." Our Lady is here and she is all in creamy white with gold around her mantle. She is Our Lady, Mother of Divine Love. Her gown and clothes flow in the breeze. She is smiling.

At the second Joyful Mystery, The Visitation, Our Lady speaks, "My children thank you for coming together today to pray for priests at My request. I join you to all those all over the world who have come together to pray for priests at My request." I see Our Lady under many titles, Our Lady of Divine Grace, Our Lady of Fatima, Our Lady of Medjugorje, Our Lady Mother of Divine Love.

At the third Joyful Mystery, The Birth of Our Lord, Our Lady asked, "Keep writing My daughter." I see Our Lady touch each one of us very gently, only as a loving mother would.

At the fourth Joyful Mystery, The Presentation of Our Lord in the Temple, I am very aware of everyone praying around me. I see Our Lady standing behind two of the people present. She stood behind one and then the other. Then Our Lady spoke, "My children pray for My priest sons who are in error. Pray for them to come back to My Son. Pray for them to have conversion of heart, to mend their ways and teach correct doctrine, the true faith."

At the fifth Joyful Mystery, The Finding of the Child Jesus in the Temple, Our Lady speaks, "My priest sons that are holy, pray for your brother priests who need conversion of heart. Much prayer is needed to convert their hearts and bring them back to My Son. Thank you for writing My child. Thank you for your obedience." Our Lady stood by another person present. Much love poured out of Our Lady's Heart to that person.

Our Lady spoke again, "My daughters this is a great time of mercy. Pray! Pray! Pray for holy priests. Pray that My priest sons will have the courage to stand up for My Son and for what is right."

At the first Sorrowful Mystery, The Agony in the Garden, Our Lady said to me, "It is all right little one. You cannot kneel yet! Accept this as part of your cross little one. I know that your heart is kneeling." I see satan cringing, his arms over his head and fleeing as we pray the Rosary. I have seen this before.

Again Our Lady tell us, "My children the weapon I have given you in the Rosary is most powerful. Pray it daily My children for our dear Priests. It will release much grace."

She says, "Oh! How I love you My daughters, My prayer warriors. If you only knew how much I love you, how much My Son loves you." At the third Sorrowful Mystery, The Crowning with Thorns, Our Lady says, "Thank My Son for allowing Me to come to you."

I see Our Lady kneeling in the midst of us and praying with us. She is all in blue and white. She is Our Lady of Divine Grace. She is smiling as she looks at each of us praying for her priest sons. I see angels hovering above us.

At the fourth Sorrowful Mystery, The Carrying of the Cross, I see one angel holding a chalice and the Eucharist is held above it. I see drops of blood coming from the Eucharist. It goes out to all of us. Great, great grace going out to all of us.

Our Lady says, "My daughters much grace is being released because of your prayers. Encourage others to pray for our priests. Help spread this Mission of Love for the priesthood to all you meet. All you have to do My daughters is sow the seed and leave the rest up to Me and My Son."

At the fifth Sorrowful Mystery, The Crucifixion, Our Lady says, "We love you My children. The Trinity and the Holy Angels and Saints and also the Souls being made holy in Purgatory love you. Your prayers waft to heaven

with a great welcome. They become incense before the throne of God and are most pleasing.”

At the first Glorious Mystery, The Resurrection, Our Lady speaks, "I am blessing each one of you here today and all those who are joining you praying for priests all over the world at My request. Thank you for answering My call." Oh my Mother thank you for coming today and visiting us and praying with us and for blessing us. Our Lady says, "Thank My Son for allowing Me to come. I come for all of you. I come to ask you to pray for My priest sons and for all the world."

At the third Glorious Mystery, The Decent of the Holy Spirit, a great peace came over me. I could feel a great peace all around me. Our Lady says, "Oh My children, Oh how I love you. Oh How My Son loves you."

At the fifth Glorious Mystery, The Coronation of Our Lady, She spoke, "Thank you My children for coming today and answering My call to pray for My priest sons. Many graces go out to all the world. Many graces go to all you meet. I love you. Your Mother, Mother of Divine Love." I see a front view of Our Lady, Mother of Divine Love, in the middle of us and just above us. She is all in white with a gold crown with seven points and a monstrance holding the Eucharist in it in the front of the crown. She is very beautiful and she is smiling.

First Joyful Mystery The Annunciation, Our Mother asked me to Announce Her Presence.

Third Joyful Mystery, The Nativity, "My precious and most beloved sons, I love you. I come in Love. I look for you today and I look for you. Where are you My beloved sons? I come here for you."

I ask Our Mother that I think She should go and appear to someone else. I told Her if She would go appear to someone else, maybe a priest, then the priests would believe. She smiled at me. My Heart was hurting for Her. Anyone else would be better than me, She should go and appear to a priest, surely other priests would believe a brother priest. I feel that I am failing Her and maybe She should go talk to a Bishop. She just smiled with Love in her Eyes.

Fourth Joyful Mystery, The Presentation of Jesus in the Temple, Our Mother Spoke: "Embrace your cross My beloved child. Embrace this cross that I have given you with all your heart." "Help me, My Mother."

"My precious and most beloved children, I love you. I love you. I embrace you today and I take you and your families, your priests, your parishes and your homes into the safety of My Immaculate Heart. I love you. I love you. I cover you and all those you love with the Protection of My Mantle."

"I thank you for coming here today to pray with Me, your Immaculate Mother, for your brother priests. I am with you My little ones. I am touching your hearts even those who come filled with unbelief will be filled. I love you. My Son Jesus has sent me to this small and unknown place. It is of the smallest. One of the smallest parishes."

"I thank you for coming in Faith. I thank you for your love and your prayers, your devotion and faithfulness to My Son. I have called you here today and I thank you with all My Heart for your response to My Call. I ask you My beloved children to please increase your prayers for your brother priests. They are under attack as never before. I ask you to fast on Mondays and on Thursdays for My beloved priests. Your prayers and little sacrifices your little daily offerings are seen by Our Father. Nothing escapes His All-Seeing Eye. I love you."

"I've come to earth to warn you. I have come to gather you to safety under My Mantle just as a mother hen gathers her chicks under her wings

before a coming storm. My children, let Me shelter you. Come, come, come to your Mother."

Second Sorrowful Mystery, The Scourging at the Pillar, "Be converted My children, My own little ones. A storm the like of which you have never seen or heard is coming." I was hesitant to write this. "Write my words, My daughter. But you who are sheltered in My Heart of Love shall have no fear, all Grace will be given you."

"The blood of the innocents cries out." (I understood the innocents are aborted babies, molested and abused children, and the elderly who are neglected and abused.) "My beloved children and some of My priest sons are in grievous sin." I felt a sword pierce my heart.

"Every sin is accepted and acceptable to multitudes of My beloved children. Turn away from sin My beloved children and turn to My Son Jesus for forgiveness. You have asked why My Eyes are closed. There are some sins I cannot bear to look upon. O My beloved children return to your Mother, return to your Mother. Come home. Come home.

Pray for Our Holy Father John Paul II, My chosen son. PRAY, PRAY, PRAY for him. Pray for your President and his family and those who support him, My children of America. I love you. I am with you. You must share these words My daughter, I am with you."

Fourth Sorrowful Mystery, The Carrying of The Cross, I was feeling the pain of the crown of thorns. I looked up to Jesus on the Crucifix, He was alive. Jesus spoke, "The Crown you feel is Mine, My beloved bride, I love you." About this time I saw Padre Pio and the Cure d'Ars, St. John Vianny.

Fifth Sorrowful Mystery, The Crucifixion of Jesus, Jesus continued from the Cross, "Gather treasures for Heaven My little ones. Things of this earth are passing. Do not lose your soul for earthly pleasures and things. I desire that My priest sons speak of this to their flocks."

Our Mother then spoke: "Gather in the Sacred Heart of My Son Jesus. Live each day as if it was your last on earth. Live in holiness and in peace. The whole earth will shake and tremble. The high places will be made low and the low places will be made high. The first will be last and the last will be first. Love one another My children. Serve one another in love. You serve My Son by loving one another. I love you."

Our Mother was crying. I can't bear to see Her this way. I closed my eyes and put my head down. "I have come to bring you hope and joy. Peace in your soul and heart, in your homes and parishes."

I feel a breeze, a fresh breeze blowing over me. I looked up and saw a tiny bright light in the gray sky, like a diamond far away. Slowly I see the tiny bright light gets bigger and I see the Light is Our Mother all in bright light. She is beautiful. Dressed as a bride. I think to myself, "I am seeing the beautiful city coming out of the sky. O My God!"

On Our Mother's Head is Her new Crown - as Mother of Divine Love - Queen of Divine Love and Jesus in Holy Eucharist on Her Crown is shining so much I can barely see Our Mother.

Our Mother Spoke: "Today is a day of extra-ordinary Grace. I bless you My precious children and I promise you many healings today. Many will feel My Touch as I walk among you. I embrace each one of you. I kiss each one. I bless you. Go out to others and bring My healing Touch, My healing Kiss of extra-ordinary blessing. My Love will multiply through your open hearts. I love you. I love you. I love you. Thank My Son for these Visitation of Love, of Divine Love. Be chalices of My Love My little ones. Your Mother."

Our Mother continued, "I visit this house of French descent—because I will use these Visitations to remind your Mother country and many other countries of My Love for you all. France is known as the eldest daughter of the Church, My Son's Church. Louisiana is chosen, has been chosen from long ago. I love you."

"I come here as Many Nations to honor All Nations, All Races. All are equal. My persecuted children, they will laugh at you as they laughed at Noah. Continue to be faithful. I have come here under the title Mother of Divine Love in response to a prayer prayed to Me under this title in September of 1987 in New Orleans by Our Holy Father John Paul II. He called out to Me and I responded. I love you. Your Mother, Lady of the Bayou, Mother of Divine Love."

"The Blood of the Martyrs will be the restoration of the Holy Priesthood, and through this My Son's Church will be restored to holiness and wholeness."

*Received by Leslie Therese*

Second Joyful Mystery, I feel a band around my head it gets tighter. When the pain goes away I see Our Mother Mary in palest blue holding Jesus. He is about four years old.

Our Lady Speaks: "I am your Mother just as I am His. I love you just as you are, as I love all of My children. God has chosen this place for us all to come and pray for your priests. There are many straying from original doctrine. Pray, Pray, Pray, Pray, Pray, Pray for My sons who are becoming entrapped in the world. Pray that they see their own wrong and ask forgiveness. My children pray all you can for your priests. Continue to offer all of your daily deeds no matter how small, every prayer is heard. God has promised many blessings on those who pray for His sons. He is always listening, always waiting to pour out His abundant love upon all who come to Him with love."

"My little ones" (the little children are outside playing) "how I love to hear your laughter and your sweet voices as you play-pray. Always be good

to each other and listen to your parents. I LOVE you My precious children with all of My Heart. I am blessing all today. I am blessing wedding rings and marriages. Also to those who are trying to be blessed. (Marriages) Many of you will be healed here today."

I saw Our Mother Mary in a green colored Mantle (sheer) with Gold around the edges like beautiful embroidery, so beautiful, she leaves me breathless. "My sons, My priests, this place is here for you always open to your need. I have called you here yet, you do not come to Me. I am your Mother. I Love you above all. I carry each of you within My Immaculate Heart. The world will not love you as I do. I the Mother of all, await your presence here in this place. I will renew you in faith so strong nothing will break it. Do not be afraid. God has sent Me here to this sweet and simple place to bring you back to the true Church. God's people need you to lead them back to the truth."

Third Glorious Mystery, I see Our Mother Mary in a white lace dress and Mantle. She is above us all blessing us all. "Pray for our Holy Father John Paul II. Pray for all of your bishops. I love you. Your Mother."

*Received by a bride from another area, Lin*

I saw a vision of Our Lady of Divine Grace and then her dress changed to all white like a bridal dress. This was the first time I ever saw Our Lady in a bridal dress. She was very beautiful. She began to speak, "Many healings will happen here today. Many healings."

At the first Joyful Mystery, The Annunciation, Our Lady spoke, "Many healings My daughter, many healings will happen and are happening here today, spiritual and physical. Continue to pray My child."

At the third Joyful Mystery, The Birth of Our Lord, Our Lady says, "Oh! My children how I love to hear the Rosary in different languages." I see a vision of Our Lady in a dark green mantle and dress with gold light all around Her. She is very, very beautiful. She brings great peace and love with Her. I have never seen Her in this color before and do not know what title She is showing me. Then Our Lady speaks to priests, "Oh! My precious Sons, Oh how I grieve for you. Time is running short. Where are you! I am here. I am waiting for you."

At the fourth Joyful Mystery, The Presentation of the Child Jesus in the Temple, Our Lady says, "Tell My children I love them. Oh! My children I love you. Thank you for coming today to pray for My priest sons at My request. I love you. Because of your prayer, many priests will come from this place. They will be holy and lead holy flocks."

"Much love is in this place. Open your hearts and receive it. It comes from My Son and I. Love to heal all your wounds and woundedness from living this life in this world. Your humanity is healed by My Son and His

Wounds. By His stripes you are healed. My Son asks you to help others with the same healing He has given you. In this way you love others with My Son's Love. It is so simple My little one. Oh! How I love you. Oh! How My Son loves you. Continue to write My child. Yes! Little one, you are My Son's bride and many brides will follow after you."

At the first Sorrowful Mystery, The Agony in the Garden, She speaks, "I love you My children. I love you. Thank you for praying for My priest sons. Many, many prayers are needed to change the hearts of My priest sons who are in error. Many, many prayers are needed to keep My priest sons who are holy, holy. Many, many prayers are needed to bring more vocations. The priesthood will increase and the holy priests will increase because of your prayers. You are My precious prayer warriors. You are My Son's precious prayer warriors. Many blessings come to you from Me, from My Son, from the Most Blessed Trinity."

At the third Sorrowful Mystery, The Crowning with Thorns, Our Lady says, "Continue to pray little one." As we pray the Rosary I feel Our Lady's great peace and love. She says, "I bring My peace and love to all who are here. They will feel My peace and love this day and it will stay with them where ever they go this day and to all they meet."

At the fourth Sorrowful Mystery, The Carrying of the Cross, Our Lady continues, "You bring the peace that I bring here today, to this place, out to the rest of the world, and to all you meet. The world needs the peace and love that only My Son can bring. If only they would turn to My Son. Oh! My children your prayer for priests will make that happen. Continue to pray My children."

At the fifth Sorrowful Mystery, The Crucifixion and Death of Our Lord, Our Lady speaks, "Thank you My children for putting all aside and coming here today to pray for My priest sons at My request. You will not be sorry."

At the first Glorious Mystery, The Resurrection of Our Lord, Our Lady speaks, "My children you will see the fruit of your prayers beginning to happen in your lifetime. It is already starting to happen. I have touched each soul here today in a very special way. This is because of their generosity in prayer. My children you do not realize the power of your prayers. Continue to pray. Pray! Pray! Pray for My priest sons, your brother priests."

At the second Glorious Mystery, The Ascension of Our Lord into Heaven, I see devils cringing and covering themselves with their arms and fleeing as we pray the Rosary. I have seen this before. Many saints are praying with us. Holy angels are praying with us. The Souls in Purgatory are praying with us.

At the third Glorious Mystery, The Descent of the Holy Spirit, Our Lady speaks, "My children no matter how much the devil tries to deceive you

with all the darkness around you, never forget My Son and I are with you and you are never alone." I see angels above us and all around us. Oh! My Mother thank You for coming to us today. Our Lady continues, "Oh My children, thank My Son for allowing Me to come to you today."

At the fifth Glorious Mystery, The Coronation of Our Lady in Heaven, She spoke, "Oh My children, thank you for coming together today to pray for priests at My request. I join you to all who have come together today all over the world to pray for priests. One voice, One heart of prayer for all My priest sons all over the world. I love you. Your Mother, Mother of Divine Love. Remember, I am with you. That is all for now."

Our Mother came dressed in white. On Her Head was a white bridal veil and Her new Crown, Queen of Divine Love. In Her arms She carried a bouquet of flowers that looked like diamonds or water drops. She said, "My Precious little children, I love you. Thank you for coming today to pray with Me. I love you. I gather you all under My Mantle."

First Joyful Mystery, the Annunciation, Our Blessed Mother asked me to announce that She was already present.

She said, "I will teach you a simple prayer: 'Jesus Son of the Living God, have mercy on us and on all our priests.' I love simple little prayers from your heart. You can pray in this way while you do your daily work. Then your daily work will become a joy!" She then said to me several times, "Kiss your Cross." I understand this time Our Mother means my little daily duties.

Second Joyful Mystery, the Visitation, Clouds of Darkness were moving toward and trying to cover Our Mother's picture. I did not understand what was happening, so I sprinkled Holy Water. I blessed myself with it. Light returned and the dark clouds were banished. Our Mother said, "The darkness is a spiritual darkness trying to overwhelm My priests." Brilliant beams of Light came from Jesus in the Holy Eucharist on Her Crown.

Fifth Joyful Mystery, The Finding of the Child Jesus in the Temple, Blessed Mother speaks, "My precious and most beloved sons, I love you with all My Immaculate Heart. I have chosen you and called you. I have given birth to your holy vocation. My precious, precious little ones, My shepherds, I love you. I love you. I call you here to be loved by My Immaculate Heart. You will receive much healing in this little place. Many graces from Our Father, from My Son Jesus and from My Beloved Spouse, the Holy Spirit are being showered here for you. I love you. These special graces come to you through My Immaculate Hands and Heart. Here you will experience deep peace and Divine Love. I love you. I love you. I love you."

I saw drops of clear water falling on and going into the two priests who are present. These looked like the bouquet of flowers Our Mother was carrying when She appeared for the little children by the swing near the orange tree. "I shower you and fill you here with Divine Love. I am but a vessel of Love for you all My shepherds."

First Sorrowful Mystery, The Agony in the Garden, I see and feel showered by Jesus' Precious Blood. Our Mother continues: "Empty your hearts My beloved sons of all that is not of God. Turn to Me, Your Immaculate

Mother. I love you. I need you My sons. You are My Hands and My Heart in this world. I thank you for all you do for Me and for My Son, Jesus. I am with you at all times. I dwell in your hearts My beloved sons. Make your heart a dwelling place for Me. I love you so much."

"Through you, My sons, I desire to restore My Son's Church to holiness and wholeness. I love you. Store up treasures for Heaven My sons. Be living examples of Your Mother and of My Son Jesus, Divine Love. Give to Me your daily struggles, your daily works, your little sufferings. Through these you will be purified and sanctified, made holy and whole, and many of your brother priests too."

Second and Third Sorrowful Mystery, through a veil of Jesus' Precious Blood, I see Our Mother. Her arms are lifted up in supplication to Jesus for all of us. I see through this veil, Jesus, Our Risen Lord. His arms are extended to us in invitation. Jesus is inviting us to come to Him. I see Jesus with His Arms raised to Our Father. I see Our Father's Throne and His Feet. I see the Holy Spirit as a white dove, hovering above and beams of white light like water come from Him to us. I see all this through the veil of Jesus' Precious Blood.

Blessed Mother speaks, "My sons, I love you. I ask you to speak Truth to all My children. Do not be afraid. I am in you. I will speak through you. My children no longer know what sin is. They are sheep without shepherds. They go deeper and deeper into error and into sin. I need you My beloved sons. I will always help you. I will always be with you. I will never stop crying out to you. I will never abandon you. I am yours, your Mother, Mother of Divine Love."

Fourth Sorrowful Mystery, The Carrying of the Cross, Blessed Mother continues, "Pray for your brothers. Speak to your brothers who are in sin and in error. Do not be afraid. I need you. I love you. I promise you My Protection and always My love. You will walk in Peace for I am within you. Teach My children about Adoration of My Son in the Blessed Sacrament."

I see Padre Pio. I see Fr. Joachim. Our Mother speaks: "Many, many priest saints are here with you today." I see Padre Pio again. I spoke to him, "Padre Pio, please heal priests with cancer." His eyes were filled with deep Love.

First Glorious Mystery, The Resurrection, Blessed Mother speaks, "I am with you in a very special way today. Let the children play. They are innocent." I hear the children's voices that are playing outside as we pray.

Second Glorious Mystery, The Ascension, Our Mother Speaks: "Holy Sisters, I love you. I love you. My precious and most beloved children I love you. I thank you with all My Heart for accepting My invitation to come here to pray with me for your brother priests. I love you. I will bless your homes and your parishes. I thank you all for all you do for Me and for My Son Jesus.

I love you. Today is My twenty-third Visitation to you here. Thank My Son Jesus for these Visitations of Love.”

“Surrender to Me My little ones all your problems, all your anxieties, all your worries, your hearts. Surrender your hearts. I am awaiting you. I will take your hands and your hearts. Consecrate to Me your hearts, your families, your homes and your parishes. I desire to fill you with Peace, with Joy and with Love. My Son Jesus is here with Me today. Many of you will feel His touch, as He walks among you.”

Third Glorious Mystery, The Descent of the Holy Spirit, Blessed Mother says, "Pray with your hearts open, My little ones. Every prayer whispered in your heart is heard in Heaven. Thank you My little ones for all your gifts to Me, to My Son in the beautiful bouquet you gave to Me for Our priests. I thank you too for My new Crown. Much grace will be given those who honor Me here. Thank you My son" (a priest) "for honoring My Crown and Title and for crowning Me. I am Queen of your heart. I love you. I am Queen of Divine Love, Patroness of Priests."

Two brides from Texas who have offered themselves as victim souls for priests were present. They began the children's group that prays daily for priests in front of the Blessed Sacrament, Little Knights of Our Lady, Protectors of the Eucharist. They are listed on our website under children's group. One of the children was also present. The little Knights made a large yellow rose of paper for Our Lady. We put the rose in Her hands.

About 6:30PM in our chapel, with the six victim souls present from four states, including the holy priest who made this offering, we renewed our simple lifetime vow to the Holy Blessed Trinity as victim souls for priests through Mary Immaculate Our Queen and Mother of Divine Love. My whole family and some close friends including a religious brother were around us. Two more joined us in this offering, one of my daughters and my oldest granddaughter. Now, by God's grace and inspiration, we are eight. Over one hundred pilgrims were present today.

Today I forgot to ask my husband to bless around the outside of our home as I usually do. He, too, forgot. During the Rosary he remembered. So he asked Our Mother to take care of this for him. He saw a big circle of aborted babies come with Our Mother and surround our home. He could see all their little faces and their arms were joined together. They had no legs or feet.

*Sunday, Feb. 25, 2001:* Our Lady gave us a simple Chaplet for Priests with the little prayer She gave us at the beginning of Her Visit. It is to have a Crucifix, one bead, then a medal with Our Mother of Divine Love on one side, and 33 beads that join with the medal. We pray the Creed on the Crucifix. On the next bead, the Our Father. On the medal, the Hail Mary. On the 33 beads,

"Jesus, Son of the Living God, have mercy on us and on all our priests." On the medal, "O Sacrament most holy, O Sacrament Divine, All praise and all thanksgiving be every moment Thine. Blessed be the most Holy and Immaculate Conception of the Most Blessed Virgin Mary, Mother of God, Mary most holy. Mary, Mother of Divine Love, pray for us. God Our Father, please send us holy priests, all for the Sacred and Eucharistic Heart of Jesus and the Sorrowful and Immaculate Heart of Mary, in union with St. Joseph." On the last bead, the Glory Be. On the Cross, St. Michael Prayer.

*Received by Leslie Therese*

I see the Child Jesus as we pray the opening prayer. I see Our Mother Mary like the first time I saw Her. She is walking among us. She says, "I am walking among My people, looking into their hearts. I can see into your hearts even into the darkest corner. You need only ask to be healed of your burdens. My Son can bring light to darkness through His great love for the world and His people. Do not look to the world for healing, for there is true healing only through My Son Jesus."

I see a glowing Host, Jesus in the Holy Eucharist. Blessed Mother continues, "Pray for My Son's priests. Do not be afraid of what others think. Think only of My Son Jesus. It is at His request that I have come here to this simple little place. He is calling us here to pray for His brothers."

I see Mary dressed in a cream colored mantle with many jewels around the edge. She is blowing kisses and when Her hands open from the kisses a dove flies out. She says, "These are the souls of some of My Son's priests being released from Purgatory. I use doves to represent their souls to show purity. I love you My sons and daughters with a love so strong that nothing on earth can break this love I have for you. I thank you again for coming here to pray with Me for My Son's priests. Pray that they hear My call to them. I am here for them always. Anytime they call to Me here I will come. I cannot refuse them My love."

Second Sorrowful Mystery, The Scourging at the Pillar, Mother Mary says, "Be still, listen and rest My child. Pray this decade with My people. Tell them I love them and that I am placing a special blessing of protection upon their children. Let them be children, let their innocence shine forth for the world to see. Do not be afraid for I am protecting their souls. They will come to Me when I call and I will surround them with My love. They bring joy to My weeping heart. Tell them of My love for them. Just as I love them so does My Son, Jesus. Teach your children of My Son Jesus' love for them. Teach them to pray and offer daily deeds to My Son Jesus for priests. Teach them not to be afraid of His love."

Fifth Sorrowful Mystery, and the first Glorious Mystery I smell roses. For the two priests who are present, Mother Mary says, "My sons I have

looked into your hearts and found myself there. You are My precious sons and I love you and keep you within My Immaculate Heart. Do not give up. Continue to tell your brothers of My Presence here in this special place. I am here for you all. I bring a new hope to place into your hearts. I bring refreshment for you spirits and a renewal of your faithfulness to God the Father. My Love will shine forth from you wherever you go in My Name. It will shine so bright that others will see My Presence within you, as I have. I love you. I love you my most precious and devoted sons and I thank you for coming to Me today. Your Mother."

From Our Father "Do not be afraid to come to Me, I am your Father. I can forgive all, you need but ask. I love you My sons, My daughters also. I bring your burdens into My Self. Your Father."

"I will bless all of the articles here. I bless all Wedding and engagement rings and each person wearing and honoring them and the homes they share."

*Received by a bride from another area, Lin*

All of a sudden Padre Pio's statue appeared to come alive. The statue looked directly at the two priests present. Our Lady is standing beside him. She is Our Lady of Fatima without a crown. Her garments are moving in the breeze.

At the first Joyful Mystery, The Annunciation, I am very aware of all the people around me praying. Our Lady begins to speak, "Oh! My children, My beautiful children. Oh! How happy it makes Me to see you all here praying for My beloved priest sons. Thank you My children for praying for My priest sons."

At the third Joyful Mystery, The Birth of Our Lord, I see Our Lady as Our Lady of Divine Grace. She was larger than the room. Her mantle spreads out over all here present. Our Lady then said to four people present from Texas, "Thank you for your yes to Me and My Son. Touch the lady directly behind you. She is My special daughter. My Son has given her the great gift of love. Continue to write My child. As My Son gives the gift of love to you and others He asks you to give that love to others."

At the fifth Joyful Mystery, The Finding of the Child Jesus in the Temple, I see the roof disappear and us being joined with all those who are praying all over the world for holy priests. Our Lady then says, "I am joining you to all those all over the world who are praying for priests at My request on this day. My Son and I touch each person here today at My request, with great and many graces. Many graces are needed at this time to be holy and pleasing to God, The Trinity."

At the first Sorrowful Mystery, The Agony in the Garden, Our Lady says, "Pray and ask your angels to help you be holy. Listen to them when they

tell you to be good. Your holy angels see your Father face to face and pray for you." I see Our Lady as Mother of Divine Love. She has Her crown on and says, "I am your Mother, Queen of Divine Love, Patroness of All Priests."

At the second Sorrowful Mystery, The Scourging at the Pillar, Our Lady speaks, "My sons, My priest sons, thank you for coming here today at My request to pray for your brother priests. Thank you for your yes to My Son's call and My call. I love you. Your brother priests need your prayers. Many blessings go out to your brothers for your charity of heart by praying for them. Encourage your flocks to go to Adoration and spend time with My Son. This is what is needed for hearts to change and become close to My Son so they can spend eternity with Him. Oh! My priest sons who aren't here, you are missing so many graces I bring here for all of you. Where are you! I love you. I wait for you. Come back to Me. Come back to My Son. Time is running short."

At the fourth Sorrowful Mystery, The Carrying of the Cross, Our Lady speaks again to her priest sons, "Why do you do your own thing! Abandon your wrong direction and stay loyal to the Holy Father, My son John Paul II. He prays for you daily. Do not squander these graces My sons. Get back on track. Teach the true faith. Oh! My faithful sons who are teaching the truth, Oh! How I love you. I am with you. You are never alone."

At the fifth Sorrowful Mystery, The Crucifixion, I see Our Lady so very sad. She says, "Oh! My wayward sons, My Son suffered and gave His all for you. He doesn't want to lose you. Wake up! Get back on track."

At the first Glorious Mystery, The Resurrection, Our Lady then speaks, "Oh! My children, My precious children, I love you. Thank you for coming today to pray for priests at My request. Many graces are being sent from Heaven to you all. Many priest's hearts will be turned in the right direction because of your prayers. You are beginning to see the fruit of your prayers. I love you My precious children. Many of you have put all aside and come today to pray for My priest sons. Thank you for your yes to My call. I love you. I am with you. I am with you in a very special way. Yes! All those all over the world who are praying for priests today at My request, answering My call." Again I see the devil fleeing as we pray the Rosary. I have seen this before on previous visits of Our Lady.

At the third Glorious Mystery, The Descent of the Holy Spirit on Our Lady and the Apostles, Our Lady says, "Continue to write my child. Many graces are going to all here today. These graces will go out to all you meet. You will bring My love to all you meet in a special way. My visit to you today and the graces it brings will bring you closer to My Son, to the Most Holy Blessed Trinity. Your prayers are heard by all of Heaven."

I see Our Lady as Mother of Divine Love. She is very beautiful. She is dressed all in cream color. She has Her crown on. It is beautiful with its seven

points and the Chalice on the front with the Eucharist just above the Chalice. Gold rays come out from the Eucharist. She is smiling and she says, "I love you My children. I love you. Your Mother, Mother of Divine Love, Queen of Divine Love. That is all for now little one. Thank you My daughter for your obedience. Thank you for writing."

# March 2001

## March 10

*Claire Rose writes:*

Today the work crew came to start the form for the Holy Cross for Priests that both Jesus & Our Mother Mary have asked for since April 23<sup>rd</sup>, 1994. Today we see with our own eyes the fulfillment of Our Lady's promise to us if we are obedient to Jesus and to Her, for She speaks with one voice with Jesus, Her Divine Son. She promised to send helpers the same moment She first asked for this Cross to be built.

Father sprinkled Holy Water and prayed a beautiful prayer in which he mentioned the importance of a holy and strong foundation in our lives, for this mission and for the Holy Cross for Priests. He led us in a Chaplet of Divine Mercy for Priests. We were all standing on the cement foundation for the Holy Cross that was begun as directed by Our Mother on Christmas Day 1999. The cement in the ground, five cubic yards, was poured on Friday, January 14<sup>th</sup>, 2000.

I was drawn to kneel on a lump of cement that was by my feet. As soon as I knelt Our Lady came as Queen of Divine Love with Her Crown. Then She was Mother of Divine Love without Her Crown. Our Lady then became Our Lady of Lourdes, Our Lady of La Salette, Our Lady of Fatima, and last Our Lady of Medjugorje. Her clothing was moving in the wind. I saw the Holy Spirit as a pure white dove hovering above Our Mother in gold and red light. Then the Holy Spirit came out of Her Immaculate Heart. Then I saw Jesus as King of all Nations with His Arms wide open. I think this is the first time I saw Jesus under this title.

Next I saw Our Lady as Mother of Divine Love seated on a throne surrounded by white swirling clouds. She spoke: "My precious and most beloved children, I love you. I love you. I love you. I love you. I am with you. I will remain here until the Coming of My Son, Jesus. Thank you for being here today for helping Me."

1. Many of My priest sons will receive healing here, healing of their body, mind and soul, this is already happening.
2. Many, many of My priest sons will receive extraordinary gifts and blessings here.
3. Many, many vocations to the holy priesthood and religious life will spring from here.
4. Many of My priest sons who have left will return to Me.

5. Many, many priests' souls are being released today from Purgatory. This is a special gift due to your faithfulness in honoring My Son's Request to build this Holy Cross for Priests.
6. Many, many of My children will receive healing here, this too is already happening.
7. Many, many marriages will be healed.
8. Broken homes and hearts will be repaired and restored.
9. Families will be restored and reunited and they will come back to Me. All who can are to come here to touch this Holy Cross and pray for My priest sons.

"This is My solemn Promise to you. My Mission here will reach the ends of the earth."

"I am the Lady of the Rosary. The shadow of this Holy Cross for Priests will go around the world. I love you all My children with all My Heart. Your Mother, Mother of Divine Love, Patroness of Priests."

Our Mother was so beautiful, She always is, but I have never seen Our Mother more clearly as today. Her Mantle and Dress were just blowing and moving in the breeze. At times the wind would blow stronger, then become so still. At times a little bird would sing so clear. This often happens just before and during Her Visits.

Our Lady was with us throughout the day. When I came into the kitchen to begin to cook for everyone, Our Lady's statue, Mother of Divine Love, on my kitchen table "came alive." I knelt by her and sang to Her. I love Her so much, so much. After such a visitation I would want to go to rest either in our chapel or in my room. But, I cannot, so I am given the grace needed to cook or sweep or whatever it is that I must do.

Some of us worked outside in the bright sunshine, some of us gathered flowers, armfuls of wild iris, to place throughout the house and some of us cooked, all filled with peace and joy! I believe that we do not realize the full significance of all that is happening. We could not live our daily lives if we did, so God keeps our feet on the ground for here is where He wants us to be. A day like today is a moment of actually being together in Heaven while still being on the earth. We are so filled with love for God, for Our Mother and all the Saints and for one another.

*Lin writes:*

I am in Theriot, Louisiana today witnessing the beginning of the building of the Cross at Claire Rose and Buddy's house. Darrell and Everett came with the wooden forms already started on a truck and trailer. Randy came from down the bayou to help. Darrell had asked his Pastor, a holy priest to come and pray with the carpenters before they would begin the

construction of the wooden form for the Cross. After they finished unloading the wood from the truck and trailer, the priest, Claire Rose, Buddy, Aleta, Darrell, Everett, Randy and I (Lin) prayed at the site of the Cross. Claire Rose knelt on a stone made of cement.

Our Lady appeared and spoke to both of us. I saw Our Lady as Mother of Divine Love. She was very, very beautiful. She stood above us all and blessed each one of us with the sign of the Cross and stayed hovering above us all and said, "My children, you do not understand the magnitude of this Cross!" I saw many, many Holy Angels all around also. It was awesome.

After we prayed on the Cross Foundation, we came inside. Claire started the tape recorder with hymns to Our Lady. I felt Our Lady's presence so strongly I could hardly move. I sat in a chair near the statue of Our Lady, Queen of Divine Love and Claire knelt and sang some of the hymns.

Our Lady as Mother of Divine Love asked me to write. "My child, my daughter, I wanted you to be here for this DAY! I inspired my sons to come this day to start for many reasons. You will understand more in time. This is a momentous day. You will never forget it or will My son the priest or the rest who came to help. Trust My little one and continue to trust. All is going according to My Son, Jesus' and My Plan. Do not worry about anything. All is taken care of. We, Jesus, The Trinity and Joseph and I are taking care of everything. Simply remember each of you have a job to do. Go where We send you. Do not be afraid. We have prepared everything for each of you. It will be as My Son Wills it to be. Do not worry about anything. You are all in Our total care. You all belong to Us."

(I understood the 'Our', 'We' and 'Us' meant the Heavenly Trinity, Father, Son and Holy Spirit and the Earthly Trinity, Jesus, Mary and Joseph.)

"Oh! My Mother, I can hardly write, Your Presence is so full here today."

Our Lady said, "My child I am with all of you today in a very special way. You will only understand fully in Heaven when you are home with Me and with all the Saints and Holy Angels. I love you My precious children. You have many Holy Angels helping you today, and especially St. Joseph. I love you My children, I love you. Your Mother, Mother of Divine Love, Queen of Divine Love, Patroness of Priests. Now go type this up little one and share it with each person present. You will write more later regarding this day little one."

## **Last Saturday**

*Received by Claire Rose*

First Joyful Mystery The Annunciation Our Mother asked me to announce Her Presence. She came as Mother of Divine Love, all in flowing

creamy white with a gold edge on Her Mantle. She is surrounded by multitudes of Holy Angels and Saints. Today I see many priests among the Saints.

Fourth Joyful Mystery, Presentation of Jesus in the Temple, I see tears in Our Mother's Eyes. I see priests who are chosen from the moment of their conception to be presented and anointed as priests. I see some say no. I see some say yes, then leave. I see some holy priests spend their life in service, I see some in grievous sin. I am pierced, my heart hurts for I have grieved Our Mother so many times in my life. 'O Mother forgive me!'

"My precious child, I love you. All your offenses are gone, forgiven, for they have all been confessed. I cry today for My priest sons who are consecrated and who have gone astray. The world and all it offers has pulled them into sin, some very grievous. I love you My beloved sons. I love you. I call you to return to My Immaculate Heart. Be converted My sons. O My beloved sons, I call you to holiness. I love you."

First Sorrowful Mystery, The Agony in the Garden, Our Mother continues: "Remember, My beloved sons what My son Jesus suffered for you. Some of you even mock My beloved sons who love Me."

Third Sorrowful Mystery, The Crowning with Thorns, I was feeling Jesus' suffering in each of these mysteries and could barely stand to hear and see what Our Mother was showing me. She continues: "In many parts of the world My beloved holy sons are persecuted and martyred for being faithful to My Son Jesus. Do not grieve My Heart any longer My beloved sons. Come home to Your Mother. Come...give to Me your heart. I love you."

I saw many holy faithful priests being persecuted, humiliated, falsely accused, in prison, and being killed, hacked to pieces. But at the same time I also saw priests who had every good thing, who were living like kings yet were in horrible sin. Both caused me terrible suffering. I cannot explain all I saw and felt.

Our Mother then asked "Please increase your prayers for Our Holy Father John Paul II. I love you. Your Mother."

"My precious and most beloved children, I love you. Thank you for responding to My Call. I have chosen this house for my very own. I have come here for a special purpose for My priest sons and to honor this home, this family. By My Visitations here I honor all homes, all families consecrated to My Immaculate Heart. I come here for My priest sons and for all My children, to honor all My children. So many families are in crisis. Turn to your Mother My children. I am here for you."

"Pray. Pray. Pray. Pray for My priest sons. I am calling all My priest sons and My children to come here, who can. Come to the Holy Cross for Priests. Thank you My beloved children for loving Me and My Son Jesus. Thank you for all who have helped in My Mission. Extra-ordinary graces and

blessings are being given each one of you present today. I love you. Those who desire to come here but cannot will be generously blessed. I love you, My children. Your Mother, Lady of the Bayou, Mother of Divine Love."

*Received by Leslie Therese*

I see Mary, Our Mother in silver. Her Veil is sterling silver lace and I think how heavy it must be.

I see Jesus in white and cream with a shadow of His Cross behind Him. There is a glow from His Sacred Heart and His Arms and Hands are spread open to encompass us all. "I too am here with My Mother for the salvation of My brothers. Come to us for renewal and unconditional and unending Love."

I started to ask Our Mother Mary to bless...She knew my thoughts before I could even ask. "I bless all articles brought here today and shower blessings on all who brought or made them."

"My children, thank you for coming. I am again blessing all wedding bands today. I am sending all here home with special graces for what is to come. Pray, pray My children. Lend your goodness to all. Share and do all you can for the spreading of this mission. Pray daily for Our priests. Offer up all things in My Name for holy priests and most especially for those who have lost their way, to come to Me here and find their way back to My Son. Thank you again for all you are already doing for Me and in My Name. I love you My children as only a Mother knows."

"Let the children play and sing it brings great joy to Heaven. Pray like children in innocence and purity. Teach them to pray for priests in each little thing they do. Teach them to be modest. Praise them in their purity. Teach them gratitude and holiness. Pray for the children of the world to think of others and not only of themselves. Pray for the schools they attend to teach your children to care for and have compassion and feelings for other people and children."

I see Our Mother touching everyone in and outside the house. There are crosses everywhere. White shadow crosses. There are droplets of water being poured out upon us all. Each one shines like a diamond. I was told that these are special graces.

Our Lady speaks: "Thank you to all of My Josephs. Continue to care for and keep safe all of your families. Bless your homes with Holy Water inside and out. Keep safe and holy the Sabbath."

I see Hosts (Eucharists) all over above everyone. Our Lady speaks: "My daughters, keep holy your marriage and your children. Teach them of My Son's Church and of His Love for them. Teach your children the history of this great Love He has for all of His people."

I see Our Lady of Guadalupe. She is watching us all pray with Her and She is smiling. Graces are being poured from Heaven. Blessings and healings also. Our bodies are being filled with Love and blessings. I felt the fullness of these blessings and healings.

*Received by a bride from another area, Lin*

At the first Joyful Mystery, The Annunciation, Our Lady speaks, "I am here My children. I am with you." I see Our Lady all in white. She continues, "My children, Oh! How I love to hear the Rosary in many different languages. Thank you My children. Thank you for coming at My request to pray for My priest sons. If you are here it is because you have answered My call to pray for priests. Pray now My daughter."

At the second Joyful Mystery, The Visitation, I see Our Lady as Mother of Divine Love. She has on Her Crown and is Queen of Divine Love. Our Lady speaks, "My child I come to you today as Queen of Divine Love, Patroness of Priests. Thank you for praying for My priest sons. It releases the grace necessary for My priest sons to be holy. The devil has made a war on all priests to make them fall and be unholy and displeasing to My Son and the Most Holy Blessed Trinity."

At the third Joyful Mystery, The Birth of Our Lord, Our Lady speaks, "Your prayers release the grace necessary to keep them holy. Continue to pray for our priests. Spread this message to others and encourage them to pray for their brother priests." I am very aware of everyone praying around me. Our Lady's Crown is very beautiful. It is gold with seven points and in the front is a chalice with the Eucharist above it and gold rays shine forth encircling the Eucharist.

At the fifth Joyful Mystery, The Finding of the Child Jesus in the Temple, Our Lady is crying. She is crying for Her priest sons who are in error. Our Lady says, "My children pray, pray, pray. Some of My priest sons are teaching error. They are not teaching the true Catholic teachings. Pray for these sons of mine. Pray for them to get back in line with the true teachings of My son. Many prayers are needed for this My precious children, many, many prayers."

At the first Sorrowful Mystery, The Agony in the Garden, Our Lady says, "I love you My children. Oh! How I love you. Oh! How My Son loves you. My daughters your prayers are very powerful. The devil cannot stand My Rosary. It is your powerful weapon, your protection of prayer against the evil one. It protects your families and all the world."

At the third Sorrowful Mystery, The Crowning with Thorns, I see a prison cell. It is dimly lit. As we pray the Rosary the cell becomes brighter. I do not know where the prison cell is in the world. Our Lady speaks, "My daughter it is a cell in China and in it is a priest who is suffering because of

the Faith. Your prayers help him bear his sufferings. Continue to pray now little one."

At the fourth Sorrowful Mystery, The Carrying of the Cross, I see the devil cringing as we pray and as we continue to pray the Rosary I see him fleeing. Our Lady speaks, "My children you do not know how powerful your Rosary is. Have courage My children. Do not give up. Persevere 'til the end. You will not be sorry. It is music to My Ears to hear the Rosary in different languages." Our Lady's demeanor became so gentle and loving when She said this.

Our Lady is here as Mother of Divine Love. She is so very beautiful. Her garments are a cream color and Her mantle has a gold edging. She is so beautiful. Her garments move in the breeze. Her garments are so soft and flowing. Our Lady continues, "Thank you My daughter for being obedient and writing."

At the first Glorious Mystery, The Resurrection of Our Lord, Our Lady speaks, "Oh! My children, Oh how I love you. You are so precious to Me. I join you to all those all over the world who have come together today to pray for priests at My request. There is a cry of prayer all around the world today for our beloved priests. Thank you My children for answering My call. I love you. My Son loves you. The Most Holy Blessed Trinity loves you. Your prayers are heard by all of heaven and will not go unanswered. Many graces are being released from heaven today as a result of your prayers. The fruit is starting to happen. You will begin to see the fruit happening before your eyes. I love you My children. I love you. My children I love to hear the Ave's in song."

At the fourth Glorious Mystery, The Assumption of Our Lady into Heaven, Our Lady says, "Oh! My children these graces go out to all you meet today. You bring My grace and love to others as you go out today. I love you. Yes I see the new persons today. My daughters thank you for answering My call. I love you. Your Mother, Mother of Divine Love."

Early in the morning Our Mother came as Rosa Mystica. She said, "I have many titles. I come here under all My Titles. I am always present. I am Queen of Angels, Queen of Saints, Queen of Prophets, Mother of all Hearts..." Our Mother named more of Her titles. Then She said, "Today someone will see Me outside."

After seeing the Cross in vision for seven years, I keep going to look at it. I can hardly believe it's real. You see I thought all this would happen after my death. Thanks be to God and to Our Mother for all those who helped in any way in fulfilling Our Mother's requests.

First Joyful Mystery, The Annunciation, Our Lady asks that I announce that She is already present.

Second Joyful Mystery, The Visitation, Our Mother came as Mother of Divine Love all in flowing white with a gold edge on Her Mantle. She is surrounded by golden light. Then I see Our Lady's mantle all red, soaked in Blood. She said, "My Son's Blood is Divine Love." I understood that when Our Mother stood at the foot of the Holy Cross that Her dress and mantle were soaked with Jesus' Precious Blood.

Third Joyful Mystery, The Nativity, Our Lady Speaks to the two priests who are present: "My Precious and most beloved son, I love you. I love you." I felt overwhelming Love, like a torrent of Love come from Our Mother through me to the two priests. I was pushed back by the power of this Love and almost fell. I continued to feel waves of Love go through me and over me to the two priests.

First Sorrowful Mystery, The Agony in the Garden, I see faces many, many faces of all those around the world who are praying for priests. I see a priest who is crying. He is abandoned and rejected. Then he is JESUS. Everyone has left him (the priest). Everyone has left JESUS. The priest and Jesus are ONE in a way that is reserved for priests alone. I am holding the foot of a statue of the Infant Jesus. The eyes of Jesus seem to 'come alive.' I said to Baby Jesus, "You knew, You already knew." Jesus said, "YES!" I said, "You already knew that You would have to empty yourself, You saw ALL, You gave ALL. Our Mother knew also, didn't She?" Again Jesus answered, "YES."

"At each place that I suffered, I suffered first for My priests, My brothers because you are most important, in the first place in My Plan of Salvation." Our Mother then Spoke: "A priest is sacred, set apart, yet in a human body."

Third Sorrowful Mystery, The Crowning with Thorns, Our Mother continues: "Your hands are consecrated for holiness. Thank you My two beloved sons for coming here to pray with Me for your brothers."

Fifth Sorrowful Mystery, The Crucifixion, As Our Lord Jesus was nailed to the Cross I was told "The Wounds in My Hands are for all the sins you commit with your hands. The Wounds in My Feet are for all the sins you commit with your feet and by going to places of sin. The Crown of Thorns are for all evil thoughts, all the sins you commit with your ears, your eyes and your mind. The Lashes to My Body are for all the sins you commit with your tongue, with your mouth, the sins you commit by dressing indecently, immodestly, all the grievous sins of the flesh you commit."

"The Lance Wound to My Heart, I gave all Love for your lack of love. All sin is a lack of Love, a lack of Love for Me, a lack of Love for others and a lack of Love for yourself. If you truly Love Me then you will Love the souls of those I suffered and died for, including your own. If you truly Love others then you will never sin with or against another. If you truly Love yourself then you will avoid all sin. Yes My beloved ones, ALL SIN IS A LACK OF LOVE."

I am standing at the Foot of the Holy Cross and Jesus is Speaking to His Apostle of Love, the beloved John and to all priests: "My priest I give many souls into your hands. I place My Mother in your hands, in your home and in your heart. What have you done with Her?"

I see thousands and thousands of priests through generations being given the same commission.

First Glorious Mystery, The Resurrection, Our Mother Spoke to me: "If you died this moment My daughter, you would be brought straight into Heaven because of My Son's promise of Divine Mercy to holy Faustina."

I saw clear water gushing forth from out of the ground here. Our Mother Spoke: "I have chosen this place. I have made it holy for the healing of My priests. I thank you all My beloved sons who have placed My Son Jesus at the center of your life, of your priesthood and your altar. I thank you for all the flowers you place around Him. I love you. I love you."

Fifth Glorious Mystery, The Crowning of Our Mother as Queen of Heaven and Earth, Our Mother continues: "Multitudes of Holy Angels and Saints are in adoration at every holy tabernacle where My Son Jesus is in residence."

I saw many holy priests and Holy Communion ministers holding Jesus in Holy Eucharist with much reverence, then I saw some who don't. I saw Sacred Hosts being dropped on the floor and stepped on. I saw Chalices half filled with Jesus' Precious Blood being poured down a sink as the person doing this just laughed and talked. This made my heart hurt.

Our Mother Speaks: "My precious and most beloved children, I love you. I thank you with all My Immaculate Heart for coming here to pray with

Me for your brother priests. Today is My twenty-fifth visitation here for My priest sons and for all My beloved children. I thank you all for responding to My call to you. I love you. I thank all of you for praying for your brother priests daily. I love you all. I thank you all who have helped Me in this mission. I thank especially all who have helped in any way to erect the Holy Cross for priests that I have asked for here. I bestow special blessings on you all today. I love you. I love you. I hear all your prayers and pleadings even those in your heart. I love you. Persevere My children in love. You will be filled more and more with Divine Love for one another. Walk in peace. I love you. Your Mother, Lady of the Bayou, Mother of Divine Love.”

*Received by Leslie Therese*

While praying with Claire Rose and the children outside I saw Our Lady all in white. There is a gold halo around Her Head and She is standing on a bed of pink roses.

For all My priest sons: “My sons I am always here for you. I still await your coming to Me for renewal. I have been sent here for you. I can refresh your bodies, mind and spirit. All can and will be forgiven by your coming here. I await your call to Me in this place. Many Graces await you here. You will receive the Graces you need for healing.”

For all My other children: “Listen, listen, listen My children for My voice. I am here for all to come home to. I can only be heard in the silence of your hearts. Be still and listen for My voice to call you to come to My Immaculate heart for blessings and graces to be poured into your spirit. Let the Agony of My Son Jesus not be in vain. Pray. Pray. Pray for your priests.”

During this last part of the message I see Our Lady all in white again, Her mantle is also white. She is wearing a crown made of red, white and blue jewels.

“For everyone again: My children I am so happy that you are continuing to come and pray for your priests. My sons need you to continue to pray for them. Continue to dedicate your daily deeds to them and you shall be rewarded with the many graces needed to continue. I am showering many blessings upon you now.”

At this time I see Our Mother Mary in white and gold, and I can see these blessings pouring out to everyone here. I asked Our Mother to bless the chaplets for priests that I had made and all of the Rosaries and other religious articles that everyone had brought here.

She said: “I Bless all here and everything they have brought. I Bless again all wedding rings. Keep your marriages holy. I am also blessing all of the new children with an extra angel to watch over them as I have done before for all of the other children who have come to Me here.”

“My Josephs keep strong your faith in My presence here and I will keep strong your houses. Many holy angels and saints are guarding you and protecting you all.”

“My little ones, I love to hear you sing and pray. Listen well to your Mothers and Fathers for they love you as I do. Parents keep your children close to you. Teach them of My Love for them. Teach them of My Son's Love for them and how God loved them so much that He gave His Only Son for the salvation of all our souls. Thank you again for coming to pray with Me for My priest sons. Mary Immaculate, Mother of Divine Love.”

*Received by a bride from another area, Lin*

At the fifth Joyful Mystery, The Finding of Our Lord in the Temple, Our Lady takes me to a dark prison cell. As we pray the cell becomes lighter and lighter. I hear loud yelling and then groaning and then complete quiet. I see no one in the cell. Our Lady speaks, "My children pray. Your prayers are their hope. Pray My children. Release the grace necessary for them to go on." Dear Lady who are the 'them'? "My children they are priests imprisoned in China. Continue to pray My child." This is the second time Our Lady has shown me this, only this time there was sound.

At the first Sorrowful Mystery, The Agony in the Garden, I am receiving terrible distractions as I pray today. Our Lady says, "Continue to pray little one. You will not be sorry. Tell your sisters to do the same. Tell all you meet to pray for priests and to offer their daily sacrifices for them."

At the second Sorrowful Mystery, The Scourging at the Pillar, Our Lady says, "Fast My dear children. Fast on Monday and Thursday if you can. If you cannot fast from food, fast by dying to self, by little sacrifices from daily duties in My Beloved Son's Name for our priests. My child thank you for your yes to Me and My Son."

At the third Sorrowful Mystery, The Crowning with Thorns, I see Our Lady very large, as tall as the room. First I see Her as Our Lady of Divine Grace and Then Our Lady of Guadalupe and then Our Lady as Mother of Divine Love without a crown. Now She is with Her Crown and She says, "I am your Mother of Divine Love, Queen of Divine Love, Patroness of Priests. I come to you today as Queen of Divine Love, Patroness of Priests." Her figure is so large that it encompasses all of us inside of it. This is very hard to explain.

At the first Glorious Mystery, The Resurrection, Our Lady speaks, "My children I am blessing you in a very special way. Thank you for praying for your brother priests. Time is short, My children. I join you with all My children all over the world today who are praying for priests at My request. Thank you for answering My call."

At the second Glorious Mystery, The Ascension, I see a band of Holy Angels surrounding us. I then see a vision, clearer than I have ever seen a

vision before. I see an eagle settle on the top of a white dome. On top of the white dome is a circle that looks like a creme colored skull cap or Jewish yarmulke. Then I see a gold colored sword with a pattern engraved on it appear on top of the circle on the dome. The sword has blood on it. Then I see the eagle fly away.

At the fourth Glorious Mystery, The Assumption, I then see Our lady hovering above the white dome with the circle on it. Her Hands are outstretched to us, pleading for us to pray. She then speaks, "My Son is coming soon. Prepare yourselves. Keep yourselves close to My Son. Go to confession frequently. Receive My Son frequently. (I understood this to mean Jesus in the Eucharist.) The devil is prowling like a roaring lion, looking to devour all he can. Keep yourselves holy and close to My Son. Pray for your priest brothers to be holy and set a good example for you, to deny their selves and take up their crosses for their flocks. Pray! Pray! Pray for them My children."

At the fifth Glorious Mystery, The Coronation of Our Lady, Our Lady speaks, "Oh how I love you My children. Always remember I am with you. Know that your prayers are heard in heaven. All of heaven prays with you at this time. I love you My precious children, My prayer warriors. Thank you My precious, precious children for answering My call. Many graces go out to you today and to all you meet. Your bring My love and grace to many. I love you, Your Mother, Mother of Divine Love, Queen of Divine Love, Patroness of Priests. Thank you My children for answering My call. I am with you. Continue to pray My child." We then said the chaplet of Mercy for priests.

When Our Mother first began Her public Visitations I thought She would find us another house to live in. Well it's been two years since Her first public Visitation and we are still here in our house that I now call Mary's House.

She had said in 1987, "Your house will become a holy dwelling place where many priests, even Bishops will come and be healed. Get a room ready for Me."

Being a very practical person, I cleaned the front bedroom, ceiling to floor, I even washed the curtains. I didn't really understand what Our Mother meant. In time I came to realize that She meant my soul as well as my physical house. In the fourteen years since that message, Our Mother has sent many of Her children to stay in that room.

A few days ago before the Last Saturday of April 2001 Our Mother said: "My beloved child, I am here to dwell with you. I didn't come to push you out of your house. I came to be with you. I thank you that you have given your house to Me, but I do not want you to dwell elsewhere at this time. I

have come to stay here with you. I come here to fulfill God's Plan for the Restoration of His Church. I am Mother of His Church.”

“I come here to sanctify this home, to show the world the sanctity, the sacredness of the home. You will not have to move out of this home because I have come here. I have come to this home to show the world that a home is a sanctuary, a safe refuge and haven. Woe to those who destroy a home that God has established through the Holy Sacrament of Marriage. I have come here for My priest sons and to honor the home and all families. From families come holy priests and religious crucial to the Restoration of My Son's Church. I love you all My children, shepherds and sheep. Your Mother, Mother of Divine Love.”

## **Ascension Thursday – 9th Anniversary**

We are still reflecting on the beautiful events of Ascension Thursday, our 9th Anniversary as a Blessed Apostolate. We want to share some of this with you.

About two hundred were present including four holy priests. Confessions were heard by three of the priests. At 1p.m. we all gathered around the steps of the Holy Cross. The Cross is thirty-three feet high in obedience to Jesus and Our Mother. It is very beautiful with a thirty-three-foot eight-sided plaza surrounding the outside of the three steps that also each have eight sides. The three steps represent the Holy Blessed Trinity.

Someone brought a most beautiful bouquet of fresh flowers of every description and color. One of the priests present Dedicated the Holy Cross for Priests. He prayed beautiful prayers and read the Promises that Our Mother gave to us on March 10, 2001. An altar for our Holy Anniversary Mass had been set up under the trees near the Jesus Shrine in view of the Holy Cross. Nearby on a table covered with a cloth, stood the statue from my kitchen table of Our Lady, Mother of Divine Love. The same priest then officially Crowned Our Lady, Queen of Divine Love, Patroness of Priests. We sang "Hail Holy Queen Enthroned Above."

Holy Mass began. Four holy priests concelebrated the Holy Sacrifice of the Mass for us on this special day of joy! The weather was beautiful, sun shining, blue sky, with a cool breeze. Our Lady appeared and stayed over the four priests through most of the Mass. Our Lady Appeared as Queen of Divine Love, Patroness of Priests. She was all in flowing white, Her mantle like a bridal veil. There was an edge of liquid, living gold along the edge of Her veil, mantle. I could see Her bridal veil touching the priests throughout Holy Mass. She was so happy to see them. A special light, an inner glow, touched each priest. Our Mother said that each person present would receive an extraordinary grace. After Holy Communion six of us renewed our vows as victim souls for priests, including one of the priests.

After Holy Mass one of the pilgrims presented to Father, the victim soul priest, a beautiful green vestment and stole with gold crosses. Today is his twenty-first Anniversary as a priest. Then a beautiful lady from Texas presented a sculpture to Father, to be kept here at the "priest's shrine." It is of priest's hands holding a golden chalice with the priest's stole twined in his hands. Above the chalice are two beautiful white doves.

She gave this in thanksgiving to Our Lady and Jesus for the miraculous healing of her grandson through using the water from Our Lady's holy well. He was injured by a hit and run driver, while riding his bike. He was in intensive care, not expected to live. The doctors said that if he lived he would be like a vegetable because he had so much brain damage. They called us for prayers. Our Lady said to bless him with the healing water from the holy well.

Immediately his grandma went to the hospital with the well water. The nurses helped to wash him with the water. He made a miraculous and complete recovery, thanks be to God! The nurses used the water on other patients after they saw this. We had a gift for each of the priests, a picture of Our Lady, Queen of Divine Love, their Patroness. We were so taken up in what was happening that we totally forgot to give them their gift.

The awesomeness of having four priests celebrate Holy Mass and bring Jesus to us was a tremendous gift! We are so grateful to God, to Our Mother and to these four holy priests for their kindness to us! We all shared a meal after. An Anniversary we shall never forget.

## **Last Saturday**

*Received by Claire Rose*

Crowning of Our Lady on the Bayou as Queen of Heaven and Earth: At 1:30 we gathered near the Holy Well and Stations of the Cross and Father led us in a beautiful crowning ceremony with readings from Holy Scripture. We sang a few hymns to Our Lady including a new one "Queen of the Bayou." After the crowning of Our Lady of the Bayou I invited the little children to come by the swing under the oak tree to pray with me for holy priests.

As we prayed "Hail Mary's" Our Lady has come to be with us. She is very, very beautiful. She says, "Today My little children I want to say I love you, I love you, I love you. Thank you for coming and I want to thank your parents for bringing you. I will give you healing to your souls. Come to Your Mother. I love you. I love you. I come here for all My children."

I see Our Lady touching each one of the children and each one will be healed. There are two little boys being called to be priests and I see three little nuns in habits. One of them I recognize. I've never seen most of these children before. She says to the children "Do not be afraid. I love you." Our Lady is all in white, Queen of Divine Love and she is spreading Her bridal veil over all Her little children. Her bridal veil has millions of tiny pearls. Each one represents one of Her children.

First Joyful Mystery The Annunciation Our Lady asks me to announce Her presence and to say that many will feel Her touch today. I saw Heaven open just over us and multitudes of holy angels of all sizes and saints

come down to us here like a flooding, a stream. Then I saw Our Mother as Queen of Divine Love. Jesus in the white host on Her crown shone like the sun. Beams of light came from the Chalice on Her Crown.

Third Joyful Mystery, The Birth of Our Lord, in obedience I write, "I am always here for you My beloved priest sons. I am calling you here as never before. There is an urgency in My Call today. You will understand in time the magnitude of My Call to you. Come home to your true Mother, My beloved priest sons." (I understood that some priests are following a false mother.)

"I call you in Love. I call you in Peace. I call you to Peace, a Peace that the world and all it offers cannot give you. I love you. I love you. Be still My sons and you will hear My cry to you. Listen for My Voice. I am a gentle tenderhearted Mother and I call you to come home to Truth. Come home. Some of you have wandered far, far away. Come back. Come home to your Mother. I will take you to My beloved Son, the Great High Priest, My Son Jesus. My beloved sons, I love you. You have been called and chosen to be holy shepherds. Some of you have gone astray. Come home."

First Sorrowful Mystery, The Agony in the Garden, then Jesus speaks, "Yes My beloved religious, there are those who make a mockery of you and of Truth, but remember what they did to Me, and I was God. I am God. Their days of mockery will soon be over. I am crushing out evil with the prayers, suffering and sacrifice of My children. My Rule will prevail. My Holy Church will be made whole and one. You will see soon this begin to take place. I have not abandoned My Church. I am not blind. I See! I See! And I AM! I AM the Head of your order. I have not forgotten you. I will never forget you. Your suffering is the weapon I am using to cleanse the evil." Then Our Lady Speaks, "Pray for My holy son John Paul II."

Second Sorrowful Mystery, The Scourging at the Pillar, I see many martyrs shedding much blood from the past and into the future. They are being cut into pieces, horrible suffering. I cannot bear to see this and close my eyes, but still I see.

Then I see Jesus in the Holy Eucharist glowing all over the world in Tabernacles, in Monstrances, in Adoration Chapels and in priest's hands, Jesus coming alive! Our Mother asks me to share with you that I have seen this many times and in many places since 1987.

Third Sorrowful Mystery, the Crowning with Thorns, I experience much suffering both physical and interior. I feel very weak. At times I am taken away.

Fourth Sorrowful Mystery, The Carrying of the Cross, I am very weak and about to fall and die. I am so weak. I can't go on. Our Lady says, "your sufferings will cause a priest to be delivered now of many evil spirits." I am so weak and I begin to thirst. 'All for Thee Sweet Jesus, all for Thee, Sweet Mary.'

Fifth Sorrowful Mystery, The Crucifixion of Jesus, I thirst. I thirst. Intense suffering continues until I can bear no more. All is over. Done.

During Glorious Mysteries, Our Lady asks, "Write for My precious and most beloved children. I love you. I love you. I love you. I love you." I was overwhelmed by LOVE. "Thank you My little ones for coming here to pray with Me your Mother. I love you. I call you here to love you. I fill you with My Love for you. All Love comes from My Divine Son, Jesus. I am but a vessel of His Love, like the Chalice that holds His Precious Blood, like the Golden Tabernacle that hold His Precious Body, His Heart of Love."

"My Son's Love will heal you, My beloved children. Open your hearts. Open your hearts to Love, to Divine Love. All will be healed in your bodies, in your minds, and in your souls. Your life on this earth My children is a preparation for Heaven." I experience intense union with God. "My Son desires to share with you His Divine Heart, His Precious Blood. Go and be cleansed in Confession My beloved ones and receive Him in Fullness after this cleansing. I will help you. Always I will help you."

"Come let Me love you. Let Me fill you with all Grace. The prayers you pray between the Mysteries bring comfort to My Heart and the Heart of My Son. When you say the 'O Sacrament Most Holy, O Sacrament Divine, All Praise and all Thanksgiving be every moment Thine,' it brings comfort to My Immaculate Heart for all the sacrileges and desecrations which take place daily in many churches and other places. When you say 'Blessed Be the Holy and Immaculate Conception of the Blessed Virgin Mary, Mother of God, Mary Most Holy' it brings comfort to the Sacred Heart of My Son, Jesus for all the attacks against My Purity and Perpetual Virginity. I thank you. I bless you and I love you. Your Mother, Mother of Divine Love."

*Received by Leslie Therese*

I see Our Mother Mary in a white mantle with a maroon dress. She is wearing a gold crown. I then see Jesus on the cross with hundreds of people there. Jesus speaks, "Bring to Me all that you have done. There is nothing that you have done that I cannot forgive, for I love you and for those you love, you forgive all. Love each other as I have taught. Pray for each other and with each other. Look upon everyone you meet with My Love and you will see Me smiling back at you from many faces in Love."

"Allow yourselves to come to Me for all of your needs. I am always here for you when and where ever you call to Me. Many will be healed today for their faith in coming here to Me and My Mother. Continue to pray for My brothers" (priests). "Pray for their protection. Pray for them to teach only the Words My Father has sent to them for teaching in His House. Come to Me My children. I am here to comfort and heal you with My Love for you."

Our Lady speaks to her priests, "My sons you are truly gracious for coming here to Me. Pray for your brother priests. They are becoming the world's victims. They are caught up in worldly goods and worldly wants. Pray, pray, pray My chosen sons. You are My most precious sons. Your faith and goodness have brought many to My Son Jesus, My Lord. You have given many a place to go for comfort. Thank you My sons for you are truly loved. Your devotion comforts Me. Your gentle love for My people astounds Me. I hear your voices in prayer and song and you bring joy to My Immaculate Sorrowful Heart."

"I love you My sons and I have heard your call to Me. I am here in this place for you always. Come to Me My sons. I will renew and refresh all who come to Me here in this special place. Our Lord chose this place as a place of comfort for all of His sons. His children come here to pray every month for you. Come to Me My sons. I await you here. Come home to your Mother. Listen for My Call to you here. Listen My sons, listen to My people. Listen to them pray for you."

Then Our Lady speaks to Her children, "My children, your voices bring much joy to My Heart. Your voices, while praying and singing, fill Heaven."

Fourth Sorrowful Mystery, The Carrying of the Cross, Our Lady continues, "You are even heard in the silence of your hearts and minds. I look upon you with love and shower like rain many Graces and healings upon you at this time. Many will feel My Touch upon them and their hearts, minds, bodies and souls. I Love and bless all who have come to Me here. I bless all wedding rings and marriages and all of the children of these. I bless all of the children whose parents were led astray by satan, they will return to Me. My Love for them will heal all the wounds left behind and they will walk to Me free from pain and sin, if they seek reparation for their sins through Confession."

"Go to My priest sons often for Confession. Teach your children to pray and receive My Son through Confession and Communion. My Son Jesus forgives all who come to Him in this special way. Pray for your priests to offer Confession to My people. They are in dire need. Pray that your priest preaches the importance of this Holy Sacrament," (Confession) "many are in need. Pray, pray, pray that your priests continue to preach the correct and holy Words God has sent to them for His people. Thank you My children again for all you do for My Son's priests. Continue in My Name to do all you can for them. Continue to give every moment of prayer you can for them. Pray for those who have dedicated their lives to do this for Me. Thank you again for coming here in faith every month on this Last Saturday."

Our Lady then speaks to the little children. "My special little children, I Love you. I love to see and hear you here. You are truly My Heart.

I see all that you are doing. Even though you do not understand, still here you are praying, singing, laughing and playing. You are to Me as beautiful as a butterfly or the sunshine after a rain. My little ones I Love you with a Mother's Heart, full of love, joy, happiness and the gentleness of a butterfly's wing or the breath of a new born baby. My Baby Son Jesus' sweet and gentle breath, the breath of purity and innocence. Oh! That they could stay this way always." While Our Mother was saying this I was brought back to the first moments after my own baby boy was born.

"Parents keep your children innocent for as long as you can. Teach them of God's goodness and Love. Also teach them forgiveness and patience. They are the future."

I see the statues of Padre Pio and St. John Vianney both seemed to "come alive." They prayed with us. Millions of Angels and Saints prayed with us also. I see many, many gold crosses. Each new child here today has received an extra angel, an angel of protection. I feel that there is a man here who is thinking of becoming a priest. "PRAY FOR POPE JOHN PAUL II. Your Mother, Mother of Divine Love."

*Received by a bride from another area, Lin*

We came in the house to start the fifteen decade Rosary for Priests. As we started to come into the house I saw the most beautiful vision. Our Lady walked in with us. She was in transparent garments that looked like water, yet you could not see through them and they flowed softly in the breeze. She was so beautiful and She brought so much peace.

At the first Joyful Mystery, The Annunciation, Our Lady says, "My child I am with you. I come here for you and for all priests of the world." I see Our Lady all in white. She is very beautiful.

I see the most unusual sight. I see Our Lady float at the top border of the room and stop over the two nuns present and stay hovering there a few seconds and then float back over us.

At the third Joyful Mystery, The Birth of Our Lord, Our Lady says, "My little one I wish you to write. There are many people here today who will receive healing, Spiritual, Emotional and Physical. I bring many blessings here today. I especially bless those who are praying all over the world today at My request to pray for priests. I join you all together in one river of prayer for priests."

At the fourth Joyful Mystery, The Presentation of Our Lord, I was taken away. There was no sound around me, just tremendous Peace.

At the fifth Joyful Mystery, The Finding of Our Lord in the Temple, I see a vision of Our Lady in blue and white over the top of a person sitting behind me. Rays came down from Her Hands. She asked me to touch the lady

and "Tell her I love her. There is another lady to your side, touch her and tell her I love her."

At the first Sorrowful Mystery, the Agony in the Garden, Our Lady said, "Touch the priest behind you." Our Lady told me to do this three times before I was able to do this. I'm not sure why I was hesitant. She then said, "Thank you for being obedient My child. He is receiving many blessings. I am with him. Touch the lady to your right, I am giving her My love." Many angels are all around us. I see the devil cringing as we pray and then fleeing. I have seen this before.

Our Lady is here in blue and white. She says, "My children, My dear children, I love you. I love you. You are My special children. Because of your prayers many priests are being called at a young age. A new wave of holy priests who will be true to My Son and teach the true faith. Pray for My holy priest sons. They need your prayers so desperately to stay holy. I love them."

At the fifth Sorrowful Mystery, The Crucifixion, Our Lady says, "Pray for My priest sons who are not holy and who are doing their own thing. Pray for them to turn back to My Son and uphold their allegiance to My Son. Turn back to My Son, My dear priest sons. Turn back before it is too late. I love you. I do not want to lose you to the evil one. Turn back, I beg you. Turn back."

My attention is then brought back to the statue of Padre Pio. It appears to have come alive. It seems he is looking directly at all of us. I feel great peace. Our Lady says, "I bring you the peace of My Son. My child, this Mission and this place is a refuge for priests. Many priests will receive healings here. Many priests will receive blessings and graces from this Mission. The prayers from this Mission will release many graces for the whole world. Priests will be made holy because of these prayers."

I see Our Lady, Queen of Divine Love with Her Crown. She is so beautiful. She is in creamy white. Her gown and mantle are flowing softly in the breeze. She is so beautiful. She moves all around the room blessing people as She goes. She then says, "Yes! little one many blessings are happening here today. Very special Blessings. All in heaven are praying with you today. Your prayers are heard by all of Heaven."

At the second Glorious Mystery, Our Lady says, "Oh! My children I bring you My love and My Son's love. I come here to ask you to help Me spread this mission of love for the priesthood. Spread this mission by telling all you meet to pray for our dear priests. I need your help My children, I need your help. Prayer is desperately needed My children. I am counting on you. I know you will not fail Me. I love you. My Son loves you. We are with you. Thank you My precious children for answering My call. Many blessings go out to you and all you meet today. I love you, Your Mother, Queen of Divine Love,

Patroness of Priests. Continue to pray My child." I have been in a lot of pain today, but somehow it is tolerable. Thank you, Jesus.

At the fourth Glorious Mystery, I see Our Lady as Queen of Divine Love. She becomes larger than the room and envelops all of us within Her. It seems we are all inside of Her, each soul here. She is protecting us with Her love. Her mantle covers the whole earth and is Her love. This is very hard to explain. Her garments change to white and yellow, bright yellow. Her love seems to permeate the whole world like water does when it floods, a flooding of love. She is so beautiful. She is pure love. It appears that Padre Pio is looking straight at the priest and brother present. Our Lady is now above the top of someone present. She is in blue and white and Her garments flow softly in the breeze.

About noon I walked alone in the rain to the bayou to speak with Our Mother at Her bayou side Shrine. I watched as water drops fell on the surface of the bayou. The sun was out but the drops were still falling. The fish were jumping in the bayou. I felt like I was being sprinkled with Holy Water. Our Lady Spoke: "These are tears falling from Heaven for all the souls who are being lost because they are going in the wrong direction. I need your help to save these souls. By praying for priests this will be accomplished."

First Joyful Mystery, The Annunciation, Our Lady asked me to announce that She is present. All Heaven opened and multitudes of Holy Angels, Saints amid floating and tumbling roses carried Our Mother, as Queen of Divine of Divine Love. Her dress and mantle were white and flowing. Her mantle was edged in a liquid living gold. On Her head was Her beautiful Crown as Patroness of Priests. Her Hands were moving. She was smiling. As She looked around at all who were here I saw Her face and hands change skin color. I saw Her as many different colors and nations. She continued to look at everyone and She was happy.

Our Mother speaks to all priests: "My priest sons, I love you. I grieve over some of you. You have gone away from your true Mother. You have gone away from My beloved Son, Jesus. I love you My shepherds. To Me you are My own little lambs. Please return to your own Mother. Return to Me. I will help you. I am awaiting your return to holiness. I await your return to wholeness."

Our Mother speaks again to the priest who is present and to the one whose face I see: "My beloved son, a door will be opened for you to respond to My Call. Walk through in complete Faith and Trust. I love you." I hear and see many deliverances from illness and evil spirits taking place here and in other places because of our prayers.

Our Lady continues, "My beloved priest sons, you are My Hands and My Heart in this world of grief, of pain and of sin. My Hands are broken. Please help Me to mend My Hands. I need you all My sons. I call. I call. I love you. I am here for you."

First Sorrowful Mystery, The Agony in the Garden, Our Lady speaks, "Each time one of My priest sons returns to My Immaculate Heart, My Immaculate Heart Triumphs! You begin to understand the Triumph of My Immaculate Heart. A wave of LOVE is sweeping the earth, Divine Love. I love you. I call you to holiness. Live a simple life and leave behind all that

keeps you from Me and from My Son Jesus. I love you. Listen, be still, you will hear My voice in your own heart."

Second Sorrowful Mystery, The Scourging at the Pillar, I saw the most beautiful big white rose bud and I watched as it grew bigger and bloomed.

Third Sorrowful Mystery, The Crowning of Jesus with Thorns, Our Lady Speaks, "There is a hidden treasure in your suffering. A gift of the finest kind."

Fourth Sorrowful Mystery, The Carrying of the Cross, I am asked to pray the deliverance prayer. I asked St. Benedict, Our Lady and Jesus to come and please deliver all who needed it, including myself if I need deliverance of any kind.

Fifth Sorrowful Mystery, The Crucifixion, Jesus came alive on the cross, and said, "Embrace your cross. Kiss your cross. I kiss your lips. I love you My beloved bride." I was taken away to a place in China. A priest was being physically tortured for our Faith, for Jesus.

First Glorious Mystery, The Resurrection, I see Our Lady in a Mantle of Light.

Second Glorious Mystery, The Ascension, Our Lady speaks, "My precious, precious little children, I love you. I thank you for coming here to pray with Me. I am your Mother, Mother of All Hearts. I love you My children. That is why I continue to come to visit you in so many places. I come to you in total obedience to My Son Jesus, to Our Father and to My Beloved Spouse, The Holy Spirit. I come to this little unknown place for your benefit My children, for the benefit of your souls, for the souls of your children and grandchildren. I come in Love. I come here to ask you to pray for My beloved sons, Our priests. I give them to you My children. I need your help. I ask today that you increase your prayers, your sacrifices and offerings for Our priests. I ask this in no other place as I ask it here. I desire that a Shrine for Priests be erected here. I will guide you."

Our Lady then turned to me and said, "Your house has been chosen to be a place of healing for priests." She continued "Many priests, even Bishops will come here and receive healing. My beloved children, I need your help. Your prayers, your offering of suffering, joy and sacrifice will release all the graces needed for this healing to take place."

"There is much evil in the world, as satan has declared all-out war on My priest sons and on all My children. his plan is to take as many souls as he can away from My Son Jesus and from Me, your Immaculate Mother. Do not focus on the evil around you. I want you to see the reality of this evil and turn totally to My Son Jesus and to Me. REPENT! Change your life. Give Me your total heart. Pray and fast. Trust My Son Jesus. Trust Me, your Immaculate Mother."

"I come to bring you hope, to bring you Peace and to fill you with My Love which comes from the Divine Heart of My Son Jesus. As I depart, I leave you with this Joy, this Hope, this Peace and Love from Heaven. I bless you as I go, and I remain always here for you and in your heart. Love one another with Our Love. Your Mother, Mother of Divine Love."

I asked the holy priest who was present to please bless us and all our religious articles. He shared that twice today he had received a message, once while he was hearing confessions and once as we prayed the Rosary during Our Lady's Visitation. The words he heard were: "A church must be built here."

He said that he was hesitant to tell us this. He did not know that we have received this from both Our Mother and Jesus in past messages, nor that we have been given the design of the church by Our Mother. We were grateful to God for such an unexpected and beautiful confirmation of Our Lady's visitations and Her Mission for Priests through such a holy priest. Our Lady did say She would take care of everything!

I see Our Mother Mary approach. She is all in cream. Her crown keeps changing. She is smiling at the two children in front of the kneelers. She says, "My little children, how I love you. You are My daughters. You shall bear great men."

I see Our Mother Mary walking around the room. She prays with us. Padre Pio is praying with us. Our Lady continues, "My sons, I call to you here in this special place. I love you My sons. Come to Me here. By your faith many, many will be brought back to My Son Jesus. We wait for you here, for where I am so is My Son Jesus also. Come and listen to My children pray for you. I will renew and refresh you to go and begin anew your lives as God's special chosen sons, who bring many into God's House. I await you My sons, priests. I love you as a mother. My Heart mourns and weeps for your presence. Your Mother." I saw a priest here with us today. I felt his presence with me in the room I was praying in.

Our Lady continues, "My beautiful children, you come to Me each month. You are My Heart. Please keep praying for My Son's priests. Pray also for those of My children who have been led astray. Pray for those who do not listen to the doctrine of the church because it is not what they want to hear. Pray for those being called to the priesthood and their families are against it. Pray also for the religious that they remember who chose them. Pray that they come back to modesty! So that they clothe themselves, so that you My children will know who they are."

"I am here for you My children. Come to Me here. I will continue to bless all who come here with My Love and Peace. There is nothing that God

Our Father cannot forgive. He is an awesome God. He is a gracious and loving God. Many Graces are being poured out upon you all today. Marriages are being blessed, children of these marriages also. Many healings will take place today. I have heard your petitions on behalf of family and friends. I will take them up to Heaven with Me and present them to God Our Father. I Love you. I Love you. Continue to pray My child," She said to me. I see many gold crosses, thousands and thousands. I see Angels and many Saints praying with us. "My daughters do not give up what you know to be true."

*Received by a bride from another area, Lin*

I am in Theriot, Louisiana for Our Lady's visit this month. In the early afternoon I went outside by the large thirty-three foot Cross dedicated for priests, to pray. I saw the most unusual cloud formation. There were two clouds side by side. One was in the shape of the face of Our Father. The other was in the shape of Jesus as a small child with a crown, and was stretched out long ways.

Suddenly I watched the face part of the two clouds come together and appear to kiss. I shook my head unbelieving what I saw. I then turned in another direction still facing the Cross when I saw another two clouds with faces on them facing each other and then move together and it appeared they were kissing. Very unusual. I had never seen anything like this before. I then heard a voice say, "My daughter heaven and earth shall meet here today."

As a prayer was read by a sister bride for priests, I was shown a vision I had never seen before. A golden Monstrance appeared on a white cloud. In the center Jesus was present in the Eucharist, white in color. Surrounding the Eucharist was the miracle of the sun with rays emanating in bright gold, changing color and length with their brilliance. There were letters in the center of the Eucharist, but I could not tell what they were.

Then Our Lady spoke, "My children I come to you today to pray with you for all My priest sons. Thank you for coming here today to pray with Me for My priest sons at My request. I come as Mary your Mother, Queen of Divine Love, Patroness of Priests. This title is special for this mission. All missions will come together with this mission. Touch the lady behind you. Tell her I am healing her."

At the fifth Joyful Mystery, The Finding of Our Lord in the Temple, Our Lady speaks, "Many here today will receive healings. This is a very special day. Heaven and earth shall meet today in this holy place because of your prayers. Your prayers release the Grace necessary to heal many, especially My priest sons. Your prayers are needed for this to happen." Again I see the vision of the golden Monstrance, but this time on a golden cloud with the miracle of the sun around it.

At the first Sorrowful Mystery, The Agony in the Garden, Our Lady continued, "Many people will receive deliverance here today. Many, many Graces abound this day for My precious children, for My precious priest sons. Take the message of love, to pray for priests, out to all you meet. Help spread this mission of love for the priesthood. Oh! my children, My priest sons need your prayers so desperately. It is your prayers daily that will help heal them, convert them and make them holy."

At the second Sorrowful Mystery, The Scourging at the Pillar, Our Lady says, "Pray My children, My priest sons for My priest sons who have gone astray and are following the wrong path. Your prayers, My children and My Religious and My Priest sons, will bring them back to Me and back to My Son on the correct path. Pray! Pray! Pray My beloved children."

At the fifth Sorrowful Mystery, The Crucifixion, I see many Angels praying with us. Our Lady says, "My child all of heaven is praying with you. Yes! My child, with all of you. Your prayers are heard by all of heaven." I see the devil fleeing as we pray the Rosary. Our Lady then says, "I am blessing the man on your right and the person sitting behind you. That person will feel the blessing and will be very aware of My love." I feel so much love and so much peace. Our Lady continues, "My child, many will feel the peace and love that you feel today. Many graces are being released from heaven today because of your prayers." (I understood this to mean everyone's prayers.) "I bring My Son's love in great abundance here today. Many will feel His presence in their hearts."

At the second Glorious Mystery, The Ascension, I see Our Lady all in blue and white. She is standing above all of us. Her Hands are outstretched and rays come from Her Hands and she says, "My children many Graces come to you all today. Thank you for praying for My priest sons all over the world. I join you all to those all over the world today who have come together to pray for priests at My request. You make a river of prayer for priests all over the world. You are joined to each other all over the world." I see many Angels all around us.

At the third Glorious Mystery, The Descent of the Holy Spirit, Our Lady says, "All your prayers, all your beautiful prayers, they go out all over the world. Many blessings go out to all you meet today. You take My Son and My love out to all you meet. Love that is not of this world. Love that this world does not understand. Make your stand for DIVINE LOVE! My Son goes with each of you. Take that love into your hearts and give it to others, to all you meet. There is more than enough for all."

"I love you. My Son loves you. The Most Holy Blessed Trinity loves you. Open your hearts to that LOVE. Do not waste it, but take it into your hearts and use it and give it to others, to all you meet. I love you, Your Mother, Queen of Divine Love, Patroness of Priests. Continue to pray now My child." I

see Our Lady all in pure white, almost transparent, yet you cannot see through Her. She is about two feet tall. She travels around the upper edge of the room and stops over different people and then continues to move again. Her love is so very strong and so sweet and loving. I see graces going to each and everyone here. They move out of Her Hands like strings of rain drops. Our Lady, "Thank you My child for being obedient and writing."

Our Lady asked me to share this with everyone. A few days ago my husband, Lin and I were sitting in the room we call our Chapel, which is also our family living room. This room used to be a double garage. One whole wall of this room are windows that face the west. All of a sudden I noticed that it was raining, but this was strange, unusual. I realized quickly that the rain I could see was inside but not outside. Outside the sun was shining and there were water puddles from an earlier rain and there were no water drops disturbing the surface of the water puddles.

The rain that I could plainly see was coming from the southwest. It increased and was pouring by long streams. Then it shifted and came from the northwest. By this time I had asked my husband and Lin if they could see what I saw. They both said yes. We all watched in silence and amazement. A few times I saw swirls in the rain like the wind was blowing and turning. I called my daughter who lives with us to come and see. She saw the swirls of rain, like a moving mist she said. The rain also poured straight down. This lasted for half of an hour or more.

One of the times near the end of this rain, in a swirl of mist or rain, Our Mother of Divine Grace appeared all in blue. She said. "You are being allowed to see Divine Grace." She said "Your little sufferings, prayers and sacrifices are releasing these Graces from Heaven unto and into priests all over the world. You are being shown this to help you to persevere."

I kept saying over and over, "This is most unusual." Our Lady let me go on, then She said, "Why do you say that? Many unusual things have happened here." The next day Our Lady said, "Many more mystical things will happen here to be seen by many."

At the First Joyful Mystery the Annunciation, Our Blessed Mother asked me to announce that She was already present. Our Lady came as Queen of Divine Love, Patroness of Priests. She was in flowing white with a gold edge on Her Mantle. On Her Head was Her beautiful gold Crown with seven points. The bright light came from Jesus in a gold chalice and in a snow white Host that formed the front of Her Crown.

Our Queen, Our Mother was accompanied by multitudes of holy angels and saints. Today I see many priest saints. I saw Our Mother's face change from one nationality to another. She is very beautiful. Our Lady speaks, "I am your Patroness, My priest sons. There are no walls here."

Second Joyful Mystery The Visitation, Our Lady spoke to the priest who is present and to the one I see, "My precious and most beloved son, My priest, priest son of My Immaculate Heart, I love you. I thank you My son for your faithfulness. Thank you, for you are precious to Me and to My Son Jesus. I have called you here My Son. From long ago I knew you. I love you My own son. Thank you for returning IN THANKSGIVING to this little place that I have chosen for My priest sons." I thought of the Holy Scripture, "Were not TEN HEALED? Where are the other nine? AND ONLY ONE CAME BACK in thanksgiving."

Our Lady continued Her message to Father, "A Shrine for Priests will be built here. A Shrine where My Son Jesus will always be in residence. He has come to this little place and by His Presence has made it holy. He will be here for all time. This mission began in Fatima. The First and the Last Saturdays. More will be revealed at another time. I know you do not understand this My beloved one. You are faithful as I am faithful. I love you."

"Do not be afraid to share your healing My son. Share with your brothers. Many will believe you. And through your sharing they too will come. I am calling all My sons, My beloved priest sons to come here. This place has been blessed and chosen for you. Come My sons. Do not be afraid if some laugh at you. I am with you. Remember how My Son Jesus was mocked and ridiculed for you. I love you My precious, precious sons. I am your Patroness, I am your Mother, Mother of all Hearts, Mother of Divine Love."

Fourth Joyful Mystery, the Presentation in the Temple, Our Lady continues, "Come My beloved sons. Come home to your Mother. I love you. Come home to My Son Jesus. I call you who have gone far away from Him. Come home. You are My prodigal sons." I see Our Lady's Eyes. She is crying. She speaks, "I grieve over you. My Immaculate Heart is pierced by your errors, by your grievous sins and by your lukewarmness. Are you working for My Son Jesus in this perilous path you are on? So many of you have gone astray from TRUTH. Some of you no longer believe in the reality of hell. What has happened My sons? Has the world and all it offers you corrupted your innocent souls? Oh! My beloved sons. I cry for you. I call you. Come Home!"

Fifth Joyful Mystery, the Finding in the Temple, I experience the pain in Our Mother's Heart as She continues: "My Son's Holy Temple has been desecrated. Where are you My sons? What was once innocent and fragrant as a rose has now become putrid as rotten fish. I love you. I love you. You are My Hands and My Heart in this world. My sons, My Hands are broken."

Our Mother's EYES are filled with tears and I am lost in Her Eyes and grief. "Some of you My Sons are in serious and grievous sin and on the road to hell. The evil one has deceived many of you."

First Sorrowful Mystery, The Agony in the Garden, Our Lady continues, "Repent My sons. Turn around. Come home to My Son Jesus. I call

you to holiness and to wholeness." I begged Our Mother, "please, SEND EXTRA ANGELS TO THEM. Oh My Mother."

Second Sorrowful Mystery, The Scourging at the Pillar, "My beloved sons, no sin is too big to be forgiven. Please come home. My beloved priests who are persecuted, I am with you forever. I love you. I love you all My sons."

I experience the sound of Jesus being scourged, WHIPPED. I was allowed to feel a tiny, tiny portion of one lash and I crumpled and said, "I can't take anymore. I'm sorry. Help me Jesus, I am weak. We give our hearts to you. Please send us holy priests."

Fifth Sorrowful Mystery, The Crucifixion, I see Blood and Water coming from Jesus' Side. In the Precious Blood and Water are millions of pure white Hosts going in all directions.

Someone is being healed of fear and anger. Joy and peace are replacing the fear and anger. I see many Martyrs being killed for our Faith. I see Calvary awash with Jesus' Precious Blood. I see Our Mother standing under Jesus on The Cross. Her clothes are all red with Jesus' Blood. Jesus' Precious Blood becomes jewels.

A revelation, by Our Mother's suffering on that day, graces were obtained for the conversion of priests in this time.

My eyes were drawn to the Crucifix in front of me, then to the picture of the Last Supper above it. Jesus spoke from the cross, "The Last Supper was the First Supper to bring you everlasting life. I Am in your presence in the Eucharist."

First Glorious Mystery, the Resurrection, Jesus continued, "My Blood becomes your life." Then I saw a huge Host, snow white, turn to Blood. Then a pure white Dove, The Holy Spirit, comes from the Host.

Our Mother spoke: "Write for My children. My precious and most beloved children. I love you. Thank you, each one of you, for coming here today to pray for your brothers with Me. I love you. Persevere in prayer My children. Pray constantly now for My priest sons. For when you pray for them, you are praying for yourselves and your families, your children and grandchildren."

Second Glorious Mystery, the Ascension, "Oh! My little ones, you do not realize the great value of your prayers and your suffering. Your offerings will release much needed grace for your brothers all over the world and in Purgatory. A floodgate of grace has been opened here because of prayer. I am with you My beloved children. I hear the cries of your hearts. I love you. I will remain here with you. I will never leave you."

"PRAY AT THE HOLY CONSECRATED CROSS FOR PRIESTS! Pray! Pray! Pray! Pray and your deepest heart felt prayer will be heard and answered. I love you and thank you with all My Heart for responding to My Call to you. Do not be afraid. I am with you. Trust My Son Jesus in all your

troubles and sickness. Trust My Son Jesus. He will never fail you. Place all in His Sacred Heart. You are Mine. I love you. I love you all. Look for Me in one another. Love one another with My Love. Your Mother, Mother of Divine Love."

*Received by Leslie Therese*

I see Our Mother Mary today in a white mantle and dress, with a crown of flowers under Her Mantle. I see Baby Jesus today. He is so beautiful. The love He gave for the world is shining from His face and eyes as well as pouring out of His hands and feet.

Our Lady speaks, "Pray! Pray! Pray for My precious sons My children. Look at Me, I am your Mother. Kneel before Me and listen to My words. I love you My children. I too gave My Son for the salvation of us all. How great is Our God to have sent such a gift to us. I have known the great love there is in motherhood. This I feel for all who come to Me through My Son Jesus."

"Get up My children and go forward and spread the great news of what is happening here in this place. I love all of the children of the world. Leave the past behind. Do not doubt that I am here in this place for My priest sons, but also for all of My children who come to Me in love, searching for answers and relief. Your struggles are mine, if only you release them into My Arms."

"Know that you are loved My children. I hold you within My Immaculate Heart where no one and nothing can harm you. Do all you can for Me to spread this Mission, for whatever you do for Me you do also for My Son Jesus, for wherever I am He is also."

Jesus spoke, "I am crying for My priest brothers, for they are in great need of the prayers said for them here in this place. Do all that you can for them. Your prayers are heard by the Father, Our Father. Pray for My precious brother John, (the Pope), his burdens are many."

Our Mother Spoke: "Pray that human life may become as important as God's animals being saved. Throughout the world the souls of God's people are being lost. Pray! Pray! Pray My children that the hearts of people would be touched by God and that no more lives would be lost." I understood that all over the world there are people fighting to save dolphins, bugs, frogs, even grass and still abortions, the killing of people, goes on and on.

*Received by a bride from another area, Lin*

I am in Theriot, Louisiana for this last Saturday. At the first Joyful Mystery, The Annunciation, Our Lady spoke, "My children, My dear children, thank you for coming here today to pray with Me for Our beloved priests. Our priests need your prayers. All Heaven is listening as you pray."

At the second Joyful Mystery, The Visitation, Our Lady said, "My dear children many healings are happening here today. So many healings that you cannot begin to understand or count. Take courage My children, take courage."

At the fourth Joyful Mystery, The Presentation of Our Lord in the Temple, Our Lady then spoke to the Religious present, "Oh! My dear sisters, My precious daughters, My faithful daughters, take courage and persevere. Your example helps others in ways you cannot even begin to understand. I love you My dear precious daughters. Thank you for coming today to pray with Me for Our priests, your brothers. They need your help so desperately."

At the fifth Joyful Mystery, The Finding of the Child Jesus in the Temple, I was very aware of all those praying around me. Our Lady said, "Continue to pray My child."

At the second Sorrowful Mystery, The Scourging at the Pillar, Our Lady spoke, "My children, My dear children—all present. I join you today with all those all over the world who are praying for My priest sons at My request. I have called each and every one of you. Together you become a river of prayer for Our beloved priests. This river of prayer flows to heaven in a most pleasing way before the Most Holy Blessed Trinity and all of Heaven. All of Heaven has joined you in your prayer for priests."

At the fourth Sorrowful Mystery, The Carrying of The Cross, I am very aware of Padre Pio and St. John Vianney's presence. I don't see them, but am aware of their presence praying with us for priests. Very hard to describe.

At the fifth Sorrowful Mystery, The Crucifixion and Death of Our Lord, Our Lady speaks, "Oh! My priest sons, how some of you persecute My Son. Where are you going? What path do you think you are on? Do you not realize that one day you will have to stand before My Son and answer for whatever you do on earth. Please come back to your senses before it is too late. Come back to My Son. Teach and preach the TRUTH. Bring your flocks back to the TRUTH."

At the first Glorious Mystery, The Resurrection, Our Lady continues, "My dear priest sons, pray for your brother priests who are wandering down the wrong path. Pray for your selves to stay holy. Time is short. Yes! Time is running out."

Our Lady then spoke to Her children, "My Children, pray for all priests, good and bad. All need your prayers. Your prayers are needed to turn things around. I am counting on you. I know you will not disappoint Me. Many blessings are coming to all today who are praying for My priest sons. Those blessings and graces go with you to all you meet. Let these blessings and graces flow out to all you meet so We, Jesus and I can love others through you. We love you My dear children. We love you." I understood this to mean not just Jesus and Mary but the entire Trinity also.

Mary continued, "I am your Mother, Mary Immaculate. Thank My Son for sending Me to you all. I love you. Pray! Pray! Pray for holy priests. Your Mother, Queen of Divine Love, Patroness of Priests."

I now see rain coming down on all of us, torrents of rain and Our Lady says, "My child that is the grace My Son and I are sending on all of you. Spread this message of love My children to all you meet, this message TO PRAY FOR PRIESTS. You will not be sorry." As we pray I see the devil cringe and then flee as we continue to pray the Rosary. I have seen this many times before. I feel great peace and great love, love beyond all understanding here for all of us. Our Lady then says, "I love you. My children I love you."

Our Lady came all in flowing white as we began the First Joyful Mystery, the Annunciation.

At the Fourth Joyful Mystery, The Presentation in the Temple, Our Mother said: "My Beloved Sons, I love you. I love you. Where are you? Where are you? I look for you and do not see you. These days of Visitation will come to an end. Why is it so hard for you to believe that I love you enough to come to earth especially for you, for you, My beloved sons? TODAY ONE OF YOUR BROTHERS IS BEING FREED FROM 1,000 YEARS IN PURGATORY because of the prayers said for him and all priests in this little house of Mine."

I receive the understanding that this is the Saint who was glowing, smiling and waving at me when Our Mother first arrived with all the Holy Angels and Saints. I asked him to pray with us and for us for holy priests even though I do not know his name. I understood that this priest had been in Purgatory that long not only for his own sins but because he was a poor shepherd and led many of the souls placed in his charge astray because of his bad example. He was held accountable for this.

Our Lady continued: "I have chosen this place for you My sons. I come here to you, for you in obedience to My Son Jesus, to Our Father and to My Beloved Spouse, The Holy Spirit. I come in love My sons. I love you. I love you. Be converted My sons, for I need you. My Son Jesus needs you to be on fire for Him. Be filled My sons with zeal."

At the Fifth Joyful Mystery, Our Lady continues: "Your numbers will multiply when your holiness increases. All the Graces necessary for you are here, waiting to be released upon you. Open your hearts My sons, open your hearts. Come here with an open heart and an open soul."

I then saw Padre Pio, the Cure d'Ars, Mother Teresa of Calcutta, St. Therese, the little Flower, and St. Louis de Montfort. Then I saw many Popes, all in a row. I receive the understanding that this represents the unbroken line of Succession from St. Peter, the first Pope.

At the First Sorrowful Mystery, the Agony in the Garden, I feel suddenly very tired and feel that I am failing Our Mother. I then feel scared, afraid, with much tremendous pain all over my body. I began to cry. It feels like my whole body is bleeding. I don't know what's happening. I feel so alone, abandoned. I am shown wars, suffering, ages of sin and suffering all over the earth, millions of people, years and years and years. I cannot bear to see what will befall humanity. This is too much. I cannot bear this.

Take it away, I ask. O Lord, remember that You love us. Remember that you love us. Please have Mercy, have Mercy on us. Please overlook our awfulness. Please Lord God. Accept my little suffering Lord, have mercy on us and on all our priests. I felt like a breeze of cool air and someone washing my face as I surrendered to God Our Father and said, "Let your Will be done, not mine."

At the Second Sorrowful Mystery, the Scourging at the Pillar, I could hear voices saying "everyone will laugh at you." I could hear the jeering, the laughter of many all around me. I could hear the ridicule as I heard and felt the force of the whip. I felt no pain. Again and again I heard and felt the whip as it wrapped around me, struck my back, my arms, passed near my face.

At the Third Sorrowful Mystery, the Crowning with Thorns, I heard many voices raised in false accusations. False accusations of every kind. I was very weak and so thirsty. Our Mother was there and She said, "Ask for water." I did. Over and over but no one heard. I was so weak. Finally someone gave me water to drink. I was walking with a big cross. It was so heavy. I knew I was going to fall. I was so weak. I can't go on. I fall. Someone helps me to get up. This is too heavy. I can't do this. All of a sudden Our Mother was there and She held me and as I looked into Her Eyes, I died.

At the First Glorious Mystery, the Resurrection, Our Lady continued Her Words to priests: "My Beloved sons, I come to you in love. I come to love you. Come to Me, My sons, even though your soul be dark as coal, I love you. I do not love your sins. I love you... I love your soul. I love your holy priesthood. Come My beloved ones."

"To My sons who are holy I love you. I am always within you. I am in your heart. I call you to deeper holiness. I call you to pray My sons and offer your suffering for your brothers. They need you as I need you."

"For My sons who are lukewarm, I have come with My beloved Spouse, the Holy Spirit, to kindle in you, in your heart and soul, the FIRE of DIVINE LOVE! I need you My sons to be on FIRE with LOVE for SOULS. Speak TRUTH to My children about the condition of their soul. You must teach this generation about sin. Teach My little lambs. Many are lost for they have not been taught TRUTH of sin and of the POWER and LOVE of MY SON JESUS and of HIS FORGIVING LOVE. I love you My sons. I love you. Come to Me as you are. Come now. I await you! Your Mother, Your Patroness, Mother of Divine Love."

At the Second Glorious Mystery, the Ascension, Our Lady continues: "My Precious and most Beloved children, I love you. I thank you for coming here today to pray with Me, Your Immaculate Mother, to pray for your brothers, Our priests. From this day I give them to you, My children. I am with you always. If you will pray without CEASING and offer much

sacrifice and suffering for Our priests, I promise you holy priests and I promise to pray for all your needs and petitions."

At the Third Glorious Mystery, the Descent of the Holy Spirit on Our Lady and the Apostles, Our Lady continues: "A new springtime, a new Pentecost is coming My beloved and faithful remnant. A new time, a time as has never before been seen on the earth. But remember My children before the spring is winter and desolation." A flash of a memory of a vision of a frozen wasteland comes to me.

I then see a beautiful city shining bright white. St. Peter's in Rome is glowing at the center of the white city. Then I see churches glowing like lights or beacons all over the earth. Our Mother continues: "My Son's Church, My Church, the One of My Immaculate Heart will be renewed, restored to Oneness and to Holiness and She WILL multiply for She is founded in holiness and oneness, founded in Truth."

"My Church, My Son's Church, your Church will multiply in an astonishing way. A way that all will know comes from God and from no other. She will again be the One, True, Holy, Catholic and Apostolic Church She was founded to be. The ONLY beacon of HOPE in this world for at the HEART of HIS HOLY CHURCH is the HEART of MY BELOVED SON JESUS IN HOLY EUCHARIST. The HOLY EUCHARIST will cause all the churches to GLOW. This will call and attract multitudes like the Star of Bethlehem. This will be the only safe place. I love you My dear, dear little children."

Our Lady continues: "Please help Me to spread these messages of Love for My priest sons. For it is by the restoration of My beloved sons to holiness and wholeness that the Triumph of My Immaculate Heart will come about. For a holy shepherd will lead a holy flock."

"Pray for your leader on earth, My special son, His Holiness Pope John Paul II. He is chosen for this time of Grace. He is the greatest Saint to walk among you in this age My children. He has been given a very heavy cross for there is much evil around and very near to him. He is the chosen one of My Immaculate Heart. I love you. I bless your homes, your children, your marriages, your parishes and yes, your priests, because of your prayers and sacrifices. Someone will receive a miraculous and dramatic healing. I love you. Your Mother, Mother of Divine Love."

*Received by Leslie Therese*

Our Mother spoke to the holy nuns present, to the ones who wanted to be here and to all of the holy nuns around the world: "My darling daughters, how I love you, My special, special children. Your devotion to Me brings much hope to My people. In a world filled with hatred you shine in this darkness. Wear your habits My daughters so that My children will see you in this darkness and will seek the light, which is Jesus in your hearts.

There for all to see in your devotion to Him who is My Son and My God. Dedicate part of your prayers to My Son's priests. I love you, My beautiful daughters. Please pray as much as you can for My Son's priests." As Our Mother spoke I saw Her dressed in blue and white. Her eyes are glowing with Love for Her daughters (nuns) and us all.

For Her Priest sons Our Lady Spoke: "My sons, you once heard My Call to you. Do you not hear My Voice any longer? What has silenced My Voice within your hearts? My sons, open your hearts to Me as I have opened Mine to all who have come to Me here and elsewhere. I am here in this special place, My sons, just for you. I give Myself to you here, as nowhere ever before."

"St. Joseph is here with Me also today. Pray to him for your brothers. Do not be afraid. I am here for all who seek My Love. God the Father who loves us all so well is here also. Beside Him, Our Son, Our ALL. Do all that you can to meet Us here in this place. WE AWAIT YOU HERE WITH OPEN ARMS MY CHOSEN CHILDREN."

"Many of you will lead Our people into salvation. NOW is the time to heal the wounds of the world upon its people. Come to Me here to be given the strength to do so. It will not be easy, My sons. Many are against Me. Many do not believe in the evil that the world is offering. They are blind to it. Pray for them with all of your hearts, that your brothers, YES, your brother priests begin here in this place a healing that will touch the world in time."

As Our Mother was speaking, I understood that this mission for priests has started out small but will spread through our church and then to the world, very, very quickly. I could see how fast it was going to spread. It overwhelmed me.

Our Lady continued Her Message for priests: "Teach My children the TRUTH. Do not water it down with platitudes and flowered phrases. The TRUTH of GOD'S CHURCH needs to be known by the children of GOD. God can only forgive if forgiveness is asked for through confession. Go to confession My priest sons. Some of your brothers think they are above this. Please correct them. Find a way to show them they are wrong. Pray for them daily. Thank you My sons for your YES when you heard My call to you so long ago. Listen for My call again. You are not finished yet! I LOVE YOU, My sons."

Our Mother continues: "My dear children, Pray to St. Jude and thank him for his many blessings. Pray to St. Joseph. Pray to St. Therese, the Little Flower." I see many roses falling from the sky onto everyone, there are no walls here. I see outside and inside millions of roses.

Our Lady speaks again to Her children: "My children, I am your Mother. I love to hear you sing and pray. Listen for My Voice in silence. Pray for My priest sons. Pray. Pray. Pray. Pray daily. Dedicate your entire day as a prayer for My sons, they are in dire need of these prayers. Help My sons to be

welcomed into Heaven by doing all you can to listen to the Truth that many are trying to teach you.”

“Thank you for coming here My children and for praying with Me today for My Son's priests. Some of My sons are tired and broken, for they shoulder much. Pray for them. Some are lonely, welcome them into your churches. Pray for others to do the same. Some of My sons are lost, pray for them to come to Me here for healing and forgiveness. Tell your priests of My Presence here My children.”

“Through your devotions many will be saved. Many souls will be saved, even yours. Teach your children to pray and to dedicate themselves to Me. Teach them of the Love Our God and My Son Jesus has for them. Teach them that when they receive Communion that they are receiving My Son Jesus here on earth into themselves. Listen My children. I LOVE you and I am here for you also. I have enough Love within Me to share with ALL who come to Me wherever they are.”

As She spoke those words, I saw Our Lady with a veil of lace like a Bride, She is all in white. She continues: "I am Your Mother and I love you My children. You are here in My Heart." As Our Mother says this I see Her pointing to Her Heart.

*Received by a bride from another area, Lin*

I am in California this month for the last Saturday. At the first Joyful Mystery, The Annunciation, Our Lady said, "I am here little one. Thank you My daughters for coming today to pray with Me for Our beloved priests. I join you to all, all over the world who are praying for priest at My request.”

At the second Joyful Mystery, The Visitation, Our Lady continues, "Grace is being released as you pray My daughters, at this very moment. You have no idea of the power of your prayers and the grace it releases." I see Our Lady of Guadalupe and now Our Lady of Divine Grace with Her Hands outstretched to each and every one of us. She is in blue and white. She smiles as the Rosary is said in French.

I now see Our Lady Mother of Divine Love, Patroness of Priests. She is all in a creamy white and has her golden Crown on with the seven points. On the front of the Crown is a chalice with Jesus in the Blessed Sacrament above the chalice. Around the Blessed Sacrament are rays of golden light emanating from it.

At the third Joyful Mystery, The Birth of Our Lord, Our Lady says, "Continue to write little one. I need prayers for all priests, holy priests and unholy priests. My priest sons, I ask you to pray for your brother priests. To be good examples to each other and to your flocks.”

At the fourth Joyful Mystery, The Presentation of Our Lord in the Temple, Our Lady continues, "Your flocks are depending on you to get the

correct teaching of their faith. My priest sons, they are praying for you. Your flocks are praying for you at My request. Continue to pray little one. My daughters, thank you for coming so far to pray with Me for Our priests. I bless the parent who brought their child here today and prayed."

At the fifth Joyful Mystery, The Finding of the Child Jesus in the Temple, I see a sister bride very clearly, even though she is a great distance away. I feel so joined to all the brides today in a very special way.

At the first Sorrowful Mystery, Our Lady says, "My daughters please pray for My special son, John Paul II. He needs your prayers at this time. His burden is heavy. He prays for all of you all over the world."

"I bless all your holy articles present and all through this house. Always ask your priests to bless your holy articles. Continue to pray little one. Oh! My daughters, Oh how I love you. You are My prayer warriors, praying the Rosary at My request for priests." I see the devil cringing as we pray the Rosary and then leaving. I have seen this many times before.

At the second Sorrowful Mystery, Our Lady continues, "Oh! My children you are My Heart. I love you. Help Me to spread this message of love for all the priesthood and for you, to all you meet. I need your voices lifted up and inviting all to pray with Me for all the priests all over the world. I love you! I love you. Continue to pray."

At the third Sorrowful Mystery, Our Lady continues, "Oh! My children pray! Pray! Pray!" Great sadness comes over Our Lady, Queen of Divine Love. Her Eyes are filled with tears. She says, "Oh! My sons, My wayward sons, where are you going? That is the wrong path. Turn around before it is too late. Come back to My Son. You are losing souls and leading them in the wrong direction. Come back! Come back! Get on the right path."

"Oh! My sons who are struggling to stay on the correct path. Your prayer warriors are praying for you. Grace is being released at this very moment from the prayers being prayed for you. Many must pray to keep you holy. Encourage your flocks to pray for you. It is okay little one, continue to write. You are being harassed. Oh! My daughters, My faithful daughters, thank you for continuing to pray for My priest sons, Our priests."

At the fifth Sorrowful Mystery, The Crucifixion, I ask Our Lady silently in my heart to let someone else experience something today. It is very warm. I feel a cool breeze, the Breath of the Holy Spirit. I now see a Dove above us. Drops come from His beak and flow to all of us. Divine Grace. The Dove stays a while over the top of us through the rest of this decade. I see St. Catherine of Siena, St. Anthony, St. Clare of Assisi and other saints (I do not know their names) praying with us for priests. Later a person came forth and shared they saw Our Lady of Guadalupe and Saints.

At the second Glorious Mystery, The Ascension of Our Lord, I see Our Lady Queen of Divine Love with Her Crown. She says, "My holy priest

sons, please pray for your brother priests. They need your help. Pray for yourselves to remain holy. I have called many to come and pray with you My children. They have not answered My call. Pray that they will answer My call to pray for priests. Their prayers are needed. Prayer is needed all over the world. One voice, one heart in loving prayer to My Son."

At the third Glorious Mystery, The Descent of the Holy Spirit, I see Our Lady move over each person here. She is all in white and Her garments look transparent, yet you can't see through them. She looks lovingly at each one here as She moves over the top of us. Her garments flow softly in the breeze. I see Angels about us and to the top of us joining in prayer with us. I feel something touch my hair softly. A person present later shared they saw Angels also and felt something touch their hair. It confirmed what I saw.

At the fourth Glorious Mystery, The Assumption of Our Lady, Blessed Mother is still hovering above us all in white. She says, "Thank you My children. Thank you for being obedient to My call to pray for priests. If you are here today it is because I have called you here. I love you. Thank you. All of Heaven thanks you and are praying with you."

At the fifth Glorious Mystery, The Coronation, Our Lady continues, "My children many blessings come to you today. Bring them to all you meet. Blessings from the Most Holy Blessed Trinity, Love beyond your understanding. Open your hearts to My Son's Love, the Love of the Trinity and share it with all you meet. I love you. Your Mother, Queen of Divine Love, Patroness of Priests. Thank you My child for being obedient and writing." I see a river of prayer flowing out all over the world to all priests and all souls. Our Lady says, "I love you! Oh! My children, I love you!"

# September 2001

*Received by Claire Rose*

Claire Rose wrote: Today is the Feast of the Archangels Michael, Gabriel and Raphael. During this past week Our Mother told me that everyone who comes here this Last Saturday and those who desire to come will receive an extra angel of protection.

The first Joyful Mystery, The Annunciation, Our Mother asked me to announce that She is Present. Our Lady came as Queen of Divine Love surrounded by many multitudes of Holy Angels and Saints. Our Mother was all in white with a gold edge on Her Mantle that was fine as a bridal veil. She was glorious.

Above Our Mother I saw the Holy Blessed Trinity, Jesus, Our Father and the Holy Spirit as a pure white Dove between them. I could not see Our Father clearly, more like a cloud or mist, but I knew it was Him. Jesus and Our Father were both seated on Thrones.

I asked for mercy for our country, for those who died on September 11th and their families. I also asked for protection and holy wisdom for all those who protect us, our leaders, both in the Church and in the world, our Armed Forces, Police, Firemen and those in our government. I asked forgiveness for our sins and the sins of the world, even our enemies.

The second Joyful Mystery, The Visitation, "For all My priest sons, My beloved sons, the State of My Church, My Son's Church has pummeled..." Our Lady is in tears. She continued: "Evil lurks in every parish, in many rectories and homes. Rout out the evil with Prayer and Fasting. Use Holy Water and Blessed Salt...often! Rid yourselves of all that keeps you from being holy. Get rid of all that even smacks of evil. I love you. I come to earth to warn you in Love. I come to you in Peace. I Love you. Do not worry what others think of you; even your brother priests. Your example, my holy sons will lead many, many to holiness. Come to Your Mother. The evil one and his cohorts, his helpers want your soul, but you are Mine. You have ALL been purchased at a great price."

The fifth Joyful Mystery, The Finding in the Temple, Our Mother continues: "You are chosen to lead the flocks to holiness. Come back home to Your Mother. I call. I call. Do you not hear My Voice? Many millions all over the earth are praying daily for you My sons. I call. Will you respond? The evil one clutches some of you close. He will not LET GO. YOU MUST WALK AWAY FROM him. I am here waiting to help you. Come to Me, Your Immaculate Mother. I love you. I love you. The state of the world indicates

the state of My Church, My Son's Church. I need your help My sons. I need you. Your numbers will multiply as more and more of you turn back to My Son Jesus and away from the world and all it offers."

The first Sorrowful Mystery, The Agony in the Garden, Our Mother continues: "All the lures of the world pull you away from Me, pull you away from holiness. Embrace your cross. Kiss your cross. It is the only sure means of Salvation. I call you in love. I call you to love. Love and forgive as you are forgiven. Go often My beloved sons to holy Confession. Receive the forgiveness of My Son Jesus. His Precious Blood washes over you in Mercy, in compassion in this Holy Sacrament of his Merciful Love. Repent and reform your lives. I Love you. I need you."

"You are My Hands and My Heart in this world. You represent My Son Jesus in all you do. Many angels surround you and many angels weep in shame. You grieve and pierce My Heart."

"Do not be lukewarm, My beloved sons. I come with My Beloved Spouse, The Holy Spirit to rekindle in you Holy Love. My soul proclaims the greatness of the Lord. My Spirit rejoices in God, My Savior for He has done great things for Me and for you. Have you forgotten that you are chosen? From among all men? Holy is His Name. You are His Namesake. Holy should you be. Holy. Holy. Holy should you be, My beloved priest sons. I Love you."

"Thank you for your prayers today and every day. All Heaven is here with you. Your prayers are multiplied over the earth, in Heaven and under Heaven (Purgatory). The Precious Blood of My Beloved Son is your Salvation. I carry you in My Immaculate Hands and Heart to Him. Darkness comes. Darkness is coming, but know that I am with you and that you are with Me."

"I will never abandon you My beloved sons, but each of you has a choice. Pray and Fast. Be forgiving of yourself and of others. BE CONVERTED. BE CONVERTED. REPENT AND BE RECONCILED TO MY SON, TO OUR FATHER, TO MY BELOVED SPOUSE, THE HOLY SPIRIT."

The fourth Sorrowful Mystery, The Carrying of The Cross, Our Mother continues: "I ASK YOU IN LOVE FOR YOUR OWN GOOD AND THE GOOD OF YOUR FLOCKS." I feel my whole body bleeding and I am exhausted and can't go on. I continue to walk forward so slowly. There is a very heavy weight across my shoulders. I fall. I try to get up. Someone near me loves me very much. Their love for me and my love for them gives me the courage and strength I need to continue to go forward. I drag on. Next I am on the Cross, I look around, and all I see are scattered flocks. All the ones I have suffered for, am suffering for have gone away. 'Father, forgive them, for they know not what they do.' I see a small group of faithful hearts nearby. Their Love I feel in my darkest hour. Love. Love. Love with an open heart.

Our Mother continues: "My priests, My shepherds, My beloved sons consecrate yourselves and your parishes to My Immaculate Heart. I Love you. Your Mother, Your Patroness, Mother of Divine Love."

The first Glorious Mystery, The Resurrection, Our Lady came as Our Lady of Fatima, no crown. "My beloved children, My precious, precious children, I came at Fatima to warn you in Love. Pray. Pray. Pray. Pray. Offer your lives to Me, to My Son Jesus as a prayer. I thank you for all you do for Me. I bless you today. Each one of you who has come and all those who have desired to come I join you as one. And today I give to each one of you an extra angel of protection. These you will need My children in the days that are before you and those that are to come."

"Return to holiness My little ones, do not wait. Consecrate yourselves, your families, your homes, all that you are and do, Consecrate to My Immaculate Heart and the Sacred Heart of My Son Jesus. This is the only safe refuge on this earth. I do not come to make you fear. Return to holiness and you shall not fear. I wrap you in My Mantle of Protection. Come to Me. Come to My Son. Over and over I call you. Seek forgiveness of your sins. Be forgiven in Holy Confession. Over and over you commit the same sins. Why?"

"Be ready My little ones. Prepare yourselves and your families by living a holy life. Simplify your life. Live in Peace. Forgive all who have ever hurt you. Live in PEACE. Live in LOVE. Love one another as Jesus and I LOVE you. Turn off ALL that distracts you. Turn off the TV."

"My Beloved Children of America, I love you. I love you. I love you. You are a nation that was chosen and blessed as no other. But so many of you have turned away from God, turned away from His Commandments. O My dear, dear children I weep over you. I love you. I am with you in this hour of your desolation. Many, many innocent have died."

I understood on Sept. 11, 2001 but Our Mother also meant from abortion. "Your sins are great America, but in spite of your grievous sins you still have the biggest heart of Love among all nations, for many nations become one in you. The sins of your nation must be atoned, must be cleansed. I love you and I grieve with you. Pray for your enemies. Bless those who hate you and persecute you. I love you. I love you."

"Remember My children it is always darkest just before the dawn. In time America will once again be a beacon of hope, but only when My Son Jesus, Our Father and My Beloved Spouse, The Holy Spirit are worshipped above all. Nothing else is important My children, but the Salvation of your souls. The evil one seeks to devour you all. He cannot reach into My Immaculate Heart. I am Your Mother. I love you. I love you."

I saw Our Mother all in white, then in gold. In Her right Hand I saw what looked like red, white and blue ribbons. It was a tattered and torn American flag. She closed Her Hand around it and brought Her Hand to Her

Heart. "Pray and Fast. Pray and Fast. Pray and Fast. No sin is too great to be forgiven. Pray the ROSARY daily. It is your greatest weapon. No sacrifice is too small or too great to offer for the sins of Our priests. Now more than ever before you need holy priests to lead you and guide you to holiness, to Peace."

I saw Osama Bin Laden's face. I have prayed for his conversion and soul, but it has not been easy. Our Mother continued: "Love one another. Seek My Son in one another. If you see good in one another, you see My Son. I love you. Love one another with My Love. Focus on My Son Jesus. I come to bring you hope and joy in the midst of desolation. Be assured of My protection forever. Let Peace reign in your hearts and in your homes. Peace will multiply as Love grows in each one of your hearts. I love you. Thank you to all who brought flowers for Me today. I love you. Your Mother, Lady of the Bayou, Mother of Divine Love."

*Received by Leslie Therese*

Our Mother came as we started to pray the Rosary. She was very beautiful. She was dressed in a navy blue Mantle with a white dress. I saw Her Heart glowing bright red. She Spoke right away. "My Children, I have much to say to you today. Many may tell you that war is the only solution. It is just the beginning. Now My children is the time to pray as never before."

"God has taught us to forgive our enemies and to love them. Pray for them and the innocent people who are misled by them. They do not represent God the Father, God the Son or God the Holy Spirit. They too have been led astray. They are being lied to. PRAY. PRAY. PRAY for them. This will not be easy My children, but it is God's Will that we pray for our enemies to come back, to know God."

"Spread this message to all you meet as God has asked you to be His children of Love. God loves us so much that He gave His Son to us. Jesus, Jesus loves us so much that He gave His Life for us. And as My Son was dying on the cross He forgave all of His crucifiers. As He was dying I was crying below Him. Each time I am reminded of My Son's Death I weep. Pray My children for there are many among you who do not believe in forgiving those who have hurt or misled them."

"My daughters and sons I thank you for coming here to this little place in your great faith every month to pray with Me Your Mother. I love you My children and there is nothing that I won't do for you. Each of you today are receiving many special blessings to get you through the coming months ahead. Do not lose faith. My children come to Me in your need and I will be here for you."

"I am blessing each holy item brought here today. I bless each person with My Peace, Love and Devotion. All of the Angels and Saints of Heaven are here with Me today to pray for My priest sons and for your country."

“My precious children your country has much confusion in it right now. Pray that your President and the men and women in leadership under him ask for God's guidance and love in this great time of trial for America. This wound that has come onto the world must be healed with great care and much prayer and fasting. Much can be done My children by praying the Rosary.”

“Many miracles will happen here today. Many who were blind will see. By true and gentle faith all things are possible, many miracles. Many of you will walk away renewed and refreshed in your faith, also in your bodies, minds and spirits. I am here for you My sweet beautiful children.”

“Do not be sad My children for those lost in this tragedy you are living, for they are with Us now. Be sad My children for those who live this every day. It has been brought to you what others live with every day of their lives. Most of these are innocent people and children. Pray for them.”

“Open your eyes My children to everything and everyone around you. Look for My Son and you will see Him in each face. Because wherever I am so is My Son also and always.”

“I am blessing all wedding rings today. My Josephs continue to hold and keep your families together. Your families are only as strong as you. I will bless you today especially to be strong in these times of trial. Thank you for all you do in My Name. Pray with and for your families. Devote prayer and give all you can to My Son's priests and you will be rewarded with great love for your families. My priests need you now more than ever. There is much to do My children. Pray. Pray. Teach your children to pray for My Son's priests.”

“My children, one more message before I go.” I understand that Our Mother leaves in one way but that She is always present here. I can't explain this. I just know it is. “Pray for your priests. They are human with human weakness and they need all of Our prayers to get through each day in love. I am Your Mother. I love you My children, all of you. I am here for all who seek Me. Your Mother, Queen of the Bayou. Do not let My Son Jesus have died in vain.”

During the Sorrowful Mysteries I saw Our Mother in a dark blue Mantle and a white Dress. Her Heart was glowing bright red. I saw Our Mother Mary wrapping a large American flag around Her back and shoulders.

*Received by a bride from another area, Lin*

I am in California for this last Saturday. At the first Joyful Mystery, the Annunciation, Our Lady said, “I am here My daughters.”

At the second Joyful Mystery, the Visitation, I saw Our Lady under many titles. She changes titles so quickly that I can't name a specific one. I am very aware of the people around me praying. Our Lady speaks, “My daughters, My precious daughters thank you for answering My call. I have

called you to come together today and pray for Our beloved priests. I love you."

At the third Joyful Mystery, the Birth of Our Lord, Our Lady says, "Oh! How I love the singing of the 'Ave's.'"

At the fourth Joyful Mystery, the Presentation of Our Lord in the Temple, I see our Lady in blue and white hovering over the top of our heads. She is looking at us with great love, like a mother looks at her children. Quietly to myself I ask Our Lady, 'I hope someone else sees something besides me.'

At the fifth Joyful Mystery, the Finding of the Child Jesus in the Temple, I see Our Lady of Guadalupe. Her Hands are outstretched to us. She is now praying with us. She says, "My children, My precious children all over the world who have come together today to pray for My priest sons at My request."

At the first Sorrowful Mystery, the Agony in the Garden, I see priests suffering in prisons. I am not sure where the prisons are. I see a light shining by them. It is faint and then it gets brighter. Our Lady then says, "My children the light is your prayers you are saying for them."

Through the third Sorrowful Mystery, the Scourging at the Pillar, I see Our Lady all in green. I have seen Her this way before. I don't know what title this is. She is very beautiful. She says, "My sons, My priest sons, where are you?" All of a sudden I feel great peace all around me. Our Lady continues, "My children pray for priests to be holy, for them to have conversion of heart daily to My Son Jesus. Conversion is necessary of their hearts to teach the true teaching of My Son. Your prayers release the grace necessary for them, My priest sons, to be holy."

"My sons, My children are praying for you. Please listen to Me as I call you, My priest sons. I am calling you back to My Son Jesus. Live up to this calling. That is a gift that My Son gives to you. We love you My sons. My children I love you. I send many graces to you. All of heaven is praying with you. Many graces are being released to all My prayer warriors for this act of love of answering My call. As I have called you today to pray for My priest sons with Me." I see many Angels all around us praying with us. I see a devil cringing as we pray and as we continue to pray the Rosary he flees. I have seen this before. I am very aware of all the people around me praying.

At the first Glorious Mystery, the Resurrection, Our Lady says, "My children your suffering has not gone unnoticed. Have courage and know that I am with you, praying with you. I love you. You are all in My Immaculate Heart. Your sufferings, every single one, when done in My Son's Name is used in heaven for the purpose of grace and is redemptive. Nothing is ever wasted in heaven."

"Your prayers rise up like incense before The Most Holy Blessed Trinity, a great gift of love. Know My precious children that that Love is returned to you from heaven in a great way. Keep your hearts close to My Son and open to Him to receive this LOVE. It is all about LOVE My precious ones. I love you." I now see Our Lady, Queen of Divine Love with Her crown. She is very beautiful. She has Her arms open to us. She is smiling at us. She is sending us a blessing.

At the third Glorious Mystery, the Descent of the Holy Spirit, Our Lady of Guadalupe is here with Angels accompanying Her. She is so beautiful. She is praying with us. The Angels are praying with us. Our Lady says, "My precious children spread this message of love for priests to all you meet. Spread this mission throughout the world. You do not know how powerful your prayers are as they come from your hearts."

At the fourth Glorious Mystery, the Assumption of Our Lady, Our Lady says, "My children there is no crown without a cross. Continue to pick up your crosses and follow after My Son."

At the fifth Glorious Mystery, the Coronation of Our Lady, She says, "My children, thank you for answering My call to pray with Me for priests. Bring the graces I send you to all you meet. I love you, Your Mother, Queen of Divine Love, Patroness of Priests." I see Our Lady of Divine Grace above us. Her Hands are outstretched to us. Rays are coming down to us. She is sending Her grace to us and all who are praying for priests today, at Her request. The Rosary was said in English, French and Spanish.

*Claire Rose writes:*

Our Blessed Mother asks that I share this with everyone. I was mopping the floor of the smallest bedroom of our house. It was the first chapel in our house in 1987, when this little mission for priests really began. The reason I was cleaning the room and mopping it was because I was waiting for two guests from France that Our Lady was bringing to us for Her Visitation on the Last Saturday. As I mopped, I received a phone call. Two priests were planning to come on Saturday and with the phone call I learned that one of them would not be coming. My heart just dropped. I left the mop and water all over the floor and I walked to the Bayou side, as I often do when I have a particular problem to discuss with Our Lady.

I said to Her, "Blessed Mother, something has to be wrong with me. The priests are not coming, and I just feel that it's my fault and maybe we ought to just close everything down here and maybe You need to go and appear to someone else who could do a better job for You than me." I just walked away from the Bayou side and back towards the house. A minute later I was sorry that I "quit" and told Our Mother that. I offered this suffering that I'm feeling, this feeling of failure, I offered it up for priests.

Our Mother was totally silent about this until Friday morning when I walked to the Bayou side with a group of pilgrims who are here from France, California and South Carolina. Our Lady appeared a few minutes after we were on the Bayou side. She came as Our Lady of Guadalupe, I saw Her full-length. Then I saw Her face, close up. She was sad. Then She let me see very, very clearly, Her left eye. And it was filled with tears. I felt so bad because I felt I was the cause of Her Tears for the few moments I had quit on Her yesterday. She is so good to me, how could I ever quit on Her even for a moment?

Then She spoke, "I cry because of the state of My Church. I cry because of the state of the souls of my priest-sons. I thank you for praying for them and for the sacrifices you offer for My priest-sons. I need you, I need you. You cannot see the good of your prayers and sacrifices. Many Graces are given you. These Graces go through you to my priest-sons." Then I saw Our Mother, very beautiful, above us who were praying for priests. Below Her I saw those of us who are praying for priests. I saw Light and Grace come from above Our Mother, through us.

Under us, somehow, were all the priests of the world and they were receiving the Light and Graces through us. In the Order of the Church, the priests are above us, but Our Mother used this means to help us understand how our little offerings help priests. Our Mother said, "I will never abandon you. Please do not abandon Me. Persevere, persevere, no matter what comes against you. Persevere, I love you, I need you, and I thank you."

Friday night in our Chapel a small group of us from Louisiana, California, South Carolina and France were praying a Rosary for priests. Our Lady came with Padre Pio and St. John Vianney, the Cure d'Ars. Both the priests were smiling broadly at me. I wondered why they were smiling. Then I understood that they, too, had 'quit' their own little missions several times in their lives. When I received this understanding, their eyes twinkled as if to say, "Yes, we understand! We are with you." This comforted me.

Our Mother showed me a small dish of medals that are in another room and She spoke: "My beloved children, I love you. I have blessed these medals with an extra-ordinary blessing. Share these medals. I do this for you in thanksgiving that you are here, in thanksgiving for all you do for Me. I love you all with all My Heart. This is your gift for today. Your Mother, Mother of Divine Love."

## **Last Saturday**

*Received by Claire Rose*

At 1:45 Our Mother asked me to call all the little children to meet me at the Holy Cross for Priests to pray. She asked me to bring the dish of medals that She blessed last night. Today more little children have come than ever before. Our Mother came human size. She was very beautiful. She was dressed in a pink dress with a blue mantle and a white veil. She opened Her Mantle very wide over all of the little children.

She Spoke, "My dear little children, I love you. Open up your heart to Me. I love you. I love you. Thank you for coming today. Please pray with Me for holy priests. I love you. I love you. Today I bless these medals for you. I love you. I love you." I then see Our Lady go to each child and She touches each one on top of their heads as She opens Her Mantle and covers each one.

Our Mother continues: "Please, My children, when you pray the Our Father, when you pray the Hail Mary, when you pray the Glory Be, please pray slowly. Each one of you, please take a medal. The rest of the medals are to be shared with everyone. As a special gift to you today, My Son Jesus is with Me."

I then see Our Mother all in white standing right in front of us and Baby Jesus is in Her arms. She is holding Him out to all of us. Baby Jesus is facing us and He is reaching out His little arms out to us. Our Mother continues: "Baby Jesus is reaching out to all of you because He loves you all."

Pray for all the little babies that are aborted. Pray for all unwanted and mistreated little children.”

“Today we must remember all our little brothers and sisters who are suffering from war. Pray for those who are cold and hungry. Learn to love everybody no matter what color they are, no matter where they live, no matter what country or church they belong to. They are all our brothers and sisters. I love you. I love you. I am blessing you and your families. Please remember to pray for holy priests. I love you. Your Mother, Lady of the Bayou, Lady of the Rosary, Mother of Divine Love.”

At the First Joyful Mystery, the Annunciation, Our Lady came all in white. She asked me to announce Her presence. Her Mantle was very, very full. She came as Queen of Divine Love, with Her Crown. She was accompanied by multitudes of Holy Angels and Saints. Our Mother opened Her Mantle and She allowed me to see beyond Her Mantle and under Her Mantle. What I saw were many, many priests, as far as I could see. Our Lady said, "These are priests that are still on earth, that have been helped by your sacrifices and sufferings since the beginning of this Mission of Love." She is so kind to me, so filled with Love. Even with all the times I have failed Her She continues to Love me. This was a great comfort to me and filled my poor heart with joy. I clearly understood that She was speaking to all of us in this little mission.

The Fifth Joyful Mystery, the Finding of the Child Jesus in the Temple, a little child was leading the mystery. I was brought back to a time when I was a little child, perhaps seven or eight years old, and I used to lead the Rosary and the Litany under the oak tree at mamma and pappa's house. Every May and October we would always have the 5:00p Rosary at our house for our little neighborhood. I understood the importance of teaching children to pray.

As the Sorrowful Mysteries began, Our Lady began to cry. Her Tears were like diamonds. They flowed continually from Her Eyes. She said over and over, "Embrace your cross, kiss your cross." During this first Sorrowful Mystery, I saw many priests in Heaven. These priests are in Heaven, as a result of our persevering in prayer, many were released early from Purgatory. Our Lady is showing us this today to encourage us to persevere in prayer for priests. Our Lady then said, "A priest is present today, but he is not in priest's clothes."

Then, Jesus began to speak. He said one sentence to me during this Mystery, "Walk this Way with Me." I experienced a little bit of what He experienced in the Agony in the Garden.

During the second Sorrowful Mystery, the Scourging at the Pillar, Jesus continued, He said, "The world, and those in the world, did not recognize Me My bride. Most will not recognize you, My beloved bride. Count

this as a blessing and a gift." I believe that Jesus was speaking to the whole Church.

At the third Sorrowful Mystery, Jesus continued, "Rest in My arms, My beloved. I love you." He's speaking to all of us, not just to me. "Rest in My Heart, My Bride." Jesus stood directly in front of me, human-size. He held out His right hand to me, and He took my right hand into His. He held my hand, and then He kissed my hand. He asked me to write His Words.

At the fourth Sorrowful Mystery, The Carrying of the Cross, Jesus continued, "Walk My bride. Walk this Way with Me. Walk along with Me, the best is yet to be. I love you." With each step that I took alongside Jesus, together we took a step, closer to martyrdom. Jesus continued, "Embrace your cross. Kiss your cross. I love you. I help you to carry your cross. Will you help Me? Will you turn away from Me?"

During this Mystery, as I walked along side of Jesus, I saw Jesus being hit on the head, and I felt the hit on my head. I saw that Jesus was slapped in the face, and I felt the slap in the face. I saw Jesus being mocked and spit upon. And His Precious face was covered with blood, with sweat, with tears and with spit. And yet He was carrying His Cross and going forward. He could not even wipe His own face. The angels came and wiped His face. Jesus continued to speak, "Even though you fall, I will raise you up. Walk on, walk on, stay with Me, My bride, until the end. Until we can say together, 'it is finished' and I can say to you: 'Come in, come in,' as I embrace you in My Arms. 'Come home, well done, good and faithful servant. I love you. I welcome you into Myself.' " For a time I was gone.

The first Glorious Mystery, The Resurrection, I felt like a new person. Our Lady said, "I will strengthen you and give you much Grace and all the courage that you need each day to persevere. Look beyond this world, you will see Heaven." I bowed my head, I humbly submit. Help me to be always in humble obedience.

The third Glorious Mystery, The Descent of the Holy Spirit, the big picture of Jesus seemed to 'come alive' and Jesus was blowing kisses to everyone. I've never seen Him do that before. Our Mother was filled with joy as She looked at each one here.

Throughout the Rosary I could feel waves of Love from Jesus and Our Mother like an ebb and flow of the tide. At times it was so strong I felt like I would fall over.

Everywhere I looked, I saw Jesus in a golden Monstrance, all over. Light, much Light was coming from Jesus in the Monstrances. Our Lady said, "My Heart is overjoyed today by all My children's presence. I love you. I love you all my little children. If you would sincerely pray and fast, a war can be averted in a short time. By this Christmas there will be good news, IF you

will pray and fast without ceasing. Let the Holy Rosary be your weapon of Love and Peace."

Our Lady's Words to us from this morning, "My Beloved priests and My children, My Church is in the eleventh hour. Remember, it is always darkest just before the dawn. Pray. Pray. Pray. Pray and do penance My beloved little flock. Another great war can be averted if you will listen to My cries to you. My beloved children of this whole world, listen to Your Mother. You have entered into a place of utter destruction and desolation. A place from which there is no return. I call. I call. So few respond. Please, I beg you, My beloved children, do not let My call to you go unheeded."

"A storm of darkness is about to come upon the earth. A storm, the like of which the earth and My children, have never seen. My Son, Jesus, has sent Me to warn you. My Son, Jesus, has sent Me to call you back to Himself in Love. When My Son walked upon this earth, many recognized Him and followed Him. Yet, many turned away to seek their own pleasures. Many others failed to recognize Him. They did not take the time to listen to Him and just walked away to follow other gods. False gods, gods of their own making."

"My children of America, your shores have been invaded in a way that you can clearly see. A way that is visible to you and this has hurt and shocked you. This invasion has made you angry. There are times when anger is justified, like the time when My Son discovered corruption and desecration in His Holy Temple. Then He cleaned and cleared the Temple, the place set aside to worship His Father."

"At the appointed time, His enemies plotted against Him and using others, they desecrated and destroyed the Life from His Precious Body. My Immaculate Heart was nailed to the Holy Cross with My Son. He is My Son, and the Son of God, Our Father, His Only Son, My Only Son, Jesus, the Christ. He is the Truth, the Way, and the Light. He is the only Doorway to Heaven. I come to bring all My children to My Son, Jesus. I come to call all My children to Truth, to Reason. I come to call My children to come home to safety. My Arms and My Heart are open to you, all of you, My beloved children."

"The great war, the great storm of tribulation is upon you. Only much prayer and sacrifice, much fasting can avert and lessen this time of suffering. Be converted My children. Be converted. Repent of your sins. Return to holiness. Be imitators of My Son, Jesus. Be carriers of Peace and of Justice. Be messengers of Love."

"In the past, an evil tide invaded your shores. Invaded My Son's Church. Invaded your souls and you failed to see. You failed to act, to clean the filth when it was ankle-deep. So it soon deepened and grew worse, taking many innocent lives and many souls into the deepest part of Hell. And in a short time, evil grew and multiplied. Many times, mocking good. Mimicking

that which is Truth. For even in the false prophets, there is a small grain of Truth. Deception is not always clearly seen.”

“My beloved children, at this time, I plead with you to pray and offer sacrifice for your true leader on earth, My Chosen Son, His Holiness, John Paul II. He is assailed from every side, from within and without the Church. His very life is in gravest danger. Your prayers, your fasting, and your offering of suffering and sacrifices do make a difference.”

“The war, the great storm that is upon you is a war between good and evil. It is a war for your souls My beloved children. You must choose, My children, you must choose to live a simple, and holy life, or to continue in the ways of the world.”

“I plead with you today, as never before, come Home to Your Mother. Come to My Son, Jesus. Seek forgiveness, and keep a repentant heart. The ways of the world will carry you away from all Truth and your souls will be lost forever. You must choose, My children, choose Life Everlasting with My Son, Jesus, and with Me, Your Immaculate Mother, or choose eternal death in evil.”

“Pray. Pray. Pray. Pray. Offer sacrifice. Fast for holy priests to lead you. For holy and courageous priests to speak Truth to you about the condition of your souls. Do not continue in your evil ways or you will be lost forever.”

“My priest-sons, parents, grandparents, My religious, I speak to you all, let your life be a living example of My Son, Jesus to all. Live Holy Lives, your actions speak louder than your words. Live in peace with one another. Live in Holy Love. Clean out the temple of your soul. Live the Commandments of Love. Perfect Love will rid the world of all sin. When Perfect Love comes into you, the imperfect will be washed away.”

“You must repent. Reform your lives to be transformed to holiness. When you will live true holiness, a wave of Love will sweep the earth and all sin will be banished. Once again the earth will be renewed and restored to a true and lasting Peace. I will never abandon you My beloved sons and My children. Please do not abandon Me.”

“This is a time of great Grace, a time of greatest Mercy, a crucial time. Return to holiness and much famine and desolation can be averted. Prepare your hearts. Prepare your homes. Prepare your souls for the Coming of My Son Jesus.”

“Pray for the Eucharistic Reign of My Son Jesus, that His Sacred Heart of Divine Love may be Adored and Worshipped in every place by all of My children. Where He dwells, where He is Present, the Holy Blessed Trinity is, all Three Persons, Our Father, One with My Son Jesus and One with My Beloved Spouse the Holy Spirit. Three, yet One. Where My Son is, I am there

in Adoration, always accompanied by many Holy Angels and Saints. I love you. I love you. I love you. Your Mother, Mother of Divine Love."

Jesus then spoke, "Suffer the little children and let them onto Me, for of such is the Kingdom of Heaven. My beloved brother priests, concern yourselves not with the things of this world. Concern yourselves with the condition of your soul and the souls of your brother priests, the souls of My beloved Sheep placed in your charge. That is to be your concern, the spiritual state of My Church."

"I weep over the state of My Church. My Mother weeps with Me, for We are One in a way that many of you do not understand nor acknowledge. My Shepherds, you are accountable to Me for the condition of souls placed in your charge. This is what I desire of you, My Shepherds, My Brothers."

"Why have a beautiful Church building when My Shepherds have gone astray? When they no longer speak and teach Truth to My little ones? One who has gone astray and has no Truth in him cannot teach or speak Truth. Multitudes are being led astray. Many flocks are falling downhill led by unholy shepherds. They are an abomination to Me. They are wolves dressed in sheep's clothing."

"I have come to rescue My beloved sheep. I have come with My Mother for the good of My Shepherds and for the good of My sheep, My own little flocks. I have come with My Mother. My Mother has come before Me at My request, to call My Shepherds and My sheep back to a safe pasture beside the still waters."

"Come, My Shepherds, come to Me. Come to Me through My Mother and together we will restore and refresh you. Together, We will renew your body and your soul to wholeness and holiness. Come, come to Me and be healed. I await you. My Body was torn to pieces for Love of you, My Shepherds, My sheep that you might have Life, Everlasting Life with Me. I love you. I call you. Return to Me. Return and be saved and your flocks will be saved. Saved and brought to a safe enclosure."

"The Father, My Father and I are One. The Holy Spirit and I are One. We speak with One Voice. As the Father has sent Me, so I send you, My Shepherds and My sheep."

"My Mother, My Beloved Mother speaks for Me. We speak with One Voice. We Love with One Love. She is Your Immaculate Mother. All I have, I give to Her. All I have, I offer to you through My Mother. All Grace comes to you from the Throne of Grace, My Sacred Heart of Divine Love through the Immaculate Heart and Hands of My Mother. Even to those who do not know nor acknowledge Her as Mother. I love you all. Return to Me while there is still time. Your Savior, Your Bridegroom. I am Jesus, Living Son of the Living God. I am Divine Love. Come to Me. I am the First and the Last. Alpha and Omega. I Am."

Our Mother speaks, "My beloved children. I love you. Return to My Son, Jesus, quickly. Do not look to the left or to the right. Be concerned about the condition of your soul. Be concerned of the condition of the souls of your spouse, your children, your grandchildren, and your great grandchildren, your sisters and your brothers."

"Be converted NOW. Do not worry about worldly things. Cease your endless chatter about worldly things. Be still, pray, pray, pray, pray. The time is NOW!!"

"Pray and fast, be reconciled to God and to one another. Pray for holy priests to lead you, to guide you to holiness. Be still, listen for My Voice. I desire to speak to your hearts. Pray for Peace in your hearts, peace in your homes and peace will spread from house to house. I love you."

"Ask your priests to Consecrate your parishes to My Immaculate Heart. Consecrate your hearts, My children, consecrate your families and your homes to My Immaculate Heart. My Love and My Peace will purify your hearts, your families, your homes, and your parishes, for the Love and Peace I bring to you is the Divine Love, the Divine Peace of My Son, Jesus. Love one another with My Love, the Love that flows through My Immaculate Heart from the Divine Heart of Love of My Son, Jesus, who is Divine Love."

"I love you ALL, let My Love permeate your souls and your lives. Just as Divine Love flows from My Son, Jesus, through My Immaculate Heart to All, open your hearts, let Our Love flow through you to others and Divine Love will return to you a hundred fold."

"Humble yourselves before the Throne of Divine Love." I see a gold Chalice with a pure white Host suspended above it on a gold Throne. "Seek forgiveness, I will be Your Advocate. I am Mother of the Word Incarnate. I am Mother of all hearts. I come to you wherever you are. Call Me, I am there. Meet Me on the Bayou side, or near the river's bank. I will take you by the hand, in your sinful state to the Divine Heart of Love of My Son, Jesus."

"Meet Me at the foot of the Holy Cross. I am here with you, awash with the Blood and Water that continually flows from the Divine Heart of Love of My Son, Jesus. Come to the Throne of Divine Love."

"Divine Love dwells in all the Holy Tabernacles of the whole world. Divine Love comes alive in the simple bread and in the simple wine. Divine Love comes to you, My beloved ones, through the anointed hands and heart of My beloved priest-sons."

"Divine Love, the Sacred Body and Blood, Soul and Divinity of My Son, Jesus, always there, waiting, waiting for you. Be cleansed, My beloved children, all My children, My beloved Priest Shepherds and all My little ones. Run and be cleansed. Wash yourselves in the Holy Sacrament of Cleansing, Merciful Love, Holy Confession. Be reconciled to My Son, Jesus. It is the

Sacrament of Peace. Let your souls become white and pure again, as little children."

"Come; come with open and clean hearts to receive into the Temple of your souls the Sacred Flesh and Blood of My Son, Jesus. End all the desecrations." I understood in a deep way, the Our Lady meant the desecrations of Jesus in the Holy Eucharist by unholy Priests and Communion Ministers and also by anyone who receives Jesus in a state of serious sin. She also meant the desecrations of abortion, the desecrations of sins of the flesh, sins of the mind, sins of the tongue. Our Mother continued "My children, My beloved ones, end all the desecrations, and let Me help you to clean out the Temple of your souls. I love you. I love you. Your Mother, Mother of All, Lady of the Bayou, Mother of Divine Love." This is the longest public message that I have received.

*Received by Leslie Therese*

Our Lady's picture seemed to come alive. Our Lady speaks, "I am the life that brought Light into the world for your salvation. My children, My children, thank you for coming today to pray with Me. My Son's priests need you more now than ever to pray for them. Offer all of your daily duties and prayers for them. Continue in all you do for Me and My Son's priests." I see Mary in a dark red or maroon colored dress with a white veil like mantle trimmed in gold.

Jesus speaks, "I came into this world to DIE for its sinfulness. I was a true Sacrifice of the pure and unending Love that My Father has for His people. My children pray for Peace and forgiveness to come again in the world. If the Father can forgive then so must We. My Love has always been in the world. Do not lose Faith, it will always remain."

A child is leading a Mystery. Our Lady says: "Pause and pray with the child." Our Lady speaks, "The power of children's prayers can move mountains. Teach your children to pray. Teach them to pray for priests and for the world which is their future. Listen to the innocence in each word of prayer learned from you their parents and teachers. Remember your own innocence and pray with the heart of a child for your country and all of the people of the world. Pray especially for your enemies. Love and forgive them as the Father has done. Forgive their ignorance."

"I see and hear you My children in everything you do. Go to Confession often. Reconcile yourselves with God. He can and will forgive all if you come to Him with true and open hearts and minds to His forgiving nature, His Heart. Yes, even you can expect a miracle here today. You can walk away free from pain and sin."

"Come to Us in all your needs My children and you shall be washed clean and made new to go forth and spread Our Love to the world, one soul

at a time. Pray, Pray, Pray for My Son's priests. Again I ask for they are in dire need of your prayers. I love you, My children and We are watching over you and your families. I will send each of you home with an angel of protection to guard over you and your families from evil."

I see Our Mother walking about the house and outside touching people and smiling. She is wearing white. Her mantle is pale blue and is flowing in the breeze. Our Lady continues, "I am giving the gift of Peace to My children who are here for the first time. Welcome My beautiful children. You see your sisters and brothers who come to Me each month. Yours and their faith in Me will inspire the world to Peace. We must continue to pray for priests as well as for Peace in this very trying and confusing time. Pray for My children who are fighting for justice. Lift the Rosary to Me."

Mary kissed the Rosary in My Hands. It was a little Rosary that some ladies from Ohio had just given to me. Our Lady continues, "For each prayer said on this Rosary a baby will be saved from limbo. Send it home first with the woman who gave it to you. Then keep it for yourself."

For Priests: "My sons where are you? Do you not know that I am here for you yet? I love you My sons. Take time each day for Me and I will relieve your many burdens. Come to Me here My Son's priests at any time. I am here for you always. Give Me all of your sorrows and I will make them My own and refresh and renew all of them. I will renew your bodies, minds, spirits and souls so that even the people of your parishes will know that you have been blessed to be in this holy place. I love you My sons. Come to Me here. I await your coming home to Me."

*Received by a bride from another area, Lin*

I happen to be in Louisiana for this last Saturday. At the first Joyful Mystery, the Annunciation, I see butterflies being released, thousands and thousands.

At the second Joyful Mystery, the Visitation, I feel great, great peace all around me. I feel Our Lady's presence so strongly that it nearly overwhelms me. Our Lady then says, "Continue to write My child. My dear and precious children, My prayer warriors who have come from near and far, I love you. Thank you for answering My call to pray for our priest sons with Me. Thank you." I am very aware of everyone around me praying. Our Lady continues, "Many healings are happening all around you and in you, so powerful are your prayers."

At the third Joyful Mystery, The Birth of Our Lord, Our Lady continues, "Many priests will come from this mission. Priests that are holy and pleasing to My Son, who will bring many souls to My Son." Oh! My Mother I feel great heat, yet it is cool outside.

Our Lady speaks, “My Spouse the Holy Spirit is present giving many Graces to all present. Many, many blessings. Yes it is Me your Mother of Divine Grace. I bring many Graces with Me for all present and your prayers bring that Grace to all the world, Graces to all corners of the earth. Oh! My children, if you only knew how powerful your prayers are, you would never stop praying.”

At the fifth Joyful Mystery, The Finding of the Child Jesus in the Temple, Our Lady speaks, “There is one here who will receive a great healing here today and will serve Me until My Son and I bring him home to Us.”

Our Lady then spoke to the two nuns present who were in habit, “My faithful and holy and precious daughters. Oh! How I love you. Oh! How I hear your many prayers of adoration, thanks giving and supplication. Know that I am with you and I love you. You do not know all that your example does to all the rest of the world, especially those you come in contact with.”

“I love all the children. There is a little child present who led a decade of the Rosary who is special in My Heart.” Our Lady then spoke to the child, “Little one you will get to know Me better and better. Thank you for having the courage to lead a decade of the Rosary for Me. I love you.”

I see Our Lady of Divine Grace all in blue and white. She says, “I am changing before your very eyes to Mary, Queen of Divine Love, Patroness of Priests.” Rays of light come down from above Our Lady and go through Her and out to all of us. I have never seen Her so beautiful before. Her Eyes seem to absorb all of us here into them. I don’t know how to explain this. It is beyond my understanding. Oh! My Mother Queen of Divine Love, thank you for so much love.

Our Lady speaks, “Thank My Son for letting Me come to see you. He loves you so much. The Most Blessed Trinity loves you so much. Open your hearts to Them.”

At the second Sorrowful Mystery, the Scourging at the Pillar, Our Lady continues, “Oh! My sons, I weep for you. Look inside your hearts and if you need to change, don’t wait. My Son waits for you to open your hearts to Him. He is ready and waiting for you to return to Him without reserve and without self getting in the way. The prayers being said for you on the Last Saturday all over the world have Graces waiting for you to use them. Choices! My priest sons, correct choices are all you have to do My precious priest sons, to change to the right path, the true path to My Son.”

“Come to Me, My priest sons, and claim all these Graces, and quit being afraid to be holy. Let go of what others think and stay true to My Son. Oh! My priest sons who are holy, I pray for you constantly to remain holy. My children, My prayer warriors are praying for you to remain holy. Have courage My priest sons, your example brings many souls to My dear Son. You do not understand how important your example is to your flocks. Look in your hearts

and you will begin to understand. I love you. My Son loves you. Thank you for your love of us. Yes, My children, pray for My special priest Son, Pope John Paul II. At this time he needs your prayers more than ever.”

“Oh My children, each and every one of you who came today I have called. Thank you for answering My call. I pray with you My precious children. I bless all of your holy articles. I am pleased to see so many men here. Thank you for answering My call. Special blessings come to you today. My children you are receiving so many blessings from Heaven this day for all your prayers. It is impossible for you to understand how many blessings are coming from Heaven to all of you. You may bring these blessings to all you meet. They will be felt by all. Do not be afraid to share the love My Son and I give you with all you meet. Oh! My children, prayer can change things for yourselves, your country, now in great need and the whole world.”

At the first Glorious Mystery, the Resurrection, Our Lady says, “Your prayers make the darkness disappear.” I now see Our Lady, Queen of Divine Love, Patroness of Priests and with Her Crown on with the Eucharist above a chalice. I now see millions and millions of Eucharist’s going out all over the world. Our Lady now becomes bigger than the room and then bigger than the world. She encompasses all of us inside Her Heart. This is very difficult to describe. I cannot describe it in earthly terms. She protects us in a way so great, we cannot understand how great.

I cannot remember what mystery we are at as Our Lady has given us so much of Her Love I could only be with Her. Our Lady continues, “Oh! How I love the little children leading a decade of the Rosary. It is like flowers rising to Heaven with the sweetest fragrance and is most pleasing to My Son within the Most Holy Blessed Trinity. I love you all My children. Remember I am always with you.”

I now see Angels above us, all sizes and shapes. Our Lady continues, “My children, My prayer warriors, I send many angels to watch over and protect you in this perilous time. Call on them to help you. They are more than willing to help you. They see My precious Son’s Face constantly. Call upon Me My children to help you when you are in need and when you are not in need. I love you. Your Mother, Queen of Divine Love, Patroness of Priests.”

Our Lady is still very big and we are all inside of Her. She is so beautiful and so loving. She says, “Thank you My daughters for your obedience in writing as I have asked of you. I love you.”

# November 2001

*Received by Claire Rose*

About noon, a priest called to say that he was coming. This makes me happy. I walked to the bayou side to thank Our Mother and Jesus. Our Mother surprised me by appearing. She had on the most beautiful crown encrusted with many jewels. It was a tall crown with many jeweled fleur de lis all around. I have never seen this crown before. Right over Our Mother I saw the Holy Spirit in the form of a pure white dove. He began to fly and got much bigger, very big. Then I saw Our Mother smaller and She was riding standing on the back of the Holy Spirit as He flew over the bayou and to our house.

At 1:45 we gather with the little children around the Holy Cross for Priests. Our Mother spoke: "Come My precious little children, COME! I thank you for coming today to pray with Me for Our priests. I will touch each one of you, each one of your hearts. I love you. I love you. I love you. Give me your heart. I will bring it to My Son Jesus. And I will bring My Son to you to live in you. I love you. I love you. I bless you today. I bless you with Peace. I bless you with Hope. I bless you with Love. I will always be with you here. I will always be here for you. Come to me each day, even when you think you don't need me. I will never leave you. I love you."

I see a beautiful angel standing next to Our Mother. "This is a special Angel of Protection for a child who has been chosen to be a priest." I see a crown on Her head. Each one of us is Her little child. Rain begins to fall like a sprinkling of Holy Water. Our Mother continues: "The rain is a blessing from Heaven. All of Heaven is here today. I love you My beloved children. Your Mother."

At the First Joyful Mystery, the Annunciation, Our Mother asked me to announce that She is present. Our Mother came as Queen of Divine Love with multitudes of Holy Angels and Saints.

All through the Second Joyful Mystery, The Visitation and during the Third Joyful Mystery, The Birth of Jesus, Our Mother said, several times, "Embrace your Cross. Kiss your Cross." Our Mother then said, "Look at your hands. Look at your hands." I thought this was for priests, so I was listening and watching Her, waiting for more words. The third time She said, "Look at your hands." I finally understood that She was talking to me, so I looked at my hands. I was so shocked at what I saw. As I looked down, I saw my hands big, as big as the world and in my poor hands were what looked

like millions of priests. They were like little black ants, so numerous. I could hardly believe what I was seeing.

I looked up to Our Mother, there were tears in Her eyes, falling down Her cheeks. Her tears were like pearls and like drops of gold. I looked back into my hands and the priests were going in all directions. Our Mother said, "Bring them into your heart. I need you My little one." I closed my hands and carried all the priests into my heart as Our Mother asked.

At the Fourth Joyful Mystery, Our Mother gave me what She called "A Second Secret." The First "Secret" was given to me on the Last Saturday of September 1999.

At the Fifth Joyful Mystery, The Finding of the Child Jesus in the Temple, Our Mother said, "I will remove all fear from you." One of the priests who was sitting near me was healed of some very deep wound from his childhood. Somehow he was given my fatigue and wounds and I was given his, then we were both healed and set free at the same time through one another.

First Sorrowful Mystery, The Agony in the Garden, Our Mother spoke to the priests present: "My Precious and most Beloved sons, I love you. I love you. I love you. I thank you with all of My Heart for coming here today in response to My Call to you. I call you more and more to pray for one another. Pray for your brother priests. So many, many have gone astray. I need you My sons. I love you. I love you with all of My Heart. My Heart is pierced many times a day by your brothers. I love you all so much. You are the sons of My Immaculate Heart. You are My Heart and My Hands in this world. My Hands are broken. My Heart is broken. Please help Me to mend My Hands. Be a comfort to My Immaculate Heart, so grieved by the sins and error of My priest sons. I love you My beloved sons."

"I see the darkness that threatens to cover the earth. I ask for prayers and sacrifices for My sons, My beloved sons to lead My children to holiness, to My Son, Jesus. Lead My children to the Light." I see the dawning of Light AFTER the darkness. Our Mother continues: "Be holy My beloved sons, be converted. Come home to Your Mother. I need holy shepherds. I love you. I encourage you. I bring you hope. My Heart leaps with joy at each glimmer of conversion. I love you. I desire to heal all your ills, in your body, in your mind and in your souls. I love you." These words ended at the beginning of the Fourth Sorrowful Mystery, The Carrying of the Cross.

Then Jesus Spoke: "Walk along with Me, My Bride, My Church, the best is yet to be. I Am Divine Love. I dwell among you. I love you. Give to Me today, Your Bridegroom; give to Me your free will. Abandon yourselves to Me. You are in a crucial, crucial moment in time. You are My Bride, My One, My Only Bride, My Church. I call you. My Mother calls you to be holy, to be holy and sinless, spotless. Curb all that keeps you from being totally Mine. I love

you. My Blood washes over you. Turn to Me. Turn to My Mother. I ask you all to Honor My Mother and My Father. She is chosen and called and responds always with a holy Fiat."

The Fifth Sorrowful Mystery, The Crucifixion and Death of Jesus, Jesus continues: "A total giving of Herself. I love you, My beloved Bride, My Church, My One True Church, My shepherds and My sheep." I saw Jesus still alive on the Holy Cross. I asked, "O Jesus, how may I comfort Thee? How may I comfort Thee?" Jesus answered: "Embrace your Cross. Kiss your Cross with joy, with happiness and with complete Trust in Me. I will never abandon you."

From The Cross, from Jesus' Holy Heart of Divine Love came forth His Precious Blood and Water. I saw His Precious Blood and Water spread all over the earth. Tumbling out of His Sacred Heart upon His Precious Blood and Water were millions upon millions of Sacred Hosts, pure white Hosts, pure white like jewels. Like jewels that I have never seen on earth. These were sparkling shining, spreading all over the earth, an endless amount, unceasing, alive, glowing Living pure Light.

Then Jesus Spoke: "Open your hearts, My beloved ones and love one another as I have loved you. I Am Divine Love. I Am Alpha and Omega. I Am yours and you are Mine."

Third Glorious Mystery, The Resurrection, Our Mother Speaks: "My Beloved Children, I love you. I love you. I love you. I thank you for coming here today to pray with Me. I hear all of the petitions, the cries of suffering and trial in your hearts. I take you into My Immaculate Heart and I bring you to My Beloved Son, Jesus. I am with you My little ones. I will never leave you. I will never abandon you."

Fifth Glorious Mystery, The Coronation of Our Lady, Our Mother continues: "I ask you to increase your prayers for My Beloved Son, your leader on earth, His Holiness, John Paul II. He is My chosen Apostle of Peace and of Love. Carry him in your hearts. Treasure him. Listen to him. Obey him. His life is given for you all, My beloved priest sons and all My beloved children. Live prayer My children. Let your every action, every word, every heartbeat become a prayer."

Our Mother continued, "I give you a special Blessing today, a Blessing of Peace, A Blessing of Love, a Blessing of Hope. Pray for holy priests to lead you. Pray constantly. If you will remain faithful to My Son Jesus and to prayer, much darkness can be averted. Peace, My children. Peace I give to you. A Peace that the world cannot give you. Love one another with My Love. Your Mother, Mother of Divine Love."

I see St. Michael. His wings are huge, glorious; He is escorting Our Mother, Mary. I see Mary in a white veil with a band around Her head; She is all in white. Mary speaks to us: "Thank you my daughters for doing as I asked."

I see thousands of red roses and then they turned white. Our Mother, Mary again spoke to us: "Each rose you see today is a priest's soul being released early from Purgatory."

Our Mother, Mary is walking among Her people blessing each one of us, I see her walking throughout the house, and there are no walls. Our Mother, Mary speaks: "My daughters what you suffer is very difficult, you shall be rewarded greatly. I love you. Make welcome all of My children."

I then see thousands of gold crosses going up to Heaven, then I see many colors like jewels falling back down, they were sparkling in the sun like pieces of stained glass windows as they fell, so very beautiful. When a lady was saying the Rosary in Polish I saw a huge red white and blue Rosary. Then I see Our Mother, Mary holding it in her hands.

Our Mother Mary spoke to all of her children: "These colors red white and blue mean freedom in many places on this earth. Take hold of them pray for those who seek this freedom. Pray also for those who wish to destroy it. We must pray for our enemies. Yes, My children I know how hard this is, but Our Lord loves all of His children and wants only to forgive their sinfulness, and to love all who come to Him. My children take care and guard your freedoms."

"Pray the Rosary for My precious priest sons, for through them and the power he Lord has given them do you receive My Son Jesus in the sacrament of Eucharist. My Priest sons are needed in many places in this world you live in. Pray daily for more holy priests; dedicate your daily prayers and deeds for My sons."

"I love You My children for you are safe within your loving Mother's Arms and Heart. There I shall hold and protect you all of the days of your lives. You are coming home to Me, your Mother. Please continue to teach your children of My Son Jesus' love for them. Teach them to be respectful of others and also of themselves. I am blessing all of the items brought here today and I have heard all of your petitions, I shall bring them to God."

I see many bride veils here today on people in the house. Our Mother Mary spoke again: "I am blessing all wedding rings and marriages here today. Trust in Me, My children. I am your Mother. I love you as no other can. You are My Heart filled to overflowing ecstasy. You are My everything. Come to Me here My children for healing and freedom of pain and sorrow. I love you; I love you; I love you."

"My children look not at what your neighbor is doing follow only Me, for where I am so is My Son, Jesus. Take care to notice what is happening in your own house, look to My Son Jesus for guidance and counsel. Many

miracles are happening here today. Many hearts are being brought back to My Son Jesus. My love for you is great. Each new person who comes here today will receive an angel of protection. My angels and saints have come here today to pray for My priest sons. We are praying for an army of priests for GOD." At this time I see many angels and saints surrounding Mary all praying the Rosary with us, the sound is overwhelming.

Our Mother Mary speaks again: "Do not get distracted, My children, by this world. You are here on this earth for such a short time; only Heaven is forever, only Heaven or hell is forever. Ask God for forgiveness through Confession. Come to Him here for He is always present where My Son Jesus is present. Forgive yourselves My children, and forgive all of those who have hurt you. The time is now My children. Pray, Pray, Pray, with all your hearts. Ask forgiveness, and it cannot be denied if you are truly sorry. God wants to share Heaven with all who seek His Love and Forgiveness."

Our Mother Mary Speaks to Her priest sons: "My precious sons how you touch My Heart. All of these My children are in your care, do not mislead them. Many of you have listened to My Call to you. My Heart is filled; My soul is happy. Come to Me again My priest sons at any time, I am always here for you My darling ones. I will reawaken the spirit that first called you to hear Me. Your bodies will be renewed and freshened to begin anew. Come to Me here each time you are in need of My Love."

*Received by a bride from another area, Lin*

I am in Louisiana for the last Saturday of November. At the first Joyful Mystery, The Annunciation, Our Lady said, "Announce I am here little one," but a sister bride had already done so and I kept silent.

Our Lady continued, "I love you. Oh! How I love you My precious children who have come today to pray with Me for My priests sons. My prayer warriors, I love you. If you are here today, I have called you to be here. It is no accident you are here. My priest sons who have come today, thank you. Thank you for answering My call. This place is for you, to heal you, to help you, to encourage you. To bring you to My Son in a way never before. I love you. Oh! How I love you. Oh! My dear religious, I love you. Thank you for your yes to My Son. Thank you for your perseverance. Thank you My religious who are not afraid to be in habit."

At the second Joyful Mystery, The Visitation, Our Lady continued to the religious in habit, "Your example to others you do not understand. You will only understand in Heaven. It pleases Me so to see you in habit." I then see Our Lady all in white sitting next to two of the religious present. She is smiling so at Her daughters and looking at them so lovingly. I then said, Oh! Blessed Mother, three priests present. She then said, "Yes My little one, one

for each person of the Blessed Trinity. A special gift from My Son to My children."

I see a golden light. Behind the light I see Our Lady faintly. She now comes forward. She is all in creamy white with a gold edge on Her Mantle. She has a golden Crown on Her Head with seven points and a Chalice on the front. Above the Chalice is the Eucharist (Jesus exposed). Golden rays are coming out from the Eucharist, emanating golden light that moves at different lengths and brilliance. I now see a Monstrance in golden light and it moves over the top of all of us. Rays go down to each and every person here, touching each one."

Our Lady speaks, "My Son is with you today My children, in a way beyond your understanding. His grace abounds and goes out to all of you. Oh! How He loves you. He sends Me to you to encourage you and to bring you to Him. He loves you so much. You cannot understand how much He loves you. You will only understand how much He loves you in Heaven. He has given you the priesthood to lead you and bring you to Him, to His Father. He sends you the Holy Spirit. Rest now little one."

At the fifth Joyful Mystery, The Finding of the Child Jesus in the Temple, Our Lady continues, "Little one, thank you for your obedience in writing as I have asked you. Touch the person to your right. I am healing her heart in ways she does not understand. Tell her to keep close to Me and she will be fine. Tell her I love her. She lives in My Heart."

At the first Sorrowful Mystery, The Agony in the Garden, I now see Our Lady all in blue and white. She is most beautiful. Her eyes are beyond my understanding. They seem to draw me inside of them. Now they seem to be holding all here present inside of them. Now they seem to hold the whole world. I am very aware of all the people around me praying.

At the second Sorrowful Mystery, The Scourging at the Pillar, I see a Cross, slightly raised from the ground with Our Lord on it. I see His drops of blood falling from it. They are falling on us. I now see drops of blood falling on prison cells in another country. I do not know where this is happening. Our Lady speaks, "My child it is in China. There are priests in those cells in different places. Your prayers, the prayers you are now saying and the prayers you say each day for My priest sons are helping release many graces for these priests to go on and endure their suffering. Rest now my child."

At the fourth Sorrowful Mystery, The Carrying of the Cross, Our Lady says, "Child of grace you are under our protection in a way no one can take care of you humanly. Do not worry about anything." I understood this to mean all Her prayer warriors.

At the fifth Sorrowful Mystery, The Crucifixion, Our Lady speaks to Her priests, "My priest sons, Oh! How I love you. Thank you for praying for your brother priests. They are in great need of your prayer in this crucial time

of Mercy and Love. Thank you. Continue to pray for them. You will not be sorry. You will not be sorry."

I received harassment at this point and then I see holy angels around and in back of me. Now I see holy angels all above us. I now see a white dove. From His beak come strings of silver light and they go out to all the world. Then Our Lady speaks, "My child the strings of silver light are graces being sent out to all the world because of your prayers."

At the first Glorious Mystery, the Resurrection, all of a sudden I feel great, great peace and love. Love beyond my understanding. Our Lady speaks, "My child I bring My peace and My love, which is My Son's to all My children. I want My children to know My love and My peace. They will find it in the Confessional and in the Eucharist. Love beyond their understanding."

"Oh! My children pray for more priests, priests to lead you to My Son. Pray for your country and your brothers and sisters. If you pray for more priests, holy priests, you will have these two beautiful Sacraments, and all the rest of the Sacraments." (I understood Our Lady to mean, the Sacrament of Reconciliation and the Sacrament of the Eucharist, and all the rest of the Sacraments.)

"Know that all the Sacraments are My Son Loving you. Oh! My children if only you know how much My Son loves you, you would die of joy. Pick up your crosses and go to My Son and give them to Him. He is waiting for you. Open your hearts to Him. He is LOVE itself. Oh! My priest sons, My religious, My children all over the world who have come together today to pray with Me for holy priests, I thank you. I thank you for answering My call. I love you. Your Mother, Queen of Divine Love, Patroness of Priests, Queen of the Bayou."

# December 2001

*Received by Claire Rose*

We gathered around the Holy Cross to pray with the many children. I invited Our Mother to please come and be with us under all Her titles. I thanked Her for coming to visit us and for loving us. Together we prayed Hail Mary's.

Our Mother came. She was so beautiful. She was dressed in a beautiful white lace mantle. "My precious, precious children, I love you." She extended Her Hands over us, first Her left Hand, then Her right Hand. I could see clear white light coming from above Our Mother. This light passed through Her open hands and became like rainbows as the streams of light came down to us. "These are Graces, My children, extra-ordinary Graces for you. Thank you My beloved children for praying for priests. Your prayers are heard in Heaven. You are a special gift. I love each one of you. I thank the parents, grandparents, aunts and uncles who have brought My little ones here today."

"Many vocations to the priesthood and religious life will flourish from here to all the earth. I am opening your hearts. I come to you in Love. I am here at all times. I will remain here until the Coming of My Son Jesus. I love you. I love you. Your Mother, Lady of the Bayou, Mother of Divine Love."

We are surrounded by multitudes of Holy angels and saints, more than I have ever seen before. I believe all of Heaven is here with us.

At 2p.m. I blessed everyone and the rooms with Holy Water. Priests and Religious are present. At the first Joyful Mystery Our Mother asks that I announce that She is present. I did.

In silence I thanked Our Mother for the healing in their soul of two priests in the last twelve hours. I consecrated to Our Mother's Immaculate Heart all the priests in this world and priests' souls in purgatory. I plead that She send us holy priests, more priests and that many more priests who have left the priesthood will return to Jesus, to us. I beg forgiveness and compassion for all priests who sin grievously and ask for their conversion of heart.

I ask for special Angels of Protection for those priests who have turned away from sin and back to Jesus that their lives and ministry be renewed and restored in Divine Love. I ask for the spiritual and physical healing of all priests. We need all our priests, please Mother Mary, we need them. I plead for an increase in vocations to the holy priesthood. I plead for Mercy on those priests who have gone astray that they will return to Jesus

before it is too late. I ask that none be lost. I ask that She take our imperfect prayer and turn it into sweet music in the ears and eyes of God, the Holy Blessed Trinity, Our Father, Jesus and the Holy Spirit.

I hear "ASK AND YOU SHALL RECEIVE!" I ask for a tremendous outpouring of the Holy Spirit, of Divine Love on all our priests. I ask for a tremendous increase in vocations to the Holy Priesthood and Religious life.

Our Mother lets me feel Her Love for the priests who are present. This Love almost pushes me off the kneeler as it goes through me, a wave of Love that overwhelms me. Our Mother goes around and touches each person here. Some will feel Her touch.

Fourth Joyful, Mystery The Presentation, "For all My beloved sons: I call you. I love you. I am here for you. I come to you in Love. I come to bring you Love. I come to bring you My Peace. I come to bring you the Peace of My Son, My little Son the Infant Jesus. I need you My beloved sons, to become pure and holy as an infant again. Only by your holiness can you bring holiness to My children. All My children. I am your Mother."

"I bring to you My Immaculate Heart. I bring you to the Sacred Heart of My Son Jesus. We are here for you. Meet Me by the water, by the Bayou's side and by the cross. You will be washed clean by Grace. All Grace needed for your holiness you will find if you will seek Me Your Immaculate Mother. Pray for your brothers. I love you. I love you all. My own little lambs, My beloved priest sons. Your Mother, Mother of Divine Love."

Second Sorrowful Mystery, The Scourging at the Pillar, "My children come and pray with Marcus in the heart garden, the garden with the bleeding Heart of My Son Jesus. Many, many, many of My beloved sons and many of My children will receive healing here. A little victim soul for priests has arrived in Heaven. A special priest son has received healing by your offering on My Feast Day."

Third Sorrowful Mystery, The Crowning with Thorns, I saw the Crown of Thorns on Jesus' Beloved Head. It was more like a cap that covered His whole Head, bigger than what we see in pictures. Our Lady Speaks: "All who have come here today for healing will receive deep healing of body, mind and soul."

Fifth Sorrowful Mystery, The Crucifixion, I see Jesus alive on the cross that is in front of me. Jesus speaks from the cross: "My brother priests: 'Not my will O Lord but Thine', let this be your constant prayer."

Jesus was still alive on the cross and He looked upon all humanity for all ages from before His birth until the end of time on earth. As He looked with deep Love upon our brokenness, our wounds and our sins, we are all washed clean by His Holy Precious Blood. Jesus said, "Father forgive them for they know not what they do!" Then Jesus died.

Second Glorious Mystery, The Ascension, "My precious and most beloved children, I love you. I love you. Thank you for coming here to pray with Me Your Immaculate Mother. I love you all. I call you here to pray for My priest sons. I hear the cries of your suffering. I am with you. Offer your little crosses My children. Offer your crosses to My beloved Son Jesus. Join your sufferings to His and to My Immaculate Heart for all My priest sons. I love you."

"Today I ask you to forgive one another and to seek forgiveness. This is the key to Love. I ask you to Love one another, to spread seeds of Love, to spread seeds of Peace and to spread seeds of Hope. Remember I love you and I am always with you. I am multiplying My little Mission of Love over all the earth. This is a special gift for My beloved priest sons, My beloved shepherds, My beloved little lambs. Love them My children. Encourage them and thank each priest that you meet. Say to each one "Thank you for being a holy priest. Our Mother sends you Her Love."

"I love you My children. Remember when you pray for My beloved sons you pray for yourselves and your children. Do not be afraid of the future. Consecrate yourselves, your hearts, your families, your homes and your parishes, your pastors and your bishops to My Immaculate Heart. My Heart is the only safe Refuge for My Heart is enclosed in the Sacred Heart of My Son Jesus. I take you there." (I experienced this)

"Worry not what others say about you, remember they spit upon My Son. Consider yourselves blessed to walk in His footsteps. You will receive your reward in Heaven. I fill you today with Peace, with Joy, with Hope and most of all with Love for one another as you begin a New Year."

"I am with you always here in this little place. Have you noticed I like little places? Little hearts? I love you all My beloved children, My shepherds and My sheep. I love you. I love you. You are a chosen flock. You have been chosen and called to pray for My beloved sons. I will use your little sufferings and prayers to restore My Son's Church to holiness. Thank you for your perseverance. I am here who am your Mother. Your Mother, Mother of Divine Love."

Many pilgrims saw the miracle of the sun today. There are nine more public Visits that we know of.

*Received by Leslie Therese*

After we came inside and as we started to pray the Rosary I could hear the children outside playing and laughing next to the window. I was a little annoyed, disturbed by them because I thought maybe they were disturbing others. Our Mother spoke: "I Love to hear the children playing, they are so precious to Me. Take care, My little ones to obey your parents, for they love you as I do."

At this time I see Mother Mary in white with a golden crown on Her Head. She is smiling at all of the children. Our Mother Mary speaks again: "Parents, especially My precious Josephs, take care to teach your children love and kindness. My Son Jesus gave His Life for Love; teach your children this Love. To deny them this Love is to deny them true life."

"My Son Jesus is calling you as parents to love your children with all that you are, each one is a most precious gift from God the Father, to be taught and guided by you. Take this responsibility very seriously. Teach them to always think of others before themselves and to love all on the earth, yes even their enemies. Teach them to pray for all especially priests."

This is Our Mother's message for priests: "My priest sons who bring My glorious Son Jesus to all of My children, I love you. You are welcome here always My precious ones. Yes I have called you here to a new life in My Son Jesus. You have much to say to your brothers. Tell them I am present here for all their needs, whether they be spiritual or physical. I will wash away all that does not belong to My Son Jesus. I will make you whole again to send you out to do all My Son Jesus asks of you."

"Teach My children of Our Love for them. Teach them of My Son Jesus' truths. Your bodies are renewed My sons each time you come to Me here. Your sins are forgiven; you have been made whole again to go forth and to help your brother priests. Just like children some of your brothers need to be taught of the Love of My Son Jesus, and they have forgotten that I am their Mother, I am the Mother of the Son of God, I am the Mother of the Church and all that comes from it. This Church and all who come to it will have a cleansing like the world has never seen."

"Much work and prayer is needed for your brothers to believe and not be afraid to come here to Me. All who are here pray for you My sons. You will know and see My Presence here today My precious ones. You are My Heart and you are within Me. Do not be afraid I am your Mother and have only Love and Comfort for you My sons."

"Someday you shall walk with Me in Heaven and meet the many souls saved by your 'YES' when I called you to My Heart. Thank you for saving the souls of My children. Listen to My children praying for you My priest sons. I thank you for your courage in coming here today, I above all know how hard it is for you. I love you. I love you. I love you. I cannot say it enough... Your Mother, Mother of Divine Love."

For everyone: "I call to all of My children to pray for those of this earth who do not believe that I am their Mother and the Mother of God. And so My God has chosen for Me to be honored as such. Your Mother, Mother of Divine Love."

*Received by a bride from another area, Lin*

I am in California for this last Saturday. Around 2:00 p.m. we started the prayer before the Rosary, and then the Rosary. At the first Joyful Mystery, the Annunciation, Our Lady said, "Announce that I am here." I did. She then continued, "Hello My children, My precious prayer warriors. I love you. You are here today because I have called you. Thank you for answering My call to pray with Me for Our priests."

At the second Joyful Mystery, the Visitation, Our Lady said, "I am the first Christ bearer. You, My prayer warriors are Christ bearers also. As you receive My Son in the Holy Eucharist you bear My Son to all you meet. Show His great love to all you meet. This is His great gift to you. Use it wisely. Do not squander this great grace of love."

At the third Joyful Mystery, the Birth of Our Lord, I see the most beautiful Nativity Scene. Great grace and love pour out to all of us and out to the whole world. It is visible to me by golden rays shooting out to us and then to the whole world. Our Lady then says, "Behold, The Savior of the world. Many receive extra graces because of your prayers in this holy season. Open your hearts to your Savior, My Son, Jesus. Let Him dwell in your hearts forever. Let Him love you."

"He is waiting for you to come to Him and ask for that love. He is always a gentleman and waits for you to ask Him to come to you. Let Him make you holy. Listen in your hearts for his whisperings of love. Only if your hearts are open will you hear His love speaking to you. A small still voice speaking to your heart."

At the fifth Joyful Mystery, the Finding of Our Lord in the Temple, I see Our Lady in the midst of us. She is all in transparent white, yet you can't see through it. Her garments flow softly in the breeze. She is most beautiful. She is praying with us and has a Rosary in Her Hands. She looks at each of us lovingly and tenderly and says, "My children thank you for praying with Me for Our priests. Please pray for My priest sons who are on the wrong path. Pray that they will return soon to My Son and His correct teachings."

At the first Sorrowful Mystery, the Agony in the Garden, Our Lady continues, "My priest sons, do not wait. Come back soon. Come back before it is too late. Do not spend all eternity in hell. Your responsibility is great. Do not squander the graces from these prayers that are being said for you from this beautiful and loving Mission for you. Do not ignore the prompting of the Holy Spirit. Listen to those promptings. Oh! My sons, come back to your Mother. Come back." At this point I see Our Lady crying. She is holding Her Head in Her Hands and crying. She says, "Is My Son's Passion and Death in vain." Our Lady then becomes silent.

At the second Sorrowful Mystery, the Scourging at the Pillar, I see the devil cringing as we pray the Rosary. As we continue saying the Rosary he sneers at us and then leaves. I have seen this before, but not the sneering

before. I see Our Lady surrounded by Angels. Warrior Angels. These Angels seem to be surrounding us. Thank you dear Lady. She then says, "My children many Holy Angels surround you. You are not alone on your journey to My Son. You are My special children, My little and precious warriors. Not afraid to pray for My priest sons. I love you."

At the third Sorrowful Mystery, the Crowning with Thorns, Our Lady says, "My priest sons, pray for your brother priests who are holy to stay holy. Pray for them not to be afraid to stand up for My precious Son, to His correct teachings. Pray for them to be true to the Magisterium of My Son's Church. (I understood this to mean the Holy Father.) Pray for your Bishops to be holy and to be good shepherds over their priests for whom they are responsible. Great is their responsibility in Heaven and on earth. My children pray for Bishops. They need your prayers most desperately. They will have to stand before My Son one day in Heaven. Pray! Pray! Pray for them."

At the fourth Sorrowful Mystery, the Carrying of the Cross, I see a light faintly and then get brighter and brighter as we pray. It seems to shine in many places all over the earth because of our prayers. Our Lady speaks, "That is correct My child. That light is the fruit of your prayers at this very moment, shining brightly where it is needed the most, as nothing is wasted in Heaven. Oh! My children, My priest sons, Oh! How I love you. Oh! How My Son loves you, the Most Holy Blessed Trinity loves you. Your prayers rise to heaven, heard by all of Heaven. A chorus of Angels sing as you pray."

At the fifth Sorrowful Mystery, the Crucifixion, I see priests all over the world multiplying, more than I can count. I see religious multiplying all over the world also. Our Lady speaks, "My child you are seeing some of the fruit of your prayers." All that I see dear Mother are in habit. "Yes! Little one the new wave of priests that are to come are not afraid to wear their habits. They are even proud to wear them."

Oh! My Mother that is so beautiful. "It will be the same with the religious little one. This new wave of priests and religious will make a great difference in mankind. They will not be afraid to suffer and bear witness to My Son."

At the first Glorious Mystery, the Resurrection, I see whole communities of priests and religious with joy and love on their faces, drawing the people of God to them in love. Our Lady continues, "My child this is what your prayers are doing. Help to spread this mission of love, to pray for priests, to all you meet. You will not be sorry. God cannot be outdone in generosity. Your prayers are being answered as you pray."

At the second Glorious Mystery, the Ascension, I am very aware of the people around me praying. I see us being joined to all those all over the world as we pray together for priests. Our Lady says, "That is correct My child. I have joined you all together who have come to pray with Me today for

Our priests at My request. Thank you all for being obedient and answering My call to pray for priests. When you are with My Son and I in Heaven you will then understand more completely how important your prayers are at this time of Mercy and Love. A very critical time My children, My priest sons. Pray! Pray! Pray!"

At the third Glorious Mystery, the Descent of the Holy Spirit, I see Our Lady as Queen of Divine Love, Patroness of Priests. She is most beautiful. She is all in creamy white with a gold edge around her mantle. Her Crown is gold with seven points. In front of Her Crown is a Chalice with the Eucharist just above it. Golden rays shine out from it, pulsing and shining at different lengths and brilliance. She is standing just above us and in the middle of us. Her garments move softly in the breeze. She is smiling at us, pleased with our prayers.

At the fifth Glorious Mystery, the Coronation of Our Lady in Heaven, Our Lady speaks, "I am sending special blessings to all present today. You are faithful and true My precious prayer warriors. I take care of you all in a special way. Thank you for your perseverance and love of Me and My Son. Thank you for answering My call to pray for priests. You do not understand the magnitude of your prayers and fasting. Pray for yourselves to persevere. Pray also for the world to turn to My Son, to acknowledge God, and peace will return to the world. Souls must convert their hearts back to God and peace will come. Persevere My children. Pray My children! I love you. Your Mother, Queen of Divine Love, Patroness of Priests."

At 1:45 p.m. we gathered at the Holy Cross for Priests with all the little children. As we began to pray the Hail Mary, Our Mother came. She was dressed all in white with a very full veil and a crown of tiny pink and cream roses. Our Mother said that She loves all Her little children very much. She thanked the children for coming and for praying for our priests. She asked them to please pray every day for our priests to be holy. Our Mother held out a beautiful Rosary of light to us in Her right hand. Several times She said, "Pray the Rosary, My children." Our Mother asked us to thank Jesus Her Son for these Visitations of Love.

At the First Joyful Mystery, Our Mother asks that I announce that She is present. I did. Our Mother came as Queen of Divine Love. She is resplendent with light. So much light comes from Jesus on Her crown there are moments that I can hardly see Our Mother's face. I cannot describe Her Beauty, or Her Love.

Fourth Sorrowful Mystery, The Carrying of the Cross, A priest appeared in front of me, very clear. He was dressed in green vestments. Another bride who was outside near the rose garden saw the same priest at the same time also in a green vestment. Green is a sign of hope, new life and springtime. Green always reminds me of Easter.

Fifth Sorrowful Mystery, The Crucifixion, Our Lady's voice seems to come from all eternity as She speaks to our priests: "My Beloved Sons, I love you. I love you. I love you. I have come to earth to warn you. I have come to you here in Love. I have come here for you, My beloved sons. I call. I call. I call. Can you not hear Me who am Your Mother? I am here for you. Only to love you, My sons. Open your hearts to My Immaculate Heart of Love. Come home to Your Mother. The desecration at the altar must stop. Come back to Me with ALL your HEART. I await your return to Me. A flood of grace is here for you. I love you. I love you. I love you. I am Your Mother, Mother of Jesus, Mother of Divine Love."

I am given a Third Secret.

Then I saw Our Lady seated. Her face was in Her hands and She was weeping more than I have ever seen before. This pierced my heart very deeply. There was a different kind of crown on Her Head. I recognized Her as Our Lady of La Sallette. These words were communicated to my heart. "Please, My children, read My Message to you from La Salette. It is current, for today."

Next I saw many, many Christians, especially Catholics being martyred all over the world, including in America.

Third Glorious Mystery, The Descent of The Holy Spirit on Our Lady and the Apostles, Our Mother speaks to us all: "My Beloved Children, I love you. I love you. I love you. Pray. Pray. Pray. Pray. I have come to earth to warn you. Pray for My beloved sons. You live in perilous times. Much prayer of reparation is needed for the grievous sins of My priest sons. Much prayer of reparation is needed to atone for the evils of abortion. Many of My beloved priest sons and religious support abortion."

Our Lady is crying. Her eyes are closed. She cannot bear to see the grievous sins of all in the world. Our Mother continues: "I love you ALL, My beloved children. I hear the cries of your hearts. Pray. Pray. Pray. Pray for My beloved sons. I need you, My children. I need you. I love you. I love you. Your prayer opens a floodgate of grace for My beloved priest sons' conversion. I love you."

"The desecrations must stop. Do not be concerned with things of this world. Be concerned with the state of your souls. Be converted. Return to My Son Jesus while there is still time. This is a critical time, a crucial time. Come back to Me, My little ones. I love you. Do not be discouraged or give up. I need you. I love you. Pray without ceasing. Thank you for coming here to pray with Me for your brothers. Thank you for all the beautiful flowers. Love My priest sons with all your hearts for I love through your hearts. Your Mother, Mother of Divine Love, Patroness of Priests."

Everything I experienced today was deeper, clearer, more profound. Please I beg everyone to reflect and respond to Our Mother's Words to us.

A message for priests: "My beloved sons, look at Me My children, I am all over this place, I am within it. I am within the people, the land, the waters of this small precious place. This is a holy place because God has made it so. God chose this place for Me to live. I am always present here for you. Always. Come to Me My special sons, I can and will renew and refresh you, so abandon yourselves here to Me. Give to Me all that the world has offered you to replace Me and you shall walk free again to love and serve My Son."

"You are the flowers in My garden and My children are here to tend to the weeds by praying for you all My sons. I love YOU My sons. I come to you here in complete love and devotion. I am here for you always. My daughters here suffer for you in ways only I understand. Yet they do not complain. Yes they would do it all again for you My sons. They do this because I have asked them and just as you answered 'yes' so long ago, so have they. They do not seek praise for what they do, they seek only your healing in overabundance."

"All of My children here are praying for you My sons and seek only more of you to offer the Sacrifice of Mass so that they may receive My Son Jesus in the Eucharist. Come My sons, come to Your Mother. Come to Me here at all times, I am here for you. I will heal and comfort you. I will hold you within My arms, the arms of Your Mother. I love You. I love You. No thing that you have done can ever break this love I have for you. Do not be afraid My sons."

Our Mother began to sing "Come back to Me...with ALL your heart! Don't let fear keep Us apart. Long have I waited for your coming HOME to ME and living deeply, Our new LIFE!"

Our Mother sang this song to Her priests sons. I cannot begin to describe it. Our Mother knows that in My heart it is a song of mourning and I think this is what She wanted Me to feel so that I could tell others how she is feeling about Her priests.

I saw Jesus crying in front of me as Mary sang this song.

This is Our Mothers message for the nuns present: "My daughters the time has come to reprimand your sisters. They came to Me so long ago to ask that they could be more like Me. Where are these beautiful daughters of Mine? They are hiding in the world."

This is what Our Mother wants her nuns to hear: "Listen to Me My daughters. It is Me! Your loving Mother. I am calling you back into the service of My Son. The service of self must end. My people need you. In your habits My children know you all over the world. Even those who are not of the same faith as you or I. My children know you and who you represent by what you wear. Share this message with all of your sisters, especially those who still wear their habits. I want to thank them. It is important that you hear this. I love You My daughters. What will My children do in their time of great need if they do not recognize you in their presence? Where will they go for comfort and love? Pray for My people as they pray for you. Come home to Me Your Mother, for where I am My Son is always present in the great love He has for His people."

This is Mary's message for everyone: "My children, My precious children, you have come to Me here. As your Mother I await your presence each month with open Arms. Yes I am here in this place. I shall bless each marriage here today and all children of these. Each new person, who has come to Me today will know My presence, and I will send you home with a new Angel of Protection as I have done before."

"I love you My children, and thank you for coming here to pray for My priest sons. You have come to Me here in faith and love and shall walk away renewed and whole in the love and grace of My Son Jesus. He is here with Me always. Continue to pray for My priest sons. Offer up your daily prayers and deeds. My priest sons are in dire need. Yes many have been saved,

but more are still at fault and in great need of your love and prayer. Understand My children that they are only human with human frailty and weakness. Comfort and console them through prayer and offerings.”

“Pray especially for My son John (Pope John Paul II) for he is being attacked on all sides. Pray for him My children. One of My sons has heard My calling him to become a priest today here in this place. Pray for him also, he has a long road ahead.” At this time I could feel the hatred that someone has of this young man becoming a priest. They oppose it strongly.

*Received by a bride from another area, Lin*

For this last Saturday I went to another area to help with a new prayer group for priests that was starting today.

At the first Joyful Mystery, the Annunciation, Our Lady said, "Announce that I am here."

At the second Joyful Mystery, the Visitation, Our Lady continued, "My children, My prayer warriors, thank you for praying with Me for priests at My requests. I love you. Oh! How I love to hear the Rosary in all languages. I join you to all who have come together today to pray for priests at My request. Many blessings come to you for your loving obedience."

At the fifth Joyful Mystery, the Finding of the Child Jesus in the Temple, Our Lady continues, "My children, pray for your brother priests to be holy and to stay close to My Son Jesus. Pray for priests who are on the wrong path to come back to My Son and to Me, their Mother."

At the first Sorrowful Mystery, the Agony in the Garden, Our Lady speaks, "My children you are here because I have called you to come and pray for priests." I see Our Lady as Queen of Divine Love, Patroness of Priests. She is all in white with gold trim on Her mantle and a gold crown.

At the third Sorrowful Mystery, the Crowning with Thorns, Our Lady says, "Continue to write My child. Someone here today is being delivered from an old sin." I see the Crucifix glowing with Jesus on it. I test this spirit and Our Lady speaks. "It is glowing little one. I am speaking to you."

At the fifth Sorrowful Mystery, the Crucifixion, Our Lady says, "My children you do not understand how powerful your prayers are. They are heard by all of Heaven. Please spread this mission of love for all the priests of the world. Encourage all who will listen to pray for their brother priests."

At the first Glorious Mystery, the Resurrection, Our Lady says, "Write what you see child." I see Our Lady Queen of Divine Love, Patroness of priests. She has a Rosary in Her Hands and she is smiling at us as we pray the Rosary. She is in creamy white with a gold edge on Her mantle. Her garments move softly.

At the second Glorious Mystery, the Ascension, Our Lady asks me, "Please lead this mystery of the Rosary." I did. While we were saying this

mystery I see Our Lady, Queen of Divine Love, Patroness of Priests. She has a gold crown on. This vision stays through the praying of this whole mystery. She is most beautiful. Her eyes are indescribable.

At the third Glorious Mystery, the Descent of the Holy Spirit, I hear a voice say, "Another person is being delivered of an old grievance." Our Lady then says, "Thank you for your obedience little one." She then continues, "Oh! My dear children, thank you for answering My call to pray with Me for priests all over the world. For the priest that is present, thank you for answering My call to pray for your brother priests."

At the fourth Glorious Mystery, the Assumption of Our Lady into Heaven, She continues, "Many blessings come to you My dear children today for answering My call to pray with Me. They go out to all you meet. I love you. Oh! My dear children, Oh! How I love you. Oh! How My Son loves you. All of Heaven hears your prayers with great joy and joins with you in prayer."

At the fifth Glorious Mystery, the Coronation of Our Lady in Heaven, Our Lady continues, "I love you. I am your Mother, Queen of Divine Love, Patroness of Priests. I am with you always. (I understood these words were for all of us.) Thank you My daughter for your obedience in writing."

About 1:45 we gathered at the Holy Cross for Priests to pray with the little children. There are many more children this month. Our Mother loves all Her little children so much. We began by slowly making the Sign of the Cross. We prayed all together three "Hail Mary's."

I saw a big white heart first. Then Our Mother came from inside the heart, all in white. I see stars all around Her and many little angels. Our Mother is holding out to us with both Her Hands a beautiful Rosary of Light. Her Hands are lifted upward as She extends Her Arms toward us. "My precious, precious little children I love you. I love you. I LOVE YOU, each one of you! Thank you for coming today. Please pray every day. I ask you to pray for Our priests more and more. I need you to pray with Me. I love you. I bring your prayers to Jesus, My Son. Each one of you is precious to Me. I love you. Each one of you is a gift. Two little boys here are to become priests. You will hear My Voice in your heart. I am touching one little girl to become a holy sister, a holy Religious. I am blessing you. Thank you. Each one of you is a flower in My garden. If you only knew how much I love you. I come to bring you Love, to bring you Peace. Be good little children. I love you. I am Your Mother, Lady of the Bayou, Mother of Divine Love." We prayed three Hail Mary's, Glory Be, St. Michael Prayer and Angel of God, My Guardian Dear.

At the First Joyful Mystery, Our Mother asks that I announce that She is present. I did. Our Mother came as Queen of Divine Love. She is resplendent with light. Our Queen, Our Mother is being carried by multitudes of Holy Angels and Saints, all in bright white light. There are angels of every size. Suddenly Our Mother's Face began to change nationalities. She became African, Indian, Spanish, Oriental, White, Tan, many beautiful colors and Faces.

I then ask forgiveness for all the priests who hurt Our Mother. I saw Our Mother's Love for priests come out of Her Heart like a rushing river of light, like water, liquid light. This river of Her Love was so powerful I almost fell for I could feel it.

Second Sorrowful Mystery, the Scourging at the Pillar, I could hear the sound of Jesus being whipped over and over. Our Mother continued: "My precious and Most Beloved sons, I love you. I hear the cries of your hearts. I hear your pleas for forgiveness. I love you. I love you. I come to you here in Peace. I come to bring you My Love and the Love of My Beloved Son Jesus."

At this moment I could feel Love coming from the Throne of God, coming from Jesus through Our Mother. Again I was almost pushed off the kneeler with the force, the power of this awesome LOVE. I felt like my heart was going to burst. Our Mother continued, "O My sons, you as no other represent Him, My Son Jesus, on this earth. I ask you in Love to continue to offer your lives to My Son in holiness. I love you. Some of you My sons pierce My Heart. I love you. Come back to Your Mother. O My sons, My beloved sons, I need you. Look around and see the brokenness, the sins of all My children. I need you. The time is now to repent, My beloved sons. I need you to lead My children to holiness, to My Son Jesus. I love you. I love you. Open your hearts to My Love. Divine Love flows from My Son Jesus through My Immaculate Heart to you My beloved and precious sons. I love you. I need you."

Third Sorrowful Mystery, the Crowning with Thorns, I feel and see a crown of thorns being pushed onto my head. I feel no pain. Our Mother continues, "My priest sons, you are My Hands in this world."

Fourth Sorrowful Mystery, the Carrying of the Cross, as Jesus walked along carrying His Cross I could hear people laughing at Him. Our Mother continued, "Those of you who love Me and honor Me, Your Mother, there are times when you are mocked and persecuted for loving Me. Count this as a blessing, a very special blessing."

Fifth Sorrowful Mystery, the Crucifixion and Death of Jesus, From where I was kneeling I saw three pictures on the wall taken at the Holy Consecration of a Holy Mass. A white light like a cloud or mist surrounded these, and then they grew much larger and seemed to float toward me and "come alive". Our Mother continued, "Holy Mass is the same as the Crucifixion. Crucify your wills My sons. Crucify your flesh. Become pure again My sons. I need you to persevere in holiness. The Last Supper was the First Mass."

The picture of the Last Supper comes alive. I don't know how else to describe this. Our Mother continues: "When We are at Mass, We are Present at the Last Supper and at the Crucifixion. Wherever My Son is I am. Yes, I was at the Last Supper just as I was at the Cross. I love you. Your Mother, Lady of the Bayou, Mother of Divine Love."

Third Glorious Mystery, the Descent of the Holy Spirit, Our Mother continues, "My Beloved and Most Precious Children, I love you. I love you. I thank you for being here today."

Fifth Glorious Mystery, the Coronation of Our Lady as Queen, Our Mother continues, "My children, I was created to be a Chalice, a Chalice to hold My beloved Son Jesus. From the moment of My Conception I was Immaculate. Yes I am the IMMACULATE CONCEPTION, My children, all for you. I love you. Thank you for helping one another My children. Do not be

concerned what others say and do. My children pray, pray, pray. Pray constantly. Now more than ever I need you. The time is now. I love you."

"Pray for your president and Our Holy Father John Paul II. Others will make fun of you My children. PLACE YOUR TOTAL TRUST IN MY SON JESUS. He awaits your return to Him. I love you. I LOVE YOU!! IF YOU KNEW HOW MUCH I LOVE YOU, YOU WOULD DIE OF JOY! Please thank MY SON JESUS for these special Visitations of Love. I ask that ALL MISSIONS COME TOGETHER IN THIS MISSION OF DIVINE LOVE. I love you. Love one another with My Love. I am multiplying this mission rapidly around the world. Your Mother, Mother of Divine Love."

*Received by Leslie Therese*

Our Mother Mary speaks to all of us: "My precious, precious children, you do not know or understand what is happening in the Church. You have already seen some of what is happening. PRAY, PRAY, PRAY, PRAY for My Son's Church. Pray for My child who leads God's Church. Thank you My children for giving your all to My special sons. Continue to pray for My son's, My priests." (As I receive this message I see the Sacred Heart of Jesus reflected by the Immaculate Heart of Mary with flames of love bursting out of Both Hearts from all sides)

Our Mother's message continues: "Pray daily, Pray for those of My sons who are in grievous sin. Pray for their release from sin past and present and for the renewal of their faith and trust in the Lord through truth and God's guiding light. Pray that they seek God's forgiveness through Confession. Seek this for yourselves My children; go to Confession. God awaits you there; He can and will forgive all if you but seek Him. Look for Him My children in everything you do and everyone you meet."

"Pray with and for your children. Consecrate them and their lives to God's works. Teach them to dedicate their lives to My Son Jesus. Bring them to Confession to seek God's forgiveness, help them to understand what sin is. Teach them to care for others before themselves. Give them unselfish and unconditional love and it will be returned to you in overabundance. I love you My children. Your Mother... Mother of Divine Love"

At this time I saw a vision of a Bishop at the Bayou-side praying with Our Blessed Mother Mary, it was the middle of the night in this vision.

Our Mother Mary speaks to all Her priests: "My sons I love you. My Heart is in agony; My heart breaks with all the sins of your brothers. Please pray for them, seek them out and help them. Help them to truth; help them to GOD'S Truth through Confession and renewal. Tell your brothers that I am calling them here for renewal and a new life. Yes, they can begin here new and whole again."

"Do not be afraid My sons, I am your Mother. Have faith that no harm shall come to you. I am Your Protectress. Come to Me here in this small holy place I have come here for all who seek My guidance and love. My Son Jesus is here also to forgive anything you have regret or shame for. I love you My sons. Come into the purification of My Love for you. I am here for all who come to Me. Come to Me here at any time. I am present for you here at all times. Please My precious ones do not be afraid of Your Mother, Come home to Me."

Our Mother speaks to everyone: "My Children, as before I send each new person, each one of you, home with a special Angel of Protection. I also bless all wedding rings and marriages of those present in body and in spirit. Continue to pray for your priests and for all of the priests of the world."

*Received by a bride from another area, Lin*

I am in California this month for Our Lady's visit. At the first Joyful Mystery, the Annunciation, Our Lady asked me to announce Her presence. I did. I then saw Our Lady sitting next to a person present praying the Rosary with her. She was dressed all in white and Her garments were flowing softly in the breeze.

At the second Joyful Mystery, the Visitation, Our Lady spoke, "Pray for vocations My children. Pray for vocations or you won't have them. Pray for holy seminaries and holy teachers for the priests My Son and I are calling to the priesthood."

At the third Joyful Mystery, the Birth of Our Lord, Our Lady continues, "I love you My children. I have called you to come and pray with Me today for Our priests. They need your prayers desperately. You don't understand how powerful your prayers are."

At the fourth Joyful Mystery, the Presentation of Our Lord in the Temple, I saw a large cluster of small diamonds form into a large heart and turn red and then Our Lady took form in the center of the heart. She was all in white, very beautiful.

At the fifth Joyful Mystery, the Finding of Our Lord in the Temple, Our Lady asked me to lead this decade, but someone else already started it and Our Lady told me to wait until the next one.

At the first Sorrowful Mystery, the Agony in the Garden, I asked to lead this Mystery. Our Lady thanked me for my obedience.

At the second Sorrowful Mystery, the Scourging at the Pillar, I see Our Lady, Queen of Divine Love, Patroness of Priests with Her gold Crown standing above us. The Crown was very beautiful. It was a simple Crown with seven points and in the front was a Chalice with the Eucharist suspended just above it. Coming from the Eucharist were golden rays with brilliance that moved in different lengths. I feel a great peace and love all around me. Then

Our Lady speaks, "Oh! My sons, My priest sons, where are you? Where are you going? That is not the right path. That is the path of the world. You are consecrated to the holy priesthood. You are to bring souls to My Son Jesus. Where do you think you are going?"

At the third Sorrowful Mystery, the Crowning with Thorns, Our Lady continues, "When you follow the path of the world you crucify My Son. I am asking you to be holy, to live your state of life expiatory for the flocks. They are sheep My priest sons. They are hungry for My Son Jesus and look to you for leadership and holiness. What will you be able to say before the just judge! He" (Jesus) "will see your heart and you will have to answer to Him. Oh My priest sons! How I cry for you. I do not want to lose you to the evil one. Please My priest sons, repent and come back to the right path, to My Son. Have you forgotten why you are a priest?!"

"My children, pray for these priest sons, your brothers, to have conversion of heart, to return to My Son. Time is running out. The time of mercy is here. Do not squander the great grace sent out to all of you. Prayer is the answer My children."

"My priest sons, pray for your brother priests who are on the wrong path. Ask your brother priests to pray for priests, for conversion. Pray for your brother priests who are holy and pray for them to stay that way. The devil has waged war on the priesthood. All must join together and pray for each other...Priests...children...All! Pray! Pray! Pray! I love you My children. I love you My priest sons. If you only knew how much I love you. You would die of joy if you truly understood how much I love you, how much My Son loves you." I see a huge mirror and in it appears Our Lady under different titles, Our Lady of Divine Grace, Our Lady of Lourdes, Our Lady Queen of Divine Love.

At the first Glorious Mystery, the Resurrection, She says, "My children, My dear children, if you are here today praying with Me for priests it is because I have called you. I join you to all the people, My children, who are praying today for all the priests of the world with Me. Many graces are being given from Heaven for all who have joined Me today to pray for priests."

At the third Glorious Mystery, the Descent of the Holy Spirit, Our Lady continues, "I ask you My children to help Me spread this mission of love for the priesthood to all you meet. You will not be sorry. You will begin to see the fruit of your prayers in your lifetimes. All of Heaven prays with you, and multiplies your prayers for Our beloved priests."

"Change My priest sons, change to have conversion of heart, to be holy and to love My Son with new zeal. Pray for your selves to be holy as you pray for your brother priests. Your flocks are praying for you My priest sons. Do not squander this great grace of love."

At the fourth Glorious Mystery, the Assumption of Our Lady into Heaven, She continues, "Encourage your priest brothers My children. They need your encouragement. Pray for them to have strength to make correct choices, choices that will please My Son. Oh! My dear children, flocks of My Son Jesus, I love you. Thank you for answering My Call to pray for priests." I am very aware of the people around me praying.

At the fifth Glorious Mystery, the Coronation of Our Lady in Heaven, Our Lady says, "Remember My children I am always with you. My Son is always with you. The Trinity is with you. You are bathed in Our Love. Pray, Pray, Pray My children! Continue to pray! I love you, Your Mother, Queen of Divine Love, Patroness of Priests." I see a Cross, a huge Cross.

1:45p.m. We gathered at the Foot of the Priests' Cross to pray with the children. There were many children of all ages. As soon as we began to pray "Hail Mary" Our Mother came all in sparkling white with a most beautiful Rosary of Light in both of Her Hands. She held it out to us. Her Dress and Mantle were moving in the breeze. Two little boys were playing with some toy figures of what they called "aliens." They were so engrossed in these figures they did not hear or feel Our Mother even though She was very close to them. This was allowed to happen because Our Mother used this to teach us a lesson of how much She cares for each one of us.

"My beloved children, I love you. I love you. This is a lesson for parents. Be careful of the toys you get for your children. You are the guardian of their souls, guardian of their hearts. As parents and grandparents you are responsible for the formation of your children's soul. There are too many things to pull them away from God. They have been entrusted to you. This is a serious obligation. I love you. You are precious to Me. I bless you My little ones in a special way."

Our Mother turned to look at the little boys who were praying with the little alien figures. "Precious child. I love you My little ones. I ask you to pray every day for Our priests. I will choose many of these little ones here to be priests. My Mission here has just begun, like a child in a Mother's Arms. I thank you for coming to pray with Me for Our priests. Your prayers have opened many doors. I love you. I love you. Your Mother, Lady of the Bayou, Mother of Divine Love."

At the First Joyful Mystery Our Mother asked me to announce Her presence. Our Mother came as Queen of Divine Love. She was accompanied by multitudes of Holy Angels and Saints. She nodded Her Head to the two priests who are present and smiled. Then She turned Her Head and looked directly at each of the religious who are here and again She smiled. There was joy in Her Eyes. Then Our Mother looked at everyone who was present both inside and outside the house.

She said, "I have a special surprise for you My children because so many of you are faithfully responding to My call to you to pray and offer sacrifice for My beloved priest sons."

At the Third Joyful Mystery, The Nativity, Our Mother spoke to each priest as if each one was the only one in the world. "My precious and most beloved son, I love you. I love you. I love you." These few words lasted during

this whole Mystery. I could feel Her Love pass through me and over and around me to the priests who were present. I cannot describe the tremendous amount of Love that came from Our Mother to the priests. It was like a mighty river or tidal wave.

Fourth Joyful Mystery, The Presentation, Our Mother continues: "On this Holy, Holy Saturday, I come to you in Love and in Peace. I love you My own son. If you only knew how much I love you, you would die of joy! The Fire of Love that burns in My Immaculate Heart for you My beloved son will never be extinguished."

Fifth Joyful Mystery, The Finding of Jesus in the Temple, Our Mother continues: "Father, Father, never doubt your vocation as a priest, for it is a treasure without measure. You have been chosen, anointed, blessed among all men. You are anointed from the top of your head to the soles of your feet. You are chosen, set apart for Me, for My Son Jesus, for Our Father, for and by the Holy Spirit. Your head has been anointed with oil. Guard your mind. Crucify your will, My chosen sons, My beloved sons."

First Sorrowful Mystery, The Agony in the Garden, Our Mother continues: "Your eyes, My beloved sons are the eyes I look through. May they always be filled with peace and with love. Your ears, My sons, I hear through. Guard what you see and what you hear. You have been chosen, anointed with oil. The gift given you My sons, was given you by My Son, Jesus. He has gifted you in a way that not even I, His Immaculate Mother, was gifted. Carry your cross, My sons and daily walk in purity and in Love with Your Mother. Your hands, My sons, have been anointed, blessed, consecrated, set apart from the hands of all men."

Second Sorrowful Mystery, The Scourging at the Pillar, Our Mother continues: "Renew your Baptismal vows often, My sons. Renew your priest vows often. Ask for My help, I am always here for you. Call upon Your Mother. Your heart, My sons, I desire your whole heart. A heart chosen, anointed, and consecrated. I know you are broken and wounded vessels. I desire to heal your wounds, your broken hearts."

"Give Me your hearts today. Now is the appointed time, do not hesitate, do not delay. Go to Holy Confession often My sons; turn back to a life of prayer. Each day begin anew. With My Beloved Son, Jesus, I will help to raise you from the dead. The new springtime begins here, My sons, in this little place, in your hearts and in your souls. The new springtime begins with you, My beloved sons. You were the first called. Now you are the last called. All depends on you, My sons."

Third Sorrowful Mystery, The Crowning with Thorns, Our Mother continues: "I love you with all of My Immaculate Heart. You were anointed to be holy and pure. I call you. I call you to be holy. Live holy and pure lives. Empty your heart. Give yourselves to Me."

"In your beloved hands each day you hold and bring Alive again My Son Jesus, ever Present in fullness. Let this truth reach your heart, your soul. Ponder WHO you hold in your consecrated Hands and give Him your whole self. Give Him your whole heart, all your love and Peace will fill your soul, your body and your entire being. I love you. I fill you with the Divine Love of My Son, Jesus. Be a worthy chalice, My sons, I love you."

Fifth Sorrowful Mystery, The Crucifixion, Our Mother continues: "Come under My Mantle of Protection. Come and be washed by the Precious Blood of My Precious Son, Jesus. On that Friday I suffered for you, My sons. In Holy Confession the Precious Blood of My Son Jesus washes away your sins. Your sins will be washed away by Your Mother's Tears, My sons. Come. You are forgiven. I will wash your soul as I washed the Broken, Beloved Body of My Son, Jesus."

First Glorious Mystery, The Resurrection, Our Mother continues: "Come. Be washed in Blood and in Tears. You will be renewed and restored to holiness, My beloved shepherds. I love you. Do not be afraid. Trust in the Merciful Love of My Son. He awaits your heart. I have heard the cry of My poor children. They pray for you My sons with great Love and great Trust."

Second Glorious Mystery, The Ascension, Our Mother continues: "Because of their faithful prayers, a floodgate of Grace has been opened from Heaven's throne for your souls, for your holiness, for your hearts."

I see Jesus, the Risen Jesus. He is resplendent! All in brilliant white. His Arms are open wide. Our Mother comes next to Him. Between Jesus and Our Mother appears a door. As I watch this taking place Our Mother speaks: "My sons, because of My children's faithful prayers on this very special Holy Last Saturday, many priests souls are being released early from Purgatory."

Third Glorious Mystery, The Descent of the Holy Spirit, Our Mother continues: "My children are praying for you and suffering for you all around the world. Be renewed as with the wings of an eagle My sons. I love you. I love you. I love you. Thank you for your kind hearts. Thank you for loving Me, My sons. My Love will multiply in your hearts and many souls of My beloved children will be saved by your response to My Call. Thank you My sons. Thank you for being a holy priest. I love you. Your Mother, Mother of Divine Love."

Fourth Glorious Mystery, The Assumption, I saw Our Mother go to each of the priests who are present. She touched their hair and face with both Her Hands. She smiled as She did this. Then She bent over each one and kissed their hands. Her Mantle spilled over them as She blessed them. Her Mantle formed an invisible shield of protection around them. Our Mother gave me the understanding that all who made the sacrifice to come today will be given an extraordinary blessing.

Fifth Glorious Mystery, The Coronation, Our Mother speaks to all of us: "My beloved and most favored children, I love you. I love you. Thank you for coming here today to pray with Me, Your Mother. I ask you to increase your prayers for Our priests. When you pray for them, you pray for yourselves and your children. I love you. I love you. I am blessing you today with much healing peace in your hearts and in your homes. Thank you for your faithful lives. My Mission here has only just begun. Many of you will see with your own eyes the fruit of your prayers. I love you. Go in Peace. Thank My Son Jesus for these visitations of love for it is in obedience to Him that I come to you. Your Mother, Mother of Divine Love."

This is the first time that our Mother's Message for priests lasted through almost the whole Rosary.

*Received by a bride from another area, Lin*

This last Saturday I am in California for Our Lady's visit. At the third Joyful Mystery, the Birth of Our Lord, I see Our Lady as Queen of Divine Love. Her garments flow in the breeze. She is silent at this time. I feel great, great peace, Peace beyond my understanding.

At the fourth Joyful Mystery, the Presentation of the Child Jesus in the Temple, Our Lady said, "You may now announce that I am here little one." I did. Our Lady continued, "Thank you for your obedience little one. Thank you for sending letters of encouragement to all the priests of your diocese. Great graces go with them. Great graces of love from Jesus and I."

At the fifth Joyful Mystery, the Finding of the Child Jesus in the Temple, Our Lady continues, "Thank you My children for coming together today to pray for your brother priests at My request. I join you to all those all over the world who have come together today to pray with Me for Our beloved priests."

At the second Sorrowful Mystery, the Scourging at the Pillar, Our Lady says, "Write My child. My children you are seeing the fruit of your prayers. My Son is cleaning house. Do not be dismayed by all you hear and see. Continue to pray for Our beloved priests. Right will triumph. My Son will win. My Son has already won. No matter how black it seems continue to pray. Your prayers are the light in the darkness. My children continue the good work you are doing for Me and My Son."

At the third Sorrowful Mystery, the Crowning with Thorns, Our Lady says, "My children it is crucial that you pray at this time. You will not be sorry. Many priests are on the verge of conversion of heart and are starting to listen to My Son calling them back to Him."

"My priest sons, your flocks need you at this time more than ever before. They look to you for guidance and direction to My Son Jesus. Teach

them about My Son's great Love for all of them. They look to you My sons for correct guidance. They are so hungry for His Love."

At the fourth Sorrowful Mystery, the Carrying of the Cross, Mary continues. "You receive great grace from the prayers being said for you from all over the world on the last Saturday at My request. These prayers are just for you. My children, My prayer warriors pray daily for you. Many souls have offered themselves as victim souls for you My priest sons. Do not ignore the great graces coming to you at this time. Graces more than at any time in your lifetimes My priest sons. My Son and I wait for you My priest sons."

At the fifth Sorrowful Mystery, The Crucifixion, Our Lady continues to speak to the priests, "My priest sons, come to the foot of the Cross with Me. Stay here and pray with Me as I pray for all your brother priests all over the world. My priest sons, support your brother priests. Pray! Pray! Pray for them My priest sons. Pray for them. My priest sons, many of you have had conversion of heart. Welcome back to My Son and My Hearts. We hold you in Our Hearts most lovingly. We are with you in a special way."

At the first Glorious Mystery, the Resurrection, Our Lady continues speaking to the priests, "Our Hearts are always open waiting for you. We, Jesus and I love you." I see the devil cringing as we pray the Rosary, he then covers his head with his arms as we continue to pray the Rosary. I feel great peace all around me, great, great peace and love.

At the second Glorious Mystery, the Ascension, I see Our Lady under the title of Our Lady of Lourdes. She is most beautiful, then under other titles, this happens very quickly. She is now Queen of Divine Love with her beautiful gold crown with a chalice on the front of the crown and rays coming out from the Eucharist just above the chalice. The rays shimmer at different lengths of brilliance around the Eucharist.

She says, "My dear precious children, My prayer warriors, thank you for answering My call. Thank you for overcoming the worldly distractions and praying with Me for your brother priests. You will see more of the fruit of your prayers as you continue to pray with Me. Know that I am with each of you as you pray for My priest sons. Many graces come from heaven to all of you praying with Me today. All of heaven prays with you. Your prayers are multiplied as heaven prays with you. "

"I love you My children. Oh! How I love you. You would die of joy if you knew how much I love you, and how much My Son loves you and how much the Most Holy Blessed Trinity loves you. Encourage all you meet to pray for your brother priests. I call many to pray with Me for Our beloved priests. Many more will join you My precious children. Tell them of My love for them. Tell them of My Son's love for them. Your Mother, Queen of Divine Love, Patroness of Priests."

"My daughter tell My children again the promises I gave your sister bride for you My children who pray, and the promises for My priest sons."

*Received by Leslie Therese*

Outside as we were praying with the children I saw Our Mother, Mary approach dressed all in pale blue flowers. Her mantle was made of flowers.

At the first decade of the Rosary Our Father spoke to me: "Do not worry what others do. Do only for Me and only in My Name. I am your Father; I have given My Son to you to save all of My children. I have called many to My service through My Daughter, My Spouse. I have created you in My Image and I love all that I have created. Let the light of My Love for each of you shine forth as the sun, and heal your souls to walk in the freedoms, that I alone have given to you My children."

I was told by Our Mother to go and sit alone in another room. I prayed the rest of the Rosary with everyone else until the Sorrowful Mysteries then Our Mother Mary spoke to me: "I see My Son fixed to His Cross, this Cross He freely took-up on behalf of all. I see all of His Wounds. He is there broken and bleeding and still He seeks only to save His Father's people. He does not complain one word, but asks Our Lord God for more if it will save His people."

Our Mother Mary is speaking to Jesus on the Cross now, "My child, My Love, My Heart is breaking. The pain of My Heart is so great I am afraid it has broken in two. My Jesus dying for others on a Cross created for You. HELP ME Your Mother to die as You have for the salvation of others. I stand here at Your Feet and feel the droplets of Your Blood upon Me. God's Will. God's Will. Only what God Wills. I am saddened by Your Crucifixion, but rejoice in Your new Life."

Our Mother Mary spoke to all of us: "My children this new life God has created for us all began with My Son Jesus on the day He died for us all. Come here to this special holy place to seek Him. My children, My children do not be afraid. I come to you only in Love. My Heart has been pierced with the death of My Child, but I will always be here to love and guide all who come to Me their Mother. I can bring great joy where there is only sorrow. I can fix and comfort any hurt, any break in your heart. I can and will heal your sorrows and sicknesses. Come to Me in truth and love and I will not refuse you, I cannot for I love you to overflowing."

"I see some of you here have come in doubt that I am here. I am here for all of My children. I grieve for those of you who doubt My being here. You are deep within your hearts going to know of My Presence here. Tell everyone you know and love that I await their coming here to Me and praying for My priest sons. Pray for them daily by offering all of your daily deeds up for them.

Pray for My Son's priests. PRAY; PRAY; PRAY without ceasing. Teach your children to pray and offer these prayers to God for priests."

"Children are like seeds, water them well and they will grow. Tend to the weeds around them, and they will flourish and produce fruit in the barren fields. Teach My precious ones of the great love My Son Jesus has for them, that He gave His life in such a cruel way. Teach them about the Sacrifice of the Mass. Teach them the shame of sin and the cleansing through Confession."

"Teach them by your example, for they do what they see. If you love, they will love. If you sorrow, they will sorrow. If you pray with them they will pray also. I love you My children and as I have done before I send each new person here home with a special Angel of Protection. To all of you present in body and spirit I send you home with My peace and My never-ending love."

Our Mother spoke to all of Her priests: "Oh My priest sons how I love you. Come to Me here My little doves. I Love You! Nothing you have done can stop this love I have for you. You are human My sons, My priests and in being so you have made mistakes in this world. Leave the world behind and come here to Me where we can pray together for God's Mercy to rain down upon you."

"I can only help you if you seek My Love for you. I can renew your bodies, minds and spirits here. I can and will renew your vocation. I called you to My Heart and service long ago. You trusted Me then where has this trust gone? You are still the same child I called so long ago and I am still your Mother. Come back to Me. Your Mother, Mother of Divine Love."

As Our Mother Mary speaks these words She is also singing the song to Her priests: "Come back to Me with all your heart. Don't let fear keep us apart."

At 1:45p.m. we gathered with the children by Jesus' statue. As soon as we began to pray "Hail Mary's," Our Lady came all in white. Her Mantle was very full. She bent over each child. "My precious children, I love you. I love you. Thank you for coming here to pray with Me for Our priests. I ask you to pray for Our priests each and every day. My little ones, if you pray three Hail Mary's this will save a priest. Only three Hail Mary's to save a priest. Please do this for Your Mother every day. I love you. Be good My little ones. I love you. Your Mother, Mother of Divine Love."

At 2p.m. I blessed myself and all present with Holy Water. First Joyful Mystery, Our Lady came as Queen of Divine Love accompanied by multitudes of Holy Angels and Saints. She asked me to announce Her presence. Then Our Mother said, "Pray! Pray! Pray! Pray My beloved children. Pray with renewed hope. Out of the depths of My Soul...I call to you." She surprised me by asking me to speak these words out. I was obedient.

Then I heard Our Mother crying, deep, deep, grief. I have never heard Our Mother cry like this before. I feel helpless to comfort Her. I feel like my own heart is bleeding. I was begging for Mercy for our Holy Father. Our Mother said: "The Holy Father must live out the Pathway of Love that has been pre-ordained for him."

During the Fifth Joyful Mystery I felt very weak and asked Our Mother if I could please sit down, but I was willing to suffer this for a priest if that was God's Will. She did not answer.

At the first Sorrowful Mystery, the Agony in the Garden, I lived through all the Sorrowful Mysteries and was so weak I asked Our Mother again if I could please sit. I was passing out. I felt cuts and lashes all over my body. I could feel my whole body bleeding. I could feel myself walking and falling to the ground. I heard nails being nailed into my hands and feet.

At the second Sorrowful Mystery, the Scourging at the Pillar, I knew that I was about to fall. I asked Our Mother again if I could please sit. I was very weak. One of the priests gave me water to drink and he said, "Our Mother said 'Sit down.'" I obeyed. Father later told me that Our Mother told him to tell me to sit down during the Fifth Joyful Mystery and he asked Our Mother if this was from Her to please say it again. She did and he was obedient to Her. Over and over Our Mother said, "Embrace your cross, embrace your cross."

At the third Sorrowful Mystery, the Crowning with Thorns, I heard, "Kiss your cross My beloved and when it becomes too heavy bring it to Me. I love you so much. Do not ever doubt My Love or the Love of My Beloved Son, Jesus. Just meditate on what He has done for you, all done out of Love. One day this room will be filled with priests. Take courage and persevere. My Mission here has only just begun."

At the second Glorious Mystery, the Ascension, Our Lady said: "From now on the Priests' Messages will be given at this time."

"My beloved and most precious faithful sons, I love you. I love you. I love you. If you only knew how much I love you, you would die of joy! I thank you for your faithful lives of service to My Son Jesus and to all the flocks. I need you now as never before My sons. I love you. You are My Hands in this world. You are My Heart in this world. My Hands are broken and wounded. Please help Me in every way you can. Help Me to mend My Hands. O! My beloved priest sons, I love you. I call you. A priest is being delivered of evil spirits at this moment."

At the third Glorious Mystery, the Descent of the Holy Spirit, Our Mother continued: "My Son Jesus has left Himself to all through your hands My sons, and through your hearts. A horrible stench has entered My Son's Church. There is rot at the core, My beloved sons. There is a crack in the very foundation of My Son's Church, a chasm, satan himself has entered My Son's beloved Church, but he is exposed, and he will be defeated. The gates of hell shall not prevail against My Son's Church. Now that satan is exposed and recognized he will flee, but only by your prayers and sacrifices."

"My Son's Church will be cleansed and renewed from top to bottom My beloved sons. It will be stronger, greater and holier than it has ever been. The Immaculate Heart of Your Mother will Triumph. Yes, My beloved sons, My Immaculate Heart will triumph! A new springtime is about to dawn, is in fact on the far horizon. Look to the East. A new star will come from the East. This will signal the dawn, the breaking of the dawn, a new sunrise. A renewal of My Son's Church, a restoration of the wholeness of Truth."

"My beloved children, I love you. I love you. Pray! Pray! Pray! Pray and offer sacrifices, joys and sufferings to My Son Jesus for Our Beloved Church, for Our beloved priest sons. I love you forever. I remain with you forever. I will never abandon My Church My children. I love you."

"My beloved priest sons, in the same way I held My beloved Baby Son Jesus moments after He was born, you hold Him each and every day. I beg you My sons, hold Him in Holy Reverence, never desecrate His Body, as at this very moment His Holy Birthplace is being desecrated. All will be made one again. Look to the East. I bless you all as I leave you in Love. Love one another as I love you. Thank you for responding to My Call to you. Your Mother, Mother of Divine Love."

*Received by a bride from another area, Lin*

I am in Louisiana for Our Lady's visit this month. Claire blessed everyone with Holy Water and said some opening prayers and then we started the Rosary. Our Lady said, "I am here little one. Touch the lady on your right." I did. Our Lady was all in white. I seemed to fall asleep and was taken to another place. I don't know where or for how long. I felt great peace and when I returned, Our Lady spoke, "The man to your right needs a healing."

I prayed, 'I place him in Your Son's Heart through your Motherly Heart.' Our Lady then continued, "Thank you little one." Claire then announced that Our Lady was here. I heard Claire say out loud to all present the following from Our Lady, "Pray! Pray! Pray! Pray with renewed hope." This was very unusual. I felt great peace all around me.

At the fourth Joyful Mystery, the Presentation, Our Lady continues, "All Missions come together in this Mission. This Mission of Love for all priests brings My Son to all in a closer and deeper way. Open your hearts to My Son, My children. Pray! Pray! Pray for your brother priests. Your prayers are working My children. You are starting to see the fruit of your prayers. Now! My children...Now! It is crucial for you to pray for your brother priests. It is a turning point."

"Pray for your brother priests to make correct choices. Pray especially My children for the Holy Father. He needs your prayers at this time. Do not be afraid to encourage others to pray for priests. Do not worry about what others think! Keep close to My Son. Speak to Him frequently through each day as it comes to you. Know that He is waiting for you to come to Him. He waits patiently and lovingly. Love Him! Be open to Him! He loves you. Oh! How He loves you!"

At the fifth Joyful Mystery, the Finding of the Child Jesus in the Temple, a company of Holy Angels are above us. The roof of the chapel is being removed....gone! We are now one large river of prayer from all over the world praying.

At the first Sorrowful Mystery, the Agony in the Garden, I see a flame of Love above each and every one of us. It hovers above each one of us. Great Peace all around us...great love all around us...our prayers rising to Heaven! Our Lady then tells me the following, "My child you are feeling the pain of your brother priests in their struggle to stay close to My Son... satan is waging war against the priesthood. My Son has won! Have courage My children! Have courage! Do not be dismayed by what is happening all around you. My Son is cleaning house. He will continue until all is as He wishes it to be. Your prayers help your brother priests to stay close to My Son. Thank you My children for your prayers."

“Persevere in prayer My children. You will not be sorry! All of Heaven hears your prayers. It is like incense rising to Heaven before the Blessed Trinity. All of Heaven prays with you for holy priests.” I see Our Lady all in white. She is most beautiful. She is now Our Lady of Divine Love. Her mantle is blue and it spreads out over all of us. I now see Her holding a Chalice with a Eucharist above it. Now the Eucharist spreads out by the millions and millions all over the world from the Chalice.

I now see the devil shrinking from us as we pray the Rosary. Our Lady, “My children, you hold a powerful weapon in your hands. Use it often. Be living prayers for the priesthood. Pray for holy seminaries and for holy teachers for the seminarians. Know how they need your prayers to persevere. Prayer My children, prayer is the key! Prayers from the heart, they are like diamonds floating to heaven before the Most Holy Blessed Trinity.”

At the fifth Sorrowful Mystery, the Crucifixion, Our Lady asks me, “Continue to write My child. There is a person here who has received a healing of an old grievance. Continue to come closer to My Son Jesus. Pray now little one. Rest now little one.”

At the first Glorious Mystery, the Resurrection, Our Lady continues, “My children, I know many of you suffer at this time. I am asking you to persevere and offer your sufferings in My Son's Name for all the priests of the world. You will not be sorry. Offer your daily duties and be living prayers for priests, holy priests all over the world.”

“I love you My priest sons. I love you My children. I send you many graces from heaven. They go out to all you meet. My prayer warriors, you are vessels of grace. You do not know how your example helps others in God's Plan. Open yourselves to Him. Give yourselves to Him. Keep yourselves open to Him. If you fall, start again. Do not give up. Pick yourself up and come to My Son and ask for His help and try again. He will never refuse a humble heart open to Him. Know that My Son loves you. He gave His all for you. Give Him your all.”

At the third Glorious Mystery, the Descent of the Holy Spirit, Our Lady continues, “Healing is happening all around you to your brothers and sisters. Healing is going out to all the priesthood. Today is a day of healing for all the priesthood, a day of healing for many brothers and sisters all over the world. Pray for the world to open their hearts to My Son.”

At the fourth Glorious Mystery, the Assumption of Mary, Our Lady says, “My children thank you for answering My call to pray with Me for Holy Priests, Your Mother Queen of Divine Love, Patroness of Priests.”

I see small white angels. I see darkness, then a shimmer of light and more light, and then more light! Our Lady continues, “My child the darkness you see is the sin in the world and the light you see is your prayers extinguishing the darkness a little at a time. Have courage My children! Have

courage and pray! Pray as if there is no tomorrow! I love you. Pray! Rest now little one! I love you My daughter. Thank you for your obedience in writing at My request. Thank you for your yes! More and more yes's are happening because of all the prayers of all... all over."

*Received by Leslie Therese*

Our Mother appeared just as the Rosary began. She was dressed all in creamy white, with Her seven point Crown on Her head. Our Mother speaks to everyone present: "I bless each person here today with My Love and My Peace. I will send each one of you home with this, to surround you so that others will see Me within your hearts. In overabundance I will fill your spirits to overcome all that will come. Pray for your brother priests. My precious sons need an army of prayer soldiers to help them fight this battle against evil. Pray for them My children. Pray for the renewal of your Church."

"Do not be afraid to speak out about any wrong you see. I am calling you My children to be the servants of God and His Church by doing all you can to pray for His priests sons. My Heart cries out with each passing day with the pain and shock of My children. I will renew and refresh Our Lord's Church one soul at a time if I need to."

"Pray. Pray My children, pray for My priest sons. Pray for those who have been misled, pray for those who have been abused and so abuse. Pray for those who have become so lost in the world that they no longer hear My Call to them. Pray for those who have forgotten that they are only human and that perfection is only accomplished in Heaven. Pray for all of these My children. For without your priests how can you receive the sacrifice of My Son Jesus in Mass and in Confession? I love you My children and thank you for praying with Me today. Please continue in prayer for My priest sons."

We invited the little children to pray with us outside by the Sacred Heart statue. When I was on my way out of the house to join the children Our Mother said, "Bring the basket of Priests' Chaplets with you and give each child a Chaplet at the end of My Message to them." I said "Okay My Mother, but the basket is almost empty." I could see there were not enough Chaplets. There were more little children than ever before.

The moment I sat down among the children Leslie Therese put a precious two-month old baby boy in my arms. He has the most beautiful blue eyes. As I was holding him Our Mother came and She asked me to "tell the children that they were once little babies just like the baby you are holding."

Then Our Mother said, "Tell the children that you were once a baby like this too, even though you are now an old lady. Now tell them that Jesus was once a baby like this and hold the baby up. Now tell them that I, too, their Mother was also once a baby like this one." I spoke as Our Mother told me. The baby began to cry so I handed him back to my daughter and began to pray three Hail Mary's with the children. I reminded the children that Our Mother said if a child prayed three Hail Mary's for a priest it would save the priest.

Our Mother was dressed in a very light blue dress and veil. Her veil looked like silver. She smiled to see so many precious children here to pray for priests. There is a beautiful Rosary of Light in Her Hands. She is touching each child here. She kisses some of the children either on the top of their head or on their cheek.

Our Mother spoke: "My precious little ones, I love you. I love you. I call you here to pray with Me for Our priests. Pray for Our priests every day. They need Our prayers."

"Today I remind parents that you are the guardians of your children. Guard their innocence. Be careful what they see and hear. Today I ask parents to guard the hearts, the minds and the souls of your children. You are their protectors. Each one has been given an angel to guard and watch over them, but as parents you have an obligation to guard and watch over them. I love you. I love you, My little children. Be good little children. Give Me your hearts. I will teach you to be good. I love you. I love you. I love you. Your Mother."

Our Mother has asked that I give each child here a Chaplet for Priests. She asks that parents teach your little ones to pray this Chaplet for Priests. She said it was made very simple so even children could pray it. I

started to give out the Chaplets and they began to multiply before my eyes. Anyone standing near to me could see there were many more children than Chaplets. Some children came back for three or four for a sister, a brother, a cousin or friend. Then some parents and grandparents came for Chaplets. The basket never ran out. God is good. Our Mother surprises us all the time.

At the First Joyful Mystery, the Annunciation, Our Mother asked that I announce Her Presence. I did. All Heaven opened. Roses, flowers and baby angels tumbled out in Light. The baby angels looked surprised. Our Mother came as Queen of Divine Love surrounded by many Holy Angels and Saints. Above Our Mother I could see the Holy Blessed Trinity. There were streams of Light like water between Our Mother and the Holy Trinity. Our Father and Jesus were seated on Thrones and between Them I saw the Holy Spirit as a pure white Dove.

Second Joyful Mystery, the Visitation, Our Lady spoke, "Pray. Pray. Pray. Pray My beloved. All the priests who are in Heaven accompany Me today." I saw a tear form in each of Our Mother's Eyes. Her Tears sparkled like diamonds and fell at the same time. "Pray. Pray. Pray. Pray and Pray more. Only Prayer, Fasting and Sacrifice will bring about the healing of My Church, the healing of My beloved priest sons and the healing of all of My beloved children. The Hour of the Triumph of My Immaculate Heart approaches."

Fifth Joyful Mystery, the Finding of the Child Jesus in the Temple, Our Lady continues, "My daughter, be obedient to My son. He speaks for Me. I have chosen him and I have chosen well. I bring to you the wounded, the broken, the rejected of the world and with you all together as one wave of Love I will sweep the earth and bring forth the new order, the new era of Divine Love and Divine Order." I again surrender all to Our Mother and ask Her to always keep me out of Her Way.

"Just as the Triumph of My Immaculate Heart approaches, My mission here will be brought to a new level. I have prepared many, many hearts for My Messages of Love."

First Sorrowful Mystery, the Agony in the Garden, Our Lady says, "Continue to give Me your heart each day and put your total trust in My Son Jesus and in Me, Your Immaculate Mother. I have heard the cries of My children, My poor and innocent ones. I have heard your cry. I am here for you. I am here for you My beloved priest sons and all My children. I love you. I come to you in Love and in Peace. I come to bring you Love and to bring you Peace."

"I come to prepare your hearts. I come to prepare My Church My beloved daughter, for the Glorious Coming of My beloved Son, Jesus. Yes! He will come in Glory and all will recognize Him this time. They, all the peoples of the earth, will know that He is the One True Lord of Lords and King of

Kings. But before this My daughter, must come the cleansing of all hearts. And I will use the prayers and sacrifices of My broken, small, wounded and rejected vessels."

Second Sorrowful Mystery, the Scourging at the Pillar, Our Lady speaks, "My child, child of My Immaculate Heart, that which has been hidden from the wise and the learned has been revealed to merest children. You are a child to Me. You will always be My beloved child. I am here My child. I am HERE. I am here for all. Thank you for opening your heart and your home to Me. I love through you My child. I love you. I love you. I love you all My children. Rest now and Pray."

Third Sorrowful Mystery, the Crowning with Thorns, someone was praying this Mystery in Spanish. Our Lady says, "Thank you My beautiful children. I love to hear My Rosary prayed in all the languages of My children." I was lifted up and taken away.

Fourth Sorrowful Mystery, the Carrying of the Cross, I was brought back to the kneeler and my whole body was wracked in pain. I felt great heat, burning heat. I felt a heavy, heavy weight was pushing me down. I said "for a priest. Let this help a priest." I felt someone wash my face with a cool wet cloth. Then a cool breeze blew over me.

Fifth Sorrowful Mystery, The Crucifixion, I heard Jesus and Our Mother say together in the depths of my soul, "Forgive Them. Forgive Them. Forgive My priest sons, not once, not twice but seventy times seven." Our Mother told Lin to tell me to sit down and I was grateful.

First Glorious Mystery, The Resurrection, I prayed "Oh! Mother hide me behind a veil." Our Lady then says, "My beloved child, you are the means I have chosen to use for the sanctification of many, many of My beloved sons. Do you understand? Are you still willing? To do this for My Son Jesus and Me?" "Yes! Yes! Yes! Whatever you say My Mamma!"

Second Glorious Mystery, the Ascension, Our Lady says, "My beloved priest sons, I love you. I love you. I love you. I come to you in Love. I come to bring you Love. I come to you in Peace. I come to bring you Peace. Come to Me, My sons. Do not be afraid. Do not hesitate. Fear not! Fear not! Fear not, even though all is darkness in you or around you."

"Come to Your Mother. I love you. Open your hearts to your Mother. I love you. I long to love you more closely. Come My own little lambs. Although you are a shepherd to Me you are My little lambs. I call! I call! I call! Do you not hear My Voice in the depth of your soul? Put aside all that keeps you from Me. I love you, Your Mother, Your Patroness, Mother of Divine Love. Through you My sons, My Son Jesus in Holy Eucharist will reign over all." I understood Our Mother meant the Eucharistic Reign of Jesus on this earth.

I see Our Mother bent over a very large basket or bowl. In it are fresh flowers and jewels. She thrusts Her Hands up to Her elbows into the flowers and jewels and fills Her Hands and lifts them up to God. I see seeds...many seeds. I see the Holy Blessed Trinity as Our Mother makes this offering to Them. Jesus and Our Father are seated on Thrones and the Holy Spirit is between Them. There is much wind and the wind blows the seeds in all directions. "I am blessing you and multiplying you to the ends of the earth. I love you. I love you."

Fourth Glorious Mystery, the Assumption, Our Lady continues, "Thank you My beloved children for responding to My Call to you to pray for My beloved priest sons. Pray with renewed hope. My mission here has only just begun. My Visitations here will be extended because you have responded to My Call to your hearts. I know you do not realize the magnitude of My Mission here. Only in Heaven will you know how tenderly Our Father responds to the cry of the little and the poor. All Missions will come together here. My Church will be greater than She has ever been, one soul at a time."

Fifth Glorious Mystery, the Coronation, "Be encouraged My beloved. Be filled with hope and joy. Many of you will see the fruit of your suffering. I love you. Remember always that the darkness is always followed by the dawn of a new day. I will remain with you. I will never abandon you for I love you. Love one another My children, and love My priest sons with all your heart. Encourage and defend them. Pray! Pray! Pray! Pray and fast for them. I am present here at all times. I love you. Come to Me. Your Mother, Lady of the Bayou, Mother of Divine Love. I have many titles. I am one Mother, your Mother."

*Received by a bride from another area, Lin*

I am in Theriot Louisiana for this last Saturday. As the opening prayers were started Our Lady spoke, "Oh! My children, My precious children, I am here. I love you. My child, touch the lady to your right. Thank you for being obedient. The person has received a healing."

Our Lady was all in white. She blessed and hovered behind the Religious present, then above the priest present. Our prayers shoot out to all the priests of the world like horizontal rain. The Holy Spirit seems to go out with all the horizontal rain. It is a rain of grace to all the priesthood.

At the second Joyful Mystery, the Visitation, Our Lady explains, "Your pain comes and goes to show you it is given as a gift to suffer for priests." I then see a river of diamonds as large as the sea. It sparkles and shines like the sun shining on water. It is grace and goes out to all the priests of the world. It is our prayers.

Our Lady then speaks, "My children, My Religious and My priests, I join you to all those all over the world who have come together today to pray

for all My priest sons all over the world. That is the river of diamonds you see going out all over the world. Many graces, great graces, graces of love to all My priest sons all over the world."

"My priest sons, do not ignore these graces coming to you. My holy ones, they are keeping you holy. My wayward ones, they are bringing you back to My Son, conversion of heart, that is all you have to do. Open your hearts and let My Son and I in. We are waiting My wayward sons! We are waiting! Let us live in you and love through you so others may know of Our Love."

"My sons! My priest sons, your flocks, Our children need you desperately at this time. They need your guidance to My Son Jesus. Let yourselves be Jesus to them. Our children are hungry My priest sons. Feed Our sheep." (I understood the 'Our' to mean the Trinity and Our Lady.) "They need to be fed the true Faith. They look to you My priest sons for guidance to My Son Jesus."

"Stand up for My Son Jesus. Stand up for His Word. Teach them of My Son's True presence in the Eucharist. Teach them the difference between good and evil. Teach them how to be good and teach them what sin is. They cannot repent if they do not know what sin is."

"The greatest sin is the sin against purity. Teach My children about purity. It will save their souls to know what is right and wrong. Do not treat this request lightly My priest sons. It will keep many souls out of hell. Do not be afraid of what others think. Stay true to My Son Jesus. Only in this way can souls be saved. I love you My priest sons. Oh! How I love you. Pray for your brother priests. Pray for your flocks. This mission will increase, this mission of love for the priesthood."

"My child the pain in your shoulder is of the Cross My Son carried. It is His wound of His Shoulder. It will come and go as needed and where needed. Yes! Little one it is redemptive. It is for Our plan and purpose." (I understood that the pain was not severe like it was for Jesus, but just as much as I could stand and still function. Our Lady showed me another bride who experienced the same type of pain and that there would be others.)

At the third Sorrowful Mystery, the Crowning with Thorns, Our Lady continues, "Oh! My children, do not be afraid to pray, fast and do little sacrifices for your brother priests in My Son's Name. You will not be sorry. You will have holy priests. You will know them without a doubt. Yes! Little one, holy, holy priests."

At the fourth Sorrowful Mystery, the Carrying of the Cross, I am very aware of the people around me praying. Great, great love all around me. The roof where I am is removed and I again see the river of diamonds flowing out to all the priests of the world. I see the devil cringing and fleeing, he is not alone. Other devils flee with him. Holy Angels are all around us, warrior Holy

Angels. A protection of love all around us. Holy Angels all above us and around us. Thank you Jesus! Thank you Blessed Mother!

At the fourth Glorious Mystery, the Assumption of Our Lady into Heaven, Our Lady continues, "My children, dear Religious, dear priest, thank you for coming together today to pray for My beloved priest sons, your brothers. I thank you all for answering My Call to pray for all the priests of the world. All of Heaven hears your prayers. All of Heaven joins you as you pray for Our beloved priests."

"They are My Hands and Feet on earth. They are My Son's Hands and Feet on earth. They are His representatives on earth. It is very important that they are holy. Pray! Pray! Pray My children. You will see the beginnings of the fruit of your prayers. Know this great grace My children, is because of your prayers, prayers of love. Continue to pray little ones! Continue to pray! Persevere in prayer little ones. Persevere in prayer! I love you. My Son loves you. The Most Holy Blessed Trinity loves you. I bring My Son's Peace to you all. I love you, Your Mother, Queen of Divine Love, Patroness of Priests."

*Received by Leslie Therese*

Our Mother speaks to everyone: "My children, My children how I love you, you each are so precious to Me. I am calling you here My children to pray for My priest sons. They need your prayer continuously. Some of My sons have lost their way. I call many of My sons daily. Pray that they are able to hear and seek My voice. Listen. Listen. Listen for My voice My children."

"I call each of you to pray here for My priest sons. All that has come about is because of this holy place that you have been welcomed into. I have asked that all be welcomed here and My children have allowed this, they have refused Me nothing and they shall be blessed abundantly because of their yes to Me. My children, I ask all of you to welcome Me, and all of the children of the world into your hearts. This world has nothing to offer to you but each other as friends and family. Honor your Mother" (Mary) "by loving and praying for each other. Yes, even I ask you to pray for your enemies."

"Offer each moment of your life up for the renewal of the Church, GOD'S holy house needs your prayer, and His chosen sons need your prayer. God has given these men, your priests, the goodness and love to bring His Son Jesus to His people daily in the sacrifice of the Mass. God has given you, His people, this gift. The gift of His Son Jesus, because He loves the people He created. Pray for those who do not understand Who or what they receive in the Sacrament of Communion. Yes there are those who do not know that My Son is present in the Eucharist. My Son Jesus IS the Eucharist. And it is because of the holy priests that He, Jesus, is present."

"PRAY. PRAY. PRAY, that My priest sons never forget this. Pray for My Son's priests to call on Me for help and forgiveness. I love you My children!

Oh, how I love you and thank you for coming today and praying for My priest sons. Oh! How I love you!" (Our Mother said these last words in a breathless voice from deep within Her soul.)

Jesus spoke: "I come to you today at the request of My Mother. I am present here always with My Mother. My children I am glad within My Heart and Soul to see you here praying for your brothers. Please continue to pray daily for them. The foundation of My Father's House is shaking, but it will not be destroyed completely. Pray. Pray. Pray. Pray with all of your heart, pray from your heart. I Love You. It is very important that you pray for your brothers and God's Church to be strong for what is to come. Thank you for coming here today in faith, peace and love. Jesus"

For all priests: "Where are you this day My sons? Has My voice grown quiet in your hearts? Open your hearts to Me again and come to Me here. I can and will do great things for you here in this holy place. I miss your presence here. Come home to Me. I am your Mother, and I want to hold you near to Me. I love you. Nothing can change that. Nothing will, for you can do nothing that will not be forgiven if you are truly sorry."

"Come to Me here in faith and you will know My presence and peace. I will help you My sons to find your place again in God's truth. I am here for you My sons, to pray for you along with all present in body and spirit. Yes this day of prayer and witness is for you My sons. Come and witness this gift of love here for you. You will be welcomed here by all present. Come back to Me, your Mother, I am calling you back to My Heart. Nothing, remember, nothing you have done cannot be forgiven here in this place. Remember this My sons for I am your Mother, Mother of Divine Love for priests."

Just before I went out to pray with the children Our Mother asked me to tell them about the Relic of Jesus' Cross that is in the Crucifix that I wear. Our Mother said to invite the children to come and kiss Jesus' Cross. As I sat down and looked around I realized there were many, many more children and many more adults than usual. I saw many of their guardian angels and this took my breath and mind away. I just sat for a long time to absorb what was taking place. There were so many big angels they formed like a big tall wall around us.

Our Mother has told us that three Hail Mary's prayed from the heart of a child can save the soul of a priest. Three Hail Mary's said by a child for a priest will open the heart of a priest, even the most hardened heart. I reminded the children of this.

A kind soul has made little Chaplets for children to pray the three Hail Mary's. I told the children and their parents about this. I said I would ask Our Mother to bless these and a priest to bless them and they could pick them up after the Rosary.

As we prayed three Hail Mary's Our Mother came. She was all in flowing moving white, very beautiful. In front of Her Heart I saw a beautiful pure white Dove with its wings open wide. It was the Holy Spirit. Our Mother spoke: "My precious little ones, I love you. I love you. I love you." Our Mother extended Her Hand over us. I saw droplets like water or rain, like pure light come from Her Hand to all of us. Our Mother said: "These are Graces being given to you. Graces for Peace. Graces for Healing. Graces for Conversion. Graces to touch your hearts."

Then Our Mother asked me to tell the children about the Relic, the piece of Jesus' Cross and to invite them to come forward and kiss the Cross. Some were shy and hesitant some were more bold. One little blonde boy standing near to me kept encouraging the other children to come forward. He came back three times to kiss the Relic. This delighted Our Mother. O the pure heart of a child! I then thought of St. Peter who denied Jesus three times, and of the times that I too had left Him.

There was a precious little girl who was crying. Several of the children were holding kittens because we have nine kittens that are a month old. She was crying because she wanted to bring a kitten home and her parents said "no." I told everyone that often Our Mother uses a little child to teach us all a lesson. Today the lesson is that we can't always have everything

we ask for, that sometimes when it is for our good that God has to say "no." And sometimes we cry and don't understand.

We then prayed three more Hail Mary's and a Glory Be to the Father, to the Son and to the Holy Spirit. Our Mother always gives worship, honor and glory to the Holy Blessed Trinity.

At the First Joyful Mystery, the Annunciation, Our Mother asked me to announce Her presence. I did not see Her but I could feel Her presence and heard Her voice. I then saw all in gold light, the Holy Blessed Trinity as three men. Each was seated on a throne; there was a round table in front of them. There was tremendous Light, golden Light from within Them.

Next I saw a beam of Light go down from the Trinity. Standing in this stream of Light was Our Mother as Mother of Divine Love. Near Our Mother's Heart I began to see something take form, from within Her—Light formed. I saw the Light become bigger and brighter from within Our Mother's Womb. I believe that I was shown the Annunciation, the Incarnation, the moment of Jesus' Conception in Our Mother.

I heard Our Mother's gentle Voice of Love say: "Nine months went by..." Then I saw a Nativity scene, Our Mother, Baby Jesus and St. Joseph, all in a gold glowing light. At the same time I could still see the Holy Blessed Trinity above in Heaven, like They were just upstairs in the same house, but in an upper room. I clearly saw Jesus in Heaven as God but on earth as a Baby at the same time.

Next I saw Jesus as a small child running and playing with other children. I saw Him run and hide in Our Mother's skirt when he was frightened about something. (I thought of a priest at this moment, I saw his face so clear as a child.) I then saw little Jesus; His Eyes fill with tears. I saw Him get full of dust and Our Mother washed His little Face and Hands like Our Mother would do.

I saw Him run in a meadow of grass and flowers of every color and description, wild flowers, red, white, yellow, orange, blue, pink, purple. I saw Jesus pick a bouquet of flowers for Our Mother. Some of the stems were bent. Our Mother kissed Him when He handed the flowers to Her.

He ran and ran and laughed like a child. I heard Him laugh! There were many birds and butterflies of every color. I saw Him playing in the sawdust and wood curls in St. Joseph's shop the place where St. Joseph made chairs, stools and little tables in his daily work as a carpenter. I saw Him stick a splinter of wood in His finger and tears fill His Eyes. I saw St. Joseph lift up little Jesus into the air and Jesus laughed. Then I saw St. Joseph place Jesus in Our Mother's lap.

At the Fifth Joyful Mystery, the Finding in the Temple, I saw Jesus in the Temple when He was about twelve where He was "lost" from St. Joseph

and Our Mother Mary for three days. I saw many years go by and Jesus grew in age and Grace. I heard Our Mother say: "These were the hidden years spent in preparation." I knew Our Mother was speaking about Jesus but somehow She was also speaking about the hidden years of preparation for this time and this mission.

Next I see Jesus as an adult. He is at a wedding. I see Our Mother walking toward Jesus as He is talking to His cousins and friends. There is a look of concern on Our Mother's Face as She approaches Jesus. She beckons to Him. Jesus already knows what is in Her Heart and on Her Mind, but He goes to Her. She said, "My son, they have run out of wine, they have run out of wine." Jesus smiles at Her, as He says, "Mother, that is really not my concern, nor should it concern you O My Mother!" For Jesus knew that He could not refuse Her anything and although Our Mother also knew, She asked Him in Love.

She then turned to those who were serving and said to them, "Do as He tells you to do." I then saw the big jugs of water become wine as Jesus blessed them. As they began to serve the water, now wine, all who tasted it said, "They have saved the best wine for last." Our Mother then spoke to us: "Yes, My beloved one, the first will be last and the last will be first." (I think Our Mother was referring to this Mission of Divine Love for priests, but perhaps this means more than I understand. My understanding is very limited.)

Our Mother continued: "I have carried you through all these many years and months and days to bring you to this time, this day." (I think She means the many hidden years of preparation for this mission and Her past thirty-eight monthly public Visitations here in Theriot.) Our Mother continued: "For nine months and thirty years My Son Jesus was almost totally hidden from the world. Each one of these monthly Visitations has represented a month in My Womb or a year of My Son's life on earth. Three years of public life he lived, yet no earthly King has ever made a difference to the world as My Son has. There has never been another like Him, for there is only One God who became Man, My Son Jesus, the Christ Child, the ONE Savior of the world, Who is Present in Fullness with you still, through the Anointed Hands of the Priest, My beloved and chosen sons."

Third Sorrowful Mystery, the Crowning with Thorns, I experienced being crowned with thorns. I could feel blood flowing all around my head. I heard Jesus say in very much pain: "My priest, My priest, why have you abandoned Me?"

Fourth Sorrowful Mystery, Carrying of the Cross, I saw many Apostles running away from Jesus.

Fifth Sorrowful Mystery the Crucifixion I saw Our Mother as Rosa Mystica looking at one of the priests present.

First Glorious Mystery, the Resurrection, Our Mother said, "Sit, rest and pray." I was grateful.

Second Glorious Mystery, the Ascension "My beloved sons, I love you. I love you. I love you. I call you. Come home to Your Mother. In My Immaculate Heart you will find a safe and secure refuge. The only safe place for you My sons who have gone astray. Return to Your Mother with all your heart. I await you. I love you. Do you hear My call to you? I love you with all My Heart. I need you My sons. Many, many of the flocks have gone astray from Truth. They will return to My Son through you My sons. Come to My Immaculate Heart, a repository of Truth. Come home. Come home. I love you. Your Mother, Mother of your Heart, Mother of Divine Love, your Patroness."

Fourth Glorious Mystery, the Assumption, "My beloved children, I love you. I love you. I love you. I thank you for coming to pray with Me today, for praying for My beloved sons. I hear all the petitions of your hearts. I ask you, each one of My children and My beloved sons to open your heart more fully to Me Your Mother. Let go of the world and all it has to offer you, My children. The world is full of empty promises. I offer you with My Son Jesus eternal life in Heaven."

"Open your hearts, My children. Open your hearts to My healing Love. I offer you a safe enclosure within My Immaculate Heart. Open your hearts. Go to Confession My beloved children. Cleanse your souls and your lives and I promise you will find Peace in My Love, in My Heart for I carry you directly to My beloved Son Jesus. Make your heart open. Ask for My Help. I am longing to help you. I am longing to heal you but you must do your part. Be converted. Come home to Your Mother. I love you. I love you. I love you. I am here at all times and where I am My Son is. Your Mother, Lady of the Bayou, Mother of Divine Love."

Our Mother speaks to Priests: "My children are crying out for you My sons. My children are in fear for their Church. Come to Me here My sons so that the renewal of God and My Son Jesus' Church can begin. Many of your brothers have felt My presence here in this holy place and in its people. Many of My children have come also."

As Our Mother speaks, I see Her dressed in a kimono, and She is wearing a veil, Her kimono has a white background; the pattern on it was red and purple flowers with dark green leaves. Our Mother continues: "Come to Me My precious priests sons, I love you and all of you are most dear to Me. I am here for you. I have come to this place, this little place just for you. I await your visit to Me here. I can renew your hearts, minds, souls and bodies. Your

lives as priests can begin again. All that you have done that you are ashamed of will be forgiven."

During this part of the message I see a vision of hundreds of priests walking to come here, like they had to park far away because of all of the cars parked along the roadside. When they reached the property I saw what I can only describe as love and wonder on their faces and an excitement. "Come to Me My most loved priests sons, Come to see My holy children praying for you. My children need you My priests sons, they are in great need of your direction and guidance."

"Show My children how much My Son Jesus loves them. Teach them of the pain He endured for them. Hear the confessions of My children. Offer this Sacrament more to My children, and teach them of its importance."

"But most of all offer the sacrifice of the Mass, the Holy Eucharist, MY SON JESUS, offer this to My children. Do what you can to help My children to know My Son Jesus. I love you as no one on earth can, and I am here for you. Come back to your Mother. I want to wrap you within My arms and heal all of your wounds. I love you. I love you. I come only in Love."

This is Our Mother's message to everyone: "To all of those who have asked something of Me today, I have heard you even before you spoke. I hear all that is within your hearts. I love you My children. I want to thank you for coming here to this little holy place to pray for My sons your priests. For each person who has come here today I offer Hope, Grace, and a heart filled with Love. I love you My children."

"I also send home with each new person here today an angel of protection. I have done this before and will continue to do so. Pray. Pray. Pray for My priest sons My children, for they need your prayers. Stop looking for what others can do for you and offer yourself and do all you can to pray for My priest sons. Teach your children to do for others as well and to pray even a small prayer for priests and others in need."

*Received by a bride from another area, Lin*

I am in California for this last Saturday. At the first Joyful Mystery, the Annunciation, Our Lady said, "I am here. Announce that I am here." I did. I see Our Lady of Divine Grace. She is in blue and white. She is very beautiful. She is standing in the midst of us with Her Hands outstretched to us in prayer. She then speaks, "My daughters I am here to pray with you. I love you. Thank you for coming today to pray with Me. I join you to all those all over the world to pray for priests at My request."

At the third Joyful Mystery, the Birth of Our Lord, I am very aware of the people around me praying. Our Lady then says, "Oh! How I love to hear the Rosary in different languages." A person was saying the decade of the Rosary in Spanish. I now see Our Lady sitting between two people present

praying the Rosary with us. Our Lady then speaks, "Yes! My daughters I pray with you for Our beloved priests. They need your prayers My children, to stay holy. The priests who are on the wrong path need your prayers for conversion of heart. Pray! Pray! Pray My children. You do not know the power of your prayers."

"To My priest sons: Pray for your brother priests. They need your prayers at this time most desperately. You do not know what a perilous time this is. Much stands in the balance and your prayers offset the balance in the right direction. Pray, Pray, Pray My priest sons. Your prayers help your brother priests who are holy to stay holy. Pray for your brother priests who are on the wrong path. Pray that they will come back to My Son, Jesus."

I now see crosses small and large filling the room. They are floating all around, all different sizes. Our Lady then says, "Yes! My daughters the pain that each of you are feeling is for a priest that I have chosen."

At the first Sorrowful Mystery, the Agony in the Garden, Our Lady continues, "My children do not be dismayed by what you see around you. Continue to pray. Persevere in prayer. Prayer is what is needed in this time of peril. Remember, My Son has won. He is cleaning house. His Church will be holy. It will be One, Holy, Catholic and Apostolic. My children His Church is Holy. Do not be misled by the media. They are using the media unwisely. Trust totally in My Son. Know that He has won. This is a time of purification. All the more reason your prayers are needed at this time My children."

"Do not worry about what others think. Only consider what My Son might think concerning your precious souls. Your precious souls My children, think about your precious souls and how much My Son loves you and how much He wants you to be close to Him. By praying for priests you will not only be close to Him, but you will bring others close to Him also." I see the devil cringing as we pray the Rosary for priests. As we continue to pray the Rosary I see him leave completely.

Our Lady continues, "My daughters, My prayer warriors, I love you. Thank you for answering My call to pray for priests. I join you to all those all over the world today who have come together to pray for priests at My request. I love you. My Son, Jesus loves you. All of heaven loves you. They join you today to pray for Our beloved priests. If we have holy priests, we will have holy flocks. I love you." I am very aware of the people around me praying.

At the first Glorious Mystery, the Resurrection of Our Lord, Our Lady continues, "My precious daughters, you will not be sorry. You will see the beginning of the fruit of your prayers in your life times. Persevere My daughters, My children, persevere."

At the Second Glorious Mystery, the Ascension of Our Lord into Heaven, Our Lady speaks, "Oh! My children, Oh how I love you. Oh! How My

Son loves you. All of heaven prays with you. Oh! My children thank you for answering My call.”

“I send you many blessings from My Son, from the Holy Blessed Trinity. Take these blessings I dispense to you to all you meet. Encourage others to pray for your priest brothers. You will not be sorry. I love you My children. I love you. That is why I ask you to pray for priests... because I love you. Thank My Son, Jesus for sending Me to you to tell you how important it is at this time to pray for priests. I love you My children, I love you. Your Mother, Queen of Divine Love, Patroness of Priests.”

*Received by Claire Rose*

When I went out to pray with the children Our Mother asked me to bring a Crucifix with me. As I sat down under the trees near the Sacred Heart of Jesus statue I saw many angels of all sizes encircle us. We prayed three Hail Mary's. Our Mother came all in flowing white with Her Arms held out to us. "My precious, precious, precious little children, I love you with all My Heart. I thank you for coming today to pray for My priests. I have chosen some of you to become priests and holy sisters. You will hear My Voice when it is time. Today I have chosen many of you to renew My Son's Church. I love you. I love you. I love you. Each day My little ones, I ask you to say three Hail Mary's. This will save a priest."

"I am with you. I love you. Just as I have done in the past all of My children who are here for the first time will be given an extra angel, an angel of protection. My children, look at My Son Jesus on the Cross. When Jesus died on the Cross for us He suffered very much. He suffered and died because He loves us so much! He did this so we could all go to Heaven with Him one day if we are good while we live on earth. Jesus said to Our Father, 'I'm willing to do whatever it takes.' Jesus loves us so much. Sometimes we have to suffer, too, like when we are sick. We join our suffering with Jesus to help others. I ask you to pray for Our priests. Come look at Jesus on the Cross. Come and kiss Him." All the children come and kiss Jesus. Some come quickly, some are more hesitant, but all come. Some of them kiss His Hands, His Feet, His Knees, His Face, His Heart.

Our Mother came at the First Joyful Mystery. She asked that I announce Her presence. Our Lady came as Queen of Divine Love, resplendent. She was accompanied by many Popes. A few I have seen before. Pope Pius X, Pope Pius XII, Pope John XXIII, Pope Paul VI and many others. They were all dressed in white with gold trimming on their vestments.

Our Mother spoke: "My child, a priest is present today. He is not in priest's clothes. My beloved and precious priest son, I love you. I love you. I love you. I know you doubt My presence here and you think you came because of this doubt. I have called you here My own son. You are precious and special to Me. You are a son of My Immaculate Heart of Love. Thank you My son for all you do for Me. I am your Mother."

Our Mother was dressed all in flowing white. I see glimmers of gold around the edge of Her Mantle. I then see a line of chairs like simple thrones (high back chairs) of wood. There are thirteen of these chairs. I then see a

man sitting in each chair but one is empty. Third Joyful Mystery The Nativity Our Mother speaks: "Yes, My beloved child, twelve were called and chosen. One betrayed My Son in the end. Another took his place."

Fourth Joyful Mystery The Presentation in the Temple Our Mother continues: "One alone was chosen to be the Head, to be the Vicar of My Son Jesus on earth, PETER. This succession has never been broken." I saw the First Secret again. Our Mother continued: "This Visitation is to represent the first year of My Son's public life. He chose the twelve Apostles from among the most ordinary of men. They were all sinners, each different. Each a special creation, chosen from among all men in all of time."

Fifth Joyful Mystery The Finding in the Temple Our Mother continued: "Yes, Jesus as a Child was obedient to Joseph and to Me, His Mother, but we were in total obedience to Our Father at all times. Yes, My beloved children, My Son Jesus and Joseph and I lived a life in total obedience to Our Father's Divine Will, totally encased in Divine Love at all times. Now you will walk these Mysteries with Me, My child."

Five Sorrowful Mysteries I saw a priest's face, then another. I saw a Bishop's face, then another. This continued throughout the Sorrowful Mysteries. During each Mystery somehow I was given a share of Our Mother's suffering as She experienced this with Jesus. Every blow that Jesus received Our Mother felt it, too. Her Heart was pierced at the same moment as Jesus. Much of Their suffering on this day (Good Friday) was for priests.

Second Glorious Mystery The Ascension Our Mother's Message for Priests: "My beloved sons, I am here for you My sons. Where are you? Where are you My sons? Must I send to you an engraved invitation? I love you. I come to you in Love. I come to bring you Love. I love you. I bring to you within My own Immaculate Hands and Heart the Love of My Son Jesus. You hold Him in fullness each day yet so many of you have grown cold and no longer feel."

"I am here for you My own sons, for your healing. There are no mountains here for you to climb. I have made it very easy for you My sons. Come to Your Mother here. Come home to Your Mother. I love you. I hold out My own Heart to you, in My Hands. I love you. I encourage you My sons who are holy to stay on this path of Love. Do not look to the left or to the right. Spend time in quiet prayer My sons. Open your Tabernacles for Adoration of My Beloved Son Jesus. I love you."

"Many pray here for you and in many other places. All around to world there is a constant prayer for you. I need you, My sons. You are My Hands in this world. Come to Me all who are burdened, wounded and in sin. I love you. My Son loves you. Our Father loves you. The Holy Spirit loves you. Return to Your Mother My sons. Come today. I love you. I love you. Encourage one another to holiness, My sons. Hear one another's Confession

and be most merciful and compassionate to one another. I love you. I long to hold you in My Arms, safe in My Immaculate Heart. Come home. Your Mother, Mother of Divine Love.”

Our Mother then speaks to all of us: "My beloved children, I thank you for responding to My Call to you, to pray for your brothers, Our priests. I love you. I love you. I love you all. I bless you today and all holy articles you have with you. A priest must also bless these. Share your healing with your Pastors and with other priests. The cloud of doubt will burst soon. My beloved children, pray with renewed hope. I hear the cries of your heart and Heaven will respond to the wave of Love for priests.”

“Yes a wave of Love will sweep the earth, has begun. Stay near to My Son Jesus and to Me. I love you. I love you. Do not be afraid. I am always with you. I will not leave here until the Coming of My Son Jesus. Prepare your hearts. Open, My children, you must have an open and repentant heart. I love you. LOVE ONE ANOTHER AS I LOVE YOU. Your Mother, Lady of the Bayou, Mother of Divine Love.”

*Received by Leslie Therese*

Our Mother Mary's message for us. "I want you to lie down like a carpet absorbing the trials of others. Send them on to Me and I will wash clean all that has soiled you my child."

I see Jesus hanging on the Cross, and just as I recognize Him He dies and His Head drops. Jesus' message for us: "I accepted the will of My Father because of My great love for Our people, the people of the world that My Father Created from nothing. My Father continues to love His children. He has allowed these visits to comfort and console His people and to renew and rebuild His Church."

"I have come to this little place at the request of My Mother, I can refuse Her nothing. She has asked Me to bless Her people, Her precious children She calls you, and so I shall do as My Mother has asked of me. I bless all who are present here and those here in mind and spirit. I love You My brothers and sisters, I place My love within your hearts to spread to all you meet. By your words and deeds many more will come to this place to pray for My brother priests, and to find the healing comfort of My Mother. Continue to pray..."

I now see Jesus surrounded by light and angels. He is dressed completely in white. He is surrounded totally inside and out in a Heavenly light. At this time I feel a stabbing pain in my right side.

I see Our Mother Mary in white, Her hair is very dark, and Her veil is trimmed in gold. Our Mother is surrounded in light, and She is looking at all of us here praying. She is walking around blessing all of us. She stops to

kiss a few on the head, or to touch them lightly. I can see the graces and the love that is flowing behind Her as She walks along.

Our Mothers message for all priests: "Come to Me My sons, I await the joy in your hearts and the love in your eyes as you come to Me here. And yes I see those of you who come to Me here at night. Your Mother, Mother of Divine Love."

Our Mother's message to everyone: "My children, My children your faith in coming has filled My Heart to overflowing. I love you and ask that you continue to find time daily to pray for My priest sons. Pray. Pray without ceasing. Go to confession My children. Teach your own children the importance of this sacrament. Wear your Scapulars, Pray your Rosaries and chaplets. Pray especially for My Son John" (the Pope) "what he is doing at this very moment" (World Youth Day in Canada) "is for the future of the world. Pray that He has the courage and the strength enough for this special time with the world's children."

"Thank you again for coming here today to pray for priests with Me. I will send all of you home today with renewed hope and trust in the great love of Our Lord God, My Son Jesus and the Blessed Holy Spirit and in the Love I have for you. I Love You. I am also here for you My children. Continue to pray. Do not be afraid."

*Received by a bride from another area, Lin*

I am in California this last Saturday. No one came to join me in prayer for priests this last Saturday. I was sure I had failed Our Lady in some way when Our Lady said, "I am here little one. Those who I called did not come. Thank you for praying even though no one came to join you. Thank you for your obedience My daughter. Continue to pray the Rosary."

At the second Joyful Mystery, the Visitation Our Lady continued, "My daughter, I join you to all the brides all over the world who have come together today to pray for priests at My request. You are not alone as you pray. Besides those, I have joined you to, all of Heaven prays with you for holy priests. Continue to encourage others to pray for priests. Continue to invite others to pray with you on the last Saturday as it is a day set aside to pray for priests. I have requested this."

At the first Sorrowful Mystery, the Agony in the Garden, the distractions during this mystery are intense. Oh my Mother I ask for your help with this. Our Lady replied, "Little one, offer your distractions to Jesus My Son through My Immaculate Heart. Place your heart in My Son's Heart through My Immaculate Heart." I did.

At the second Sorrowful Mystery, the Scourging at the Pillar, I see a light. A very small light and it grows bigger and bigger. Our Lady says, "My child it is your prayers. The light is the prayers of all the Brides of the Most

Blessed Trinity all over the world. The prayers and sacrifices and penance of all the Brides all over the world offered at My request for priests. The light is the fruit of your prayers and sacrifices. Tremendous grace pours from Heaven to the earth for all Our beloved priests."

At the third Sorrowful Mystery, the Crowning with Thorns, Our Lady speaks to her priests: "My priest sons, where are you going! What do you think you are doing? Do you not value your immortal souls! Remember eternity is forever! One day you will have to stand before the JUST JUDGE. Choose now the right path before it is too late. Go to confession My priest sons. Go to confession and repent of your sins and receive the forgiveness of My Son."

"Daily conversion! Each day turn to My Son. Stay on the right path. You will not be sorry My priest sons! You will not be sorry! Remember My sons, remember how long eternity is. The devil is trying to deceive you into thinking your path is O.K. Stop! Look at your hearts and see the reality."

At the fourth Sorrowful Mystery, the Carrying of the Cross, Our Lady continues, "My priest sons who are holy, pray for yourselves to stay that way. Pray for your brother priests to have conversion of heart and make correct choices that will bring them to My Son, Jesus! Persevere in your prayers for them. Oh! My priest sons, pray for your bishops. Pray for their discernment in this time of widespread scandal."

At the fifth Sorrowful Mystery, the Crucifixion, Our Lady says, "My children, My little ones, My prayer warriors, I ask you with all My Heart to persevere in Prayer! Pray! Pray! Pray! Realize the light that you are in the world. Know of the graces that are released by your prayers. Many priests will be saved by your heartfelt prayers. When your priests are holy, My children, you will be holy. I love you My children. Oh! How I love you. I am counting on your perseverance My children. Perseverance in prayer and sacrifice for Our beloved priests. They bring you My Son in the Holy Eucharist."

At the first Glorious Mystery, the Resurrection, Our Lady says, "My children, My priest sons, you will see the beginning of the fruit of your prayers in your lifetimes, holy priests and holy flocks. Perseverance is the key."

At the second Glorious Mystery, the Ascension of Our Lord, Our Lady says, "My child, if no one comes, pray anyway and put all in My Son and My Hands."

At the third Glorious Mystery, the Descent of the Holy Spirit, I see the devil. As I continue praying the Rosary he leaves.

At the fourth Glorious Mystery, the Assumption, Our Lady says, "Thank you for your perseverance in prayer and sacrifice. You received many distractions this day, yet you persevered. Let others around you help in this Mission of Love. Follow the prompting of the Holy Spirit. You will know what to do."

At the fifth Glorious Mystery, the Coronation, Our Lady continues, "Oh! My children, My precious children, I come to you today because of My love for you. Thank My Son for sending Me to you with this Message of Love for you and the priesthood. Many blessings and graces come to you today and goes to all you meet. Encourage all you meet to pray for Our beloved priests. I love you My children, My priest sons, I love you. Your Mother, Queen of Divine Love, Patroness of Priests."

# August 2002

*Received by Claire Rose*

Yesterday (August 30) we received a huge box in the mail from Warsaw, Poland. Inside was a beautiful statue of Our Lady as She Appears in Medjugorje, Yugoslavia. Our Mother's Hand on the statue was broken off, although it was very well packed in a sturdy box. There was no damage whatsoever to the box. I believe it is symbolic of Our Mother's Words to us since the spring of 1991 that Her priests are Her Hands in the world and that Her Hands are broken. Over and over She pleads, "Help Me to mend My Hands." Many of the statues we have received through the years have had broken hands.

For the first time Our Mother asked me to call the children to come into the visitation room where She comes to us on the Last Saturdays. I saw the whole house and grounds completely filled with multitudes of Holy Angels, more than I have ever seen. We began prayer with the children by making the Sign of the Cross. I invite Our Mother to please come and pray with us and for us.

I told the children that Our Mother has asked us to pray for priests and that three Hail Mary's from their heart will help save a priest. Our Lady came all in dark blue. She is happy to see us but today She is very sad. She asks us to pray more. We prayed three Hail Mary's together. Our Mother said, "When Jesus lived on earth He came to teach us how to love others and to be kind. Some people didn't believe Him."

Our Lady then asked me to show the children a picture of Jesus after He was whipped. She continued, "When we hurt each other, we hurt Jesus just like this picture of when Jesus died for us. If you are good someday you will go to Heaven with Jesus. When you are bad or make a sin, you can go to Confession to a priest. Going to Confession is like taking a warm bath when you are dirty. Sin makes your soul dirty and Confession makes you clean."

"When you say your morning prayers always ask Jesus to help you to be good. When you say your evening prayers talk to Jesus about your day. If you have been bad tell Jesus that you are sorry and ask Him to help you to do better the next day. If you want to go to Heaven you must be good. I love you, My little ones."

We began to pray the Rosary. Our Mother came on a cloud of Light. There was a night sky with stars behind Her. The new moon like a crescent was at Her Feet. She was dressed in midnight blue. There were stars of gold all over Her Mantle with an edge of gold. Her Arms and Hands were extended

toward us. She was accompanied by multitudes of Holy Angels. I saw no Saints with Her today. Suddenly Our Mother's dress and Mantle became white and the dark sky behind Her disappeared. She was Queen of Divine Love, an edge of gold around Her Mantle and Her Crown with Jesus in Holy Eucharist at the center. Her Arms and Hands were still extended toward us and She was so filled with Love I could not think, only receive Her Love.

"I will be known as Lady of the Bayou, Lady of Theriot. I am the Lady of the Most Holy Rosary. I am the same as I appeared to three shepherd children in Fatima. All missions will come together here My children. It is near the midnight hour, far into the eleventh hour."

"Funeral bells are tolling... Funeral bells are tolling... Funeral bells are tolling for AMERICA! Do you hear them? Do you SEE My children? Do you understand that My Son can bear no more? Our Father has enough! The cry of the innocents is heard in Heaven! The blood of the innocents cries out! IN SILENCE! In SILENT SCREAMS all over this land that has been so blessed by God."

"So blessed that many have pushed God aside and some no longer believe that He exists! O My beloved children there will be wailing and gnashing of teeth. Some will say to the mountains, 'fall on us.' There will be no place to run to, no place to hide. I love you My children. I come to earth to warn you in Love. I come to bring you joy, hope, peace and love."

"I ask again that you turn to Your Mother in your every need. I ask again that you consecrate your hearts, your families, your homes and your parishes to My Immaculate Heart. This will assure My Motherly protection. I love you. My Immaculate Heart is the only sure and safe Refuge. My Immaculate Heart is secure within the Sacred Heart of My Son Jesus."

"Today I plead with you for conversion of your heart. Repent of your sins. Make a holy and complete Confession to My priest sons. Today is a day like the Wedding Feast where many were invited, called and chosen but few - so few responded."

"Be ready, My children. Be alert, for satan and his cohorts prowl the earth like lions that are hungry. They seek to devour your souls My children. Repent and turn to My Son Jesus. Seek forgiveness while there is still time. Remember it is always darkest just before the dawn. DO NOT BE AFRAID. Put all your Trust in My Son Jesus. Trust in His Mercy and His Love."

"I ask you again to please pray and offer sacrifice and all suffering for the healing of the souls and bodies of My priest sons. My priests are My Hands in this world and My Hands are broken. Please help Me. Help Me My children. Help Me to heal My Hands. Help Me to heal My priests. Help Me to multiply My holy priests. Much sacrifice is needed for the need is very great. Be merciful and patient with those who persecute and make fun of you. Love them no matter what they do to you."

"I come to you in total obedience to the Holy Blessed Trinity, My God - My All. There are those in Our Church who would try to limit God's Power. There is no limit to God's Power My beloved children. I love you. Pray. Pray. Pray. Pray without ceasing. I bless you all today and all your families. I bless those who desire to be here and cannot. I love you all."

I then saw Our Mother spread Her Arms and Mantle over us. Her Mantle was huge and just went on and on like waves of softest silk.

Third Sorrowful Mystery, the Crowning with Thorns, I was given and saw the Second Secret again.

Fourth Sorrowful Mystery, the Carrying of the Cross, Our Mother continued to speak: "I hold out to you My Immaculate Heart. Please I ask you pray for and offer sacrifice for My beloved son and your leader on this earth, His Holiness John Paul II. He is the greatest Saint of this time, of your times. He, like My Son Jesus went out to the flocks. His Cross is very heavy, yet he goes on and on and on. I speak to this son of My Immaculate Heart. My Hand is upon him and he is fulfilling the mission he has been called to do. I have come here to this small and unknown place at the edge of the world in response to his prayer to Me."

(In September 1987, while in New Orleans speaking to the priests at St. Louis Cathedral, at the end of his talk our Holy Father prayed to Our Mother of Divine Love. Three months later on December 8, 1987 Our Mother appeared to me in the night as Mother of Divine Love. I had never heard of this title.)

"I have come to establish here a mission as I have never established in any other place, a Shrine for Priests. Here within My Immaculate Heart many, many, many priests and bishops will receive healing of their bodies, minds and souls. When My Son Jesus walked upon this earth as a man many believed Him and many more did not. Yet He loved unto the cross."

Fifth Sorrowful Mystery, the Crucifixion, All of a sudden I felt a tremendous weight on my back and my knees began to hurt and burn like fire. My whole body was hurting. Our Mother asked me to pray on my knees this Mystery. I saw the face of the priest that my suffering would help.

Second Glorious Mystery, the Ascension, Our Mother continues: "My beloved priest sons, I love you. I call you from this small and unknown place. I am here for you. My Son is here with Me. Oh My beloved sons why are you afraid of Me, who am Your own Mother? I need you My sons. I encourage you My sons, who are holy and overworked, overburdened. I come to bring you hope. I come to fill you with peace and with abundant love. I love you. Open your hearts to Me My sons, My little ones. To the world you are a shepherd, to Me you are My own little lamb."

"Come My sons come to Your Mother. I long to hold you close to My Immaculate Heart. Rededicate yourselves and your lives to My Son Jesus. Be

again the vessel you are called and chosen to be a holy, pure vessel of love, a chalice of purest gold. Oh My little sons do you hear Your Mother's call to you? You must live in the world among My sheep and My other shepherds but you must not be 'of the world'. Renew again your focus on My Son Jesus. Make a new commitment to start over as a new born child filled with Grace as on the day of Baptism." (I saw a beautiful baby being baptized in a long white dress.)

"Oh My own sons, you are in My Immaculate Heart. My Immaculate Heart will triumph in the dawn of a new day, a new civilization, a new era, a time of love where Divine Order and Divine Love will again rule the world. The evil will be defeated in a final battle. Await this time with expectant Hope! Yes funeral bells are tolling but remember always after death is new life and Resurrection."

"I leave you with a blessing of love. I thank you for coming to Your Mother. I thank you for praying for My shepherds. I thank you for responding to My call. I have extended these Visitations of Love to you my own children in obedience, for you are responding to My call. Peace be on to you and all those you meet. Love one another with My Love—one day at a time. Your Mother, Mother of Divine Love"

Fifth Glorious Mystery, The Coronation, Our Mother spoke: "On your knees for this last mystery, my child. A priest will repent and convert on his deathbed." I saw his face. It was the same priest I saw at the Fifth Sorrowful mystery.

*Received by a bride from another area, Lin*

I am in California for this last Saturday. At the first Joyful Mystery, the Annunciation, Our Lady says, "I am here little one. Announce that I am here." I did. She then says, "My dear children, Oh! How I love you. Thank you for coming today to pray for priests. I join you to all the people all over the world today who have come together to pray for priests at My request. Continue to pray My child."

At the third Joyful Mystery, the Birth of Our Lord, I see Our Lady as Queen of Divine Grace. She is all in blue and white with Her Hands outstretched to us. She says, "Oh! How I love the singing of the Ave's. I pray with you My children. All of Heaven prays with you. Your prayers go up to Heaven before the throne of the Most Holy Blessed Trinity. They are needed so badly in this time of need. Pray! Pray! Pray My children! Your prayers are more powerful than you can begin to understand." Our Lady is smiling. She smiles at us as we pray for Her beloved priest sons.

"To My priests: My beloved priests, My sons, I love you. I wait for you to come to Me, to come to My Son Jesus. He waits for you My precious priest sons. Convert your hearts. Forgive sins. Encourage your flocks to receive the

Sacrament of Reconciliation. Tell them of the glorious Sacrament of the Eucharist and to use it frequently. In this way they will stay close to My Son. Teach My children how much My Son loves them."

"Oh! My wayward priest sons, come back! Come back to My Son Jesus. He waits for you to repent and have conversion of heart, to go back on the correct path. My sons, you are in great danger of losing your immortal souls. Eternity is a very long, long time. (I understood this to mean forever.) I do not want to lose you My sons. Jesus does not want to lose you My sons. Come back! Come back! Pray now little one." And then a few minutes later Our Lady speaks to Her priest sons again, "Do not take your salvation for granted just because you are priests!"

"Oh! My priest sons, pray for your brother priests and encourage your flocks to pray for their brother priests. Only through prayer will change happen." I see Our Lady as Queen of Divine Love, Patroness of Priests. She is very beautiful. She stands in the midst of us, praying with us. Her garments are creamy white and they flow softly in the breeze. Her crown is very beautiful. It has seven points on it, with a chalice in front and above the chalice is the Eucharist with golden rays extending out from the Eucharist. The golden rays shimmer at different lengths.

Our Lady says, "Pray for the Holy Father. Pray for him to have the strength he needs to finish his work on this earth for Us." (I understood the 'Us' to mean the Trinity and Our Lady.) I am very aware of the people around me praying.

At the fifth Sorrowful Mystery, the Crucifixion, Our Lady speaks to Her children, "Oh! My children, My precious children. Oh! How I love you. Please thank My Son Jesus for letting Me come to you and to ask you to pray for priests and to encourage others to pray for priests. You will not be sorry My children, you will not be sorry! You will see the beginning of the fruit of your prayers in your lifetimes. Holiness in My priest sons will prevail."

"My Son did not die in vain. Have courage My children! Have courage and persevere in prayer. Your prayers My children, your prayers lift up My priest sons to persevere and to go forward in their love of their vocation. I love you My children, I love you."

As we continue to pray I see the devil cringe and leave immediately. I have seen this before during our praying of the Rosary. Our Lady says, "Continue to pray My child."

"Oh! My children, I am your Mother, Queen of Divine Love, Patroness of Priests. I love you. My Son loves you. I am always with you. My Son and I never leave you. You are Our objects of love. We look forward to seeing you one day with us in Heaven. Only if you are holy can this happen. Only if you have holy priests can this happen. Only if they are holy can they

lead you to My Son Jesus. Persevere My children, persevere in prayer! Your Mother, Queen of Divine Love, Patroness of Priests."

Our Lady continues, "Oh! How I love to hear the Rosary in different languages prayed together." I see Our Lady go to each person here and touch them gently and lovingly as only a loving Mother would, ever so sweetly. She is in creamy white and Her garments flow softly as She moves about.

I see a multitude of angels above us, all different sizes. I now see crosses, all different shapes and sizes all around us. A cross falls on each of us present, fitted to each individual soul. This is very hard to describe. I had prayed to Our Lady that someone else present would see something. They did. Our Lady then says, "Thank you My daughter for your obedience in writing."

*Received by Leslie Therese*

As we prayed the Apostle's Creed of the Rosary Our Lady spoke to me, "Go to your place My child." For the past few months Our Mother has asked me to be in another room instead of with the people.

When I got to the room, Our Mother spoke to me again: "Listen My child, I will speak to you again in the months to follow, I know that you have questioned this. I want to put to rest your worry. I will take care of you My children. I have chosen the angels that guide and guard your lives. Trust in Me... Trust in Me. Call upon Me whenever or wherever you need My love and blessings. Pray for guidance in every decision or conflict. I will guide you back to love. I know your heart. Do not give up My child, all will be God's Will in the end."

To everyone present: "My children do not doubt that My Presence here is for all who come to Me. I love all of the world's people. Even those who many consider unlovable... I love them just the same. Teach your children forgiveness. Bring them to Mass. Bring them to Confession. It is important for them to confess so that they will know the difference of right and wrong. Children learn by example, remember this My sweet parents. If you teach Love, they will learn to Love. If you teach Hatred, they will learn to Hate. This can clearly be seen all over the Earth. Open your ears and listen to what you are saying, teaching your children."

"Pray. Pray. Pray. Pray. Pray to God the Father, Jesus the Son and the Holy Spirit to help in all your needs. There is nothing too small or too great that cannot be healed with prayer. Do not forget My children, no matter what goes on around you if you carry the Father in your heart all will be well in the end. Trust in Me...Trust in Me... Pray for those who have died in sin. Pray especially for My priest's sons who have died in sin or live in it. My sons have been led away from their true calling, some have even been married, or left the priesthood."

“Pray for them to completely understand what it is that they have done, and to separate themselves from what the world is offering them and to come back completely and wholly to God's Call to them to serve as priests in His Church. GOD is perfection. Priests are Human. Only one can make mistakes. Forgive them if they are sorry and guide them back to GOD, who called them to begin with through their Mother's Voice gently whispering within their hearts.”

“Pray My children that those who have been misled will hear My Voice calling to their hearts. PRAY also that those who have always heard will never become deaf to My Voice. I love you My children and thank you for coming here each month to pray with Me for My priest sons. Pray also for John, he has a decision to make. Pray that it is the right one. The one GOD has lead him to. The one I have whispered in his heart. Pray daily My children for your priests, and for all the priests of the world. I love you My children.”

I see Our Mother today dressed all in creamy white. Her mantle is trimmed in gold. As I see Her She opens Her Mantle and is gathering all of us inside. She is wrapping the whole house, everyone outside and inside. I then see the State of Louisiana under Her Mantle. The United States is right in front of Her then under Her Feet. Then I see Jesus walking with Mary, Our Mother.

Jesus spoke: "Thank you My children for obeying My command to you to pray for My priest brothers. Continue to pray."

This next was repeated to me three times so I wrote it three times; "Yea though I walk through the valley of darkness...I will fear no evil for You are with me. Yea though I walk through the valley of darkness...I will fear no evil for You are with me. Yea though I walk through the valley of darkness...I will fear no evil for You are with me."

# September 2002

*Received by Claire Rose*

Consecrated brides have come from seven states, California, South Carolina, Alabama, Ohio, Michigan, Pennsylvania and Louisiana. At eleven a.m. a group of pilgrims gathered around the thirty-three foot Holy Cross for Priests to pray the Stations of the Cross for poor souls in Purgatory. I was kneeling at the foot of the Cross. From the ninth to the thirteenth Station, I saw Our Mother as Queen of Heaven coming down to us from Heaven on a cloud.

She was regal with a tall crown and a huge Mantle that was bigger than the earth. There were many holy angels and Saints around Her. As She came toward us I saw many souls all white light rising from Purgatory going up to meet Her and join with the multitude of holiness that surrounded Our Mother. I was told these souls were released early because of prayers said for them.

Above Our Mother I saw Our Father seated on a Throne. He had a long black or dark brown beard and hair. I saw Jesus in front of Our Father on the Cross. Our Father's Hair and Beard became white as Jesus suffered and died. When Jesus' Heart was pierced a White Dove flew out and then I saw His Precious Blood and Water flow out to all the earth. Mingled with the Precious Blood and Water from Jesus' Heart were millions, billions of pure white Hosts.

Our Father said, "I love you My children, I love you. I bless you." Jesus came all dressed as a King and gave us all a Blessing. This was all bigger than the thirty-three foot Cross in front of me.

At 2 p.m. I blessed everyone present and the rooms with Holy Water. As we began the Rosary for Priests Our Lady came all in white. Her Face changed to all nationalities.

At the fifth Joyful Mystery, the Finding of Jesus in the Temple, Our Lady's white dress started to sparkle, then became gold like gold tissue. I saw Her Immaculate Heart beat from flesh to gold, flesh to gold, then Her Heart burst into Light. "My Heart bursts with Love for you. I love you." I felt the Love come from Her Heart like a rushing river.

At the second Sorrowful Mystery, the Scourging at the Pillar, I see again a priest in a prison cell in China. He has just been beaten for refusing to renounce Jesus, for refusing to renounce his Catholic Faith, our Catholic Faith. Two guards carried him back to his cell. They dragged him in by his arms. I saw streaks of blood on the floor where he passed. The guards threw

him in his cell and laughed as they locked the door. All of a sudden light filled his cell. Our Mother was there with him and with Her Tears She was wiping his wounds. As Her Immaculate Hands touched him, his wounds were healed as I watched in awe. Can you imagine how he must have felt, that Jesus rewarded his faithfulness by sending Our Mother?

At the third Sorrowful Mystery, the Crowning with Thorns, the guards move to the next cell where there was another priest. They are alarmed because the cell is open and the door is still locked. They could not find the priest. He was taken away or made invisible. They could not find him.

I am given the third secret again.

At the fourth Sorrowful Mystery, the Carrying of the Cross, "O' Mother, can this be averted? I give myself for a priest, or for more. We need them O' Mother. Please have mercy, please ask Jesus to have mercy on all our priests."

"Much suffering and famine can be averted My child by prayer, fasting and sacrifice. I love you. I hold you in My Heart." I saw a priest I know. Our Mother said, "He is very near to death My child, very near to eternal death. Your prayer and suffering will help to bring him to conversion and repentance at the end. I love you." I saw a Bishop. I prayed, "Shield me O' Mother behind a veil."

At the first Glorious Mystery, the Resurrection, "I am making you into one My beloved ones. My Mission here has only just begun, like a seed that is planted in a freshly tilled garden, a garden enclosed in My Heart. A garden enclosed in safety. The seed must be kept hidden in the rich earth. The seed must die to spring new life. I have been watching over you My own little precious seeds. I have tended you even in the darkness, now fresh green springs forth from you. I love you. All is provided for your growth. I have called you from close and from far to make you into one. All for the healing of My priest sons."

At the second Glorious Mystery, the Ascension, "My beloved sons, I love you. I have come to you here in love. I wish to establish here a Shrine for My priest sons. This is My forty-second Visitation here for you My sons. This was to have been My last Visitation. My beloved Son Jesus has extended My Visitations here for you My sons. He has done this out of Love for you, because many are responding to My Call to pray for you My sons. I have prepared many multitudes to receive My Messages of Love My sons."

Third Glorious Mystery, the Descent of the Holy Spirit, "Yes, an army of Love is forming, gathering around the world, all dressed in the Armor of God, ready to do battle for you My sons. The time of Grace and Mercy has been extended. I have asked My Son for this as a gift for you My own sons. Do not relax your prayers, increase them. I come to you in Love and to bring you Love. Many of you have responded My sons and are living a holy life, although

many of My holiest sons are persecuted and scorned. Some of you My priest sons have a heart of stone. Where are you? Turn away from the world and come home to your Mother. I love you. I love you. I love you. Yes! I love you My own sons. Your Mother.”

At the fourth Glorious Mystery, the Assumption, "My beloved children, I love you. I thank you for coming here today to pray with Me. I hold out My Immaculate Heart to you with My very own Hands. Come into the shelter of My Immaculate Heart. There you will be safe. Please consecrate yourselves to My Immaculate Heart. I await your response to My Call with Love." The priest who was with us was kneeling in prayer just in front of me. I saw Our Blessed Mother wrap Father in Her softest Mantle. I could no longer see Father, only light and gold, Her Mantle of Protection.

At the fifth Glorious Mystery, the Coronation of Our Lady in Heaven. Our Mother reminded me of what I was shown at 11 a.m. at the Cross today as we prayed the Way of the Cross. I was shown this again and Our Mother asked me to write this at this time. There must be a special meaning that I was shown this twice.

After we shared the messages with those present, we called those who wanted to make their vows as victim souls for priests to please come forward. There were four that we knew of, two from Ohio and two from Alabama. Several others had inquired. I had known and felt for several weeks that this Visitation would be special but I was shocked when thirty-three came forward to make this vow. Then three little boys made the children's promise to be good and to pray three Hail Mary's for priests each day. They are the first to do this. Thirty-four renewed their vows. A total of sixty-seven Consecrated brides from seven states were here in Theriot today. A very special day to end the forty-two Visitations of Our Mother and to begin the next level of Her Mission for priests. A day of Thanksgiving for many things. My spiritual director summarized Our Mother's Words to us. He announced that next month he will offer Holy Mass on the Last Saturday.

*Received by Leslie Therese*

When we were outside praying with the children Our Mother spoke to me and asked me to look at the child behind me and to tell him thank you for praying for Her people. As I turned around I noticed my great nephew was behind me putting little garden flowers at the foot of the cross. I told him what Our Mother had said to him and he sat next to me and we prayed three Hail Mary's for priests.

As we begin the Rosary I see our Mother dressed in white the front of Her mantle is like a bonnet. I then see the face of my grandmother under the bonnet and I remember my grandmother working in the yard in a bonnet with her little pink cheeks and her special smile. Then Mary was within her

face, then my grandmother was gone and Mary was in her place. I then see Our Mother Mary dressed in a deep dark red color with a thick band of jewels around Her mantle and She spoke to me.

"This is the color of celebration. A celebration of My Son Jesus' passion and death for His, Our people. He stands at the ready to do this again if He must." My spiritual director explained this to me later that Jesus died only once for us, but each time sin happens in the world He relives the pain of being crucified.

Our Mother continues: "My Son Jesus is here with Me today. He is with Me always. Pray My children for those who are weak and are being consumed by the world and all of its greediness. Pray for those who have been lost to Us. Pray especially for your priests and for all of the priests of the world. Pray for My son John, he will come to Me soon. Pray for My people to become stronger in their faith in these trying times. Pray for the children being misled and pulled away from My Son's Church and lead into dark and dangerous places. Pray. Pray. Pray My children that My Son Jesus is again welcomed into the hearts of all of these My precious children. I love you with all that I am. Many blessings will be showered upon you today. Today you will go home with the heart of a child, new, innocent, free and pure of heart and mind."

"I love you My dear children, please pray for My sons, your priests. I have called you here for this purpose. I bless all wedding rings here, all marriages and all of My children produced from these. I hear the voices and murmurings of the small ones, they are a great joy to Me. Pray My children. Pray. Pray. Pray. Bring My little ones to Me in prayer and sacrifice."

*Received by a bride from another area, Lin*

I am in Theriot, LA for Our Lady's visit this month. Around 1:45 p.m. Claire went outside to the foot of the Cross with the children to say the three Hail Mary's Our Lady had requested them to say. We then went inside to pray the fifteen decade Rosary for priests. Our Lady was already present.

Claire took holy water and sprinkled it on all present. She started the prayers before the Rosary. During this time I saw a bright purple light, and inside it was a pink map of the entire United States. Behind the bright purple light and pink map of the United States it was all black, complete darkness. Our Lady said, "Thank you for your obedience My daughter. Thank you for your obedience in writing. You see how I am multiplying you. I know you would never have guessed that this would all happen My daughter."

And then she extended Her words to all the brides, "Brides of My Son." At this point I was taken away for a short time. I don't know where. When I returned Our Lady started speaking, "Oh! My children, your hearts, it is your praying from your hearts that melts My Son Jesus' Heart. My child today you may announce that My Visits are being extended. Thank you for

your obedience and your silence until this time." Two other visionaries were able to announce it, but I was not.

Our Lady continued, "My children, Oh! My children, Oh! How I love you. You are all precious to Me, each in his and her own way. You will not understand this totally until you are with us, Jesus and I, in heaven. I join you today to all present all over the world who have come together today to pray for priests at My request."

I am very aware of all the people around me praying. I am very aware of the Saints praying with us, especially St. John Vianney and St. Philomena. There are Holy Angels above us and all around us. They are all different sizes. Our Lady says, "My children, all of heaven prays with you today." I see the devil cringe as we pray the Rosary. He is more intent than before on distracting us. As we continue to pray the Rosary the devil leaves completely.

At the third Joyful Mystery, the Birth of Our Lord, I get extreme pain in my left shoulder. Our Lady says, "My child it is the wound of the Cross." It is extreme. I can barely write, as I am left handed. I then see Jesus holding a lamb with a bright red staff in His right Hand, and wearing only a bright red garment that covered his midriff and loins. The end of the red garment moved in the breeze.

He speaks to the Religious present. "Oh! My sisters in habit, I bless you for your courage." Then Our Lady speaks, "Persevere My daughters. We love you. Oh! How We love you. You do not know the effect you have on others. Oh! My brother in habit. Thank you."

Then Our Lady spoke, "To all My priest sons. Persevere in your vocations My priest sons. In spite of all you see around you, persevere. The graces necessary for you to persevere have been released because of all who are praying for you all over the world at My request. I love you My priest sons. Oh! How I love you. You are My Hands. You are My Son's Feet. Listen to your flocks. Encourage your flocks. Guide them on the correct path to Me. Tell it like it is My priest sons."

"Now is the time. Do not hold back! Do not hold back! I love you My priest sons. I love you. It is important for you to be holy, now, more than ever. Pray now little one."

Then Our Lady continued speaking to Her priest sons, "My priest sons, we" (all of us) "are at a turning point crucial to souls all over the world. You must trust Me My priest sons. Now is the time to keep your hearts focused on My Son Jesus and follow His guidance. Only each of you individually can say yes to Him, and follow the prompting of the Holy Spirit."

At the fourth Sorrowful Mystery, the Carrying of the Cross, I see Our Lady walking in our midst. She is all in creamy white. She is without her crown. She is very beautiful. Her garments move softly in the breeze. She

touches many present and leaves Her gift of love on each of them. Her sweetness is beyond My understanding.

She then says, "Oh! My brides who have come from so far away. I love you. I am with you. As you return to your homes, I go with you and yet I remain here. This is a special visit to all My consecrated brides. Today is a special day for all of you. Because of your yes's I am continuing My visits. Yes My brides, you will see this mission grow all over the world. I know you cannot understand this completely My brides, male and female, but one day you will."

"Oh! My children, My precious children, thank you for answering My call to come and pray with Me for My priest sons. My children they need your prayers more than ever. Pray for them to persevere. You will see the fruit of your prayers in your lifetimes. You must pray My children or it will not come about. PRAY! PRAY! PRAY My children! PRAY! Teach your children to pray for priests. You will not be sorry!"

"To those who have come together today I give My special blessing of love that comes from My Son, Jesus. You will notice it in a special time of need. Persevere in prayer My children. Persevere in prayer. I love you. Oh! How I love you. Thank My Son for these visits of love to you My children. I love you. I am your Mother of Divine love, Patroness of Priests."

"Oh! My children all of you who have come today, thank you for your yes! Thank you for your love. I am your Mother. I love you like a mother loves her children, most tenderly, most sweetly, most completely. Much grace goes out to all the world because of all your prayers from your hearts. Thank you My children. Thank you. I love you. Queen of Love, Queen of Divine Love, Patroness of Priests, your Mother."

"Oh! All My brides, Oh! How I love you, your Mother, Mary Immaculate."

# Prayers

## **A Daily Prayer for Priests**

Written by Claire Rose Champagne

Jesus Good Shepherd, Great High Priest, today I lift to you in prayer all of our priests. You left us Yourself in the person of the priest. Mold them into what You want them to be. Let them be You to each person they meet. May they fill all the needs of those who turn to them today. Send someone to lift their spirit and to be Jesus to them when others knock them down, to encourage them when their hope is gone. Give them all the strength and courage they need to persevere in holiness when under trial or just worn out from saving souls. Please bless us with many more holy priests. Teach us to love and appreciate our priests and to see you in them.

I consecrate all priests to the Immaculate Hands and Heart of the Blessed Virgin Mary, Our Mother of Divine Love, Patroness of Priests. I thank You for their priesthood. Keep them close to You. Please enfold and protect them in Your Mantle of Divine Love.

My Lord Jesus I trust in You! Amen.

## **Rosary for Priests**

### **JOYFUL MYSTERIES**

**The Annunciation:** The Angel Gabriel announces to Mary, a virgin, that she will become the Mother of God, Word made Flesh. For all centuries to come, Jesus will become flesh in the Holy Eucharist to nourish us in a most intimate union with Him. We pray for all priests who daily, through the words of the consecration at Mass, and through Holy Communion, bring us the Body and Blood of Christ. We pray for all future priests now being formed in the wombs of their mothers, that they may be safe from physical and spiritual harm, and come to Ordination as God intends. We pray for all future generations of priests. We pray also that priests may treasure the gift of celibacy.

**The Visitation:** Mary visits her cousin Elizabeth, who recognizes Mary as the living tabernacle for their Divine Lord. We pray especially for priests who bring Holy Communion to the sick, the shut-ins, and Viaticum to the dying. We pray for all the priests who minister to the sick in other ways, counsel, comfort, and console them.

**The Nativity of Jesus:** Jesus is born in Bethlehem. The angels announce His birth; kings and shepherds come to adore Him. We pray that all seminarians grow in knowledge and love of God to become holy priests. We pray especially for those who will be ordained soon, that they may remain faithful all their lives to the sublime privilege of being "other Christs" among us. We pray that everyone will come to value the Eucharistic Feast and the Priesthood as among God's greatest gifts to us. We pray that every priest will consider himself a member of the Holy Family, a true son of Mary and Joseph, and a brother-priest of Jesus, the great High Priest.

**The Presentation in the Temple:** Mary and Joseph, in obedience to the Law, bring Jesus to the temple to be dedicated to God. Simeon expresses his gratitude to God for revealing the Messiah to him before he dies. We thank God for all priests who, like Simeon, have given us decades of faithful service. We pray that they may be rewarded for their generosity and self-sacrifice. We pray also for all priests whose hearts are pierced by loneliness, depression, and rejection.

**Finding Jesus in the Temple:** Jesus is found among the teachers in the temple; He returns home and is obedient to Mary and Joseph. We pray that priests will always be found going about their Father's business, and will be obedient to the teaching magisterium of the Church, our Holy Father and the bishops in communion with him. We pray for all young priests that the love and dedication they experience in the first years of their priesthood may increase with time. We pray for all priests who teach the Faith to children and adults.

## LUMINOUS MYSTERIES

**Baptism of Jesus:** And when Jesus was baptized, the heavens were opened and He saw the Spirit of God descending like a dove, and alighting on Him, and lo, a voice from heaven saying, "This is My beloved son with whom I Am well pleased." We pray for the perseverance of all priests who have received the special mark of participation in the ministerial priesthood in virtue, their own baptism, and the Sacrament of Holy Orders. We Pray that priests will be open to the inspirations of the Holy Spirit and hear the words of the Heavenly Father: "This is my beloved son, in whom I am well pleased," as applied to their priestly vocation.

**Wedding Feast at Cana:** "His Mother said to the servants, 'Do whatever He tells you.' Jesus said to them, 'Fill the jars with water.' And they filled them to the brim." We Pray that all priests embrace Mary as their Mother and remember Her Words of Wisdom, "Do whatever He tells you." We pray that

all priests' hearts be on fire so that the Word and Glory of God come alive to all who hear them. We pray that all priests who witness the Sacrament of Matrimony will recommend to the newlyweds to seek the intercession of our Mother Mary when they need help. We pray that all priests will see themselves as espoused to the Holy Church as Jesus, the bridegroom, is related to the Church, His bride.

**Proclamation of the Kingdom and Call to Repentance:** “And preach as you go saying, ‘The Kingdom of the heaven is at hand. Heal the sick, raise the dead, cleanse lepers, cast out demons. You received without pay, give without pay.’” We pray that all priests, as ambassadors of Christ, will have the courage to preach the fullness of truth and the need to repent, since the Kingdom of Heaven is at hand. We pray for an increase of vocations to the missionary priesthood to bring the Gospel message to the needy of the world; for the harvest is ripe, but the laborers are few. We pray for all priests who hear Confessions and speak about evil and sin in the world. We pray that all priests become the Light that shines in the darkness to boldly proclaim, “The Kingdom of Heaven is at hand.”

**The Transfiguration of Our Lord:** “A voice came out of a cloud saying, ‘This is my Son.. My chosen; listen to Him!’” We pray that all priests will meditate on the manifestation of Jesus’ divinity in His Transfiguration and be strengthened to follow Him faithfully by carrying their Crosses in difficult times. We pray that priests will reflect the love and mercy of Christ in the performance of their duties “In Persona Christi”; especially in the administration of the seven sacraments. We pray for humble, obedient priests who seek not the things of this world, but the splendors of Heaven. We pray for all priests who have lost hope and are discouraged. We pray for all priests who have been wrongly accused.

**Institution of the Eucharist:** “And He took bread, and when He had given thanks, He broke it and gave it to them, saying, ‘This is My Body which is given up for you.’ And likewise the cup after supper saying, ‘This cup which is poured out for you is the new covenant in My Blood.’” We pray that all priests will recognize and appreciate the awesome power they received in their priestly ordination; to change bread and wine into the Body and Blood of Christ in the Mass and to absolve sins in the Sacrament of Reconciliation. We pray that priests will celebrate the Holy Sacrifice of the Mass with deep faith and reverence, especially when they receive and distribute the Eucharist, having complete trust in His real presence and Divine Mercy. We pray for many more priests, for through their holy hands, they bring us Jesus. We pray for all priests who venerate and defend the Holy Eucharist. We pray for all

priests who through sickness or imprisonment are unable to receive Our Blessed Lord.

### **SORROWFUL MYSTERIES**

**The Agony in the Garden:** The Apostles fall asleep; Jesus sweats blood at the thought of His coming passion and death; angels come to comfort Him. We pray that all priests who are suffering and on the way to Calvary may be comforted by God's presence; those who have betrayed or denied the Faith through weakness may repent and return to the warmth of God's love. We pray that all priests may live only to do Our Father's will, as Jesus always did.

**Jesus is Scourged:** Jesus is cruelly scourged and beaten by the soldiers. We pray for priests who are persecuted, physically or mentally abused; those who are imprisoned or prevented from offering the Holy Sacrifice of the Mass or receiving Holy Communion. We pray for priests living under Communist oppression.

**Jesus is Crowned with Thorns:** Jesus is mocked as king and His precious Head is cruelly pierced by thorns. We pray for priests who suffer from defending authentic Catholic doctrine. We pray that all Bishops will uphold the true teachings of the Catholic Church and resist temptations to compromise doctrine in face of cultural and social pressures.

**Jesus Carries His Cross:** Bruised, bleeding, and exhausted, Jesus is forced to drag Himself and His cross up the hill of Calvary. We pray for all priests with heavy crosses; those who are weak, lonely, or have fallen from God's grace in some way. We pray for the Holy Father, who perhaps has the heaviest of crosses, the widespread persecution and abandonment of the Church from within and without.

**Jesus Dies on the Cross:** Jesus sheds His last drops of Precious Blood to redeem us from sin and death. We pray for all priests who are in their last agony and those who will die today. We pray for those who thirst for the salvation of souls. We pray that the crucifixion of their wills may accomplish God's designs for the salvation of the whole world. We pray that priests may take Mary into their hearts, as St. John the Apostle, one of the first priests who took Mary into his home.

### **GLORIOUS MYSTERIES**

**The Resurrection:** Jesus arises from the dead and appears to the Apostles. At times, priests may suffer from depression and despair that plague them when they see so little from their labors. We pray that priests will remember:

the Crucifixion is followed by the Resurrection; darkness is always followed by Light. We pray that all priests may share the joy of the Risen Christ.

**The Ascension:** Jesus instructs His Apostles and returns to His Father in Heaven. We pray that priests may carry out Jesus' instructions to evangelize the whole world, instructing and baptizing countless souls. We pray for missionaries who live lives of utter poverty and deprivation to bring the Gospel to all the people.

**The Descent of the Holy Spirit:** The Holy Ghost comes down upon the Apostles, who are gathered with Mary. We pray that priests may be open to the graces of the Holy Spirit to strengthen them for the task of bringing souls to God and God to souls. We pray that they may be on fire to convert the most hardened sinners, and to bring God's love to the whole world.

**The Assumption:** Mary is taken, body and soul, to Heaven. While she was on earth, she loved and prayed for the Apostles, the first priests. We pray that priests will be devoted to Mary and find in Her the love and comfort of a mother, the most powerful intercession of our greatest Saint, and the surest refuge against Satan and his cohorts who seek destruction of priests and the priesthood.

**The Coronation:** Mary is crowned Queen of Heaven and earth; she is rewarded for her faithfulness to God. We pray that Mary, Queen of the Clergy, will be their model of faith and joy, and constant guide until they reach Heaven where a crown, jeweled with the many souls entrusted to them on the day of Ordination, will be their reward for faithful and loving service.

### **Morning Offering of the Brides of the Most Blessed Trinity**

Holy Blessed Trinity, I offer to You all my prayers, works, joys, and sufferings of this day. No matter what little thing I do, I offer it to you in reparation for holy priests, for the conversion of priests, for more priests, for the return of many priests who have left the priesthood, for the priests still in purgatory, especially those most in need. I offer myself this day [and hereafter until my death] as an offering for holy priests, in union with the Suffering, Death, and Resurrection of Jesus, and in union with the Sacred Body and Blood of Jesus offered on all the altars of the world by Your holy priests. I make this offering freely, trusting the You will take care of all my needs, both spiritual and temporal, for the state in life to which you have called me. I make this offering through the Immaculate Hands and Heart of the Blessed Virgin Mary, Mother of Divine Love, that She might take this imperfect prayer and present it to Her Son, that through His Sacred Heart He might perfect it, and present it to

Our Father by the Power of the Holy Spirit, through Jesus Christ Our Lord, Amen.

### **Chaplet of Divine Love for Priests**

Our Lady gave us this simple Chaplet for priests on Sunday, February 25, 2001, and said that praying it will release many Graces for priests.

The Chaplet is to have a Crucifix, one bead, then a medal with Our Mother of Divine Love, Patroness of Priests on one side and the Holy Blessed Trinity on the other side. Next are 33 beads that represent the 33 years Jesus spent on earth to join at the medal. [This can also be prayed on the first three decades of a Rosary]

*To pray the Chaplet:*

- Begin with the Sign of the Cross.
- Pray the Creed on the Crucifix.
- Pray the “Our Father” on the first bead.
- Pray the “Hail Mary” on the medal.
- Pray “O Jesus, Son of the Living God, have mercy on us and on all our Priests” (or you may name a priest) on the 33 beads.
- On the medal Pray: “O Sacrament Most Holy, O Sacrament Divine, all praise and all thanksgiving be every moment Thine. Blessed be the Holy and Immaculate Conception of the Most Blessed Virgin Mary, Mother of God, Mary Most Holy. Mary, Queen of Divine Love, Patroness of Priests, pray for us. God Our Father, please send us Holy Priests, all for the Sacred and Eucharistic Heart of Jesus, all for the Sorrowful and Immaculate Heart of Mary, in union with St. Joseph. Ave, Ave, Ave Maria. Ave, Ave, Ave Maria.”
- Pray the “Glory Be” on the single bead.
- Pray the “St. Michael Prayer” on the Crucifix.

### **Last Saturdays Devotion**

Given by Our Lady on May 27, 2006 to Claire Rose at the first Luminous Mystery, the Baptism of Jesus in the Jordan:

“The monthly Last Saturday devotion shall consist of the day to be set aside as a Day of Prayer for My beloved priest sons and for more vocations to the Holy Priesthood. I ask for a 20-decade Rosary to be prayed with others whenever possible. When this is not possible the grace bestowed will be the same.”

At the second Luminous Mystery, the Wedding Feast at Cana “I also ask that in the space of three days, Friday, Last Saturday or Sunday, a holy confession, attendance at Holy Mass, reception of Holy Communion, all offered for My priest sons and for more vocations to the Holy Priesthood. If

these devotions are kept and offered in love for three consecutive months, I promise you will not suffer eternal death.”

# Promises

## **Given by Our Lady on May 28, 1993**

To those who pray for My priests faithfully I promise that each will receive:

- Many graces from My Immaculate Heart
- A deeper conversion through repentance
- Deepest peace
- The gift of Love
- Those who offer their body as a living sacrifice for My priests will receive deepest union with the Holy Blessed Trinity, My Father, My Son, My Spouse, and salvation for the whole household.

## **Given by Our Lady on May 31, 1993 (Feast of the Visitation)**

For My Shepherds, My Priests, because of your faithful prayers, I promise:

- Many will experience a holiness in numbers never before seen in the priesthood.
- Many will experience deep conviction of sins and deeper conversion.
- They will come to know the Truth without a doubt.
- Many will be saved from eternal death.
- Some will be snatched from the door of hell in the final hour.
- Many will be released early from Purgatory.
- Gifts of graces will be given to the priesthood beyond anything you can imagine.

## **Given by Our Lady on March 10, 2001 (Day the form of the Holy Cross for Priests was begun)**

My precious and most beloved children, I love you. I love you. I love you. I love you. I am with you. I will remain here until the Coming of My Son, Jesus.

- Many of My priest sons will receive healing here, healing of their body, mind and soul, this is already happening.
- Many, many of My priest sons will receive extraordinary gifts and blessings here.
- Many, many vocations to the holy priesthood and religious life will spring from here.
- Many of My priest sons who have left will return to Me.
- Many, many of My children will receive healing here, this too is already happening.

- All who can are to come here to touch this Holy Cross and pray for My priest sons.
- Many, many marriages will be healed.
- Broken homes and hearts will be repaired and restored.
- Families will be restored and reunited and they will come back to Me.

This is My solemn Promise to you. My Mission here will reach the ends of the earth. The shadow of this Holy Cross for Priests will go around the world.

# Letter to the Holy Father

October 7, 2003

Holy Father, John Paul II  
Vatican City, Italy

Dear Beloved Holiness, my Holy Father, John Paul II,

In obedience to my Spiritual Director, Very Reverend Father Dean Francis Danos, V.F. and to Our Blessed Mother I send this to Your Holiness. Our Mother has asked that this be given to you through the holy hands of Fr. Jude Anyache by placing these words into the holy hands of Cardinal Francis Arinze. Our Blessed Mother has asked me to tell you that She has begun a Mission of Love for Her priest sons here in this little unknown place called Theriot, Louisiana under the Title of Mother of Divine Love in response to Your Holiness' prayer to Her in New Orleans. This was in September 1987 when you met with Archbishop Hannan and all the priests at St. Louis Cathedral. I was just made aware through a video that was re-run on Focus, Archbishop Hannan's television program, that you prayed to Our Mother under the Title of Mother of Divine Love. This confirms to me the authenticity of Our Mother's Apparitions and messages.

1. Our Blessed Mother has Appeared to me since I was a child of about 12 (1952), but She never gave me a Title until Dec. 8, 1987. I am 63 years old since last August 27th. My ancestors are Catholic French and have been in Louisiana since the mid 1700's. I am an ordinary simple soul who by God's Grace has received extra-ordinary graces. My spiritual journey has been slow and long and much of it is written. I am a wife, was married at 16, over 46 years ago. I am the mother of 5 children, grandmother of 9 and we have 1 great-grandson. My family lives an ordinary simple life. My husband is a retired carpenter. My pappa was a fisherman. I went to nine years of school. I quit school although I loved it because my parents were too poor to send me. My husband & I were both born here in Theriot, Louisiana, a very small community of farmers and fishermen. We are located in the Houma-Thibodaux Diocese next to the Archdiocese of New Orleans.

2. Since December 8, 1987, Our Blessed Mother under the Title, Mother of Divine Love is Appearing to me with messages for priests. That night Our Mother made four requests:

(a) ask my Pastor to Consecrate our parish to Her Immaculate Heart.

(b) ask my Pastor to bless the people before each Mass with Holy Water.

(c) ask my Pastor to pray the Prayer to St. Michael after each Mass.

(d) Our Mother asked for a roadside Shrine. She showed me how it was to look. She looked like Our Lady of Fatima, all white, but with no crown or jewels.

A year later, Dec. 8, 1988 my new Pastor, Fr. Scott Dugas, honored Our Mother's Request and Consecrated our little parish at a special Mass.

3. Our Mother did not reveal to me that She came as Mother of Divine Love in response to your prayer to Her until March 25, 1994, while I was on Retreat at a Holy Monastery.

4. Our Mother had visited me many times since I was about twelve (1952) but December 8, 1987 was the first time Our Mother told me Her Title. Our Mother has worked very slowly with me for many years before She began to reveal what She was asking of me. I wrote the many things Our Mother said to me but it never occurred to me that She wanted something of me. This still amazes and overwhelms me. I knew since I was a small child that I needed God and Our Mother, but I was very surprised when I began to understand that God had something for me to do for Him. I have always loved priests in a special way. I did not realize until 1987 that the love in my heart was not just my own but was also Jesus and Our Mother Mary's LOVE for priests passing through my poor and little heart.

5. It was during 1986-87 that I understood I was being called to a mission for priests. In June 1987, I was led to ask my Pastor, Fr. Roch Naquin to be my first Spiritual Director. In September 1987, I was told I would begin a new order. Actual Message follows:

"You will begin a new Order. Your house will become a holy dwelling place where many priests, even Bishops will come and be healed. You are to pray quietly with them. Get a room ready for Me." I cleaned one of my bedrooms from ceiling to floor, not understanding the message. This blew my mind and I cried for a month because I thought that my husband of 30 years would have to die for this to happen. I told no one except my Spiritual Director and finally after months my husband.

6. By the Grace of God and Our Mother's patient Love and guidance I slowly understood that most things spiritual have three depths of meaning. The first meaning of "house" was my own soul. The second was my family and physical house. The third meaning is the order that was spoken of. I was given the name of the new order, Brides of the Most Blessed Trinity of the Sacred and Eucharistic Heart of Jesus and of Sorrowful and Immaculate Heart of Mary.

7. In January 1989 Our Mother gave me one young priest to fast and pray for. Love through my open heart for priests increased at this time. Out

of Love for God and in Thanksgiving to Him for all He had given to me, inspired by St. Therese the Little Flower, I gave my body to God as a living sacrifice for priests. Nine months later Our Mother would guide me to ask this young priest to become my Spiritual Director.

8. On the Last Saturday of October 1989 Our Mother asked that the Last Saturday of every month be set aside as a Day of Prayer for Priests. She said in time there would be those who would understand the connection between the First and the Last Saturday.

9. Between October and December 8, 1989, I was slowly taken into a Union with Jesus that I did not know existed on this earth. I wrote everything that was happening on yellow tablets as Our Mother had guided me to do. On December 8, 1989 just after I arrived for my third meeting with my new Spiritual Director we prayed together. We were both taken away for three hours. I later learned this was called an 'ecstasy'. Neither one of us had ever had such an experience. That evening I gave myself to God as a victim soul for priests. A few hours later I was pierced with a Light from Heaven in my heart and taken away. I did not know what was happening to me but I knew without a doubt that this was from God! I was so filled with Love and Peace that I could not begin to describe. The Last Saturday, Dec. 1989 two of us met to spend the day in prayer for priests for the first time. The room where this 'ecstasy' took place is a 24-hour Adoration Chapel today.

10. In March of 1990 in obedience to my Spiritual Director I went to visit and speak to a very holy Contemplative nun. I spoke with her for two hours from the depths of my heart. I did not know what was happening to me. I had been drawn into Contemplative Prayer for years but I did not know that this was prayer or that it had a name. Mother Henry McKanna told me that what I was experiencing was called Mystical Marriage or Mystical Theology. I knew that what was happening to me was from God but I had no human knowledge of this. I was in shock and wonder for months. I had no one to turn to but God and Our Mother. Around this time I see Our Mother's Heart beat from flesh to gold, flesh to gold.

11. In 1990, Our Mother began to ask us to build things: a Rosary garden, Stations of the Cross, a Well where the waters would heal many and over time many have been healed. Also Shrines to St. Joseph, St. Francis and Jesus. December 8, 1990 I made a simple lifetime vow to God. I offer him my body as a victim soul for priests, forever!

12. On Ascension Thursday 1992, in obedience to the Holy Spirit Lin Crossman from California and I went to my parish Church to ask for a blessing. We were told, "today is the first Official Day of the Order, Brides of the Most Blessed Trinity." Both of us were given the name separately. Our Mother had given us the nickname "Holy Rejects." My Pastor gave us a

beautiful blessing. We were simply to pray for priests, offer sacrifice and suffering for holy priests and for more vocations to the priesthood.

13. In March 1993, Jesus asked that we build a Chapel here. He said that He would be Present at all times and that a priest would come to live here. About this time two of us begin to see Our Mother as different races. Mary's Face and Hands would change from white, Indian, African and Oriental. Another bride offers herself to God as a living sacrifice for priests at 3p.m. on Divine Mercy Sunday, April 18, 1993.

14. First Anniversary Ascension Thursday 1993. I receive a Simple Rule. On May 28 and May 31 (Feast of the Visitation) Our Mother gives to me some Promises. (I enclose a copy.) Another bride makes her victim soul for priests offering.

15. Our Mother reveals a gold Crown with points.

16. In 1994 Our Mother asked us to build a 33-foot Cross where many priests would be healed. (Enclosed a photo of the 33 foot Cross.)

17. Third Anniversary, a priest joins us in renewing our vows as victim souls for priests. Now we are four. I wrote all that I received. Our Mission "Brides" was slowly multiplying, but no one knew that Our Mother was appearing and speaking to us except our Spiritual Directors and my husband. In 1995 Our Mother gave us a Morning Offering. She included "Pray for priests who have left the priesthood to return, also priest souls in Purgatory." (Enclosed Morning Offering Brochure)

18. September 5, 1997 Mother Theresa dies! I immediately ask her to please help us from Heaven. A few nights later Mother Theresa appears over our bed as my husband is sound asleep. She has a young face and she is wearing her habit. She smiles at me and floats over my husband. She put her two hands on him and prayed. He awoke the next morning a different person, filled with joy and peace! This made a great difference in our lives and in our ministry.

19. Very slowly Our Mother has revealed God's plan to us. In a message I received for my Spiritual director on February 7, 1998, Our Mother announced that She would Appear here on the Last Saturday of the last 9 months of 1999. She asked that we begin to build the things that She had asked for. This same day our Morning Offering received Church Approbation from the Diocese of Austin, Texas through one of our Spiritual Directors.

20. On March 25, 1999 my Spiritual Director, a holy priest came to bless the bayouside shrine, the Stations of the Cross, the Shrines to St. Joseph and St. Francis. After years of looking for the right statue, our Mother had led us to a large concrete statue of Our Lady of Lourdes. Four disabled men put the statue that weighed over 1,000 pounds in place. It was light as a feather they said. Our Mother revealed to one of our brides that the nine months of Her Visitations would represent the nine months that Jesus spent in Her

Womb. On Holy Thursday night 1999, Our Mother revealed to me that in addition to the nine Visits that She would come thirty-three more times, one time for each year of Jesus' Life on earth. A total of forty-two Visitations.

21. First Public Visitation, Last Saturday of April 1999. I was scared to tell people. I blurted it out to one lady besides my immediate family. Our house filled up with people that I didn't know. Our Mother had said years before that She would send the broken and rejected of the world to form the order She was gathering here. We prayed a fifteen decade Rosary and other prayers for priests. Our Mother spoke a message to us.

22. Dec. 8th & 12th, 1999 My husband drilled the Holy Well by hand near the 6th Station just as Our Mother led him to do. Water came forth at 2p.m. the same time Our Mother asks us to begin the Rosary. Many have received healing from this blessed well.

23. Our Mother's Ninth Visitation fell on Christmas Day 1999, the day the Jubilee Year began. The First Saturday of the Jubilee Year, the Last Saturday of the year. Remember Our Mother said the nine months represented the nine months Jesus spent in Her Womb and those nine Visits end on Christmas Day. Awesome! Our Mother appears with Her gold Crown and reveals seven points on it. She asks us to make public the Promises that She gave me in 1993. Our Mother asks us to begin the thirty-three foot Holy Cross for priests today. She gives us promises.

24. January 2000, The Foundation in the ground for the Holy Cross is poured.

25. Last Saturday of February 2000, First time two Religious are present, a nun and a Brother. In the evening, two more make victim soul vows, now there are six.

26. Last Saturday of March 2000 is the first time a priest is present. He cried for over an hour during Our Mother's Visitation.

27. Good Friday 2000, Our Mother asks that a Church be built here. She asks me to notify my Bishop. I did.

28. Last Saturday of April 2000, Another priest comes. He has been made to retire because he can hardly walk. He had to be helped to walk and was using a walking stick. He had been to doctors and he was getting worse. Our Mother told him that his body would be healed and his ministry as a priest would be restored. That same day he left here healed and filled with joy. He forgot his walking stick! Soon after he wrote a letter to all the priests of our Diocese offering to help them if they needed him. He has since been asked very often to offer funerals (four in one week), and to replace his brother priests when they need a day off. He has celebrated sixty years as a priest with us. He comes faithfully on the Last Saturday to hear Confessions and pray with us. He has given his testimony at many of his Masses in many other places.

29. May 13, 2000, at noon in my kitchen Our Mother reveals Her Crown as Mother of Divine Love. She has been Appearing to me all dressed in creamy white with an edge of liquid living gold on the edge of Her Mantle. She says she is the Lady of the Rosary, the same as Fatima. Her Crown is medium height, gold with seven points. At the center front is a Chalice with a Host suspended above it. Much light comes from Jesus in Holy Eucharist. She asks to be known as Patroness of Priests under this title. My son-in-law made Her a Crown in plastic that same night. Months later, we gather money for a jeweler to make a Crown.

30. About this time I read a brochure about the Jubilee Year and Plenary Indulgences if you visit certain churches in Rome. My mind was blown to read about a Shrine in Rome called Mother of Divine Love. I could not find out anything about it.

31. 8th Anniversary, June 1, 2000, Ascension Thursday, A holy priest, a friend of my Bishop comes to offer Holy Mass here with my Bishop and Pastor's permission. We have always had Holy Mass for our Anniversary, but this is the first time Mass is here at our house on this day.

32. June 2000 Last Saturday my grandchildren were getting restless just before 2p.m. when we begin the Rosary. I called them to my room to pray with them to help settle them. Several other children and a few adults also came. We prayed "Hail Mary's." Our Mother surprised me by speaking a message to them. I did not see Her at that time. Two of the children saw Her. This surprised me and I held these children, a boy and a girl as they cried. They were friends of my grandchildren. Since that month we meet with the children each month. Children who have been very ill have received healing. Our Mother asks that the children pray three Hail Mary's each day for our priests. Many children are responding to this. Our Mother is touching their little hearts and instructing their parents. She is choosing many to be holy priests and holy nuns. They are taking this very seriously. Other children have also seen Our Mother since.

33. February 13, 2001, The Crown is received from the jewelers exactly nine months after Our Mother revealed it to us. My Spiritual Director blessed it and he Crowned Our Mother and calls Her, Queen of Divine Love, Mother of Divine Love, Patroness of Priests as She has asked. Our Mother reveals to me a medal with the Holy Blessed Trinity on one side and Our Mother of Divine Love on the other.

34. Last Saturday of Feb. 2001, Our Mother gives us the prayers for a small Chaplet of Divine Love to pray for Priests. Two more make victim soul for priests vow, one of my daughters and my eldest granddaughter. Now we are eight.

35. Someone brings me a magazine that says between 1995 and 2000 that 9,000 priests who had left the priesthood have returned. This amazes me

because 1995 was the same year Our Mother gave us our Morning Offering with those words.

36. March and April 2001 Holy Cross is built of cement lying on the ground. It is blessed on Good Friday by three holy priests, my Spiritual Director, my Pastor and the first priest to receive healing on a Last Saturday. It is raised in the air and put into a foundation in the ground. Three steps in a beautiful octagon shape are built after the cross is raised.

37. 9th Anniversary May 24, 2001 Ascension Thursday Four holy priests come to Concelebrate Holy Mass here for us. Our Mother told me that many more would join us in making the victim soul for priests Offering in the years ahead. She said that Her Crown as Mother of Divine Love was given to Her by the Holy Blessed Trinity. The Holy Cross for Priests is now complete and today is blessed and Dedicated. We also have a Crowning Ceremony for Our Mother. Six Consecrated brides are present and together we renew our vows as victim souls for priests. This is the first time we do this more publicly.

38. Last Saturday of May 2001 A kind man offers to build outside bathrooms and a covered Prayer Pavillion as our house now overflows. Our Mother said to let him do this as She was inspiring him. She gave me the shape of the Church. It is a big Cross with an eight sided (round) center. The center part will one day have a golden dome like a Tabernacle. The Rosary to surround this.

39. June 2001 Six in Ohio make their vows as victim souls for priests inspired by someone sharing about our vows. Now we are fourteen. I am in shock and awe of God as I never thought this would happen. Many more are praying the Morning Offering and other prayers for priests daily.

40. September 2001, A young mom asks to make our vow. I sent her to my Spiritual Director. He said yes. Now we are fifteen. The inspiration to make this simple lifetime vow always comes from the person, not from us.

41. And so this continues until today (October 10, 2003) there are now over 400 in five countries who have made the victim soul for priests vow. These are all ordinary people like us in every walk of life. Three priests have made their victim soul for priests offering, one from Louisiana, one from Nigeria and one from India. Many priests from many states have heard the vows and received these holy souls into our little Apostolate.

42. Our Mother's last Visitation of forty-two was to have been September 2002. In April 2002 Our Mother told me that Jesus was extending Her Visitations because many were responding to Her Call to pray for priests. We do not know when Her Visits will end.

43. ROSARY OF LIGHT Sept. 17, 2001 one week AFTER 9-11-01 Our Mother Appears as we are praying an outdoor Rosary for Peace at Our Lady of the Rosary Church in Larose, Louisiana. This is my Spiritual Director's parish and my second home. She is Mother of Divine Love, awesome

Visitation! Our Mother comes in a golden globe then holds out to us in Her beautiful Immaculate Hands a Rosary of Light. She is more beautiful than ever. Then on the Last Saturday of Jan 2002, Feb. 2002, March 2002 and May 2002 Our Mother Appears with a Rosary of Light in Her Hands. I called it a Rosary of Light because I could not think of anything else to call it. Each of these times was during the children's message, as we gathered with the children. This was made public when it happened. Once a Rosary of Light was found at the foot of the Cross by one of my daughters. We tried for many months to find the owner. Our Mother has said that She put it there. This was before you announced the Luminous Mysteries. This once again confirms the authenticity of Her messages to us.

44. Our Mother has said that never before in the History of the Church have so many offered themselves as victim souls for priests. She explained this very simply. She said that God has promised to always take care of the needs of his Church. Our Mother said this is needed now and so that is why it is happening. SIMPLE. We are just responding to His Call to us.

45. Our Mother has revealed the seven points on Her Crown have seven meanings. She has revealed six of these to us. (1.) Seven Days of Creation (2.) Seven Sacraments (3.) Seven Sorrows of Mary (4.) Seven Joys of Mary (5.) Seven Hills of Rome (6.) Seven Gifts of the Holy Spirit.

Dear Holy Father, as you can see much has happened. This is only a very brief summary of Our Mother's Mission for priests. She asks that a Priest's Shrine be established here. A place of healing for priests. Please pray for us as we pray always for you. May choirs of angels surround and protect you always. You are in Our Mother's Immaculate Hands and Heart forever.

Your obedient servant, a little servant of the servants,  
Claire Rose Francis Cabrini Champagne

**Our Mother's main message to Priests:**  
Our Mother says over & over:

"My Precious and Most Beloved Sons: I love you. I love you. I love you!  
I come to you in love. I come to bring you love. Come home to your Mother.  
I await you. I call you to holiness. Turn to Me. I long to hold you. I will help  
you. I will help to wash you clean like a mother who washes her children clean  
when she calls them in for supper after they have played in the dust and dirt  
all day. Go to Confession to your brother priest. I give to you My own Heart.  
I need you My sons. My Son Jesus needs you. You represent My Son Jesus as  
no one else can. You have been chosen. Your life, your ministry as a holy priest

is the highest calling on this earth. Your life must be a living example of true holiness. Come home to Your Mother's Heart."

"To the world you are a shepherd, to Me Your Mother you are My own little lambs. I love you. Come home My beloved sons. Come back to Me with all your heart. I love you. Mother of all hearts. I have many Titles, I am one Mother, Your Mother, Mother of Divine Love. My Son Jesus in Holy Communion is Divine Love."

"I have been Crowned with a special crown for you alone My sons, My priests. Crowned by the Most Holy Blessed Trinity, by Our Beloved Father; by My Beloved Son, Jesus and by My Beloved Spouse, the Holy Spirit. There is One God in Three Persons. I love, worship and adore God. In humble submission and in obedience I accept this Crown of all Crowns for your benefit My beloved priest sons. It is the desire of Our God that I be known as Patroness of Priests under the Title Mother of Divine Love. I receive this honor in total love for My God and for you My beloved priest sons. Through this mission of Divine Love the Church of My Son Jesus; the One, Holy, Catholic and Apostolic Church; My beloved Church will be made one again. It will be restored to holiness and wholeness."

"This is the new springtime that My beloved son, His Holiness, Our Holy Father John Paul II is awaiting. He is the greatest Saint of your times. Love him! Obey him. He speaks for My Son Jesus and for Me, Your Mother. I am Your Mother just as if I gave birth to you for I gave birth to your vocation as a holy priest. Where are you, My sons? Where are you? I am with you at all times. Where do you bring Me? Come home. I love you. I love you. I love you. Your Mother, Mother of Divine Love."

-----  
**To us Our Mother says:**

"PRAY! PRAY! PRAY! PRAY! Embrace your little crosses. Join your sufferings to the suffering of My Son Jesus. Offer these sufferings and sacrifices for My beloved priest sons. My priests are My Hands in this world. Help Me to mend My Hands."

"When you pray for holy priests you are praying for yourselves and your children for many generations. Be converted. Repent of your sins. Forgive one another My children. Go to Confession to My priest sons. In the Holy Confessional you encounter My Son Jesus. My Son Jesus in Confession is DIVINE MERCY. Receive My Son Jesus with a clean soul in Holy Communion. My Son Jesus in Holy Communion is DIVINE LOVE. Love one another as I love you. All missions will come together in this Mission of My Sorrowful and Immaculate Heart, this Mission of the Sacred and Eucharistic Heart of My Beloved Son Jesus, this Mission of Divine Love."

# Eulogy for Claire Rose Champagne

By Fr. Dean Danos, Spiritual Director of the Brides of the Most Blessed Trinity

Claire Rose Voisin was born on August 27<sup>th</sup>, 1940 to Linest and Lorena Voisin. At a very early age, Claire Rose learned the value of family life. She had a deep love for her mother and father.

Her first job was working at a dress shop in Houma. She loved wearing and modeling the dresses in the shop.

Wilbert “Buddy” Champagne was friends with one of Claire’s brothers. As Buddy visited Claire’s brother, Buddy told him, “I am going to marry Claire Rose,” and shortly after they were married, on February 16<sup>th</sup>, 1957. This past February they celebrated 63 years of marriage. They have had their marriage blessed many times.

They were blessed with five children: Taryn, Gregory, Katrina, Leslie, and Aleta; eight grandchildren: Lorena, Stephanie, Jay, Ashton, Gordon, Amy, Ashley, Buddy, and Stephen; twenty-two great grandchildren; and three great-great grandchildren.

Claire Rose wore many hats: she was a devoted wife, mother, grandmother; a friend to many; a matriarch of the Voisin and Champagne family; and a visionary.

She enjoyed traveling, and was courageous enough to leave her momma and get on a plane with all her children and many suitcases to be with Buddy who was working in the North Sea. While there, she loved to visit Churches and the tulip fields in Holland.

She returned to Theriot to care for her momma who was dying. She worked side by side with Buddy at their hardware store in Bayou Dularge.

Claire Rose had a great devotion to the Blessed Mother from an early age. She made pilgrimages to many Marian Shrines, such as Lourdes and Fatima.

Claire Rose founded the Brides of the Most Blessed Trinity, an apostolate to pray for priests, in 1992. She has faithfully had prayer meetings on the last Saturday of the month at her home, at St. Eloi Church, and in Lafayette at the home of her friend, Danielle. This apostolate has members all over the world who pray daily for holy priests. Our Lady asked for a Bayou Shrine, a thirty-three foot cement cross, the Stations of the Cross, and a well of healing water to be built on the family property, which Claire obediently

brought to completion. In July of 1997 Our Lady began giving Claire public messages for priests.

Claire Rose went to Rome in 2003 to bring Pope John Paul II a painting of Our Lady of Divine Love painted by LaRose artist Myra Waters, and also attended Mother Teresa's Beatification while in Rome. Claire Rose and Buddy also travelled to Saltillo, Mexico, to feed the poor and less fortunate.

Claire was compassionate and helped people from all walks of life in their needs, both physical and spiritual. She counseled many people through their journey of finding Christ and helped many to find their way back home to the Catholic faith.

Her faith had no bounds. She prayed the Rosary and Chaplet of Divine Mercy daily, prayed most of the night, and was faithful to Holy Mass. She believed that most of her spiritual experiences would remain hidden until after her death. Her ministry has borne good fruit.

She had a very keen memory for dates and events. She was the historian of St. Eloi Parish and the co-author of their 145<sup>th</sup> Anniversary book, as well as a member of the Ladies Altar Society.

She never met a stranger. She enjoyed sharing a meal with family, donut runs to Houma, and eating at Olive Garden. She loved unconditionally and always saw the good in everyone.

Her light shone brightly for all who came to know her. She always had warm hugs and lots of kisses. She would say, "Remember, you are not alone, we have each other," "Give yourself a break," "Encourage and support and defend one another, always in love," "I call you to a new level of peace, a deeper level of love."

Claire Rose Champagne passed away peacefully on Thursday, November 19<sup>th</sup>, 2020, surrounded by her loving husband Buddy, family, and her spiritual director, Fr. Dean Danos. Just as Claire Rose gave us good things in this life, now that she is perfected she will give us good things from Heaven.
